

# Q&A from Implementation Webinar Part I

| Question                         | Answer  |
|----------------------------------|---|
| When is the contract start date? | ESG contracts began on November 1, 2024, and will end on October 31, 2025.  |
| What system is used for the MER? | The MER (Monthly Expenditure Report) is part of the <a href="#">Housing Contract System (HCS)</a> . Subrecipients use the MER to report eligible expenditures incurred during a given month, as well as reporting match. This creates a request reimbursement for those expenses. |
