

## Rider 5 Provision Tool

This Rider 5 Provision Tool is intended to help TDHCA Single Family Program Administrators find out if an applicant's County would qualify to use the Texas median income rather than the county median income.

The 2007 Texas General Appropriations Act (referred to as the "Rider 5 Provision") states, in part:

*"To the extent allowed by state and federal program guidelines, the Department shall adopt an annual goal to apply no less than \$30,000,000 of the funds available from the Housing Trust Fund, HOME Program, Section 8 Program, and Housing Tax-Credit Program's total housing funds toward housing assistance for individuals and families earning less than 30% of the area median family income.*

...

*To the extent allowed by state and federal program guidelines in those counties where the area median family income is lower than the state average median family income the Department shall use the average state median income in interpreting this rider."*
