CERTAIN FINDINGS AND DETERMINATIONS

Section 3.1 Findings of the Board. That in accordance with Section 2306.223 of the Act and after the Department's consideration of the information with respect to the Development and the information with respect to the proposed financing of the Development by the Department, including but not limited to the information submitted by the Borrower, independent studies commissioned by the Department, recommendations of the Department staff and such other information as it deems relevant, the Board hereby finds:

(a) Need for Housing Development.

(i) that the Development is necessary to provide needed decent, safe, and sanitary housing at rentals or prices that individuals or families of low and very low income or families of moderate income can afford,

(ii) that the financing of the Development is a public purpose and will provide a public benefit, and

(iii) that the Development will be undertaken within the authority granted by the Act to the housing finance division and the Borrower.

(b) Findings with Respect to the Borrower.

(i) that the Borrower, by operating the Development in accordance with the requirements of the Project Loan Agreement, the Regulatory Agreement and the Tax Exemption Agreement, will supply well-planned and well-designed housing for individuals or families of low and very low income or families of moderate income,

(ii) that the Borrower is financially responsible, and

(iii) that the Borrower is not, and will not enter into a contract for the Development with, a housing developer that (A) is on the Department's debarred list, including any parts of that list that are derived from the debarred list of the United States Department of Housing and Urban Development; (B) breached a contract with a public agency; or (C) misrepresented to a subcontractor the extent to which the developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the developer's participation in contracts with the agency and the amount of financial assistance awarded to the developer by the Department.

(c) Public Purpose and Benefits.

(i) that the Borrower has agreed to operate the Development in accordance with the Project Loan Agreement, the Regulatory Agreement and the Tax Exemption Agreement, which require, among other things, that the Development be occupied by individuals and families of low and very low income and families of moderate income, and

(ii) that the issuance of the Governmental Note to finance the Development is undertaken within the authority conferred by the Act and will accomplish a valid public purpose and will provide a public benefit by assisting individuals and families of low and very low income and families of moderate income in the State to obtain decent, safe, and sanitary housing by financing the costs of the Development, thereby helping to maintain a fully adequate supply of sanitary and safe dwelling accommodations at rents that such individuals and families can afford.

Section 3.2 Determination of Eligible Tenants. That the Board has determined, to the extent permitted by law and after consideration of such evidence and factors as it deems relevant, the findings of the staff of the Department, the laws applicable to the Department and the provisions of the Act, that eligible tenants for the Development shall be (1) individuals and families of low and very low income, (2) persons with special needs, and (3) families of moderate income, with the income limits as set forth in the Tax Exemption Agreement and the Regulatory Agreement.

Section 3.3 Sufficiency of Loan Interest Rate. That, in accordance with Section 2306.226 of the Act, the Board hereby finds and determines that the interest rate on the

Project Loan established pursuant to the Project Loan Agreement will produce the amounts required, together with other available funds, to pay for the Department's costs of operation with respect to the Governmental Note and the Development and enable the Department to meet its covenants with and responsibilities to the holders of the Governmental Note.

Section 3.4 No Gain Allowed. That, in accordance with Section 2306.498 of the Act, no member of the Board or employee of the Department may purchase the Governmental Note in the secondary open market for municipal securities.

The Governmental Note shall contain on its face a statement to the effect that the State is not obligated to pay the principal thereof or interest thereon and that neither the faith or credit nor the taxing power of the State is pledged, given or loaned to such payment.

ARTICLE II.

THE FUNDING LOAN

Section 2.01. *Terms.*

(a) The Governmental Note shall be issued and the Funding Loan shall be originated and funded on the Delivery Date in the original principal amount of \$35,000,000 with funds provided in accordance with Section 2.01(b). The proceeds of the Funding Loan shall be deposited with the Fiscal Agent and disbursed in accordance with this Funding Loan Agreement. The Funding Loan shall be evidenced by the Governmental Note and shall bear interest and be paid in accordance with the payment terms set forth in the Governmental Note and this Funding Loan Agreement.

(b) The proceeds of the Funding Loan shall be advanced by the Initial Funding Lender directly to the Fiscal Agent for deposit to the Project Account and the Cost of Issuance Fund on the Delivery Date in accordance with Section 2.11(b).

(c) *[Reserved]*.

(d) Except as otherwise provided in Section 6.11, the Governmental Note and the Funding Loan shall bear interest payable on each Interest Payment Date at (i) the Construction Phase Interest Rate during the Construction Phase and (ii) the Permanent Phase Interest Rate during the Permanent Phase. Interest on the Governmental Note and the Funding Loan shall be computed on the basis of (i) during the Construction Phase, a 360-day year consisting of twelve 30-day months, and (ii) during the Permanent Phase, a 360-day year and the actual number of days elapsed.

(e) The Funding Loan and the Governmental Note shall mature on November 1, 2040, subject to scheduled monthly principal payments, and to optional and mandatory prepayment prior to maturity as provided in Article III hereof. The unpaid principal balance of the Funding Loan shall be paid on the dates and in the amounts set forth on the initial Funding Loan Amortization Schedule provided on the Delivery Date and attached as Schedule 1 to the Governmental Note if the Conversion Date occurs on or prior to the initial Forward Commitment Maturity Date. If the Forward Commitment Maturity Date is extended by Freddie Mac in accordance with the Freddie Mac Commitment and the Construction Phase Financing Agreement, the first principal payment date under the Funding Loan Amortization Schedule may be changed consistent with the terms thereof; provided, however, any such change of amortization shall be subject to the receipt by the Fiscal Agent, the Initial Funding Lender, and the Governmental Lender of a Favorable Opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative, the Freddie Mac Seller/Service, and Freddie Mac) on or prior to the Conversion Date to the effect that such change of the Funding Loan Amortization Schedule will not adversely affect the tax-exempt status

of interest on the Governmental Note. Additionally, in the event the outstanding principal amount of the Funding Loan on the Conversion Date is less or greater than the starting principal amount set forth in the initial Funding Loan Amortization Schedule, a new Funding Loan Amortization Schedule will be generated on the Conversion Date at such lesser or greater outstanding principal amount based on the parameters set forth in the Freddie Mac Commitment, subject to receipt of a Favorable Opinion of Bond Counsel as aforesaid. In the event the initial Funding Loan Amortization Schedule is modified in accordance with this Section 2.01(e), a replacement Funding Loan Amortization Schedule will be provided to Governmental Lender and Fiscal Agent by the Freddie Mac Seller/Servicer which will be attached to the Governmental Note on the Conversion Date. All unpaid principal and all accrued and unpaid interest outstanding under the Funding Loan shall be due and payable on the Maturity Date.

(f) Payment of principal of, premium, if any, and interest on the Funding Loan shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Funding Lender (unless otherwise directed by the Funding Lender).

(g) Subject to Section 2.12 hereof, on or before the date fixed for payment, money shall be deposited with the Fiscal Agent to pay, and the Fiscal Agent is hereby authorized and directed to apply such money to the payment of, the Funding Loan, together with accrued interest thereon to the date of payment.

(h) The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Note and all agreements made in the Governmental Note, this Funding Loan Agreement and the Financing Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto including Chapter 1204 of the Texas Government Code and other applicable laws of the State of Texas. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Note, this Funding Loan Agreement or the other Financing Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. In no event shall the interest on the Governmental Note exceed the Maximum Interest Rate. This paragraph shall control every other provision of the Governmental Note, this Funding Loan Agreement and all other Financing Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Project Loan Agreement and the Financing Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken

into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Governmental Note.

(i) In no contingency or event whatsoever shall the aggregate of all amounts deemed interest hereunder and charged or collected pursuant to the terms of this Funding Loan Agreement exceed the Maximum Interest Rate. In the event that such court determines the Funding Lender has charged or received interest hereunder in excess of the highest applicable rate, the Funding Lender shall apply, in its sole discretion, and set off such excess interest received by the Funding Lender against other obligations due or to become due under the Financing Documents and such rate shall automatically be reduced to the Maximum Interest Rate.

(j) Notwithstanding any other provision of this Funding Loan Agreement to the contrary, **THE GOVERNMENTAL LENDER SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON, THE GOVERNMENTAL NOTE SOLELY OUT OF THE PLEDGED SECURITY, INCLUDING THE REVENUES. THE GOVERNMENTAL NOTE SHALL BE A SPECIAL LIMITED OBLIGATION OF THE GOVERNMENTAL LENDER PAYABLE SOLELY FROM THE PLEDGED SECURITY, INCLUDING THE REVENUES. THE GOVERNMENTAL NOTE SHALL CONSTITUTE A VALID CLAIM OF THE RESPECTIVE NOTEOWNERS THEREOF AGAINST THE PLEDGED SECURITY, WHICH IS PLEDGED TO SECURE THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE GOVERNMENTAL NOTE AND WHICH SHALL BE UTILIZED FOR NO OTHER PURPOSE, EXCEPT AS EXPRESSLY AUTHORIZED IN THIS FUNDING LOAN AGREEMENT.**

Any payment made in accordance with the provisions of this Section shall be accompanied by sufficient information to identify the source and proper application of such payment. The Servicer shall promptly notify the Fiscal Agent, the Funding Lender, the Funding Lender Representative and the Governmental Lender in writing of any failure of the Borrower to make any payment of principal of, Prepayment Premium, if any, and interest on the Project Loan when due or to pay any fees due hereunder or under the Project Loan Agreement, and the Fiscal Agent and the Governmental Lender shall not be deemed to have any notice of such failure unless it has received such notice in writing.

(b) If the Governmental Note is sold or transferred as provided in Section 2.08(b), the Funding Lender Representative shall notify the Fiscal Agent and the Borrower in writing of the name and address of the transferee.

Section 2.13. **Conversion.** If the Notice of Conversion is issued in the timeframe required under the Construction Phase Financing Agreement, Conversion will occur on the Conversion Date indicated in such Notice of Conversion. If the Notice of Conversion is not so issued, Conversion will not occur, and neither the Freddie Mac Seller/Servicer nor Freddie Mac will have any obligations with respect to the purchase of the Funding Loan or otherwise with respect to the Loans or the Project.

ARTICLE III.

PREPAYMENT OF THE FUNDING LOAN

Section 3.01. **Prepayment of the Funding Loan Prior to Maturity/Redemption of the Governmental Note.**

(a) **Optional Prepayment.** The Funding Loan, together with accrued interest thereon, is subject to optional redemption and prepayment in whole upon optional prepayment of the Project Loan in accordance with the notice and other prepayment provisions set forth in the Project Note. Any optional prepayment of the Funding Loan shall constitute a redemption of the Governmental Note to the extent of the prepayment.

(b) **Mandatory Prepayment.** The Funding Loan, together with accrued interest thereon, and together with Prepayment Premium (to the extent payable under the Project Note), is subject to mandatory prepayment on any Business Day, in whole or in part as indicated below, at the earliest practicable date upon the occurrence of any of the following:

(i) in whole or in part, upon the occurrence of a mandatory prepayment of the Project Loan pursuant to the Project Note and receipt by the Fiscal Agent of a written direction by the Funding Lender Representative that the Funding Loan shall be subject to mandatory prepayment as a result thereof;

(ii) in part, on the Interest Payment Date next following the completion of the rehabilitation of the Project but in no event later than three years after the Delivery Date, to the extent amounts remaining in the Project Account of the Project Loan Fund are transferred to the Loan Prepayment Fund pursuant to Section 4.02(e) hereof;

(iii) in part, in the event the Borrower elects to make a Pre-Conversion Loan Equalization Payment; or

(iv) in whole, on or after [____], at the written direction of the Initial Funding Lender, if the Freddie Mac Seller/Servicer does not for any reason purchase the Funding Loan from the Initial Funding Lender prior to [____]. [**DRAFTING NOTE: each date same as Forward Commitment Maturity Date**]

Notwithstanding anything to the contrary in this Funding Loan Agreement, any prepayment of the Funding Loan, in whole or in part, shall constitute a redemption of the Governmental Note to the extent of the prepayment.

Section 3.02. **Notice of Prepayment.** Notice of the intended prepayment of the Funding Loan shall be given by the Fiscal Agent by first class mail, postage prepaid, or by overnight delivery service, to the Funding Lender and the Governmental Lender. All such prepayment notices shall be given not less than ten (10) days (not less than thirty (30) days in the case of optional prepayment) nor more than sixty (60) days prior to the date fixed for prepayment. Notices of prepayment shall state (i) the prepayment date, (ii) the prepayment amount, and (iii) the place or places where amounts due upon such prepayment will be payable.

Notice of such prepayment shall also be sent by first class mail, postage prepaid, or by overnight delivery service, to the Servicer, not later than the time of mailing of notices required by the first paragraph above, and in any event no later than simultaneously with the mailing of notices required by the first paragraph above; provided, that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the prepayment of the Funding Loan.

Notwithstanding the foregoing, in the event the Fiscal Agent is not collecting and remitting loan payments hereunder, the Fiscal Agent shall have no obligation to send prepayment notices pursuant to this Section 3.02.

ARTICLE IV.

REVENUES AND FUNDS

Section 4.01. **Pledge of Revenues and Assets; Establishment of Funds.** The pledge and assignment of and the security interest granted in the Pledged Security pursuant to Section 2.02 hereof shall attach, be perfected and be valid and binding from and after the time of the closing of the Funding Loan and delivery of the Governmental Note by the Fiscal Agent or by any Person authorized by the Fiscal Agent to deliver the Governmental Note. The Pledged Security so pledged and then or thereafter received by the Fiscal Agent shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all

parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

In addition to the Project Loan Fund established pursuant to Section 2.11 hereof, the Fiscal Agent shall establish, maintain and hold in trust the following funds and accounts, each of which is hereby established and each of which shall be disbursed and applied only as herein authorized:

- (a) Revenue Fund;
- (b) Loan Payment Fund;
- (c) Loan Prepayment Fund;
- (d) Administration Fund;
- (e) Cost of Issuance Fund; and
- (f) Rebate Fund.

The funds and accounts established pursuant to Section 2.11 and this Section 4.01 shall be maintained in the corporate trust department of the Fiscal Agent as segregated trust accounts, separate and identifiable from all other funds held by the Fiscal Agent. The Fiscal Agent shall, at the written direction of an Authorized Officer of the Governmental Lender, and may, in its discretion, establish such additional accounts within any Fund, and subaccounts within any of the accounts, as the Governmental Lender or the Fiscal Agent may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that Fund and its accounts, or for the purpose of complying with the requirements of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Funding Loan Agreement with respect to a deposit or use of money in the funds established hereunder, or result in commingling of funds not permitted hereunder.

Pursuant to the Tax Exemption Agreement, the Fiscal Agent shall cause to be kept and maintained adequate records pertaining to investment of all proceeds of the Governmental Note and the Funding Loan sufficient to permit the Borrower, on behalf of the Governmental Lender, to determine the amount of rebate, if any, required to be paid to the United States of America pursuant to Section 148 of the Code. The Fiscal Agent shall have no responsibility to make such determination.

Section 4.02. ***Project Loan Fund.***

(a) Deposit. The Fiscal Agent shall deposit \$[] of the proceeds of the Funding Loan into the Project Account of the Project Loan Fund upon receipt thereof as provided in Section 2.11(b) hereof. The Fiscal Agent shall deposit the Borrower Equity Deposit into the Borrower Equity Account of the Project Loan Fund, as well as any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or Servicer to be deposited therein (excluding any proceeds of the Governmental Note), as provided in Section 2.11(c) hereof.

(b) Disbursements. Amounts on deposit in the Project Loan Fund shall be disbursed from time to time by the Fiscal Agent for the purpose of paying: (i) interest on the Funding Loan and the Fee Component, in each case when due during the Construction Phase without the need for a Requisition or other written direction; (ii) Costs of the Project; (iii) other costs of the Project from the Project Account, subject to the limitations of the Tax Exemption Agreement; and (iv) other costs of the Project from the Borrower Equity Account. In addition, amounts in the Project Loan Fund shall be transferred to the Loan Prepayment Fund, the Rebate Fund and the Borrower at the times and in the manner provided in subsection (e) of this Section 4.02.

(c) Transfers and Requisitions. The Fiscal Agent shall automatically transfer amounts from the Borrower Equity Account of the Project Loan Fund to the Administration Fund to pay to the appropriate party its accrued fees that are included in the Fee Component that are due and payable as set forth herein or upon receipt of an invoice, without any need for a Requisition or other written direction. Unless the Fiscal Agent is instructed otherwise by the Initial Funding Lender, if there are insufficient funds in the Loan Payment Fund to make such payment, the Fiscal Agent shall automatically transfer amounts in the Project Account of the Project Loan Fund to the Loan Payment Fund to pay interest on the Project Loan and Funding Loan without any need for a Requisition or other written direction. The Fiscal Agent shall make disbursements from the respective accounts of the Project Loan Fund for purposes described in subsections (b)(ii), (b)(iii) and (b)(iv) of this Section 4.02 only upon the receipt of a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer (signifying the consent to the Requisition by the Servicer). The Fiscal Agent shall have no right or duty to determine whether any requested disbursement from the Project Loan Fund complies with the terms, conditions and provisions of the Construction Continuing Covenant Agreement. The countersignature of the Authorized Officer of the Servicer on a Requisition shall be deemed a certification, and insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence, that all of the terms, conditions and requirements of the Construction Continuing Covenant Agreement applicable to such disbursement have been fully satisfied or waived; provided, however, that Servicer's approval of a Requisition does not constitute any acknowledgement or representation on behalf of Servicer or Initial Funding Lender that the funds disbursed by Fiscal Agent are being used for so-called "good costs" for purposes of the uses of bond proceeds in compliance with the Code. The Fiscal Agent shall, immediately upon each receipt of a completed Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer, initiate procedures with the provider of a Qualified Investment to make withdrawals as necessary to fund the Requisition.

Notwithstanding anything to the contrary contained herein, no signature of an Authorized Officer of the Borrower shall be required during any period in which an Event of Default has occurred and is then continuing under the Loans or any Financing Document (notice of which default has been given in writing by the Funding Lender Representative or the Servicer to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default).

(d) If a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer or (as permitted hereunder) solely by an Authorized Officer of the Servicer, is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit

in the Project Loan Fund, including all interest accrued therein, the Fiscal Agent shall close the Project Loan Fund.

(e) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to Section 3.01(b)(i) hereof, any amount then remaining in the Project Loan Fund shall, at the written direction of the Funding Lender Representative, be transferred to the Loan Prepayment Fund to pay amounts due on the Funding Loan, if any. In addition, any amount remaining in the Project Account of the Project Loan Fund following completion of the rehabilitation of the Project in accordance with the Construction Continuing Covenant Agreement, evidenced by an instrument signed by the Funding Lender Representative or the Servicer, and in any case on the date that is three years after the Delivery Date, shall, after all Costs have been paid, which shall be confirmed by Borrower, be transferred to the Loan Prepayment Fund and used to prepay the Funding Loan in accordance with Section 3.01(b)(ii) hereof, unless the Fiscal Agent receives a Favorable Opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative); provided, if any rebate is due, that any amounts in the Project Account of the Project Loan Fund in excess of the amount needed to fund the related prepayment of the Funding Loan shall be transferred to the Rebate Fund in an amount sufficient to pay such rebate. In the event there are funds remaining in the Borrower Equity Account following completion of the rehabilitation of the Project in accordance with the Construction Continuing Covenant Agreement and the Conversion Date has occurred, and provided no Event of Default by the Borrower exists under this Funding Loan Agreement or any Project Loan Document, such funds shall be promptly paid by the Fiscal Agent to the Borrower at the written direction of the Funding Lender Representative or the Servicer.

(f) Amounts on deposit in the Project Loan Fund shall be invested as provided in Section 4.08 hereof; provided that, unless the Initial Funding Lender otherwise consents, so long as the Initial Funding Lender is the holder of the Governmental Note, all amounts on deposit in the Project Account of the Project Loan Fund shall be invested in a certificate of deposit established with the Initial Funding Lender. All Investment Income on amounts on deposit in the Project Loan Fund shall be retained in and credited to and become a part of the amounts on deposit in the Project Loan Fund, and shall constitute part of any transfers required by subsection (b) or (e) of this Section 4.02.

Section 4.03. *Application of Revenues.*

(a) All Revenues received by the Fiscal Agent shall be deposited by the Fiscal Agent, promptly upon receipt thereof, to the Revenue Fund, except (i) the proceeds of the Funding Loan received by the Fiscal Agent on the Delivery Date, which shall be applied in accordance with the provisions of Section 2.11 hereof; (ii) funds delivered to the Fiscal Agent to be deposited in the Borrower Equity Account pursuant to Section 2.11 hereof, (iii) as otherwise specifically provided in subsection (c) of this Section 4.03 with respect to certain deposits into the Loan Prepayment Fund; (iv) with respect to Investment Income to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and (v) with respect to amounts required to be transferred between funds and accounts as provided in this Article IV.

(b) Subject to Section 2.12 hereof, on each Interest Payment Date or any other date on which payment of principal of and/or interest on the Funding Loan becomes due and payable, the Fiscal Agent, out of money in the Revenue Fund, shall credit the following amounts to the

following funds, but in the order and within the limitations hereinafter indicated with respect thereto, as follows:

FIRST: to the Loan Payment Fund, an amount equal to the principal of and/or interest due on the Funding Loan on such date (including scheduled principal pursuant to the Funding Loan Amortization Schedule); and

SECOND: to the Loan Prepayment Fund, an amount equal to the principal and interest due on the Funding Loan on such date with respect to a mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b) hereof (other than any extraordinary mandatory prepayment as described in Section 4.03(c)(i) or (iii) below).

(c) Promptly upon receipt, the Fiscal Agent shall deposit directly to the Loan Prepayment Fund (i) Net Casualty Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Project Loan in accordance with the Continuing Covenant Agreement, such amount to be applied to provide for the extraordinary mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b)(i) hereof; (ii) funds paid to the Fiscal Agent to be applied to the optional prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(a); and (iii) amounts transferred to the Loan Prepayment Fund from the Project Loan Fund pursuant to Section 4.02(e) hereof.

(d) Subject to Section 2.12 hereof, should the amount in the Loan Payment Fund be insufficient to pay the amount due on the Funding Loan on any given Interest Payment Date, the Fiscal Agent shall credit to the Loan Payment Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (1) the Revenue Fund; and (2) the Loan Prepayment Fund, except no such charge to the Loan Prepayment Fund shall be made from money to be used to effect a prepayment for which notice of prepayment has been provided for hereunder.

Section 4.04. ***Application of Loan Payment Fund.*** Subject to Section 2.12 hereof, the Fiscal Agent shall charge the Loan Payment Fund, on each Interest Payment Date, an amount equal to the unpaid interest and/or principal due on the Funding Loan on such Interest Payment Date as provided in Section 4.03(a) and (b), and shall cause the same to be applied to the payment of such interest and/or principal when due. Any money remaining in the Loan Payment Fund on any Interest Payment Date after application as provided in the preceding sentence may, to the extent there shall exist any deficiency in the Loan Prepayment Fund to prepay the Funding Loan if called for prepayment on such Interest Payment Date, be transferred to the Loan Prepayment Fund to be applied for such purpose.

Any Investment Income on amounts on deposit in the Loan Payment Fund shall be deposited by the Fiscal Agent upon receipt thereof in the Revenue Fund.

No amount shall be charged against the Loan Payment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

Section 4.05. ***Application of Loan Prepayment Fund.*** Any money credited to the Loan Prepayment Fund shall be applied as set forth in Sections 4.03(b) and 4.03(c) hereof; provided, however, that to the extent any money credited to the Loan Prepayment Fund is in excess of the

amount necessary to effect the prepayments described in Sections 4.03(b) and 4.03(c) hereof it shall be applied to make up any deficiency in the Loan Payment Fund on any Interest Payment Date, to the extent money then available in accordance with Section 4.03(d) hereof in the Revenue Fund is insufficient to make up such deficiency; provided that no money to be used to effect a prepayment for which a notice of prepayment has been provided shall be so transferred to the Loan Payment Fund.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Loan Prepayment Fund shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Loan Prepayment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

Section 4.06. **Administration Fund.** Subject to Section 2.12 hereof, the Fiscal Agent shall deposit into the Administration Fund, promptly upon receipt thereof, all amounts received from the Servicer (or the Borrower if no Servicer exists for the Loans) designated for deposit into such fund together with amounts transferred by the Fiscal Agent from the Project Loan Fund for deposit to the Administration Fund pursuant to Section 4.02(c). Amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent and used **FIRST**, to pay to the Fiscal Agent when due the Ordinary Fiscal Agent's Fees and Expenses; **SECOND**, to pay to the Governmental Lender when due the Governmental Lender Fees; **THIRD**, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under this Funding Loan Agreement and the Project Loan Agreement, upon receipt of an invoice from the Rebate Analyst; **FOURTH**, to pay to the Fiscal Agent any Extraordinary Fiscal Agent's Fees and Expenses due and payable from time to time, as set forth in an invoice submitted to the Borrower and the Servicer; **FIFTH**, to pay to the Governmental Lender any extraordinary expenses it may incur in connection with the Loans or this Funding Loan Agreement from time to time, as set forth in an invoice submitted to the Fiscal Agent and the Servicer; **SIXTH**, to pay to the Funding Lender Representative any unpaid amounts due under the Continuing Covenant Agreement, as certified in writing by the Funding Lender Representative to the Fiscal Agent; **SEVENTH**, to make up any deficiency in the Loan Prepayment Fund on any prepayment date of the Funding Loan, to the extent money then available in accordance with Section 4.03(d) hereof in the Loan Prepayment Fund is insufficient to prepay the Funding Loan scheduled for prepayment on such prepayment date; and **EIGHTH**, to transfer any remaining balance after application as aforesaid to the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give written notice to the Borrower and the Servicer of such deficiency and of the amount of such deficiency and request payment within two (2) Business Days to the Fiscal Agent of the amount of such deficiency. Upon payment by the Borrower or the Servicer of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Administration Fund not needed to pay the foregoing amounts shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Administration Fund except as expressly provided in this Article IV and Section 6.05 hereof.

Section 4.07. *[Reserved]*.

Section 4.08. *Investment of Funds.* The money held by the Fiscal Agent shall constitute trust funds for the purposes hereof. Any money attributable to each of the funds and accounts hereunder shall be, except as otherwise expressly provided herein, invested by the Fiscal Agent, at the written direction of the Borrower (or, in the case of the Rebate Fund, as provided in the Tax Exemption Agreement), in Qualified Investments which mature or shall be subject to prepayment or withdrawal at par without penalty on or prior to the earlier of (i) six months from the date of investment and (ii) the date such money is needed; provided, that if the Fiscal Agent shall have entered into any investment agreement requiring investment of money in any fund or account hereunder in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such money shall be invested in accordance with such requirements. The Fiscal Agent shall have no discretion in investing funds or advising any parties on investing funds. In the absence of written direction from the Borrower, the Fiscal Agent shall invest amounts on deposit in the funds and accounts established under this Funding Loan Agreement in the Federated Government Obligations Fund CUSIP No. 608919809, for so long as it remains a Qualified Investment. Such investments may be made through the investment or securities department of the Fiscal Agent. The Fiscal Agent may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. The Fiscal Agent shall be entitled to assume, absent receipt by the Fiscal Agent of written notice to the contrary, that any investment which at the time of purchase is a Qualified Investment remains a Qualified Investment thereafter.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in other Sections hereof, the interest thereon and any profit arising on the sale thereof shall be credited to the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Fiscal Agent shall not be liable or responsible for any loss resulting from any investment made in accordance herewith.

The Governmental Lender acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Governmental Lender the right to receive brokerage confirmations of the security transactions as they occur, to the extent permitted by law, the Governmental Lender specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Fiscal Agent hereunder, that no brokerage confirmations need be sent relating to the security transactions as they occur.

In computing for any purpose hereunder the amount in any fund or account on any date, obligations so purchased shall be valued at Fair Market Value.

Section 4.09. **[Reserved]**.

Section 4.10. **Accounting Records.** The Fiscal Agent shall maintain accurate books and records for all funds and accounts established hereunder.

Section 4.11. **Amounts Remaining in Funds.** After full payment of the Funding Loan (or provision for payment thereof having been made in accordance with Section 9.01 hereof) and full payment of the fees, charges and expenses of the Governmental Lender, the Fiscal Agent, the Rebate Analyst, the Funding Lender and the Servicer and other amounts required to be paid hereunder or under any Project Loan Document, including, but not limited to, the Continuing Covenant Agreement (as certified in writing to the Fiscal Agent by the Governmental Lender with respect to amounts due to the Governmental Lender and by the Funding Lender Representative or the Servicer on its behalf with respect to amounts owed under the Continuing Covenant Agreement and by the Rebate Analyst with respect to amounts due to the Rebate Analyst), any amounts remaining in any fund or account hereunder other than the Rebate Fund shall be paid to the Borrower.

Section 4.12. **Rebate Fund.** The Rebate Fund shall be for the sole benefit of the United States of America and shall not be subject to the claim of any other Person, including without limitation, the Funding Lender. The Rebate Fund is established for the purpose of complying with Section 148 of the Code. The money deposited in the Rebate Fund, together with all Investments thereof and income from Investments therefrom, shall be held in trust and applied solely as provided in this Section and in the Tax Exemption Agreement. The Rebate Fund is not a portion of the Pledged Security and is not subject to any lien under this Funding Loan Agreement. Notwithstanding the foregoing, the Fiscal Agent with respect to the Rebate Fund is afforded all the rights, protections and immunities otherwise accorded to it hereunder.

Section 4.13. **Cost of Issuance Fund.** The Fiscal Agent shall deposit into the Cost of Issuance Fund (i) \$[] of the proceeds of the Funding Loan upon receipt thereof as provided in Section 2.11(b), and (ii) the Cost of Issuance Deposit, upon receipt thereof as provided in Section 2.11(c). The Fiscal Agent shall use money on deposit to the credit of the Cost of Issuance Fund to pay the costs of issuance on the Delivery Date or as soon as practicable thereafter in accordance with a Requisition in the form of Exhibit D to be given to the Fiscal Agent by the Borrower on the Delivery Date, along with appropriate invoices for such expenses. Amounts in the Cost of Issuance Fund funded with proceeds of the Funding Loan, if any, shall be expended prior to the application of the Costs of Issuance Deposit. Investment Income on amounts on deposit in the Cost of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Cost of Issuance Fund six (6) months after the Delivery Date shall be (i) if derived from proceeds of the Funding Loan, transferred to the Project Account of the Project Loan Fund and (ii) if derived from the Costs of Issuance Deposit, transferred to the Borrower. Upon such final disbursement, the Fiscal Agent shall close the Cost of Issuance Fund.

Section 4.14. **Reports From the Fiscal Agent.** The Fiscal Agent shall, on or before the fifteenth (15th) day of each month, file with the Funding Lender Representative, the Servicer, the Governmental Lender and the Borrower a statement setting forth in respect of the preceding calendar month:

- (i) the amount withdrawn or transferred by it, and the amount deposited within or on account of each fund and account held by it under the provisions of this Funding Loan Agreement, including the amount of investment income on each fund and account;
- (ii) the amount on deposit with it at the end of such month to the credit of each fund and account;
- (iii) a brief description of all obligations held by it as an investment of money in each such fund and account; and
- (iv) any other information which the Funding Lender Representative or the Governmental Lender may reasonably request and to which the Fiscal Agent has access in the ordinary course of its operations.

Upon the written request of the Funding Lender, the Fiscal Agent, at the cost of the Borrower, shall provide a copy of such statement to Funding Lender. All records and files pertaining to the Pledged Security shall be open at all reasonable times to the inspection of the Governmental Lender and the Funding Lender Representative or the Servicer and their agents and representatives upon reasonable prior notice during normal business hours.

ARTICLE V.

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01. ***Payment of Principal and Interest.*** The Governmental Lender covenants that it will promptly pay or cause to be paid, but only from the sources identified herein, sufficient amounts to provide for the payment of the principal of, premium, if any, and interest on the Funding Loan at the place, on the dates and in the manner provided herein and in the Governmental Note, according to the true intent and meaning thereof.

Section 5.02. ***Performance of Covenants.*** The Governmental Lender covenants that it will faithfully perform at all times any and all of its covenants, undertakings, stipulations and provisions contained in this Funding Loan Agreement, in the Governmental Note and in all proceedings pertaining thereto.

Section 5.03. ***Instruments of Further Assurance.*** The Governmental Lender covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such supplements hereto, and such further acts, instruments and transfers as may be reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Fiscal Agent all and singular its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Funding Loan. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Governmental Lender or the Fiscal Agent, become and be subject to the lien of this Funding Loan Agreement as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Governmental

Lender under this Section 5.03. The Governmental Lender covenants and agrees that, except as herein otherwise expressly provided, it has not and will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in the Pledged Security or the revenues or receipts therefrom.

The Governmental Lender will promptly notify the Fiscal Agent, and the Fiscal Agent shall notify the Funding Lender Representative and the Servicer in writing of the occurrence of any of the following:

- (i) the submission of any claim or the initiation of any litigation against the Governmental Lender with respect to the Loans of which the Governmental Lender has actual knowledge;
- (ii) any change in the location of the Governmental Lender's principal office or any change in the location of the Governmental Lender's books and records relating to the transactions contemplated hereby;
- (iii) the occurrence of any Event of Default of which the Governmental Lender has actual knowledge;
- (iv) the commencement of any proceedings or any proceedings instituted by or against the Governmental Lender in any federal, state or local court or before any governmental body or agency, or before any arbitration board, relating to the Notes; or
- (v) the commencement of any proceedings by or against the Governmental Lender under any applicable bankruptcy, reorganization, liquidation, rehabilitation, insolvency or other similar law now or hereafter in effect or of any proceeding in which a receiver, liquidator, conservator, trustee or similar official shall have been, or may be, appointed or requested for the Governmental Lender or any of its assets relating to the Loans.

Section 5.04. ***Inspection of Project Books.*** The Governmental Lender covenants and agrees that all books and documents in its possession relating to the Project shall, upon reasonable prior notice, during normal business hours, be open to inspection and copying by such accountants or other agents as the Fiscal Agent or the Funding Lender Representative may from time to time reasonably designate.

Section 5.05. ***No Modification of Security; Additional Indebtedness.*** The Governmental Lender covenants to and for the benefit of the Funding Lender that it will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

- (i) alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement to which the Governmental Lender is a party, or which has been assigned to the Governmental Lender, and which relates to or affects the security for the Loans or the payment of any amount owed under the Financing Documents; or
- (ii) create or suffer to be created any lien upon the Pledged Security or any part thereof other than the lien created hereby and by the Security Instrument.

Section 5.06. ***Damage, Destruction or Condemnation.*** Net Casualty Proceeds resulting from casualty to or condemnation of the Project shall be applied as provided in the Continuing Covenant Agreement and, to the extent consistent therewith, Section 3.01(b)(i) hereof.

Section 5.07. ***Tax Covenants.***

(a) ***Governmental Lender's Covenants.*** The Governmental Lender represents, covenants and agrees that:

(i) the Governmental Lender will comply with all applicable requirements of the Code that are necessary to preserve the excludability of interest on the Governmental Note from gross income for federal income tax purposes, all as set forth in the Tax Exemption Agreement.

(ii) the Governmental Lender will not take any action inconsistent with its expectations stated in the Tax Exemption Agreement and will comply with the covenants and requirements stated therein and incorporated by reference herein.

(b) ***Fiscal Agent's Representations and Covenants.*** The Fiscal Agent represents, covenants and agrees that it will not take any action inconsistent with its obligations expressly stated in the Tax Exemption Agreement and will comply with the covenants and requirements stated therein and incorporated by reference herein.

(c) ***Change in Law.*** To the extent that published rulings of the Internal Revenue Service or amendments to the Code or the Regulations modify the covenants of the Governmental Lender or the Fiscal Agent that are set forth in this Funding Loan Agreement or that are necessary for interest on the Governmental Note to be excludable from gross income for federal income tax purposes, the Fiscal Agent and the Governmental Lender will comply with such modifications upon the written direction of Bond Counsel specifying such modifications; provided any such modifications shall be subject to the prior written consent of the Funding Lender Representative and shall be evidenced by an amendment entered into pursuant to Article VIII.

Section 5.08. ***Representations and Warranties of the Governmental Lender.*** The Governmental Lender hereby represents and warrants as follows:

(a) The Governmental Lender is a public and official agency of the State.

(b) The Governmental Lender has all necessary power and authority to issue the Governmental Note and to execute and deliver this Funding Loan Agreement, the Project Loan Agreement and the other Financing Documents to which it is a party, and to perform its duties and discharge its obligations hereunder and thereunder.

(c) The revenues and assets pledged for the repayment of the Funding Loan are and will be free and clear of any pledge, lien or encumbrance prior to, or equal with, the pledge created by this Funding Loan Agreement, and all action on the part of the Governmental Lender to that end has been duly and validly taken.

(d) The Financing Documents to which the Governmental Lender is a party have been validly authorized, executed and delivered by the Governmental Lender, and assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding obligations of the Governmental Lender, enforceable against the Governmental Lender in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditors' rights generally and the application of equitable principles.

ARTICLE VI.

DEFAULT PROVISIONS AND REMEDIES OF FISCAL AGENT AND FUNDING LENDER

Section 6.01. ***Events of Default.*** Each of the following shall be an event of default with respect to the Funding Loan (an "Event of Default") under this Funding Loan Agreement:

(a) failure to pay the principal of, premium, if any, or interest on the Funding Loan when due, whether on an Interest Payment Date, at the stated maturity thereof, by proceedings for prepayment thereof, by acceleration or otherwise; or

(b) failure to observe the covenants set forth in Section 5.05 hereof; or

(c) failure to observe or perform any of the covenants, agreements or conditions on the part of the Governmental Lender (other than those set forth in Sections 5.01 and 5.05 hereof) set forth in this Funding Loan Agreement or in the Governmental Note and the continuance thereof for a period of thirty (30) days (or such longer period, if any, as is specified herein for particular defaults) after written notice thereof to the Governmental Lender from the Fiscal Agent or the Funding Lender Representative specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such thirty (30) day period through the exercise of diligence and the Governmental Lender commences the required cure within such thirty (30) day period and continues the cure with diligence and the Governmental Lender reasonably anticipates that the default could be cured within sixty (60) days, the Governmental Lender shall have sixty (60) days following receipt of such notice to effect the cure; or

(d) receipt by the Fiscal Agent of written notice from the Funding Lender Representative of the occurrence of an "Event of Default" under the Project Loan Agreement or the Continuing Covenant Agreement.

The Fiscal Agent will promptly notify the Governmental Lender, the Servicer and the Funding Lender Representative after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default or obtains actual knowledge of the occurrence of an event which would become an Event of Default with the passage of time or the giving of notice or both.

Section 6.02. ***Acceleration; Other Remedies Upon Event of Default.*** Upon the occurrence of an Event of Default, the Fiscal Agent shall, upon the written request of the Funding Lender Representative, by notice in writing delivered to the Governmental Lender, declare the principal of the Funding Loan and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

At any time after the Funding Loan shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Fiscal Agent may, but only if directed in writing by the Funding Lender Representative, by written notice to the Governmental Lender and the Fiscal Agent, rescind and annul such declaration and its consequences if the Governmental Lender or the Borrower shall pay to or deposit with the Fiscal Agent a sum sufficient to pay all principal on the Funding Loan then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on the Funding Loan then due, with interest at the rate borne by the Funding Loan on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Fiscal Agent (including its counsel) shall have been made good or cured or adequate provision shall have been made therefor, and all outstanding amounts then due and unpaid under the Financing Documents (collectively, the “**Cure Amount**”) shall have been paid in full, and all other defaults hereunder shall have been made good or cured or waived in writing by the Funding Lender Representative; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Upon the occurrence and during the continuance of an Event of Default, the Fiscal Agent in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Funding Lender, may also proceed to protect and enforce any rights of the Fiscal Agent and, to the full extent that the Funding Lender itself might do, the rights of the Funding Lender under the laws of the State or under this Funding Loan Agreement by such of the following remedies as the Fiscal Agent shall deem most effectual to protect and enforce such rights; provided that, the Fiscal Agent may undertake any such remedy only upon the receipt of the prior written consent of the Funding Lender Representative (which consent may be given in the sole discretion of the Funding Lender Representative):

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, premium, if any, or interest on the Funding Loan and to require the Governmental Lender to carry out any covenants or agreements with or for the benefit of the Funding Lender and to perform its duties under the Act, this Funding Loan Agreement, the Project Loan Agreement or the Tax Regulatory Agreement (as applicable) to the extent permitted under the applicable provisions thereof;

(ii) by pursuing any available remedies under the Project Loan Agreement, the Tax Regulatory Agreement or any other Financing Document;

(iii) by realizing or causing to be realized through sale or otherwise upon the security pledged hereunder; and

(iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Funding Lender and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Fiscal Agent in order to have the claim of the Funding Lender against the Governmental Lender allowed in any bankruptcy or other proceeding.

No remedy by the terms of this Funding Loan Agreement conferred upon or reserved to the Fiscal Agent or to the Funding Lender is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Fiscal Agent or the Funding Lender hereunder or under the Project Loan Agreement, the Tax Regulatory Agreement, the Continuing Covenant Agreement or any other Financing Document, as applicable, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Fiscal Agent or the Funding Lender, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto.

Section 6.03. ***Funding Lender Representative Control of Proceedings.*** If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Funding Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Funding Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender (and in connection therewith the Fiscal Agent shall transfer or assign to the Funding Lender Representative all of its interest in the Pledged Security at the request of the Funding Lender Representative). In no event shall the exercise of any of the foregoing rights result in an acceleration of the Funding Loan without the express direction of the Funding Lender Representative.

Section 6.04. ***Waiver by Governmental Lender.*** Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Governmental Lender nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or prepayment laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisal and prepayment to which it may be entitled under the laws of the State and the United States of America.

Section 6.05. ***Application of Money After Default.*** All money collected by the Fiscal Agent at any time pursuant to this Article shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Fiscal Agent to the Revenue Fund. Such money so credited to the Revenue Fund and all other money from time to time credited to the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article IV hereof and this Section 6.05.

In the event that at any time the money credited to the Revenue Fund, the Loan Payment Fund and the Loan Prepayment Fund available for the payment of interest or principal then due

with respect to the Governmental Note shall be insufficient for such payment, such money shall be applied as follows and in the following order of priority:

(a) For payment of all amounts due to the Fiscal Agent incurred in performance of its duties under this Funding Loan Agreement, including, without limitation, the payment of all reasonable fees and expenses of the Fiscal Agent incurred in exercising any remedies under this Funding Loan Agreement.

(b) To the extent directed in writing by the Funding Lender Representative, to the reimbursement of any unreimbursed advances made by or on behalf of the Funding Lender pursuant to the Continuing Covenant Agreement or the Security Instrument.

(c) Unless the full principal amount of the Funding Loan shall have become or have been declared due and payable:

FIRST: to the Funding Lender, all installments of interest then due on the Funding Loan in the order of the maturity of such installments; and

SECOND: to the Funding Lender, unpaid principal of and premium, if any, on the Funding Loan which shall have become due, whether at maturity or by call for prepayment, in the order in which they became due and payable.

(d) If the full principal amount of the Governmental Note shall have become or have been declared due and payable, to the Funding Lender for the payment of the principal of, premium, if any, and interest then due and unpaid on the Funding Loan without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest.

Section 6.06. ***Remedies Not Exclusive.*** No right or remedy conferred upon or reserved to the Fiscal Agent, the Funding Lender or the Funding Lender Representative by the terms of this Funding Loan Agreement is intended to be exclusive of any other right or remedy, but each and every such remedy shall be cumulative and shall be in addition to every other right or remedy given to the Fiscal Agent, the Funding Lender or the Funding Lender Representative under this Funding Loan Agreement or existing at law or in equity or by statute (including the Act).

Section 6.07. ***Fiscal Agent May Enforce Rights Without Governmental Note.*** All rights of action and claims, including the right to file proof of claims, under this Funding Loan Agreement may be prosecuted and enforced by the Fiscal Agent at the written direction of the Funding Lender Representative without the possession of the Governmental Note or the production thereof in any trial or other proceedings relating thereto. Subject to the rights of the Funding Lender Representative to direct proceedings hereunder, any such suit or proceeding instituted by the Fiscal Agent shall be brought in its name as Fiscal Agent without the necessity of joining as plaintiffs or defendants any Funding Lender, and any recovery or judgment shall be for the benefit as provided herein of the Funding Lender.

Section 6.08. ***[Reserved].***

Section 6.09. ***Termination of Proceedings.*** In case the Fiscal Agent (at the direction of the Funding Lender Representative) or the Funding Lender Representative shall have proceeded to enforce any right under this Funding Loan Agreement by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower and the Funding Lender shall be restored to their former positions and rights hereunder with respect to the Pledged Security herein conveyed, and all rights, remedies and powers of the Fiscal Agent and the Funding Lender Representative shall continue as if no such proceedings had been taken.

Section 6.10. ***Waivers of Events of Default.*** The Fiscal Agent shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Funding Loan upon the written direction of the Funding Lender Representative. In case of any such waiver or rescission, or in case any proceeding taken by the Fiscal Agent on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Governmental Lender, the Fiscal Agent, the Borrower, the Servicer, the Funding Lender Representative and the Funding Lender shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11. ***Interest on Unpaid Amounts and Default Rate for Nonpayment.*** Prior to the Conversion Date, so long as (a) any principal of or interest payable on the Funding Loan is not paid when due, or (b) any other Event of Default has occurred and is continuing, interest on the Funding Loan shall accrue on the unpaid principal balance from the earlier of the first due date of unpaid principal or interest, or the occurrence of such other Event of Default, as applicable, at the Default Rate. Following the Conversion Date, in the event that principal of or interest payable on the Funding Loan is not paid when due, there shall be payable on the amount not timely paid, on each Interest Payment Date, interest at the Default Rate, to the extent permitted by law. Interest on the Funding Loan shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 6.12. ***Assignment of Project Loan; Remedies Under the Project Loan.***

(a) The Funding Lender Representative shall have the right, with respect to the Project Loan, in its sole and absolute discretion, without directing the Fiscal Agent to effect an acceleration of the Funding Loan, to instruct the Fiscal Agent in writing to assign the Project Note, the Security Instrument and the other Financing Documents to the Funding Lender Representative, in which event the Fiscal Agent shall (a) endorse and deliver the Project Note to the Funding Lender Representative and assign (in recordable form) the Security Instrument, (b) execute and deliver to the Funding Lender Representative all documents prepared by the Funding Lender Representative necessary to assign (in recordable form) all other Project Loan Documents to the Funding Lender Representative and (c) execute all such documents prepared by the Funding Lender Representative as are necessary to legally and validly effectuate the assignments provided for in the preceding clauses (a) and (b). The Fiscal Agent's assignments to the Funding Lender Representative pursuant to this Section 6.12 shall be without recourse or warranty except that the Fiscal Agent shall represent and warrant in connection therewith (A) that the Fiscal Agent has not previously endorsed or assigned any such documents or instruments and (B) that the Fiscal Agent has the

corporate authority to endorse and assign such documents and instruments and such endorsements and assignments have been duly authorized.

(b) The Funding Lender Representative shall have the right, in its own name or on behalf of the Governmental Lender or the Fiscal Agent, to declare any default and exercise any remedies under the Project Loan Agreement, the Project Note or the Security Instrument, whether or not the Governmental Note has been accelerated or declared due and payable by reason of an Event of Default or the occurrence of a mandatory prepayment.

Section 6.13. **Substitution.** Upon receipt of written notice from the Funding Lender Representative and the written approval of the Governmental Lender as and to the extent permitted under the Tax Regulatory Agreement, the Fiscal Agent shall exchange the Project Note and the Security Instrument for a new Project Note and Security Instrument, evidencing and securing a new loan (the “New Project Loan”), which may be executed by a person other than the Borrower (the “New Borrower”), provided that if the Fiscal Agent, the Funding Lender or a nominee of the Fiscal Agent or the Funding Lender has acquired the Project through foreclosure, by accepting a deed in lieu of foreclosure or by comparable conversion of the Project, no approval from the Governmental Lender of such exchange shall be required. Prior to accepting a New Project Loan, the Fiscal Agent shall have received (i) written evidence that the New Borrower shall have executed and recorded a document substantially in the form of the Tax Regulatory Agreement (or executed and recorded an assumption of all of the Borrower’s obligations under the Tax Regulatory Agreement) and that the Financing Documents have been modified as necessary to be applicable to the New Project Loan, and (ii) an opinion of Bond Counsel, to the effect that such exchange and modification, in and of itself, shall not affect the exclusion, from gross income, for federal income tax purposes of the interest payable on the Governmental Note.

ARTICLE VII.

CONCERNING THE FISCAL AGENT

Section 7.01. **Standard of Care.** The Fiscal Agent, prior to an Event of Default as defined in Section 6.01 hereof and after the curing or waiver of all such events which may have occurred, shall perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement. The Fiscal Agent, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by this Funding Loan Agreement and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person’s own affairs.

No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its breach of trust, own negligence or willful misconduct, except that:

(a) prior to an Event of Default hereunder, and after the curing or waiver of all such Events of Default which may have occurred:

(i) the duties and obligations of the Fiscal Agent shall be determined solely by the express provisions of this Funding Loan Agreement, and the Fiscal Agent shall not be

liable except with regard to the performance of such duties and obligations as are specifically set forth in this Funding Loan Agreement; and

(ii) in the absence of bad faith on the part of the Fiscal Agent, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Fiscal Agent by the Person or Persons authorized to furnish the same and conforming to the requirements of this Funding Loan Agreement. However, the Fiscal Agent shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Funding Loan Agreement;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Fiscal Agent shall not be liable for any error of judgment made in good faith by an officer or employee of the Fiscal Agent except for willful misconduct or negligence by the officer or employee of the Fiscal Agent as the case may be; and

(ii) the Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Funding Lender Representative relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any trust or power conferred upon the Fiscal Agent under this Funding Loan Agreement. The Fiscal Agent shall be entitled to request and receive written direction or instruction from Funding Lender, at the sole expense of the Borrower, and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Fiscal Agent in accordance with the written direction of Funding Lender.

Section 7.02. ***Reliance Upon Documents.*** Except as otherwise provided in Section 7.01 hereof:

(a) the Fiscal Agent may conclusively rely upon the authenticity or truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, notarial seal, stamp, acknowledgment, verification, request, consent, order, judgment, bond, or other paper or document of the proper party or parties, including any Electronic Notice as permitted hereunder or under the Project Loan Agreement;

(b) any notice, request, direction, election, order or demand of the Governmental Lender mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Governmental Lender by an Authorized Officer of the Governmental Lender (unless other evidence in respect thereof be herein specifically prescribed), and any resolution of the Governmental Lender may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by an Authorized Officer of the Governmental Lender;

(c) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by any Authorized Officer of the Borrower (unless other evidence in respect thereof be herein specifically prescribed), and any resolution or

certification of the Borrower may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by a secretary or other authorized representative of the Borrower;

(d) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Servicer mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Servicer by an Authorized Officer of the Servicer (unless other evidence in respect thereof be herein specifically prescribed);

(e) any notice, request, direction, election, order or demand of the Funding Lender Representative mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Funding Lender Representative by any Authorized Officer of the Funding Lender Representative (unless other evidence in respect thereof be herein specifically prescribed);

(f) [Intentionally Omitted];

(g) [Intentionally Omitted];

(h) in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent may execute any of the trusts or powers hereby granted directly or through its agents, receivers or attorneys, and the Fiscal Agent may consult with counsel (who may be counsel for the Governmental Lender, the Servicer or the Funding Lender Representative) and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or permitted by it hereunder in good faith and in accordance with the opinion of such counsel;

(i) whenever in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or permitting any action hereunder, such matters (unless other evidence in respect thereof be herein specifically prescribed), may, in the absence of negligence or willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of an officer or authorized agent of the Governmental Lender or the Borrower and such certificate shall in the absence of bad faith on the part of the Fiscal Agent be full warrant to the Fiscal Agent for any action taken or permitted by it under the provisions of this Funding Loan Agreement, but in its discretion the Fiscal Agent may in lieu thereof accept other evidence of such matter or may require such further or additional evidence as it may deem reasonable

(j) the recitals herein and in the Governmental Note (except the Fiscal Agent's certificate of authentication thereon) shall not be considered as made by or imposing any obligation or liability upon the Fiscal Agent. The Fiscal Agent makes no representations as to the value or condition of the Pledged Security or any part thereof, or as to the title of the Governmental Lender or the Borrower to the Pledged Security, or as to the security of this Funding Loan Agreement, or of the Governmental Note issued hereunder, and the Fiscal Agent shall incur no liability or responsibility in respect of any of such matters;

(k) the Fiscal Agent shall not be personally liable for debts contracted or liability for damages incurred in the management or operation of the Pledged Security except for its own willful misconduct or negligence, and, absent its own negligence or willful misconduct, the Fiscal Agent shall not be responsible or liable for special, indirect, punitive, incidental or consequential

loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Fiscal Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. Every provision of this Funding Loan Agreement relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section 7.02(k);

(l) the Fiscal Agent shall not be required to ascertain or inquire as to the performance or observance of any of the covenants or agreements (except to the extent they obligate the Fiscal Agent) herein or in any contracts or securities assigned or conveyed to or pledged with the Fiscal Agent hereunder, except Events of Default that are evident under Section 6.01(a) hereof. The Fiscal Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any default or Event of Default specified in Section 6.01 hereof (except defaults under Section 6.01(a) hereof to the extent they are collecting loan payments hereunder) unless the Fiscal Agent shall receive from the Governmental Lender or the Funding Lender Representative written notice stating that a default or Event of Default has occurred and specifying the same, and in the absence of such notice the Fiscal Agent may conclusively assume that there is no such default. Every provision contained in this Funding Loan Agreement or related instruments or in any such contract or security wherein the duty of the Fiscal Agent depends on the occurrence and continuance of such default shall be subject to the provisions of this Section 7.02(l);

(m) the Fiscal Agent shall be under no duty to confirm or verify any financial or other statements or reports or certificates furnished pursuant to any provisions hereof, except to the extent such statement or reports are furnished by or under the direction of the Fiscal Agent, and shall be under no other duty in respect of the same except to retain the same in its files and permit the inspection of the same at reasonable times by the Funding Lender;

(n) the Fiscal Agent shall be under no obligation to exercise those rights or powers vested in it by this Funding Loan Agreement, other than such rights and powers which it shall be obliged to exercise in the ordinary course of acting as Fiscal Agent under the terms and provisions of this Funding Loan Agreement and as required by law, at the request or direction of the Funding Lender Representative pursuant to Section 6.03 hereof, unless the Funding Lender Representative shall have offered to the Fiscal Agent reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in the compliance with such request or direction; and

(o) the Fiscal Agent may, at the sole expense of Borrower, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

None of the provisions contained in this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

The Fiscal Agent is authorized and directed to execute in its capacity as Fiscal Agent, the Project Loan Agreement and the Tax Regulatory Agreement and shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the delivery of the Governmental Note.

The Fiscal Agent or any of its affiliates may act as advisor or sponsor with respect to any Qualified Investments.

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Funding Loan Agreement.

Any resolution, certification, notice, request, direction, election, order or demand delivered to the Fiscal Agent pursuant to this Section 7.02 shall remain in effect until the Fiscal Agent receives written notice to the contrary from the party that delivered such instrument accompanied by revised information for such party.

The Fiscal Agent shall have no responsibility for the value of any collateral or with respect to the perfection or priority of any security interest in any collateral except as otherwise provided in Section 7.17 hereof.

Section 7.03. ***Use of Proceeds.*** The Fiscal Agent shall not be accountable for the use or application of the Governmental Note authenticated or delivered hereunder or of the proceeds of the Funding Loan except as provided herein.

Section 7.04. ***[Reserved].***

Section 7.05. ***Trust Imposed.*** All money received by the Fiscal Agent shall, until used or applied as herein provided, be held in trust for the purposes for which it was received.

Section 7.06. ***Compensation of Fiscal Agent.*** The Fiscal Agent shall be entitled to its Ordinary Fiscal Agent's Fees and Expenses in connection with the services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties of the Fiscal Agent hereunder or under any Financing Document to the extent money is available therefor, in accordance with Section 4.06 hereof, exclusive of Extraordinary Services. The Fiscal Agent shall be entitled to Extraordinary Fiscal Agent's Fees and Expenses in connection with any Extraordinary Services performed consistent with the duties hereunder or under any of the Financing Documents; provided the Fiscal Agent shall not incur any Extraordinary Fiscal Agent's Fees and Expenses without the consent of the Funding Lender Representative. If any property, other than cash, shall at any time be held by the Fiscal Agent subject to this Funding Loan Agreement, or any supplement hereto, as security for the Funding Loan, the Fiscal Agent, if and to the extent authorized by a receivership, bankruptcy, or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Funding Loan Agreement as such security for the Funding Loan, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other liens or encumbrances thereon. Payment to the Fiscal Agent for its services and reimbursement to the Fiscal Agent for its expenses, disbursements, liabilities and advances, shall be limited to the sources described in the Project Loan Agreement and in Sections 4.06, 4.11 and 6.05 hereof. The Governmental Lender shall have no liability for Fiscal Agent's fees, costs or expenses. Subject to the provisions of Section 7.09 hereof, the Fiscal Agent agrees that it shall continue to perform its duties hereunder and under the Financing Documents even in the event that money designated for payment of its fees shall be insufficient for such purposes or in the event that the Borrower fails to pay the Ordinary Fiscal

Agent's Fees and Expenses or, if applicable, the Extraordinary Fiscal Agent's Fees and Expenses as required by the Project Loan Agreement.

The Borrower shall indemnify and hold harmless the Fiscal Agent and its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants and servants, past, present or future, from and against (a) any and all claims by or on behalf of any person arising from any cause whatsoever in connection with this Funding Loan Agreement or transactions contemplated hereby, the Project, or the delivery of the Governmental Note or the Loans; (b) any and all claims arising from any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project, or the delivery of the Governmental Note or the Loans; and (c) all costs, counsel fees, expenses, suits, proceedings at law or in equity or liabilities incurred in connection with any such claim or proceeding brought thereon or for any action taken to enforce a Financing Document or this indemnity provision; except that the Borrower shall not be required to indemnify any person for damages caused by the gross negligence, willful misconduct or unlawful acts (as the same shall be finally adjudicated by a court of competent jurisdiction) of such person or which arise from events occurring after the Borrower ceases to own the Project. In the event that any action or proceeding is brought or claim made against the Fiscal Agent, or any of its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses. The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel. The provisions of this Section 7.06 shall survive the termination of this Funding Loan Agreement or the earlier resignation or removal of the Fiscal Agent.

Section 7.07. ***Qualifications of Fiscal Agent.*** There shall at all times be a Fiscal Agent hereunder which shall be an association or a corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers. Any successor Fiscal Agent shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly-owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to Section 7.11 hereof. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this Section 7.07, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Fiscal Agent shall cease to be eligible in accordance with the provisions of this Section 7.07 and another association or corporation is eligible, the Fiscal Agent shall resign immediately in the manner and with the effect specified in Section 7.09 hereof.

Section 7.08. ***Merger of Fiscal Agent.*** Any association or corporation into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole,

or any association or corporation resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Fiscal Agent hereunder and vested with all the title to the whole property or Pledged Security and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, and shall also be and become successor Fiscal Agent in respect of the legal interest of the Fiscal Agent in the Loans.

Section 7.09. ***Resignation by the Fiscal Agent.*** The Fiscal Agent may at any time resign from the trusts hereby created by giving written notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative. Such notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative may be served personally or sent by certified mail or overnight delivery service. The resignation of the Fiscal Agent shall not be effective until a successor Fiscal Agent has been appointed as provided herein and such successor Fiscal Agent shall have agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.10. ***Removal of the Fiscal Agent.*** The Fiscal Agent may be removed at any time, either with or without cause, with the consent of the Funding Lender Representative (which consent of the Funding Lender Representative shall not be unreasonably withheld), by a written instrument signed by the Governmental Lender and delivered to the Fiscal Agent, the Servicer and the Borrower. The Fiscal Agent may also be removed by a written instrument signed by the Funding Lender Representative and delivered to the Fiscal Agent, the Servicer, the Governmental Lender and the Borrower. In each case written notice of such removal shall be given to the Servicer, the Borrower, the Governmental Lender and the Funding Lender. Any such removal shall take effect on the day specified in such written instrument(s), but the Fiscal Agent shall not be discharged from the trusts hereby created until a successor Fiscal Agent has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.11. ***Appointment of Successor Fiscal Agent.***

(a) In case at any time the Fiscal Agent shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Fiscal Agent or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Fiscal Agent or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Fiscal Agent hereunder, and the Borrower, with the written consent of the Funding Lender Representative and Governmental Lender, shall promptly appoint a successor Fiscal Agent. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Governmental Lender. If the Governmental Lender or the Borrower fails to appoint a successor Fiscal Agent within ten (10) days following the resignation or removal of the Fiscal Agent pursuant to Section 7.09 or Section 7.10 hereunder, as applicable, the Funding Lender Representative may appoint a successor Fiscal Agent.

(b) If, in a proper case, no appointment of a successor Fiscal Agent shall be made pursuant to subsection (a) of this Section 7.11 within sixty (60) days following delivery of all

required notices of resignation given pursuant to Section 7.09 hereof or of removal of the Fiscal Agent pursuant to Section 7.10 hereof, the retiring Fiscal Agent may apply to any court of competent jurisdiction to appoint a successor Fiscal Agent. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Fiscal Agent.

Section 7.12. **Concerning Any Successor Fiscal Agent.** Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Governmental Lender a written instrument accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the Pledged Security and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Governmental Lender, the Borrower or the Funding Lender Representative, or of its successor, and upon payment of all amounts due such predecessor, including but not limited to fees and expenses of counsel, execute and deliver such instruments as may be appropriate to transfer to such successor Fiscal Agent all the Pledged Security and the rights, powers and trusts of such predecessor hereunder; and every predecessor Fiscal Agent shall deliver all securities and money held by it as Fiscal Agent hereunder to its successor. Should any instrument in writing from the Governmental Lender be required by a successor Fiscal Agent for more fully and certainly vesting in such successor the Pledged Security and all rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender. The resignation of any Fiscal Agent and the instrument or instruments removing any Fiscal Agent and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Fiscal Agent in each recording office where this Funding Loan Agreement shall have been filed and/or recorded. Each successor Fiscal Agent shall mail notice by first class mail, postage prepaid, at least once within thirty (30) days of such appointment, to the Funding Lender.

Section 7.13. **Successor Fiscal Agent.** In the event of a change in the office of Fiscal Agent, the predecessor Fiscal Agent which shall have resigned or shall have been removed shall cease to be Fiscal Agent with respect to the Governmental Note, and the successor Fiscal Agent shall become such Fiscal Agent.

Section 7.14. **Appointment of Co-Fiscal Agent or Separate Fiscal Agent.** It is the intent of the Governmental Lender and the Fiscal Agent that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under or connected with this Funding Loan Agreement, the Project Loan Agreement or any of the other Financing Documents, and, in particular, in case of the enforcement of any remedies on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein or therein granted to the Fiscal Agent or hold title to the properties in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent, with the consent of the Governmental Lender and the Funding Lender Representative, appoint an additional individual or institution as a co-fiscal agent or separate fiscal agent.

In the event that the Fiscal Agent appoints an additional individual or institution as a co-fiscal agent or separate fiscal agent, in the event of the incapacity or lack of authority of the Fiscal Agent, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies granted to the Fiscal Agent herein or to hold title to the Pledged Security or to take any other action that may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement to be imposed upon, exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be imposed upon, exercisable by and vest in such separate fiscal agent or co-fiscal agent, but only to the extent necessary to enable such co-fiscal agent or separate fiscal agent to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such co-fiscal agent or separate fiscal agent shall run to and be enforceable by either of them, subject to the remaining provisions of this Section 7.14. Such co-fiscal agent or separate fiscal agent shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the Governmental Lender and the Fiscal Agent.

Should any instrument in writing from the Governmental Lender be required by the co-fiscal agent or separate fiscal agent so appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender, the Fiscal Agent and the Borrower. If the Governmental Lender shall fail to deliver the same within thirty (30) days of such request, the Fiscal Agent is hereby appointed attorney-in-fact for the Governmental Lender to execute, acknowledge and deliver such instruments in the Governmental Lender's name and stead. In case any co-fiscal agent or separate fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such co-fiscal agent or separate fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a new Fiscal Agent or successor to such co-fiscal agent or separate fiscal agent.

Every co-fiscal agent or separate fiscal agent shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) the Governmental Note shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Funding Loan Agreement conferred upon the Fiscal Agent in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Fiscal Agent;

(b) all rights, powers, trusts, duties and obligations conferred or imposed upon the Fiscal Agent shall be conferred or imposed upon or exercised or performed by the Fiscal Agent, or by the Fiscal Agent and such co-fiscal agent, or separate fiscal agent jointly, as shall be provided in the instrument appointing such co-fiscal agent or separate fiscal agent, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Fiscal Agent shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-fiscal agent or separate fiscal agent;

(c) any request in writing by the Fiscal Agent to any co-fiscal agent or separate fiscal agent to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-fiscal agent or separate fiscal agent;

(d) any co-fiscal agent or separate fiscal agent to the extent permitted by law shall delegate to the Fiscal Agent the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Fiscal Agent at any time by an instrument in writing with the concurrence of the Governmental Lender evidenced by a certified resolution may accept the resignation of or remove any co-fiscal agent or separate fiscal agent appointed under this Section 7.14 and in case an Event of Default shall have occurred and be continuing, the Fiscal Agent shall have power to accept the resignation of or remove any such co-fiscal agent or separate fiscal agent without the concurrence of the Governmental Lender, and upon the request of the Fiscal Agent, the Governmental Lender shall join with the Fiscal Agent in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-fiscal agent or separate fiscal agent so resigned or removed may be appointed in the manner provided in this Section 7.14;

(f) no Fiscal Agent or co-fiscal agent hereunder shall be personally liable by reason of any act or omission of any other Fiscal Agent hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Funding Lender Representative and delivered to the Fiscal Agent shall be deemed to have been delivered to each such co-fiscal agent or separate fiscal agent; and

(h) any money, papers, securities or other items of personal property received by any such co-fiscal agent or separate fiscal agent hereunder shall forthwith, so far as may be permitted by law, be turned over to the Fiscal Agent.

The total compensation of the Fiscal Agent and any co-fiscal agent or separate fiscal agent shall be as, and may not exceed the amount, provided in Section 7.06 hereof.

Section 7.15. ***Notice of Certain Events.*** The Fiscal Agent shall give written notice to the Governmental Lender, the Servicer and the Funding Lender Representative of any failure by the Borrower to comply with the terms of the Tax Regulatory Agreement or any Determination of Taxability of which a Responsible Officer has actual knowledge.

Section 7.16. ***[Reserved].***

Section 7.17. ***Filing of Financing Statements.*** The Fiscal Agent shall have no duty to file financing statements on the Delivery Date. The Fiscal Agent shall, at the expense of the Borrower, file or record or cause to be filed or recorded all UCC continuation statements for the purpose of continuing without lapse the effectiveness of those financing statements which have been filed on or approximately on the Delivery Date, copies of which have been actually delivered to Fiscal Agent, in connection with the security for the Funding Loan pursuant to the authority of the UCC. Upon the filing of any such continuation statement the Fiscal Agent shall immediately

notify the Governmental Lender, the Borrower, the Funding Lender Representative and the Servicer that the same has been done. If direction is given by the Servicer or the Funding Lender Representative, the Fiscal Agent shall file all continuation statements in accordance with such directions.

Section 7.18. ***USA Patriot Act Requirements of the Fiscal Agent.*** To help the government of the United States of America fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual Person such as a business entity, a charity, a trust, or other legal entity, the Fiscal Agent may request documentation to verify such Person's formation and existence as a legal entity. The Fiscal Agent may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation.

ARTICLE VIII.

AMENDMENTS OF CERTAIN DOCUMENTS

Section 8.01. ***Amendments to this Funding Loan Agreement.*** Any of the terms of this Funding Loan Agreement and the Governmental Note may be amended or waived only by an instrument signed by the Fiscal Agent and the Governmental Lender, and with the prior written consent of the Funding Lender Representative. All fees, costs and expenses (including reasonable attorneys' fees, costs and expenses) incurred in connection with any amendment, modification or supplement shall be payable by the Borrower.

Section 8.02. ***Amendments to Financing Documents Require Consent of Funding Lender Representative.*** Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of any Financing Document without the prior written consent of the Funding Lender Representative. The Fiscal Agent shall enter into such amendments to the Financing Documents as shall be directed by the Funding Lender Representative, including entering into the amendments attached as exhibits to the Construction Phase Financing Agreement on the Conversion Date.

Section 8.03. ***Opinion of Bond Counsel Required.*** No amendment to this Funding Loan Agreement, the Governmental Note, the Project Loan Agreement, the Project Note, the Security Instrument, the Tax Regulatory Agreement or the Tax Exemption Agreement shall become effective unless and until (i) the Funding Lender Representative shall have consented to the same in writing in its sole discretion and (ii) the Funding Lender Representative, the Governmental Lender and the Fiscal Agent shall have received, at the expense of the Borrower, (A) a Favorable Opinion of Bond Counsel, and (B) an opinion of counsel acceptable to the Funding Lender Representative and the Governmental Lender to the effect that any such proposed such amendment, change or modification is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE IX.

SATISFACTION AND DISCHARGE OF FUNDING LOAN AGREEMENT

Section 9.01. *Discharge of Lien.* If the Governmental Lender shall pay or cause to be paid to the Funding Lender the principal, interest and premium, if any, to become due with respect to the Funding Loan at the times and in the manner stipulated herein and in the Governmental Note, in any one or more of the following ways:

(a) by the payment of all unpaid principal of (including Prepayment Premium, if any) and interest on the Funding Loan; or

(b) after the Conversion Date (or, if the Conversion Date does not occur, the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement) and prior to the Window Period, by the deposit to the account of the Fiscal Agent, in trust, of money or securities in the necessary amount to pay the principal, Prepayment Premium and interest to the Maturity Date; or

(c) by the delivery of the Governmental Note by the Funding Lender to the Fiscal Agent for cancellation;

and shall have paid all amounts due and owing under the other Financing Documents, and shall have paid all fees and expenses of and any other amounts due to the Fiscal Agent, the Servicer and the Rebate Analyst, and if the Governmental Lender shall keep, perform and observe all and singular the covenants and promises in the Governmental Note and in this Funding Loan Agreement expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights hereby granted shall cease, determine and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any interest in property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except amounts held by the Fiscal Agent for the payment of principal of, interest and premium, if any, on the Governmental Note, the payment of any amounts owed to the United States of America pursuant to Section 4.12 hereof.

After the Conversion Date (or, if the Conversion Date does not occur, the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement) and prior to the Window Period and subject to the satisfaction of the conditions set forth in Section 4.04(c) of the Project Loan Agreement, the Funding Loan shall, prior to the Maturity Date, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section 9.01 based on a deposit of moneys or securities with the Fiscal Agent pursuant to Section 9.01(b) if, under circumstances which do not cause interest on the Governmental Note to become includable in the holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) there shall be on deposit with the Fiscal Agent either money or noncallable and nonprepayable direct obligations of the United States of America (or other defeasance securities constituting Qualified Investments approved in writing by the Funding Lender Representative) in an amount, together with anticipated earnings thereon (but not

including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal and interest due and to become due on the Funding Loan up to and on the Maturity Date; (b) the Fiscal Agent shall have received a verification report of a firm of certified public accountants or financial analyst reasonably acceptable to the Fiscal Agent and the Funding Lender Representative as to the adequacy of the amounts or securities so deposited to fully pay the Funding Loan; (c) the Fiscal Agent and the Funding Lender Representative shall have received a written opinion of nationally recognized counsel experienced in bankruptcy matters to the effect that if the Borrower, any general partner, member or guarantor of the Borrower, or the Governmental Lender were to become a debtor in a proceeding under the Bankruptcy Code (x) payment of such money to the Funding Lender would not constitute a voidable preference under Section 547 of the Bankruptcy Code and (y) the automatic stay provisions of Section 362(a) of the Bankruptcy Code would not prevent application of such money to the payment of the Funding Loan; (d) the Fiscal Agent and the Funding Lender Representative shall have received an opinion of Bond Counsel to the effect that the defeasance of the Funding Loan is in accordance with the provisions of the Funding Loan Agreement and that such defeasance will not adversely affect the exclusion of interest on the Governmental Note from gross income for federal income tax purposes; and (e) the Fiscal Agent shall have received written confirmation that all fees, expenses or reimbursement of any advances due to the Funding Lender and the Servicer under the Financing Documents have been fully paid.

Section 9.02. ***Discharge of Liability on Funding Loan.*** Upon the deposit with the Fiscal Agent, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.01 above) to pay or prepay the Funding Loan (whether upon or prior to their maturity or the prepayment date of the Funding Loan) provided that, if the Funding Loan is to be prepaid prior to the maturity thereof, notice of such prepayment shall have been given as in Article III provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, all liability of the Governmental Lender in respect of the Funding Loan shall cease, terminate and be completely discharged, except only that thereafter the Funding Lender shall be entitled to payment by the Governmental Lender, and the Governmental Lender shall remain liable for such payment, but only out of the money or securities deposited with the Fiscal Agent as aforesaid for their payment, subject, however, to the provisions of Section 9.03 hereof.

Section 9.03. ***Payment of Funding Loan After Discharge of Funding Loan Agreement.*** Notwithstanding any provisions of this Funding Loan Agreement, and subject to applicable unclaimed property laws of the State, any money deposited with the Fiscal Agent or any paying agent in trust for the payment of the principal of, interest or premium on the Governmental Note remaining unclaimed for two years after the maturity or earlier payment date shall be reported and disposed of by the Fiscal Agent in accordance with the applicable unclaimed property laws of the State, whereupon all liability of the Governmental Lender and the Fiscal Agent with respect to such money shall cease, and the Funding Lender shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Fiscal Agent and subject to this Section 9.03 shall be held uninvested and without liability for interest thereon.

Section 11.02. ***Limitation of Rights.*** With the exception of rights herein expressly conferred, nothing expressed or to be implied from this Funding Loan Agreement or the Governmental Note is intended or shall be construed to give to any Person other than the Parties hereto, the Funding Lender, the Funding Lender Representative, the Servicer and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Funding Loan Agreement or any covenants, conditions and provisions hereof.

The invalidity of any one or more phrases, sentences, clauses or sections in this Funding Loan Agreement contained, shall not affect the remaining portions of this Funding Loan Agreement, or any part thereof.

(b) The Fiscal Agent shall provide to the Funding Lender Representative, the Governmental Lender and the Servicer (i) prompt notice of the occurrence of any Event of Default pursuant to Section 6.01 hereof and (ii) any written information or other written communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative and the Servicer for any such information or other communication.

Section 11.05. ***Funding Lender Representative.***

(a) The Initial Funding Lender is the initial Funding Lender Representative with respect to the Governmental Note. Upon the Conversion Date, the Freddie Mac Seller/Servicer shall become the Funding Lender Representative and upon the Freddie Mac Purchase Date, Freddie Mac shall become the Funding Lender Representative. The Funding Lender Representative shall be entitled to all the rights and privileges of the Funding Lender hereunder and under the other Financing Documents.

The Funding Lender Representative may be removed and a successor appointed by a written notice in the form of Exhibit B hereto given by the Funding Lender to the Fiscal Agent, the Governmental Lender, the Servicer and the Borrower. The removal and reappointment shall be effective immediately upon receipt of such notice by the Fiscal Agent. The Funding Lender may appoint any Person to act as Funding Lender Representative, including, without limitation, the Servicer. If, for any reason, a Funding Lender Representative resigns by written notice provided to the Fiscal Agent, the Funding Lender, the Governmental Lender, the Servicer and the Borrower, all references to Funding Lender Representative herein and in the other Financing Documents shall be deemed to refer to the Funding Lender until a successor Funding Lender Representative is appointed by the Funding Lender.

(c) Whenever pursuant to this Funding Loan Agreement or any other Financing Document, the Funding Lender Representative exercises any right given to it to approve or disapprove, any arrangement or term hereof, the decision of the Funding Lender Representative to approve or disapprove or to decide whether arrangements or terms are acceptable or not acceptable shall be in the sole discretion of the Funding Lender Representative, except as otherwise specifically indicated.

(d) Each Funding Lender, by their purchase or other acquisition of the Funding Loan, shall be deemed to have acknowledged and agreed to the provisions of this Funding Loan

Agreement and the other Financing Documents with respect to the Funding Lender Representative and the rights and privileges thereof, including but not limited to the right to control all remedies in respect of the Governmental Note and the Loans.

Section 11.06. ***Payments Due on Non-Business Days.*** In any case where a date of payment with respect to the Funding Loan shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period after such date provided that payment is made on such next succeeding Business Day.

Section 11.07. ***Counterparts.*** This Funding Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.08. ***Laws Governing Funding Loan Agreement.*** The effect and meanings of this Funding Loan Agreement and the rights of all parties hereunder shall be governed by, and construed according to, the internal laws of the State without regard to conflicts of laws principles. The Fiscal Agent's rights, duties, power and obligations hereunder are governed entirely by the terms and provisions of this Funding Loan Agreement, the Project Loan Agreement and the Tax Regulatory Agreement. The parties hereby (i) irrevocably submit to the exclusive jurisdiction of the federal or state courts sitting in Texas, (ii) waive any objection to laying of venue in any such action or proceeding in such courts, and (iii) waive any objection that such courts are an inconvenient forum or do not have jurisdiction over any party.

Section 11.09. ***No Recourse.*** No recourse under or upon any obligation, covenant or agreement contained in this Funding Loan Agreement or in the Governmental Note shall be had against any member, officer, commissioner, director or employee (past, present or future) of the Governmental Lender, either directly or through the Governmental Lender or its governing body or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, or otherwise, of any sum that may be due and unpaid by the Governmental Lender or its governing body upon the Governmental Note. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director or employee, as such, to respond by reason of any act or omission on his/her part or otherwise, for the payment for or to the Funding Lender or otherwise of any sum that may remain due and unpaid with respect to the Funding Loan hereby secured is, by the acceptance hereof, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the delivery of the Governmental Note.

Section 11.10. ***Successors and Assigns.*** All the covenants and representations contained in this Funding Loan Agreement by or on behalf of the parties hereto shall bind and inure to the benefit of their successors and assigns, whether so expressed or not.

Section 11.11. ***Compliance with Texas Government Code.*** Each of the Fiscal Agent and Initial Funding Lender hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Funding Loan Agreement, the Project Loan Agreement, the Tax Regulatory

Agreement the Tax Exemption Agreement, and any other Financing Document to which it is a party, and such representation is hereby incorporated by reference into each of such documents. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, ‘boycott Israel’ means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. Each of the Fiscal Agent and Initial Funding Lender understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with such entity and exists to make a profit.

Each of the Fiscal Agent and Initial Funding Lender represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer’s internet website:

<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Fiscal Agent, Initial Funding Lender or any of the respective entity’s parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. Each of the Fiscal Agent and Initial Funding Lender understands “affiliate” to mean any entity that controls, is controlled by, or is under common control with such entity and exists to make a profit.

(Murdeaux Villas) Series 2021

FOR VALUE RECEIVED, the undersigned, TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS (the "**Governmental Lender**"), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of INTERNATIONAL BANK OF COMMERCE, (the "**Funding Lender**"), and its assigns, the principal sum of THIRTY-FIVE MILLION DOLLARS (US \$35,000,000.00), plus premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This Multifamily Note (this "**Note**") is being delivered pursuant to that certain Funding Loan Agreement dated as of April 1, 2021 (together with any and all amendments, modifications, supplements and restatements, the "**Funding Loan Agreement**"), among the Funding Lender, the Governmental Lender and WILMINGTON TRUST, NATIONAL ASSOCIATION (the "**Fiscal Agent**"), pursuant to which the Governmental Lender has incurred a loan in the aggregate principal amount of \$35,000,000 (the "**Funding Loan**"), and this Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Governmental Lender is using the proceeds of the Funding Loan to make a loan to Murdeaux Rehab Development, LP (the "**Borrower**"), pursuant to the Project Loan Agreement dated as of April 1, 2021 (the "**Project Loan Agreement**"), among the Governmental Lender, the Borrower and the Fiscal Agent.

1. **Defined Terms.** As used in this Note, (i) the term "Funding Lender" means the holder of this Note, and (ii) the term "Indebtedness" means the principal of, premium, if any, and interest on or any other amounts due at any time under this Note or the Funding Loan Agreement. "Event of Default" and other capitalized terms used but not defined in this Note shall have the meanings given to such term in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Governmental Lender shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [_____] 1, 2021 interest on this Note at, except as

otherwise provided in Section 14 of this Note, (i) the Construction Phase Interest Rate during the Construction Phase and (ii) the Permanent Phase Interest Rate during the Permanent Phase, and shall also pay interest on this Note at the applicable interest rate on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Note subject to prepayment (each such date for payment an “**Interest Payment Date**”).

The Governmental Lender shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Note in full on November 1, 2040 (the “**Maturity Date**”) and in monthly installments on each date set forth on the Funding Loan Amortization Schedule attached as Schedule 1 hereto in an amount equal to the corresponding amounts set forth thereon (as such Schedule 1 may be replaced by a new Funding Loan Amortization Schedule provided by the Freddie Mac Seller/Servicer on the Conversion Date as provided in Section 2.01(e) of the Funding Loan Agreement) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Governmental Lender (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Governmental Lender and all endorsers and guarantors of this Note and all other third-party obligors.

10. **Loan Charges.** Neither this Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the rate of interest which results in the maximum amount of interest allowed by applicable law pursuant to Chapter 1204 of the Texas Government Code (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Governmental Lender in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Governmental Lender is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid principal balance of this Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Governmental Lender has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Note.

11. **Governing Law.** This Note shall be governed by the internal law of the State of Texas (the "**Property Jurisdiction**").

12. **Captions.** The captions of the paragraphs of this Note are for convenience only and shall be disregarded in construing this Note.

13. **Address for Payment.** All payments due under this Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Servicer.

14. **Default Rate.** So long as (a) any monthly installment under this Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the “**Default Rate**”) equal to the lesser of (i) the Construction Phase Interest Rate or the Permanent Phase Interest Rate, as applicable, otherwise in effect notwithstanding the default, plus four percent (4%) per annum, or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

15. **Limited Obligation.** NOTWITHSTANDING ANYTHING HEREIN CONTAINED TO THE CONTRARY, ANY OBLIGATION THAT THE GOVERNMENTAL LENDER MAY INCUR UNDER THE FUNDING LOAN AGREEMENT OR UNDER ANY INSTRUMENT EXECUTED IN CONNECTION THEREWITH THAT SHALL ENTAIL THE EXPENDITURE OF MONEY SHALL NOT BE A GENERAL OBLIGATION OF THE GOVERNMENTAL LENDER, BUT SHALL BE A LIMITED OBLIGATION PAYABLE SOLELY FROM THE PLEDGED SECURITY. THIS NOTE SHALL CONSTITUTE A VALID CLAIM OF THE HOLDER HEREOF AGAINST THE PLEDGED SECURITY, WHICH IS PLEDGED TO SECURE THE PAYMENT OF PRINCIPAL, PREMIUM, IF ANY, AND INTEREST ON THIS NOTE AND WHICH SHALL BE UTILIZED FOR NO OTHER PURPOSE, EXCEPT AS EXPRESSLY AUTHORIZED IN THE FUNDING LOAN AGREEMENT. THIS NOTE SHALL BE A LIMITED OBLIGATION OF THE GOVERNMENTAL LENDER GIVING RISE TO NO CHARGE AGAINST THE GOVERNMENTAL LENDER’S GENERAL CREDIT AND PAYABLE SOLELY FROM, AND CONSTITUTE CLAIMS OF THE HOLDERS THEREOF AGAINST ONLY, THE PLEDGED SECURITY. PRINCIPAL, PREMIUM, IF ANY, AND INTEREST ON THIS NOTE SHALL NOT BE DEEMED TO CONSTITUTE DEBT OF THE GOVERNMENTAL LENDER (EXCEPT TO THE EXTENT OF THE PLEDGED SECURITY). THIS NOTE IS NOT AND DOES NOT CREATE OR CONSTITUTE IN ANY WAY AN OBLIGATION, A DEBT OR A LIABILITY OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF, OR CREATE OR CONSTITUTE A PLEDGE, GIVING OR LENDING OF THE FAITH, CREDIT, OR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE GOVERNMENTAL LENDER HAS NO TAXING POWER.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM, IF ANY, OR INTEREST ON THIS NOTE OR FOR ANY CLAIM BASED ON THIS NOTE, OR OTHERWISE IN RESPECT OF THIS NOTE, OR BASED ON OR IN RESPECT OF THE FUNDING LOAN AGREEMENT OR ANY SUPPLEMENTAL FUNDING LOAN AGREEMENT, AGAINST THE GENERAL CREDIT OF THE GOVERNMENTAL LENDER OR AGAINST ANY PAST, PRESENT OR FUTURE GOVERNING BOARD MEMBER, DIRECTOR, OFFICER, AGENT OR EMPLOYEE OF THE GOVERNMENTAL LENDER, OR OF ANY SUCCESSOR TO THE GOVERNMENTAL LENDER, AS SUCH, EITHER DIRECTLY OR THROUGH THE GOVERNMENTAL LENDER OR ANY SUCCESSOR TO THE GOVERNMENTAL LENDER, UNDER ANY RULE OF LAW OR EQUITY, STATUTE OR CONSTITUTION

OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS OR EMPLOYEES, AS SUCH, IS HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF, AND CONSIDERATION FOR, THE EXECUTION AND ISSUANCE OF THIS NOTE.

16. **Funding Loan Agreement Controlling.** The terms of this Note are subject in all respects to the terms of the Funding Loan Agreement. If there is a conflict between the provisions of this Note and the Funding Loan Agreement, the Funding Loan Agreement shall control.

THIS NOTE SHALL NOT BE ENTITLED to any benefit under the Funding Loan Agreement or be valid or obligatory for any purpose until the Fiscal Agent shall have executed the Certificate of Authentication appearing hereon.

PROJECT LOAN AGREEMENT

THIS PROJECT LOAN AGREEMENT (this “**Project Loan Agreement**”) is made and entered into as of April 1, 2021, by and among the **TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS** (the “**Governmental Lender**”), a public and official agency of the State of Texas (the “**State**”), **WILMINGTON TRUST, NATIONAL ASSOCIATION**, a national banking association, organized and operating under the laws of the United States of America (together with any successor Fiscal Agents appointed under the Funding Loan Agreement, the “**Fiscal Agent**”), and **MURDEAUX REHAB DEVELOPMENT, LP**, a limited liability company duly organized and existing under the laws of the State of Texas (together with its successors and assigns permitted hereunder, the “**Borrower**”).

RECITALS

A. Pursuant to Chapter 2306, Texas Government Code (the “**Act**”) and this Project Loan Agreement, the Governmental Lender is agreeing to make a mortgage loan to the Borrower in the aggregate principal amount of \$35,000,000 (the “**Project Loan**”) to provide for the financing of a multifamily rental housing development located in Dallas, Texas to be known as Murdeaux Villas (the “**Project**”).

B. The Governmental Lender is making the Project Loan to the Borrower with the proceeds received from the loan in the aggregate principal amount of \$35,000,000 (the “**Funding Loan**” and together with the Project Loan, the “**Loans**”) made to the Governmental Lender pursuant to the Funding Loan Agreement (the “**Funding Loan Agreement**”), by and among International Bank of Commerce, a Texas state banking corporation, in its capacity as Initial Funding Lender (the “**Initial Funding Lender**”), the Governmental Lender and the Fiscal Agent. The Funding Loan is evidenced by the Governmental Lender’s Multifamily Note dated as of the date hereof (together with all riders and addenda thereto, the “**Governmental Note**”) delivered by the Governmental Lender to the Initial Funding Lender.

C. The Initial Funding Lender, pursuant to the terms and subject to the conditions of the Funding Loan Agreement, the Construction Phase Financing Agreement and the Construction Continuing Covenant Agreement, has agreed to originate and fund the Funding Loan to the Governmental Lender on a fully funded basis, which proceeds of the Funding Loan will be used by the Governmental Lender to fund the Project Loan to the Borrower pursuant to this Project Loan Agreement. The Initial Funding Lender will administer the Loans during the Construction Phase in accordance with the Financing Documents.

D. The Borrower has agreed to use the proceeds of the Project Loan to finance the acquisition and rehabilitation of the Project and to pay certain closing costs with respect to the Loans.

E. The Borrower’s repayment obligations in respect of the Project Loan will be evidenced by a Project Note dated as of the date hereof (together with all riders and modifications thereto, the “**Project Note**”) delivered to the Governmental Lender, which Project Note will be endorsed by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

F. To secure the Borrower's obligations under the Project Note, the Borrower will execute and deliver to the Governmental Lender a Leasehold Multifamily Deed of Trust, Assignment of Rents, Security Agreement, and Fixture Filing dated as of the date hereof (the "**Security Instrument**") with respect to the Project, which Security Instrument will be assigned by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

G. The Federal Home Loan Mortgage Corporation, a shareholder-owned government-sponsored enterprise ("**Freddie Mac**") has entered into a commitment with Bellwether Enterprise Real Estate Capital, LLC (the "**Freddie Mac Seller/Servicer**") dated April [], 2021 (the "**Freddie Mac Commitment**") whereby Freddie Mac has committed, subject to the satisfaction of the Conditions to Conversion set forth in the Construction Phase Financing Agreement on or before the Forward Commitment Maturity Date, to facilitate the financing of the Project in the Permanent Phase by purchasing the Funding Loan as evidenced by the Governmental Note from the Freddie Mac Seller/Servicer following the Conversion Date.

H. If the Conditions to Conversion are satisfied on or before the Forward Commitment Maturity Date as provided for in the Freddie Mac Commitment and the Construction Phase Financing Agreement, the Project Loan will convert from the Construction Phase to the Permanent Phase on the Conversion Date and, on such Conversion Date, the Initial Funding Lender shall deliver, and the Freddie Mac Seller/Servicer shall purchase, the Funding Loan, as evidenced by the Governmental Note. If the Conditions to Conversion are not satisfied on or before the Forward Commitment Maturity Date, the Project Loan will not convert from the Construction Phase to the Permanent Phase, and neither the Freddie Mac Seller/Servicer nor Freddie Mac will have any obligation with respect to the purchase of the Funding Loan and the Initial Funding Lender will remain the owner of the Funding Loan as the holder of the Governmental Note.

I. As a Condition to Conversion, the Project Note and the Security Instrument are required to be amended and restated and the Borrower is required to enter into a Continuing Covenant Agreement with the Freddie Mac Seller/Servicer (the "**Freddie Mac Continuing Covenant Agreement**"), in each case pursuant to the forms attached to the Construction Phase Financing Agreement.

J. If the Conditions to Conversion are satisfied and the Funding Loan as evidenced by the Governmental Note is purchased by the Freddie Mac Seller/Servicer on the Conversion Date as set forth above, the Freddie Mac Seller/Servicer shall deliver the Funding Loan to Freddie Mac for purchase pursuant to the terms of the Freddie Mac Commitment and the Guide (such date of purchase by Freddie Mac being referred to as the "**Freddie Mac Purchase Date**").

K. Upon the occurrence of the Freddie Mac Purchase Date, the Freddie Mac Seller/Servicer will assign to Freddie Mac all of its rights and interest in the Funding Loan, the Governmental Note, the Funding Loan Agreement, the Freddie Mac Continuing Covenant Agreement and the other Financing Documents. The Freddie Mac Seller/Servicer will act as Servicer for the Loans on behalf of Freddie Mac, as Funding Lender, on and after the Freddie Mac Purchase Date.

NOW, THEREFORE, for and in consideration of the mutual covenants and representations hereinafter contained, the parties hereto agree as follows:

(e) The Fiscal Agent meets the qualifications to act as Fiscal Agent under the Funding Loan Agreement.

In addition, the Borrower covenants and agrees to comply with the requirements of Section 148(f) of the Code as it may be applicable to the Governmental Note or the proceeds derived from the sale of the Governmental Note. No provision of this Project Loan Agreement shall be construed to impose upon the Fiscal Agent any obligation or responsibility for compliance with Section 148 of the Code or the Regulations promulgated thereunder.

Section 2.05. *Tax Covenant of the Borrower.* The Borrower covenants that it shall not take any action, or fail to take any action or permit any action to be taken, if any such action or inaction would adversely affect the excludability of the interest on the Governmental Note from gross income for federal income tax purposes. The Borrower further covenants that the proceeds of the Funding Loan will be allocated to each building in the Project and the land upon which the buildings are located for purposes of compliance with Section 42(h)(4) of the Code in the same manner for which proceeds are allocated for purposes of the "95%" test. In the event of a conflict between the terms and requirements of this Section 2.05 and the Tax Exemption Agreement, the terms and requirements of the Tax Exemption Agreement shall control.

Section 2.06. *Completion Date.* The Borrower shall notify the Governmental Lender and the Fiscal Agent of the Completion Date by the delivery of a Completion Certificate signed by an Authorized Officer of the Borrower substantially in the form of Exhibit A attached hereto. The Funding Lender Representative may remove a Servicer or appoint a replacement Servicer, in its discretion, by written notice provided to the Governmental Lender, the Fiscal Agent and the Borrower. Any successor Servicer shall signify its acceptance of the duties and obligations imposed upon it by the Funding Loan Agreement and this Project Loan Agreement by executing such instrument(s) as shall be acceptable to the Funding Lender Representative, a copy of which shall be provided to the parties hereto.

To ensure timely payment, all payments required to be made to the Fiscal Agent in this Section 3.02(c) shall be made to the Fiscal Agent by 1:00 p.m., Eastern Time, on the second Business Day prior to each Project Loan Payment Date.

(d) The Governmental Lender, the Fiscal Agent and the Borrower hereby acknowledge and agree that (i) the Funding Lender Representative has appointed the Servicer to service and administer the Project Loan, (ii) the selection or removal of any Servicer is in the sole and absolute discretion of the Funding Lender Representative; and (iii) none of the Governmental Lender, the Fiscal Agent or the Borrower shall terminate or attempt to terminate any Servicer as the servicer for the Project Loan or appoint or attempt to appoint a substitute servicer for the Project Loan. The Borrower will deposit with the Servicer the sum of \$[] as the Initial Debt Service Deposit. Subject to the conditions listed in Section 3.01 hereof, amounts on deposit in the Project Loan Fund are to be disbursed to the Borrower or otherwise as provided in Sections 2.11(d) and 4.02 of the Funding Loan Agreement.

To the extent that amounts in the Cost of Issuance Fund from the above-mentioned sources are insufficient to pay all costs of closing the Loans, the Borrower shall cause the payment of such additional costs of closing the Loans to be made on its behalf as such amounts become due.

Section 3.04. Pledge and Assignment to Fiscal Agent. The parties hereto acknowledge, and the Borrower consents to, the pledge and assignment by the Governmental Lender to the Fiscal Agent pursuant to the Funding Loan Agreement of all of the Governmental Lender's right, title and interest in this Project Loan Agreement (excluding the Unassigned Rights), the Project Loan, the Project Note, the Security Instrument, the other Project Loan Documents and the Revenues as security for the payment of the principal of, premium, if any, and interest on the Governmental Note and the payment of any other amounts due under the Financing Documents.

ARTICLE IV

LOAN PAYMENTS

Section 4.01. *Payments Under the Project Note; Independent Obligation of Borrower.*

(a) **Payment Obligations.** The Borrower agrees to repay the Project Loan on each Project Loan Payment Date as provided in the Project Note, and in all instances at the times and in the amounts necessary to enable the Fiscal Agent, on behalf of the Governmental Lender or the Servicer, to pay all amounts payable with respect to the Governmental Note and the Funding Loan, when due, whether at maturity or upon prepayment (with premium, if applicable), acceleration or otherwise. To ensure such timely payment during the Construction Phase, the Fiscal Agent shall collect from the Borrower, and the Borrower shall provide to the Fiscal Agent the foregoing payments by 1:00 p.m., Eastern Time, on the second (2nd) Business Day prior to each Project Loan Payment Date. To ensure such timely payment during the Permanent Phase, the Servicer (or the Fiscal Agent if no Servicer is engaged) shall collect from the Borrower, and the Borrower shall provide to the Servicer or Fiscal Agent, as applicable, the foregoing payments not less than three (3) Business Days prior to each respective Project Loan Payment Date.

The obligation of the Borrower to make the payments set forth in this Article IV shall be an independent obligation of the Borrower, separate from its obligation to make payments under the Project Note, provided that in all events payments made by the Borrower under and pursuant to the Project Note shall be credited against the Borrower's obligations hereunder on a dollar for dollar basis. If for any reason the Project Note or any provision of the Project Note shall be held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Project Note or such provision of the Project Note shall be deemed to be the obligation of the Borrower pursuant to this Project Loan Agreement to the full extent permitted by law and such holding shall not invalidate or render unenforceable any of the provisions of this Article IV and shall not serve to discharge any of the Borrower's payment obligations hereunder or eliminate the credit against such obligations to the extent of payments made under the Project Note.

(b) **Obligations Unconditional; No Set-Off.** The obligation of the Borrower to repay the Project Loan, to perform all of its obligations under the Project Loan Documents, to provide indemnification pursuant to Section 6.01 hereof, to pay costs, expenses and charges pursuant to Section 4.02 hereof and to make any and all other payments required by this Project Loan Agreement, the Funding Loan Agreement or any other documents contemplated by this Project Loan Agreement or by the Project Loan Documents shall, subject to the limitations set forth in Section 4.06 hereof, be absolute and unconditional, and shall be paid or performed without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Borrower's title to the Project or to any part thereof is defective or nonexistent, and notwithstanding any damage due to loss, theft or destruction of the Project or any part thereof, any failure of consideration or

frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Borrower's use thereof, the eviction or constructive eviction of the Borrower, any change in the tax or other laws of the United States of America, the State or any political subdivision thereof, any change in the Governmental Lender's legal organization or status, or any default of the Governmental Lender or the Fiscal Agent hereunder or under any other Financing Document, and regardless of the invalidity of any action of the Governmental Lender or the invalidity of any portion of this Project Loan Agreement.

(c) **Payments from Borrower to Fiscal Agent or Servicer.** Each payment by the Borrower hereunder or under the Project Note shall be made in immediately available funds (i) prior to Conversion, to the Fiscal Agent, and (ii) following Conversion, to the Servicer on each Project Loan Payment Date or such other date when such payment is due; provided, however, such Project Loan Payment shall be made directly to the Fiscal Agent if there is no Servicer or if the Borrower is so directed in writing by the Funding Lender Representative. Each such payment shall be made to the Fiscal Agent or the Servicer, as applicable, by deposit to such account as the Fiscal Agent or the Servicer may designate by written notice to the Borrower. Whenever any Project Loan Payment or any other payment under this Project Loan Agreement or under the Project Note shall be stated to be due on a day that is not a Business Day, such payment shall be made on the first Business Day immediately thereafter.

Section 4.02. Additional Payments Under the Project Note and this Project Loan Agreement.

(a) In addition to the payments set forth in Section 4.01 hereof, payments to be made by the Borrower under the Project Note include certain money to be paid in respect of, among others, the Fee Component, the Servicing Fee, and amounts required to be deposited pursuant to the Continuing Covenant Agreement and the other Project Loan Documents, as set forth in subsection (b) of this Section 4.02. To the extent that any portion of the Fee Component, the Servicing Fee, and amounts required to be deposited pursuant to the Continuing Covenant Agreement and the other Project Loan Documents remain due and owing at any time, such amounts remaining due and owing shall be payable from money on deposit in the Administration Fund as provided in Section 4.06 of the Funding Loan Agreement or from other money of the Borrower, to the extent that money in the Administration Fund is insufficient for such purposes. (xi) To the Servicer, the amounts required to be deposited in respect of reserves and impounds required under the Continuing Covenant Agreement and the other Project Loan Documents.

(xii) If the Fiscal Agent is collecting and remitting loan payments under the Funding Loan Agreement, to the Fiscal Agent, within two (2) Business Days of receipt by Borrower from the Fiscal Agent of a notice of deficiency in the Administration Fund as provided in Section 4.06 of the Funding Loan Agreement, the amount of any such deficiency in the Administration Fund.

Section 4.03. *Payments to Rebate Fund.* The Borrower shall direct payment when due to the Fiscal Agent at the Principal Office of the Fiscal Agent any amount required to be deposited in the Rebate Fund in accordance with the Funding Loan Agreement and the Tax Exemption Agreement.

Section 4.04. *Prepayment.*

(a) **Optional Prepayment of the Project Loan.** The Borrower shall have the option to prepay the Project Loan in whole, together with all accrued and unpaid interest thereon, as provided in the Project Note.

(b) **Mandatory Prepayment of the Project Loan.** The Borrower shall be required to prepay all or a portion of the outstanding principal balance of the Project Loan, together with accrued interest thereon, and together with any Prepayment Premium due under the Project Note, as provided in the Project Note. Additionally, the Borrower shall be required to prepay all or a portion of the outstanding principal balance of the Project Loan, together with accrued interest thereon, and together with any Prepayment Premium due under the Project Note, in connection with the following:

(i) in part, in the event the Borrower elects to make a Pre-Conversion Loan Equalization Payment; and

(ii) in whole, on or after [____], at the written direction of the Initial Funding Lender, if the Freddie Mac Seller/Servicer does not for any reason purchase the Funding Loan from the Initial Funding Lender prior to [____]. [***DRAFTING NOTE: each date same as Forward Commitment Maturity Date***]

(c) **Defeasance of the Funding Loan.** In addition, after the Conversion Date and prior to the Window Period, the Borrower may cause a defeasance of the Funding Loan resulting in a release of the Pledged Security by satisfying the conditions set forth hereunder and in Article IX of the Funding Loan Agreement. In connection therewith, the Borrower will give written notice (a “**Defeasance Notice**”) to the Funding Lender Representative, the Servicer, the Governmental Lender and the Fiscal Agent of the date the Borrower desires to defease the Funding Loan (the “**Defeasance Date**”). The Defeasance

Date may not be more than 60 calendar days, nor less than 30 calendar days, after the delivery of the Defeasance Notice. In connection with the delivery of the Defeasance Notice, the Borrower shall cause to be paid to the Funding Lender Representative the Defeasance Fee set forth in the Continuing Covenant Agreement. In addition to, and not in limitation of any other provisions of this Project Loan Agreement, the Borrower shall pay all fees, costs and expenses in connection with any defeasance whether or not such defeasance occurs. Following such defeasance in accordance with the terms and conditions hereof and the Funding Loan Agreement, the Project Loan shall be deemed paid in full, and the Borrower shall be entitled to the release of the Security Instrument, the Pledged Security and other security provided by it for the Project Loan, subject to the terms and conditions hereof and the other Financing Documents.

Section 4.05. *Borrower's Obligations Upon Prepayment.* In the event of any prepayment, the Borrower will timely pay, or cause to be paid through the Servicer who shall remit to the Fiscal Agent, an amount equal to the principal amount of the Funding Loan or portion thereof called for prepayment, together with interest accrued to the prepayment date and premium, if any. In addition, the Borrower will timely pay all fees, costs and expenses associated with any prepayment of the Funding Loan.

Section 4.06. *Limits on Personal Liability.*

(a) Except as otherwise set forth in the Project Note and subsection 4.06(b) below, the obligations of the Borrower under this Project Loan Agreement and the other Financing Documents are non-recourse liabilities of the Borrower which shall be enforced only against the Project and other property of the Borrower encumbered by the Financing Documents and not personally against the Borrower or any partner of the Borrower or any successor or assign of the Borrower. However, nothing in this Section 4.06 shall limit the right of the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to proceed against the Borrower to recover any fees owing to any of them or any actual out-of-pocket expenses (including but not limited to actual out-of-pocket attorneys' fees incurred by any of them) incurred by any of them in connection with the enforcement of any rights under this Project Loan Agreement or the other Financing Documents. Nothing in this Section 4.06 shall limit any right that the Servicer or the Funding Lender Representative may have to enforce the Project Note, the Security Instrument, or any other Financing Document in accordance with their terms.

(b) Notwithstanding anything contained in any other provision of this Project Loan Agreement to the contrary (but subject to the provisions of Section 7.06 hereof), the following obligations of the Borrower shall be and remain the joint and several full recourse obligations of the Borrower and the Borrower's general partner: (i) the Borrower's obligations to the Governmental Lender and the Fiscal Agent under subsections (b)(iii), (b)(v), (b)(vi), and (b)(vii) of Section 4.02 hereof; (ii) the Borrower's obligations under Sections 2.05 and 6.01 hereof; (iii) the Borrower's obligation to pay any and all rebate amounts that may be or become owing with respect to the Funding Loan and fees and expenses of the Rebate Analyst as provided in Sections 2.04 and 4.03 of this Project Loan Agreement and the Tax Exemption Agreement; and (iv) the Borrower's obligation to pay legal fees and expenses under Section 7.04 hereof.

Section 5.03. *Funding Loan Agreement Provisions.* The execution of this Project Loan Agreement shall constitute conclusive evidence of approval of the Funding Loan Agreement by the Borrower. Whenever the Funding Loan Agreement by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Funding Loan Agreement, and the Borrower shall carry out and perform all of its obligations under the Funding Loan Agreement as fully as if the Borrower were a party to the Funding Loan Agreement.

Section 5.04. *Reserved.*

Section 5.05. *Borrower to Maintain Its Existence; Certification of No Default.*

(a) The Borrower agrees to maintain its existence and maintain its current legal status with authority to own and operate the Project.

(b) In addition to performing all other similar requirements under the Financing Documents to which the Borrower is a party, the Borrower shall, within 30 days after the end of each calendar year, render to the Fiscal Agent a certificate executed by an Authorized Officer of the Borrower to the effect that the Borrower is not, as of the date of such certificate, in default of any of its covenants, agreements, representations or warranties under any of the Financing Documents to which the Borrower is a party and that, to the best of the Borrower's knowledge, after reasonable investigation, there has occurred no default or Event of Default (as such terms are defined in each respective Financing Document) under any of the Financing Documents.

Section 5.06. *Borrower to Remain Qualified in State and Appoint Agent.* The Borrower will remain duly qualified to transact business in the State and will maintain an agent in the State on whom service of process may be made in connection with any actions against the Borrower.

Section 5.07. *Sale or Other Transfer of Project.* The Borrower may convey and transfer the Project only upon strict compliance with the provisions of the Financing Documents, and upon receipt of the prior written consent of the Governmental Lender and the Funding Lender Representative.

Section 5.08. *Right to Perform Borrower's Obligations.* In the event the Borrower fails to perform any of its obligations under this Project Loan Agreement, the Governmental Lender, the Fiscal Agent, the Servicer and/or the Funding Lender Representative, after giving requisite written notice, if any, and subject to Section 5.05 of the Funding Loan Agreement, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced shall become an additional obligation of the Borrower hereunder, payable on written demand and if not paid on demand with interest thereon at the default rate of interest payable under the Project Loan Documents.

Section 5.09. *Notice of Certain Events.* The Borrower shall promptly advise the Governmental Lender, the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice or both, would constitute an Event of Default, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.10. *Survival of Covenants.* The provisions of Sections 2.04, 2.05, 4.02, 4.03, 6.01 and 7.04 hereof shall survive the expiration or earlier termination of this Project Loan Agreement and, with regard to the Fiscal Agent, the resignation or removal of the Fiscal Agent.

Section 5.11. *Access to Project; Records.* Subject to reasonable written notice and the rights of tenants at the Project, the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, and the respective duly authorized agents of each, shall have the right (but not any duty or obligation) at all reasonable times and during normal business hours: (a) to enter the Project and any other location containing the records relating to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents and if not available at the Project or other location containing the records, the Borrower shall deliver such records to the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative; (b) to inspect and audit any and all of the Borrower's records or accounts pertaining to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; and (c) to require the Borrower, at the Borrower's sole expense, (i) to furnish such documents to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, as the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative, as the case may be, from time to time, deems reasonably necessary in order to determine that the provisions of the Financing Documents have been complied with and (ii) to make copies of any records that the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative or the respective duly authorized agents of each, may reasonably require. The Borrower shall make available to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, such information concerning the Project, the Security Instrument and the Financing Documents as any of them may reasonably request.

Section 5.12. *Tax Regulatory Agreement.* The covenants of the Borrower in the Tax Regulatory Agreement shall be deemed to constitute covenants of the Borrower running with the land and an equitable servitude for the benefit of the Governmental Lender and the Funding Lender and shall be binding upon any owners of the Project until such time as such restrictions expire as provided in the Tax Regulatory Agreement. The Borrower covenants to file of record the Tax

Regulatory Agreement and such other documents, and to take such other steps as are necessary in order to assure that the restrictions contained in the Tax Regulatory Agreement will, subject to the terms of the Tax Regulatory Agreement, be binding upon all owners of the Project. The Borrower covenants to include such restrictions or a reference to such restrictions in any documents transferring any interest in the Project to another to the end that such transferee has notice of, and is bound by, the Tax Regulatory Agreement. Section 5.13. *Damage, Destruction and Condemnation.* If prior to full payment of the Funding Loan (or provision for payment of the Funding Loan in accordance with the provisions of the Funding Loan Agreement) the Project or any portion of it is destroyed (in whole or in part) or is damaged by fire or other casualty, or title to, or the temporary use of, the Project or any portion of it shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or shall be transferred pursuant to an agreement or settlement in lieu of eminent domain proceedings, the Borrower shall nevertheless be obligated to continue to pay the amounts specified in this Project Loan Agreement and in the Project Note to the extent the Project Loan is not prepaid in full in accordance with the terms of the Project Loan Documents.

Section 5.14. *Obligation of the Borrower To Rehabilitate the Project.* The Borrower shall proceed with reasonable dispatch (and in no event later than required under the Financing Documents) to complete the rehabilitation, development and equipping of the Project as required by the Financing Documents. If amounts on deposit in the Project Loan Fund designated for the Project and available to be disbursed to the Borrower are not sufficient to pay the costs of the acquisition, rehabilitation, development and equipping, the Borrower shall pay such additional costs from its own funds or other funds available to Borrower. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender Representative or the Funding Lender in respect of any such additional costs or to any diminution or abatement in the repayment of the Project Loan. None of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer makes any representation or warranty, either express or implied, that money which will be paid into the Project Loan Fund or otherwise made available to the Borrower will be sufficient to complete the Project, and none of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer shall be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.15. *Filing of Financing Statements.* The Borrower shall (i) file or record or cause to be filed or recorded on or prior to the Delivery Date all UCC financing statements which are required to be filed or recorded in order fully to protect and preserve the security interests relating to the priority of the Project Loan, the Funding Loan, the Pledged Security and the Security Instrument, and the rights and powers of the Governmental Lender, the Fiscal Agent and the Funding Lender in connection with such security interests, and (ii) provide copies of all such filed UCC financing statements to the Fiscal Agent. The Borrower shall cooperate with the Fiscal Agent in connection with the filing of any continuation statements for the purpose of continuing without lapse the effectiveness of such financing statements.

ARTICLE VI

UPON NOTICE FROM THE GOVERNMENTAL LENDER OR ANY OF ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS OR EMPLOYEES, THE BORROWER SHALL DEFEND THE GOVERNMENTAL LENDER OR ANY OF ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS OR EMPLOYEES IN ANY ACTION OR PROCEEDING BROUGHT IN CONNECTION WITH ANY OF THE ABOVE; PROVIDED, HOWEVER, THAT THE GOVERNMENTAL LENDER SHALL HAVE THE RIGHT TO EMPLOY SEPARATE COUNSEL IN ANY ACTION DESCRIBED IN THE PRECEDING SENTENCE AT THE EXPENSE OF THE BORROWER.

(ii) IT IS THE INTENTION OF THE PARTIES HERETO THAT THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES SHALL NOT INCUR PECUNIARY LIABILITY BY REASON OF THE TERMS OF THIS PROJECT LOAN AGREEMENT OR BY REASON OF THE UNDERTAKINGS REQUIRED OF THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES IN

CONNECTION WITH THE ISSUANCE OF THE GOVERNMENTAL NOTE, INCLUDING BUT NOT LIMITED TO THE EXECUTION AND DELIVERY OF THE FUNDING LOAN AGREEMENT, THIS PROJECT LOAN AGREEMENT, THE TAX EXEMPTION AGREEMENT, THE REGULATORY AGREEMENT, AND ALL OTHER INSTRUMENTS AND DOCUMENTS REQUIRED TO CLOSE THE TRANSACTION; THE PERFORMANCE OF ANY ACT REQUIRED OF THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES BY THIS PROJECT LOAN AGREEMENT; OR THE PERFORMANCE OF ANY ACT REQUESTED OF THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES BY THE BORROWER OR IN ANY WAY ARISING FROM THE TRANSACTION OF WHICH THIS PROJECT LOAN AGREEMENT IS A PART OR ARISING IN ANY MANNER IN CONNECTION WITH THE PROJECT OR THE FINANCING OF THE PROJECT, INCLUDING BUT NOT LIMITED TO THE EXECUTION AND DELIVERY OF THE FUNDING LOAN AGREEMENT, THIS PROJECT LOAN AGREEMENT, THE TAX EXEMPTION AGREEMENT, THE REGULATORY AGREEMENT AND ALL OTHER INSTRUMENTS AND DOCUMENTS REQUIRED TO CLOSE THE TRANSACTION; NEVERTHELESS, IF THE GOVERNMENTAL LENDER OR ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES SHOULD INCUR ANY SUCH PECUNIARY LIABILITY WITH RESPECT TO EVENTS OCCURRING AFTER THE DATE HEREOF, THEN IN SUCH EVENT THE BORROWER SHALL INDEMNIFY AND HOLD THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES HARMLESS AGAINST ALL CLAIMS BY OR ON BEHALF OF ANY PERSON, ARISING OUT OF THE SAME, AND ALL COSTS AND EXPENSES INCURRED IN CONNECTION WITH ANY SUCH CLAIM OR IN CONNECTION WITH ANY ACTION OR PROCEEDING BROUGHT THEREON, AND UPON TIMELY NOTICE FROM THE GOVERNMENTAL LENDER THE BORROWER SHALL DEFEND THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES IN ANY SUCH ACTION OR PROCEEDING, AND PROVIDE COMPETENT COUNSEL SATISFACTORY TO THE GOVERNMENTAL LENDER AND THE BORROWER SHALL PAY THE GOVERNMENTAL LENDER EXPENSES INCLUDING PAYMENT OF THE COUNSEL USED BY THE GOVERNMENTAL LENDER; PROVIDED HOWEVER, THAT THE GOVERNMENTAL LENDER SHALL HAVE THE RIGHT TO EMPLOY SEPARATE COUNSEL IN ANY ACTION DESCRIBED IN THE PRECEDING SENTENCE AT THE EXPENSE OF THE BORROWER.

(iii) NOTWITHSTANDING ANY PROVISION OF THIS PROJECT LOAN AGREEMENT TO THE CONTRARY, THE GOVERNMENTAL LENDER AND ITS RESPECTIVE GOVERNING BOARD MEMBERS, DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES SHALL BE INDEMNIFIED BY THE BORROWER WITH RESPECT TO LIABILITIES ARISING FROM SUCH PARTY'S OWN GROSS NEGLIGENCE, NEGLIGENCE OR BREACH OF CONTRACTUAL DUTY, BUT NOT

FOR ANY LIABILITIES ARISING FROM THE GOVERNMENTAL LENDER'S OWN BAD FAITH, FRAUD OR WILLFUL MISCONDUCT.

In case any action or proceeding is brought against the Governmental Lender or any of its governing board members, officers, commissioners, directors, officials, employees, agents, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses. The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel.

Notwithstanding anything else in this Project Loan Agreement to the contrary, except as otherwise provided in Section 6.01(a)(iii), the Borrower shall be responsible for the fees, costs and expenses of counsel to the Governmental Lender and Fiscal Agent at all times; provided that the Governmental Lender maintains control of the selection of its counsel at all times.

The provisions of this Section shall survive the termination of this Project Loan Agreement and the repayment of the Governmental Note and the Project Loan.

(b) **Indemnified Losses for Fiscal Agent, Servicer and Funding Lender.** To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Fiscal Agent, the Servicer, the Funding Lender and each of their respective officers, governing commissioners, members, directors, officials, employees, attorneys and agents (collectively, the “**Indemnified Parties**” and individually an “**Indemnified Party**”), against any and all losses, damages (including, but not limited to, consequential and punitive damages), claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise (collectively, “**Losses**”), to the extent arising, directly or indirectly, out of or based upon or in any way relating to:

(i) any breach by the Borrower of its obligations under the Financing Documents or the execution, amendment, restructuring or enforcement thereof, or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Governmental Note;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, rehabilitation or equipping of, the Project or any part thereof;

(iii) any accident, injury to, or death of persons or loss of or damage to property occurring in, on or about the Project or any part thereof;

(iv) any lien (other than liens permitted under the Continuing Covenant Agreement) or charge upon payments by the Borrower to the Servicer hereunder, or any Taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project (other than income and similar taxes on fees received or earned in connection therewith);

(v) any violation of any environmental law, rule or regulation with respect to, or the release of any hazardous materials from, the Project or any part thereof;

(vi) [Reserved];

(vii) the enforcement of, or any action taken by the Fiscal Agent or the Funding Lender Representative related to remedies under this Project Loan Agreement, the Funding Loan Agreement or any other Financing Document;

(viii) any untrue statement of a material fact or alleged untrue statement of a material fact by the Borrower contained in any offering statement or document for the Governmental Note or any of the Financing Documents to which the Borrower is a party, or any omission or alleged omission by the Borrower of a material fact from any offering statement or document for the Governmental Note necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading;

(ix) any declaration of taxability of interest on the Governmental Note (other than to a substantial user or related party) or allegations (or regulatory inquiry) that interest on the Governmental Note is includable in gross income for federal income tax purposes;

(x) any audit or inquiry by the Internal Revenue Service with respect to the Project and/or the tax-exempt status of the Governmental Note; or

(xi) the Fiscal Agent's acceptance or administration of the trust of the Funding Loan Agreement, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Governmental Note to which it is a party;

except (A) in the case of the foregoing indemnification of the Fiscal Agent, or any of its respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are caused by the negligence, unlawful acts or willful misconduct of such Indemnified Party; or (B) in the case of the foregoing indemnification of the Servicer or the Funding Lender or any of their respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are caused by the gross negligence or willful misconduct of the Servicer or the Funding Lender.

(c) **Procedures**. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from such Indemnified Party, shall assume the investigation

and defense thereof, including the employment of counsel selected or approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that such Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement; provided, however, the failure to give such notice shall not affect the indemnification obligations of the Borrower hereunder, except (other than with respect to the Governmental Lender) to the extent the Borrower shall have been prejudiced by such failure and such failure could not be mitigated or remedied and arose directly from the negligence or willful misconduct of the Indemnified Party. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may employ separate counsel at the expense of the Borrower only if, in such Indemnified Party's good faith judgment, a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

(d) **Borrower to Remain Obligated.** Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Project Loan Agreement, the Security Instrument and the Tax Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer unless (i) such subsequent owner assumed in writing at the time of such transfer all obligations of the Borrower under this Section 6.01 (including obligations under this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer) and (ii) any such transfer is in compliance with the requirements of the Financing Documents.

(e) **Survival.** The provisions of this Section 6.01 shall survive the termination of this Project Loan Agreement.

Section 6.02. *Limitation With Respect to the Funding Lender.* Notwithstanding anything in this Project Loan Agreement to the contrary, in the event that the Funding Lender (or its nominee) shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure, or comparable conversion of the Project Loan, the Funding Lender (or its nominee) shall not be liable for any breach or default of any prior owner of the Project under this Project Loan Agreement and shall only be responsible for defaults and obligations incurred or occurring during the period that the Funding Lender (or its nominee) is the owner of the Project. Accordingly, during any period that the Funding Lender (or its nominee) owns the Project and that this Article VI is applicable to the Funding Lender (or its nominee), the Funding Lender's (or its nominee's) obligations under this Article VI shall be limited to acts and omissions of the Funding Lender (or its nominee) occurring during the period of the Funding Lender's (or its nominee's) ownership of the Project.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01. *Events of Default.* The following shall be “**Events of Default**” under this Project Loan Agreement, and the term “Event of Default” shall mean, whenever it is used in this Project Loan Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Governmental Lender for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under this Project Loan Agreement, the Project Note or the Security Instrument at the times and in the amounts required by this Project Loan Agreement, the Project Note and the Security Instrument, subject to any applicable notice, grace and cure periods expressly provided for therein;

(c) The Borrower shall fail to observe or perform any other term, covenant, condition or agreement (after taking into account any applicable cure period) set forth in this Project Loan Agreement, which failure continues for a period of 30 days after notice of such failure by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative to the Borrower (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in the Funding Lender Representative’s sole discretion, adversely affect the Funding Lender or result in impairment of this Project Loan Agreement or any other Financing Document, in which case no Event of Default shall be deemed to exist so long as Borrower shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in the Funding Lender Representative’s judgment, absent immediate exercise by the Funding Lender Representative of a right or remedy under this Agreement, result in harm to the Funding Lender, impairment of this Project Loan Agreement or any other Financing Document;

(d) The occurrence of a default under the Continuing Covenant Agreement or the Security Instrument (after taking into account any applicable cure period thereunder) shall at the discretion of the Funding Lender Representative constitute an Event of Default under this Project Loan Agreement but only if the Fiscal Agent is provided written notice by the Funding Lender Representative that an Event of Default has occurred under such Financing Document and the Fiscal Agent is instructed by the Funding Lender Representative that such default constitutes an Event of Default hereunder. The occurrence of an Event of Default hereunder shall in the discretion of the Funding Lender Representative constitute a default under the other Financing Documents;

Nothing contained in this Section 7.01 is intended to amend or modify any of the provisions of the Financing Documents or to bind the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to any notice and cure periods other than as expressly set forth in the Financing Documents.

Section 7.02. Remedies on Default. Subject to Section 7.06 hereof, whenever any Event of Default hereunder shall have occurred and be continuing, the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), may take any one or more of the following remedial steps:

(a) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Project Loan to be immediately due and payable (including, without limitation, declaring the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Note to be immediately due and payable).

(b) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may, without being required to give any notice (other than to the Governmental Lender or the Fiscal Agent, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(c) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take whatever action at law or in equity may appear necessary or desirable to collect the payments under this Project Loan Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Project Loan Agreement.

In addition, subject to Section 7.06 hereof, the Governmental Lender and the Fiscal Agent may pursue remedies with respect to the Unassigned Rights.

Any amounts collected pursuant to Article IV hereof and any other amounts which would be applicable to payment of principal of and interest and any premium on the Funding Loan collected pursuant to action taken under this Section 7.02 shall be applied in accordance with the provisions of the Funding Loan Agreement.

Section 7.03. No Remedy Exclusive. Upon the occurrence of an Event of Default that remains uncured, all or any one or more of the rights, powers, privileges and other remedies available against the Borrower hereunder or under the Financing Documents or otherwise at law or in equity may be exercised by the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), at any time and from time to time, whether or not the Funding Lender has accelerated the Project Loan, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Financing Documents. No remedy conferred upon or reserved to the Funding Lender or the Fiscal Agent by this Project Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Loan Agreement or now or hereafter existing at

law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required by this Project Loan Agreement.

Section 7.04. *Agreement to Pay Attorneys' Fees and Expenses.* In the event the Borrower shall default under any of the provisions of this Project Loan Agreement and the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative shall employ attorneys or incur other expenses for the collection of loan payments or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in this Project Loan Agreement or in the Project Note, the Borrower shall on written demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred.

Section 7.05. *No Additional Waiver Implied by One Waiver.* In the event any agreement contained in this Project Loan Agreement shall be breached by any party and thereafter waived by the other parties, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.06. *Control of Proceedings.*

(a) If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Project Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Project Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender. In no event shall the exercise of any of the foregoing rights result in an acceleration of the Project Loan without the express direction of the Funding Lender Representative.

(b) The Governmental Lender and the Fiscal Agent covenant that they will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

- (i) prosecute any action with respect to a lien on the Project; or
- (ii) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Project Loan; or

(iii) interfere with or attempt to influence the exercise by the Funding Lender Representative of any of its rights under the Financing Documents upon the occurrence of any event of default by the Borrower under the Financing Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

(c) Notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender or the Fiscal Agent may:

(i) specifically enforce the tax covenants of the Borrower specified in Sections 2.04 and 2.05 hereof and in the Tax Exemption Agreement or seek injunctive relief against acts which may be in violation thereof;

(ii) specifically enforce the Tax Regulatory Agreement or seek injunctive relief against acts which may be in violation of the Tax Regulatory Agreement or are otherwise inconsistent with the operation of the Project in accordance with applicable requirements of the Code and state law;

(iii) but in neither the case of subsection (c)(i) above nor this subsection (c)(ii) may the Governmental Lender or the Fiscal Agent seek any form of monetary damages from the Borrower in connection with such enforcement.

In addition, notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender and the Fiscal Agent may seek specific performance of the other Unassigned Rights (provided no monetary damages are sought), and nothing herein shall be construed to limit the rights of the Governmental Lender, the Fiscal Agent or any Indemnified Party related to the Governmental Lender or the Fiscal Agent under Sections 6.01 and 6.02 hereof (each a “Related Indemnified Party”) to enforce their respective rights against the Borrower under Sections 4.02, 4.03, 6.01 and 7.04 hereof, provided that no obligation of the Borrower to the Governmental Lender, the Fiscal Agent or any Related Indemnified Party under such sections shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party, and all such obligations are and shall be subordinate in priority, in right to payment and in all other respects to all other obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents (except for the Fiscal Agent’s right to receive payment of reasonable fees and expenses pursuant to Section 6.05(a) of the Funding Loan Agreement after an event of default with respect to the Funding Loan, which reasonable fees and expenses of the Fiscal Agent shall be payable as provided thereunder). Accordingly, none of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party shall have the right to enforce any monetary obligation arising under such sections other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future.

Section 7.07. Assumption of Obligations. In the event that the Fiscal Agent or the Funding Lender or their respective assignee or designee shall become the legal or beneficial owner

of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Note, the Tax Regulatory Agreement, and any other Financing Documents to which the Borrower is a party or with respect to which it is a third-party beneficiary. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. Notices.

(a) Whenever in this Project Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth in Section 11.04 of the Funding Loan Agreement or as required or permitted by this Project Loan Agreement by Electronic Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

A duplicate copy of each notice or other communication given hereunder by any party to the Servicer shall also be given to the Funding Lender Representative and a duplicate copy of each notice or other communication given hereunder by any party to the Funding Lender Representative shall be given to the Servicer. Additionally, a duplicate copy of each notice or other communication given hereunder by any party to the Borrower shall also be given to the Tax Credit Investor.

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Project Loan Agreement.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Servicer (i) prompt notice of the occurrence of any Event of Default hereunder and (ii) any written information or other communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative for any such information or other communication.

Section 8.02. Concerning Successors and Assigns. All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the financing herein contemplated and shall continue in full force and effect so long as the obligations hereunder are outstanding. Whenever in this Project Loan Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Project Loan Agreement shall bind its successors and assigns and inure to the benefit of the successors and assigns of the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender and the Funding Lender Representative, as applicable.

Section 8.03. Governing Law. This Project Loan Agreement and the Exhibits attached hereto shall be construed in accordance with and governed by the internal laws of the State and, where applicable, the laws of the United States of America. The Fiscal Agent's rights, duties, power and obligations hereunder are governed entirely by the terms and provisions of this Project Loan Agreement, the Funding Loan Agreement and the Regulatory Agreement.

Section 8.04. Modifications in Writing. Modification or the waiver of any provisions of this Project Loan Agreement or consent to any departure by the parties therefrom, shall in no event be effective unless the same shall be in writing approved by the parties hereto and shall require the prior written consent of the Funding Lender Representative and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Borrower in any case shall entitle it to any other or further notice or demand in the same circumstances.

Section 8.05. Further Assurances and Corrective Instruments. The Governmental Lender, the Fiscal Agent and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required (including such supplements or further instruments requested by the Funding Lender Representative) for correcting any inadequate or incorrect description of the performance of this Project Loan Agreement.

Section 8.06. Captions. The section headings contained herein are for reference purposes only and shall not in any way affect the meaning or interpretation of this Project Loan Agreement.

Section 8.07. Severability. The invalidity or unenforceability of any provision of this Project Loan Agreement shall not affect the validity of any other provision, and all other provisions shall remain in full force and effect.

Section 8.08. Counterparts. This Project Loan Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 8.09. Amounts Remaining in Loan Payment Fund or Other Funds. It is agreed by the parties hereto that any amounts remaining in the Loan Payment Fund or other funds and accounts established under the Funding Loan Agreement upon expiration or sooner termination of the term hereof and the repayment in full of the Project Loan and all other amounts owing under the Project Loan Documents, shall be paid in accordance with the Funding Loan Agreement.

Section 8.10. *Effective Date and Term.* This Project Loan Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in full force from the date hereof, and, subject to the provisions hereof, shall expire on such date as the Funding Loan Agreement shall terminate.

Section 8.11. *Cross References.* Any reference in this Project Loan Agreement to an “Exhibit,” an “Article,” a “Section,” a “Subsection” or a “Paragraph” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit attached to this Project Loan Agreement, an article of this Project Loan Agreement, a section of this Project Loan Agreement, a subsection of the section of this Project Loan Agreement in which the reference appears and a paragraph of the subsection within this Project Loan Agreement in which the reference appears. All exhibits attached to or referred to in this Project Loan Agreement are incorporated by reference into this Project Loan Agreement.

Section 8.12. *Funding Lender Representative and Servicer as Third-Party Beneficiaries.* The parties hereto agree and acknowledge that the Funding Lender Representative and the Servicer are third party beneficiaries of this Project Loan Agreement.

Section 8.13. *Supplemental Loans.* The Governmental Lender and the Fiscal Agent each acknowledges that the Funding Lender or, if Freddie Mac is not the Funding Lender, Freddie Mac may make additional loans to the Borrower secured by additional mortgages on the Project (“Additional Loans”). The Governmental Lender and the Fiscal Agent each consents to the Additional Loans notwithstanding anything to the contrary in the Project Loan Documents, provided that such loans are subordinate to the repayment of the Project Loan by the Borrower; and provided further that the Borrower shall have provided at least 10 days advance written notice of any such Additional Loan to the Governmental Lender in advance of issuance and delivery of such Additional Loan.

Section 8.14. *Non-Liability of Governmental Lender.* The Governmental Lender shall not be obligated to pay the principal (or Prepayment Premium) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Project Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (or prepayment premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender’s sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Project Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or prepayment premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon written notice from the Fiscal Agent, the Borrower shall pay

such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

Section 8.15. *No Liability of Officers.* No recourse under or upon any obligation, covenant, or agreement or in the Governmental Note, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Note.

Section 8.16. *Capacity of the Fiscal Agent.* The Fiscal Agent is entering into this Project Loan Agreement solely in its capacity as Fiscal Agent and shall be entitled to the rights, protections, limitations from liability and immunities afforded it as Fiscal Agent under the Funding Loan Agreement. The Fiscal Agent shall be responsible only for the duties of the Fiscal Agent expressly set forth herein and in the Funding Loan Agreement.

Section 8.17. *Reliance.* The representations, covenants, agreements and warranties set forth in this Project Loan Agreement may be relied upon by the Governmental Lender, the Fiscal Agent, Bond Counsel, the Servicer, the Funding Lender and the Funding Lender Representative. In performing their duties and obligations under this Project Loan Agreement and under the Funding Loan Agreement, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, upon certificates of tenants believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent under this Project Loan Agreement and under the Funding Loan Agreement in good faith and in conformity with the opinion of such counsel. It is expressly understood and agreed by the parties to this Project Loan Agreement (other than the Governmental Lender) that:

- (a) the Governmental Lender may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Funding Lender or the Borrower as to the existence of a

fact or state of affairs required under this Project Loan Agreement to be noticed by the Governmental Lender;

(b) the Governmental Lender shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Funding Lender Representative, the Servicer or the Borrower, as applicable; and

Section 1A. Acquisition, Equipping and Rehabilitation of the Development. The Borrower hereby represents, covenants and agrees as follows:

- (a) The statements made in the various certificates delivered by the Borrower to the Governmental Lender or the Fiscal Agent (or both), including specifically the representations and expectations set forth in the Tax Exemption Agreement, are true and correct in all material respects.

(b) The Borrower will submit to the Governmental Lender and the Fiscal Agent evidence of construction completion as required in the Project Loan Agreement, and attached as Exhibit A thereto, within 30 days of completion. The Borrower will also submit a request for final construction inspection to the Governmental Lender, in the format prescribed by the Governmental Lender as required pursuant to Title 10, Part 1, Chapter 10, Subchapter F of the Texas Administrative Code. The Borrower further agrees to cause the architect of record to submit a certification that the Development was rehabilitated in compliance with all applicable laws and the engineer of record (if applicable) must submit a certification that the Development was rehabilitated in compliance with design requirements.

(c) The Borrower will take or not fail to take, as is applicable, all actions necessary to cause the proceeds of the Governmental Note to be applied in a manner consistent with the requirements of the Funding Loan Agreement, the Project Loan Agreement, the Tax Exemption Agreement and this Regulatory Agreement. The Borrower acknowledges that such requirements have been designed for the purpose of ensuring compliance with the provisions of the Act or the Code applicable to the Borrower and the Development.

(d) The Borrower is a qualified “housing sponsor” as defined in the Act.

Section 2. Tax-Exempt Status of the Governmental Note. The Borrower will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Governmental Note from gross income for federal income tax purposes (subject to the inclusion of any exceptions contained in the opinion delivered upon the original issuance of the Governmental Note). With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees:

(a) That the Development will be owned, managed and operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the Qualified Project Period. In particular, the Borrower covenants and agrees, continuously during the Qualified Project Period, as follows:

(i) that the Development will be comprised of residential Units and facilities functionally related and subordinate thereto, in accordance with Section 142(d) of the Code;

(ii) that each Unit will contain complete facilities for living, sleeping, eating, cooking and sanitation, e.g., a living area, a sleeping area, bathing and sanitation facilities, and cooking facilities equipped with a cooking range, refrigerator and sink, all of which are separate and distinct from other Units; provided that, a Unit will not fail to meet these requirements merely because it is a single-room occupancy unit (within the meaning of Section 42 of the Code);

(iii) that the land and the facilities that are part of the Development will be functionally related and subordinate to the Units comprising the Development and will be of a character and size that is commensurate with the character and size of the Development;

(iv) that at no time will any of the Units be utilized (A) on a transient basis by being leased or rented for a period of less than six months (unless the Unit serves as a single room occupancy unit or transitional housing for the homeless (as described in Section 42(i)(3)(B) of the Code), in which case such lease may be on a month-to-month basis) or

(B) as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, or trailer park or court used on a transient basis;

(v) that the Development will consist of one or more proximate buildings or structures, together with any functionally related and subordinate facilities containing one or more similarly constructed Units, all of which (A) will be located on a single tract of land or two or more parcels of land that are contiguous except for the interposition of a road, street, stream or similar property or their boundaries meet at one or more points, (B) will be owned by the same person for federal income tax purposes, and (C) will be financed pursuant to a common plan;

(vi) that substantially all of the Development will consist of similarly constructed Units together with functionally related and subordinate facilities for use by Development tenants at no additional charge, such as swimming pools, other recreational facilities, parking areas, and other facilities that are reasonably required for the Development, such as heating and cooling equipment, trash disposal equipment, and Units for resident managers, security personnel or maintenance personnel;

(vii) that at no time will any Unit in any building or structure in the Development that contains fewer than five Units be occupied by the Borrower;

(viii) that each Unit will be rented or available for rental on a continuous basis to Eligible Tenants (subject to the limitations and exceptions contained in this Regulatory Agreement, the Tax Exemption Agreement and the Project Loan Agreement) at all times during the longer of (A) the remaining term of the Governmental Note or (B) the Qualified Project Period, that the Borrower will not give preference in renting Units to any particular class or group of persons, other than Persons with Special Needs, Low-Income Tenants and other Eligible Tenants as provided herein, and that at no time will any portion of the Development be exclusively reserved for use by a limited number of nonexempt persons in their trades or businesses;

(ix) that except, if applicable, during the 12-month "transition period" beginning on the Delivery Date, as provided under Revenue Procedure 2004-39, 2004-2 C.B. 49, the Development will meet the Set Aside. For the purposes of this Section 2(a)(ix), a vacant Unit that was most recently occupied by a Low-Income Tenant is treated as rented and occupied by a Low-Income Tenant until reoccupied, at which time the character of such Unit must be redetermined. No tenant qualifying as a Low-Income Tenant will be denied continued occupancy of a Unit because, after the most recent Tenant Income Certification, such tenant's Annual Income increases to exceed the qualifying limit for Low-Income Tenants; provided, however, that, should a Low-Income Tenant's Annual Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low-Income Tenant of the same family size and such Low-Income Tenant constitutes a portion of the Set Aside, then such tenant will only continue to qualify for so long as no Unit of comparable or smaller size in the same building (within the meaning of Section 42 of the Code) is rented to a tenant that does not qualify as a Low-Income Tenant;

(x) that the Borrower will obtain, complete and maintain on file (A) Tenant Income Certifications and supporting documentation from each Low-Income Tenant dated immediately prior to the initial occupancy of such Low-Income Tenant in the Development

and (B) thereafter, annual certification regarding, at a minimum, information regarding household composition and student status in the form available on the Governmental Lender's website; provided that, if any Units in the Development are ever made available to tenants who are not Low-Income Tenants, then the Borrower will obtain, complete and maintain annual Tenant Income Certifications in accordance with Section 142(d)(3)(A) of the Code. The Borrower will obtain such additional information as may be required in the future by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations that are tax-exempt private activity bonds described in Section 142(d) of the Code. The Borrower will make a diligent and good-faith effort to determine that the income information provided by an applicant in any certification is accurate by taking steps required under Section 142(d) of the Code pursuant to provisions of the Housing Act. As part of the verification, the Borrower will document income and assets in accordance with HUD Handbook 4350.3 and the Governmental Lender's Compliance Monitoring Rules;

(xi) that, on or before each March 31, the Borrower will submit to the Secretary of the Treasury, with a copy provided to the Governmental Lender, the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Development continues to meet the requirements of Section 142(d) of the Code; and

(xii) that the Borrower will prepare and submit the Unit Status Report in the form available on the Governmental Lender's website at the time of such submission to the Governmental Lender (via the electronic filing system available on the Governmental Lender's website) in accordance with Section 4(e) hereof.

(b) That the Borrower will maintain complete and accurate records pertaining to the Low-Income Units and will permit, at all reasonable times during normal business hours and upon reasonable prior written notice, and subject to the rights of tenants in lawful possession, any duly authorized representative of the Governmental Lender, the Fiscal Agent, the Funding Lender, the Department of the Treasury or the Internal Revenue Service to enter upon the Development Site to examine and inspect the Development and to inspect and photocopy the books and records of the Borrower pertaining to the Development, including those records pertaining to the occupancy of the Low-Income Units. The Borrower will retain all records maintained in accordance with this Section 2(b) until the date that is three years after the end of the Qualified Project Period.

(c) That, as of the Delivery Date, at least 50% of the Units are occupied. The Borrower will provide to the Fiscal Agent and the Governmental Lender on the Delivery Date a certificate in the form attached hereto as Exhibit F certifying the dates on which (i) 10% of the Units were occupied, and (ii) 50% of the Units were occupied.

(d) That the Borrower will prepare and submit to the Governmental Lender and the Fiscal Agent, within 60 days prior to the last day of the Qualified Project Period, a certificate setting forth the date on which the Qualified Project Period will end, which certificate must be in recordable form; however, failure to deliver such certificate shall not extend the Qualified Project Period.

Anything in this Agreement to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that the Governmental Lender and the Fiscal Agent may rely conclusively on the truth and accuracy of any certificate, opinion, notice, representation or instrument made or provided by the Borrower in order to establish the existence of any fact or statement of affairs solely within the knowledge of the Borrower, and which is required to be noticed, represented or certified by the Borrower hereunder or in connection with any filings, representations or certifications required to be made by the Borrower in connection with the issuance and delivery of the Governmental Note.

Section 3. Modification of Tax and Other Restrictive Covenants. The Borrower, the Fee Owner, the Fiscal Agent and the Governmental Lender hereby agree as follows:

(a) During the Qualified Project Period and the State Restrictive Period, to the extent any amendments to the Act or the Code, in the written opinion of Bond Counsel filed with the Governmental Lender, the Fiscal Agent, the Funding Lender, the Borrower and the Fee Owner, impose requirements upon the ownership or operation of the Development more restrictive than those imposed by this Regulatory Agreement, this Regulatory Agreement will be deemed to be automatically amended to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as is necessary to document such automatic amendment hereof. In addition, this Regulatory Agreement will be amended to the extent required by, and in accordance with, the Project Loan Agreement.

(b) During the Qualified Project Period and the State Restrictive Period, to the extent that the Act, the Code, or any amendments thereto, in the written opinion of Bond Counsel filed with the Governmental Lender, the Fiscal Agent, the Funding Lender, the Borrower and the Fee Owner, impose requirements upon the ownership or operation of the Development less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Governmental Lender, the Fiscal Agent, the Borrower and the Fee Owner and upon receipt of a Favorable Opinion of Bond Counsel.

(c) All costs, including fees and out-of-pocket expenses actually incurred by the Governmental Lender and the Fiscal Agent, in connection with compliance with the requirements of this Section will be paid by the Borrower and its successors in interest.

Section 4. Housing Development During the State Restrictive Period. The Governmental Lender and the Borrower hereby recognize and declare their understanding and intent that the Development is to be owned, managed and operated as a “housing development,” as such term is defined in Section 2306.004(13) of the Act, and in compliance with applicable restrictions and limitations as provided in the Act and the rules of the Governmental Lender until the expiration of the State Restrictive Period.

To the same end, the Borrower hereby represents, covenants and agrees as follows during the State Restrictive Period:

(a) except for Units occupied or reserved for a resident manager, security personnel and maintenance personnel that are reasonably required for the Development, to assure that 100% of the Units are reserved for Eligible Tenants and in accordance with the Borrower’s election under Section 1372.0321 of the Texas Government Code, 50% of the Units are reserved for tenants whose combined Annual Income is not more than 50% of the Multifamily Tax Subsidy Program Income Limit and the remaining 50% of the Units are reserved for tenants whose combined Annual Income is not more than 60% of the Multifamily Tax Subsidy Program Income Limit;

(b) to assure that the provisions of Sections 2(a)(viii) and 2(a)(ix) hereof continue in full force and effect until the end of the State Restrictive Period;

(c) to obtain a Tenant Income Certification from each tenant in the Development (other than resident managers, security personnel and maintenance personnel) not later than the date of such tenant's initial occupancy of a Unit in the Development, and, if required as described in Section 2(a)(x) hereof, at least annually thereafter in the manner as described in Section 2(a)(x) hereof, and to maintain a file of all such Tenant Income Certifications, together with all supporting documentation, for a period of not less than three years after the end of the State Restrictive Period;

(d) to obtain from each tenant in the Development (other than resident managers, security personnel and maintenance personnel), at the time of execution of the lease pertaining to the Unit occupied by such tenant, a written certification, acknowledgment and acceptance in such form provided by the Governmental Lender to the Borrower from time to time that (i) such lease is subordinate to the Security Instrument and this Regulatory Agreement, (ii) all statements made in the Tenant Income Certification submitted by such tenant are accurate, (iii) the family income and eligibility requirements of this Regulatory Agreement and the Project Loan Agreement are substantial and material obligations of tenancy in the Development, (iv) such tenant will comply promptly with all requests for information with respect to such requirements from the Borrower, the Fiscal Agent and the Governmental Lender, and (v) failure to provide accurate information in the Tenant Income Certification or refusal to comply with a request for information with respect thereto will constitute a violation of a substantial obligation of the tenancy of such tenant in the Development;

(e) to cause to be prepared and submitted to the Governmental Lender (via the electronic filing system available on the Governmental Lender's website) by the tenth calendar day of each January, April, July and October or other schedule as determined by the Governmental Lender with written notice to the Borrower, a certified quarterly Unit Status Report in a form available on the Governmental Lender's website at the time of submission or in such other form as the Governmental Lender may reasonably prescribe in writing to the Borrower with the first quarterly report due on the first quarterly reporting date after leasing activity commences;

(f) to the extent legally permissible and upon reasonable prior written notice to permit any duly authorized representative of the Governmental Lender, the Funding Lender or the Fiscal Agent to inspect the books and records of the Borrower pertaining to the Development or the incomes of Development tenants, including but not limited to tenant files, during regular business hours and to make copies therefrom if so desired and file such reports as are necessary to meet the Governmental Lender's requirements;

(g) that the Borrower is qualified to be a "housing sponsor" as defined in the Act and will comply with all applicable requirements of the Act, including submitting (via the electronic filing system available on the Governmental Lender's website) the Annual Owner's Compliance Report to the Governmental Lender in the form available on the Governmental Lender's website at the time of submission by April 30 of each year, commencing April 30, 2023;

(h) to provide social services which must meet the minimum point requirement and be chosen from the list of Tenant Supportive Services attached hereto as Exhibit C in the manner provided in such Exhibit, or from any additional supportive services added to the Governmental Lender's rules at any future date that are of similar value to the service it is intending to replace as agreed to in writing by the Governmental Lender. The Borrower must maintain documentation

satisfactory to the Governmental Lender of social services provided and such documentation will be reviewed during onsite visits beginning with the second onsite review and must be submitted to the Governmental Lender upon request. The Borrower must provide the social services throughout the State Restrictive Period;

(i) to comply with Title 10, Part 1, Chapter 10, Subchapter F of the Texas Administrative Code and other Governmental Lender rules regarding affirmative marketing and written policies and procedures, as such requirements may be amended from time to time;

(j) to maintain the property in compliance with HUD's Uniform Physical Condition Standards and to provide regular maintenance to keep the Development sanitary, safe and decent and to comply with the requirements of Section 2306.186 of the Texas Government Code; provided, however, that the Governmental Lender must first provide notice of any default or breach to Borrower and the Funding Lender, and the Borrower will have 30 days following receipt of such notice to cure such default or breach;

(k) to renew any available rental subsidies which are sufficient to maintain the economic viability of the Development pursuant to Section 2306.185(c) of the Texas Government Code;

(l) the Borrower is not a party to and will not enter into a contract for the Development with, a housing developer that (i) is on the Governmental Lender's debarred list, including any parts of that list that are derived from the debarred list of HUD; (ii) breached a contract with a public agency; or (iii) misrepresented to a subcontractor the extent to which the Borrower has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Borrower's participation in contracts with the agency and the amount of financial assistance awarded to the Borrower by the agency;

(m) to cooperate fully with the Governmental Lender with respect to its compliance and oversight requirements and to cause the manager of the Development to so comply;

(n) to ensure that Units intended to satisfy the Set Aside under Section 2(a)(ix) hereof and the reservation of Units under Section 4(a) hereof will be distributed evenly throughout the Development and will include a reasonably proportionate amount of each type of Unit available in the Development;

(o) to ensure that the Development conforms to the federal Fair Housing Act; and

(p) to pay to the Governmental Lender the Governmental Lender Compliance Fee (as defined in the Funding Loan Agreement).

Section 4.A. Repairs and Maintenance Required by State Law. The Borrower will maintain the Replacement Reserve required by and created pursuant to the Continuing Covenant Agreement or a similar account for the longer of: (a) the period of time required pursuant to the Continuing Covenant Agreement, or (b) the State Reserve Period as required by Section 2306.186 of the Texas Government Code.

Section 4.B. Development Amenities. The Borrower hereby represents, covenants and agrees that the Development will include the Development Amenities as described in Exhibit B-2 attached hereto.

Section 5. Maximum Allowable Gross Rents. During the State Restrictive Period, the Borrower hereby represents, covenants and agrees that in consideration for and as required by the

reservation granted under Chapter 1372 of the Texas Government Code, as amended, the maximum monthly rent charged by the Borrower for 50% of the Units shall not exceed 30% of the 50% applicable Multifamily Tax Subsidy Program Imputed Income Limitation applicable to such Unit. For purposes of the preceding sentence, the amount of the income limitation for any period shall not be less than such limitation applicable, taking into consideration the gross rent floor provided in accordance with Revenue Procedure 94-57. The maximum monthly rent charged by the Borrower for each of the remaining 50% of the Units shall not exceed 30% of the 60% applicable Multifamily Tax Subsidy Program Imputed Income Limitation applicable to such Unit. For purposes of the preceding sentence, the amount of the income limitation for any period shall not be less than such limitation applicable, taking into consideration the gross rent floor provided in accordance with Revenue Procedure 94-57. Such initial maximum allowable gross rents are set forth in Exhibit D attached hereto and will be annually redetermined by the Issuer and published on its website. The Borrower agrees to comply with the Issuer's Compliance Monitoring Rules regarding utility allowances.

Section 6. Persons With Special Needs. The Borrower represents, covenants and warrants that during the State Restrictive Period, it will make at least 5% of the Units within the Development available for occupancy by Persons with Special Needs.

Section 7. Consideration. The Governmental Lender has issued the Governmental Note to provide funds to make the Project Loan to finance the Development, all for the purpose, among others, of inducing the Borrower to acquire, rehabilitate, equip and operate the Development. In consideration of the issuance of the Governmental Note by the Governmental Lender and in consideration of the Borrower entering into the Ground Lease, the Borrower and the Fee Owner have entered into this Regulatory Agreement and agreed to restrict the uses to which the Development can be put on the terms and conditions set forth herein.

Section 8. Reliance. The Governmental Lender, the Fiscal Agent, the Fee Owner and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all Persons interested in the legality and validity of the Governmental Note, and in the excludability of interest on the Governmental Note from gross income for federal income tax purposes under existing law. In performing their duties and obligations hereunder, the Borrower, the Fee Owner, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Low-Income Tenants or Eligible Tenants and the Governmental Lender and the Fiscal Agent may rely upon (i) statements and certifications by the Borrower and the Fee Owner; (ii) audits of the books and records of the Borrower and the Fee Owner pertaining to the Development; and (iii) with respect to the Fiscal Agent, any other information provided to the Fiscal Agent, pursuant to this Regulatory Agreement. In addition, the Governmental Lender, the Borrower, the Fee Owner and the Fiscal Agent may consult with counsel, and the opinion of such counsel will be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender, the Borrower, the Fee Owner or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default by the Borrower or the Fee Owner exists under this Regulatory Agreement, the Fiscal Agent is not required to conduct any investigation into or review of the operations or records of the Borrower or the Fee Owner and may rely on any written report, notice or certificate or other information delivered to the Fiscal Agent, as required by this Regulatory Agreement, by any Person retained to review the Borrower's or the Fee Owner's compliance with this Regulatory Agreement or by the Borrower, the Fee Owner or the Governmental Lender with respect to the occurrence or absence of a default unless it has actual knowledge that the report, notice or certificate is erroneous or misleading.

Section 9. Development in Dallas County. The Borrower hereby represents that the Development is located entirely within Dallas County, Texas.

Section 10. Sale or Transfer of the Development or Change in General Partner.

(a) Each of the Borrower and the Fee Owner covenants and agrees not to sell, transfer or otherwise dispose of the Development, prior to the expiration of the Qualified Project Period (other than pursuant to the lease of Units to Eligible Tenants), without (i) providing 30 days prior written notice to the Governmental Lender, (ii) complying with any applicable provisions of this Regulatory Agreement, the Project Loan Agreement, the Tax Exemption Agreement and other Project Loan Documents and (iii) obtaining the prior written consent of the Governmental Lender. Such consent of the Governmental Lender will not be unreasonably withheld and will be given if the following conditions to the sale or other disposition are met or waived in writing by the Governmental Lender: (A) there is delivered to the Fiscal Agent and the Governmental Lender a written opinion of independent legal counsel reasonably satisfactory to the Fiscal Agent and the Governmental Lender, addressed to the Fiscal Agent and the Governmental Lender, concluding that the transferee has duly assumed all of the rights and obligations of the Borrower or the Fee Owner, as applicable, under this Regulatory Agreement, the Project Loan Agreement, the Tax Exemption Agreement and the other Project Loan Documents and that each of the documents executed by the transferee in connection therewith has been duly authorized, executed and delivered by the transferee and is a valid and enforceable obligation of the transferee, subject to customary qualifications, (B) the Governmental Lender receives a Favorable Opinion of Bond Counsel, with a copy to the Fiscal Agent, which opinion will be furnished at the expense of the Borrower or the transferee, (C) the Governmental Lender receives a transfer fee equal to \$1,000, (D) the transferee executes any document requested by the Governmental Lender with respect to assuming the obligations of the Borrower or the Fee Owner under this Regulatory Agreement, the Project Loan Agreement, the Tax Exemption Agreement and the other Project Loan Documents, (E) the Governmental Lender has performed a previous participation review on the transferee or any affiliated party, the results of which are satisfactory to the Governmental Lender in accordance with Title 10, Part 1, Chapter 1, Subchapter C, Section 1.301, Texas Administrative Code, and the Governmental Lender does not further have any reason to believe the transferee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements and instruments binding on such transferee relating to the Development, including but not limited to this Regulatory Agreement, the Project Loan Agreement, the Security Instrument and other Project Loan Documents, (F) the transferee has met the requirements in Title 10, Part 1, Chapter 10, Subchapter E, Section 10.406, Texas Administrative Code, and (G) the Borrower or transferee have paid any and all fees or expenses of Bond Counsel incurred in association with its review and drafting of documents relating to the transfer. The foregoing provisions do not apply to transfer by foreclosure or deed in lieu of foreclosure or other similar involuntary transfers, but such provisions apply to any transfer subsequent to such involuntary transfers. Each of the Borrower and the Fee Owner hereby expressly stipulates and agrees that any sale, transfer or other disposition of the Development in violation of this subsection will be ineffective to relieve the Borrower or the Fee Owner, as applicable, of its obligations under this Regulatory Agreement. Upon any sale, transfer or other disposition of the Development in compliance with this Regulatory Agreement, the Borrower or the Fee Owner so selling, transferring or otherwise disposing of the Development will have no further liability for obligations under the Project Loan Agreement, this Regulatory Agreement or any loan document arising after the date of such disposition. The foregoing notwithstanding, the duties of the Borrower and the Fee Owner as set forth in the Project Loan Agreement, this Regulatory Agreement or any loan document with respect to matters arising prior to the date of such sale, transfer or other disposition will not terminate upon the sale, transfer or other disposition of the Development.

(b) No transfer of the Development will release the Borrower or the Fee Owner from its respective obligations under this Regulatory Agreement arising prior to the date of such transfer, but any such transfer in accordance with this Regulatory Agreement will relieve the Borrower or the Fee Owner, as applicable, of further liability for obligations under this Regulatory Agreement or the Security Instrument arising after the date of such transfer.

(c) The Borrower will not change its general partner by transfer, sale or otherwise without the prior written consent of the Governmental Lender in accordance with Title 10, Part 1, Chapter 10, Subchapter E, Section 10.406, Texas Administrative Code. A change in the Borrower's general partner includes any transfer of any controlling ownership interest in the general partner other than by death or incapacity.

Section 11. Term. This Regulatory Agreement and all and each of the provisions hereof will become effective upon its execution and delivery, will remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section, will terminate in its entirety at the end of the State Restrictive Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Governmental Note, discharge of the Project Loan, termination of the Project Loan Agreement and defeasance or termination of the Funding Loan Agreement; provided, however, that the provisions related to the Qualified Project Period that are not incorporated into the State Restrictive Period will terminate in their entirety at the end of the Qualified Project Period.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements set forth herein will terminate, without the requirement of any consent by the Governmental Lender or the Fiscal Agent, and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal or State law or an action of a federal agency after the Delivery Date which prevents the Governmental Lender or the Fiscal Agent from enforcing the provisions hereof, or foreclosure or transfer of title by deed in lieu of foreclosure or other similar involuntary transfer, condemnation or a similar event, but only if, within a reasonable period thereafter, either the Governmental Note is retired in full or amounts received as a consequence of such event are used to provide a "qualified residential rental project" that meets the requirements of the Code and State law including, but not limited to, the provisions set forth in Sections 1A through 6, 10, 11 and 12 of this Regulatory Agreement. The provisions of the preceding sentence will cease to apply and the requirements referred to therein will be reinstated if, at any time during the Qualified Project Period, after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any Related Person obtains an ownership interest in the Development for federal income tax purposes or for the purposes of State law.

Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Governmental Lender, the Fiscal Agent, the Borrower and the Fee Owner upon receipt of a Favorable Opinion of Bond Counsel.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments are not necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms. All costs, including fees and expenses, of the Governmental Lender and the Fiscal Agent incurred in connection with the termination of this Regulatory Agreement will be paid by the Borrower and its successors in interest.

Section 12. Covenants To Run With the Land. The Borrower and the Fee Owner hereby subject the Development (including the Development Site) to the covenants, reservations and restrictions

set forth in this Regulatory Agreement. The Governmental Lender, the Fiscal Agent, the Borrower and the Fee Owner hereby declare that the covenants, reservations and restrictions set forth herein are covenants running with the land and will pass to and be binding upon the Borrower's and the Fee Owner's successors in title to the Development; provided, however, that upon the termination of this Regulatory Agreement said covenants, reservations and restrictions will expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Development or any portion thereof prior to the termination of this Regulatory Agreement will conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

No breach of any of the provisions of this Regulatory Agreement will impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Development or any portion thereof.

Section 13. Burden and Benefit. The Governmental Lender, the Fiscal Agent, the Borrower and the Fee Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Development is rendered less valuable thereby. The Governmental Lender, the Fiscal Agent, the Borrower and the Fee Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Development by Low-Income Tenants and Eligible Tenants and by furthering the public purposes for which the Governmental Note was issued.

Section 14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof will apply uniformly to the entire Development in order to establish and carry out a common plan for the use, development and improvement of the Development Site.

Section 15. Default; Enforcement by the Fiscal Agent and Governmental Lender. If the Borrower or the Fee Owner defaults in the performance or observance of any covenant, agreement or obligation of the Borrower or the Fee Owner, as applicable, set forth in this Regulatory Agreement, and if such default remains uncured by the Borrower or the Fee Owner for a period of 60 days after written notice thereof has been given by the Governmental Lender or the Fiscal Agent to the Borrower and the Fee Owner, then the Fiscal Agent, acting on its own behalf or on behalf of the Governmental Lender and after being indemnified as provided in the Funding Loan Agreement, will declare an "Event of Default" to have occurred hereunder; provided, however, that, if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default will not constitute an Event of Default hereunder and will not be declared an Event of Default so long as (i) the Borrower or the Fee Owner institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) the Borrower or the Fee Owner delivers to the Governmental Lender and the Fiscal Agent a Favorable Opinion of Bond Counsel.

Following the declaration of an Event of Default hereunder, the Fiscal Agent or the Governmental Lender, each subject to being indemnified to its satisfaction with respect to the costs and expenses of any proceeding may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower or the Fee Owner, as applicable, to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Fiscal Agent hereunder;

(b) have access to and inspect, examine and make copies of all of the books and records of the Borrower or the Fee Owner, as applicable, pertaining to the Development during regular business hours following reasonable prior written notice; and

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower or the Fee Owner hereunder;

Each of the Borrower and the Fee Owner hereby agrees that specific enforcement of the Borrower's and the Fee Owner's agreements contained herein is the only means by which the Governmental Lender and the Fiscal Agent may obtain the benefits of such agreements made by the Borrower and the Fee Owner herein, and each of the Borrower and the Fee Owner therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower or the Fee Owner hereunder. In addition, if the Governmental Lender succeeds in an action for specific performance of an obligation, covenant or agreement of the Borrower or the Fee Owner contained herein, it is entitled to the relief provided in Section 16(a) hereof to the extent provided in that provision.

All rights and remedies herein given or granted are cumulative, nonexclusive and in addition to any and all rights and remedies that the parties may have or may be given by reason of any law, statute, ordinance, document or otherwise. Notwithstanding the availability of the remedy of specific performance provided for in this Section, promptly upon determining that a violation of this Regulatory Agreement has occurred, the Governmental Lender will to the extent that it has actual knowledge thereof, by notice in writing, use its best efforts to inform the Fiscal Agent, the Borrower and the Fee Owner (provided that the failure to notify will not adversely affect the Governmental Lender's or the Fiscal Agent's rights under this Regulatory Agreement) that a violation of this Regulatory Agreement has occurred.

It is specifically declared that this Regulatory Agreement or obligations hereunder may not be enforced by tenants or prospective tenants of the Development (except as described in Section 16 below) or, except as specifically provided in the Funding Loan Agreement, by the owners of the Governmental Note.

Section 16. Enforcement of Certain Provisions by Tenants and other Private Parties.

(a) Following the declaration of an Event of Default hereunder with respect to Sections 4(i), 4(j) and 5 hereof only, a tenant of the Development or any private party may, at its option by mandamus or other suit, including injunctive relief, require the Borrower to perform its obligations and covenants under Sections 4(i), 4(j) and 5 hereof.

(b) If the Governmental Lender, a tenant of the Development, or any private party brings an action to enforce the obligations and covenants of the Borrower under Sections 4(i), 4(j) and 5 hereof, such party has the right to recover attorney's fees directly from the Borrower, without recourse to the Development, if such party is successful in an action seeking enforcement of the obligations and covenants of the Borrower hereunder. This is the only monetary relief a tenant of the Development or other private parties may receive under this Regulatory Agreement and any such recovery is subject to the provisions set forth in Section 15 above.

Section 17. The Fiscal Agent. The Fiscal Agent will act only as specifically provided herein and in the Funding Loan Agreement. Subject to the right of the Fiscal Agent to be indemnified as provided in the Funding Loan Agreement, the Fiscal Agent agrees to act as the agent of and on behalf of the Governmental Lender when requested in writing by the Governmental Lender to do so, and any act required to be performed by the Governmental Lender as herein provided will be deemed taken if such act is performed by the Fiscal Agent. The Fiscal Agent is entering into this Regulatory Agreement solely in its

capacity as Fiscal Agent under the Funding Loan Agreement, and the duties, powers, rights and obligations of the Fiscal Agent in acting hereunder will be subject to the provisions of the Funding Loan Agreement, which are incorporated by reference herein. The incorporated provisions of the Funding Loan Agreement are intended to survive the retirement of the Governmental Note, discharge of the Project Loan, termination of the Project Loan Agreement and defeasance or termination of the Funding Loan Agreement.

Subject to the Fiscal Agent's rights under the Funding Loan Agreement, the Fiscal Agent will, at the direction of the Governmental Lender, take reasonable actions to enforce compliance by the Borrower and the Fee Owner with the terms of this Regulatory Agreement. The Fiscal Agent may rely on certificates, reports or other information delivered to the Fiscal Agent, in accordance with this Regulatory Agreement, without independent investigation and the Fiscal Agent's responsibility to review and monitor compliance hereunder will not extend beyond the Fiscal Agent's receipt of the certificates, reports, and other documents required to be submitted to the Fiscal Agent pursuant to this Regulatory Agreement.

The Fiscal Agent may resign or be removed only as provided in Sections 7.09 or 7.10, respectively, of the Funding Loan Agreement. Such resignation or removal will not be effective until a successor Fiscal Agent satisfying the requirements of the Funding Loan Agreement is appointed and has accepted its appointment. The Fiscal Agent's right to indemnification provided in the Project Loan Agreement will survive the resignation or removal of the Fiscal Agent and the termination of this Regulatory Agreement.

Upon discharge of the Funding Loan Agreement, the Borrower will pay to the Fiscal Agent a fee, in an amount mutually agreed upon by the Borrower and the Fiscal Agent at the time of such discharge, for the performance of the Fiscal Agent's duties under this Agreement through the date upon which the Governmental Note is to be paid in full. After the date upon which all of the Governmental Note has been paid in full, the Fiscal Agent shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the Governmental Lender.

Section 18. Recording and Filing. The Borrower will cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of Dallas County, Texas and in such other places as the Governmental Lender or the Fiscal Agent may reasonably request. A file-stamped copy of this Regulatory Agreement and all amendments and supplements thereto will be delivered to the Fiscal Agent. The Borrower will pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement is subject to and subordinate to all matters of record as of the date hereof.

Section 19. Reimbursement of Expenses. Notwithstanding any prepayment of the Project Loan and notwithstanding a discharge of the Funding Loan Agreement or the Tax Exemption Agreement, throughout the term of this Regulatory Agreement, the Borrower will continue to pay to the Governmental Lender and the Fiscal Agent all fees and reimbursement for all expenses actually incurred thereby required to be paid to the Governmental Lender and the Fiscal Agent by the Borrower pursuant to the Project Loan Agreement or the Tax Exemption Agreement, as applicable.

Section 20. Governing Law. This Regulatory Agreement is governed by the laws of the State of Texas. The Fiscal Agent's rights, duties, powers and obligations hereunder are governed in their entirety by the terms and provisions of this Regulatory Agreement, the Project Loan Agreement, the Funding Loan Agreement and the Tax Exemption Agreement.

Section 21. Amendments. Subject to the provisions of Section 3 hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto, or their successors in title, and duly recorded in the real property records of Dallas County, Texas, and only upon receipt by

the Governmental Lender (with a copy to the Fiscal Agent and the Funding Lender) of a Favorable Opinion of Bond Counsel and an opinion of Bond Counsel that such action is not contrary to the provisions of the Act.

Section 22. Notices. Any notice required to be given hereunder to the Governmental Lender, the Funding Lender, the Fiscal Agent, the Borrower or the Fee Owner will be given in the manner and to the address (or facsimile numbers) set forth in the Funding Loan Agreement.

Section 23. Severability. If any provision of this Regulatory Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof will not in any way be affected or impaired thereby.

Section 24. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which constitute one and the same instrument, and each of which is deemed to be an original.

Section 25. Authorization to Act for Governmental Lender. To the extent allowed by law, the Governmental Lender hereby authorizes the Borrower to take on behalf of the Governmental Lender all actions required or permitted to be taken by it hereunder, or under the Funding Loan Agreement and the Project Loan Agreement and to make on behalf of the Governmental Lender all elections and determinations required or permitted to be made by the Governmental Lender hereunder or under the Funding Loan Agreement and the Project Loan Agreement. In addition, the Governmental Lender hereby authorizes the Borrower to exercise, on behalf of the Governmental Lender, any election with respect to the Governmental Note pursuant to the Code or the Regulations, and the Governmental Lender agrees to cooperate with the Borrower and execute any form of statement required by the Code or the Regulations to perfect any such election.

Section 26. Incorporation of Freddie Mac Rider. During such time that Freddie Mac or the Freddie Mac Seller/Service is the Funding Lender Representative, the provisions of the Freddie Mac Rider attached to this Regulatory Agreement as Exhibit E (the "Freddie Mac Rider") are incorporated into this Regulatory Agreement by this reference as if fully set forth in this Section 26. Notwithstanding anything contained herein or in the Freddie Mac Rider, in no event shall the provisions of the Freddie Mac Rider be construed to contravene State law.

This space includes at a minimum a bathroom and large closet in the classroom space; appropriate design considerations made for the safety and security of the students; including limited and secure ingress and egress to the classroom space; and satisfaction of the requirements of all applicable building codes for school facilities. The Applicant must provide in the Application a copy of the current school facility code requirements applicable to the Development Site and Owner and Architect certifications that they understand the associated space and design requirements reflected in those code requirements. The Application must also include acknowledgement by all lenders, equity providers and partners that the Application includes election of these points.

The Applicant must enter into an agreement, addressing all items as described in subitems (-1-) - (-5-) below, and provide evidence of such agreement to the Department on or before submission of the Cost Certification. Lack of evidence of such agreement by the deadline will be cause for rescission of the Carryover Agreement or Determination Notice, as applicable.

(-1-) The agreement must be between the Owner and any one of the following: a school district; open- enrollment charter school; or Education Service Center. Private schools and private childcare providers, whether nonprofit or for profit, are not eligible parties, unless the private school or private childcare provider has entered into a partnership with a school district or open-enrollment charter school to provide a HQ Pre-K program in accordance with Texas Education Code Chapter 29, Subchapter E-1.

(-2-) The agreement must reflect that at the Development Site the educational provider will provide a HQ Pre-K program, in accordance with Texas Education Code Chapter 29, Subchapter E-1, at no cost to residents of the proposed Development and that is available for general public use, meaning students other than those residing at the Development may attend.

(-3-) Such agreement must reflect a provision that the option to operate the HQ Pre-K program in the space at the Development Site will continue to be made available to the school or provider until such time as the school or provider wishes to withdraw from the location. This provision will not limit the Owner's right to terminate the agreement for good cause.

(-4-) Such agreement must set forth the responsibility of each party regarding payment of costs to use the space, utility charges, insurance costs, damage to the space or any other part of the Development, and any other costs that may arise as the result of the operation of the HQ Pre-K program.

(-5-) The agreement must include provision for annual renewal, unless terminated under the provisions of item (-c-).

(-c-) If an education provider who has entered into an agreement becomes defunct or elects to withdraw from the agreement and provision of services at the location, as provided for in subitem (-b-)(-3-) of this subclause, the Owner must notify the Texas Commissioner of Education at least 30 days prior to ending the agreement to seek out any other eligible parties listed in subitem (-b-)(-1-) of this subclause above. If another interested open-enrollment charter school or school district is identified by the Texas Commissioner of Education or the Owner, the Owner must enter into a subsequent agreement with the interested open-enrollment charter school or school district and continue to offer HQ Pre-K services. If another interested provider cannot be identified, and the withdrawing provider certifies to the Department that their reason for ending the agreement is not due to actions of the Owner, the Owner will not be considered to be in violation of its commitment to the Department. If the Owner is not able to find a provider, they must notify the Commissioner annually of the availability of the space.

The Project Loan was funded from the separate loan (the "**Funding Loan**") incurred by the Governmental Lender pursuant to the Funding Loan Agreement dated as of April 1, 2021 (the "**Funding Loan Agreement**") by and among International Bank of Commerce, a Texas state banking corporation (the "**Initial Funding Lender**"), the Governmental Lender, and the Fiscal Agent.

(b) Other capitalized terms used but not defined in this Project Note shall have the meanings given to such terms in the Project Loan Agreement, the Funding Loan Agreement, or the Construction Disbursement Agreement.

2. **Payments of Principal and Interest.** Borrower shall pay on the first calendar day of each month commencing on [INSERT] 1, 2021, interest at the Interest Rate on the outstanding principal balance of this Project Note, and shall also pay interest on this Project Note at the Interest Rate in the event of an optional or mandatory prepayment or acceleration of all or a part of the Project Loan pursuant to this Project Note or the Project Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Project Note subject to prepayment (each such date for payment a “**Project Loan Payment Date**”).

Borrower shall pay the outstanding principal of this Project Note in full on the Scheduled Maturity Date and in monthly installments on each date set forth on the Project Loan Amortization Schedule attached as Schedule 1 to this Project Note in an amount equal to the corresponding amounts set forth thereon, or at such earlier times and in such amounts as may be required in the

event of an optional or mandatory prepayment or acceleration of the Project Loan pursuant to this Project Note or the Project Loan Agreement.

In addition to the foregoing, Borrower shall make payments hereunder in respect of the Project Loan at such times and in such amounts as are sufficient to pay, when due (whether at stated maturity, upon prepayment before maturity, upon acceleration of stated maturity or otherwise), the principal of, premium, if any, and interest on the Funding Loan at any time outstanding.

To ensure such timely payment of the amounts payable pursuant to this Section 2, Fiscal Agent shall collect from Borrower, and Borrower shall provide to Fiscal Agent, the foregoing payments by 1:00 p.m., Eastern Time, on the second (2nd) Business Day prior to each Project Loan Payment Date. Any regularly scheduled monthly installment of principal and interest payable pursuant to this Section 2 that is received by Holder before the date on which it is due will be deemed to have been received on the due date for the purpose of calculating interest due.

3. **Payment of Fees and Expenses; Other Required Payments.** Borrower shall also pay fees and expenses due under Section 4.02 of the Project Loan Agreement, rebate amounts under Sections 2.04 and 4.03 of the Project Loan Agreement and indemnification amounts under the Project Loan Agreement and the Construction Disbursement Agreement, as well as any other amounts owed by Borrower under the Financing Documents, when due and in accordance with the terms and provisions set forth therein.

4. **Manner of Payment; Deficiencies.** All payments under this Project Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Project Loan Agreement. In the event of any deficiency in the funds available under the Funding Loan Agreement for payment of the principal of, premium, if any, or interest on the Funding Loan when due, Borrower shall immediately pay the amount of the deficiency to the Fiscal Agent upon notice of the deficiency from the Governmental Lender, Servicer or the Fiscal Agent. Borrower shall be obligated to pay the deficiency regardless of the reason for the deficiency, including any deficiency resulting from any shortfall in payments made or to be made by Borrower under this Project Note, any loss due to a default under any investment held by the Fiscal Agent, a change in value of any such investment or otherwise.

5. **Application of Partial Payments.** If at any time Holder receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, Holder may apply the amount received to amounts then due and payable in any manner and in any order determined by Holder, in Holder's discretion. Borrower agrees that neither Holder's acceptance of a payment from Borrower in an amount that is less than all amounts then due and payable nor Holder's application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

6. **Security.** The Indebtedness is secured by, among other things, the Security Instrument. Reference is made to the Security Instrument and the Project Loan Agreement for other rights of Holder with respect to collateral for the Indebtedness.

7. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, any prepayment premium payable under this Project Note and all other amounts payable under this Project Note and any of the other Financing Documents, shall at once become due and payable, at the option of Holder, without any prior notice to Borrower (except if notice is required by applicable law, then after such notice). Holder may exercise this option to accelerate regardless of any prior forbearance.

8. **Limits on Personal Liability.** Prior to the Conversion Date, Borrower will be personally liable to Holder under this Project Note, the Project Loan Agreement and any of the other Financing Documents for the repayment of the Indebtedness and for the performance of or compliance with any other obligations of Borrower under the Financing Documents. Holder may, to the fullest extent permitted by applicable law, exercise its rights against Borrower personally without regard to whether Holder has exercised any rights against the Mortgaged Property or any other security, or pursued any rights against any Guarantor, or pursued any other rights available to Holder under this Project Note, the Project Loan Agreement, any other Financing Document, or applicable law. To the fullest extent permitted by applicable law, in any action to enforce Borrower's personal liability under this Section 8, Borrower waives any right to set off the value of the Mortgaged Property against such personal liability.

9. **Prepayments.**

(a) This Project Note, together with accrued interest hereon, is subject to mandatory prepayment on any Business Day, in whole or in part as provided in the Project Loan Agreement and as indicated below, at the earliest practicable date upon the occurrence of any of the following:

(i) the application of any Insurance proceeds or Condemnation award to the prepayment of the Project Loan as required under the Security Instrument and the Construction Disbursement Agreement; or

(ii) in whole, upon the occurrence of a Determination of Taxability.

(b) Borrower may voluntarily prepay the unpaid principal balance of this Project Note upon the prior written approval of Initial Funding Lender, which Initial Funding Lender may grant or withhold in its sole and absolute discretion.

(c) In order to voluntarily prepay all of the principal of this Project Note, Borrower must also pay to Holder, together with the amount of principal being prepaid, (i) all accrued and unpaid interest due under this Project Note and, (ii) all other fees and amounts due under the Financing Documents at the time of such prepayment.

(d) Unless Holder agrees otherwise in writing, a permitted or required prepayment of less than the unpaid principal balance of this Project Note will not extend or postpone the due date of any subsequent monthly installments or change the amount of such installments.

10. **Costs and Expenses.** To the fullest extent allowed by applicable law, Borrower must pay all expenses and costs, including Attorneys' Fees and Costs incurred by Holder as a result of any default under this Project Note or in connection with efforts to collect any amount due under this Project Note, or to enforce the provisions of any of the other Financing Documents, including

those incurred in post-judgment collection efforts and in any bankruptcy proceeding (including any action for relief from the automatic stay of any bankruptcy proceeding) or judicial or non-judicial foreclosure proceeding. Borrower acknowledges and agrees that, in connection with each request by Borrower under this Project Note or any Financing Document, Borrower must pay all reasonable Attorneys' Fees and Costs and expenses incurred by Holder, regardless of whether the matter is approved, denied or withdrawn.

11. **Forbearance.** Any forbearance by Holder in exercising any right or remedy under this Project Note, the Project Loan Agreement, or any other Financing Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by Holder of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Holder's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by Holder of any security for Borrower's obligations under this Project Note shall not constitute an election by Holder of remedies so as to preclude the exercise of any other right or remedy available to Holder.

12. **Waivers.** Borrower and all endorsers and Guarantors of this Project Note and all other third-party obligors waive presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness.

13. **Loan Charges.** Borrower and Holder intend at all times to comply with the law of the State of Texas governing the Maximum Interest Rate or the maximum amount of interest payable on or in connection with this Project Note and the Indebtedness (or applicable United States federal law to the extent that it permits Holder to contract for, charge, take, reserve, or receive a greater amount of interest than under Texas law). If the applicable law is ever judicially interpreted so as to render usurious any amount payable under this Project Note or under any other Financing Document, or contracted for, charged, taken, reserved, or received with respect to the Indebtedness, or as a result of acceleration of the maturity of this Project Note, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by any applicable law, then Borrower and Holder expressly intend that all excess amounts collected by Holder will be applied to reduce the unpaid principal balance of this Project Note (or, if this Project Note has been or would thereby be paid in full, will be refunded to Borrower), and the provisions of this Project Note, the Project Loan Agreement and any other Financing Documents immediately will be deemed reformed and the amounts thereafter collectible under this Project Note or any other Financing Document reduced, without the necessity of the execution of any new documents, so as to comply with any applicable law, but so as to permit the recovery of the fullest amount otherwise payable under this Project Note or any other Financing Document. The right to accelerate the maturity date of this Project Note does not include the right to accelerate any interest, which has not otherwise accrued on the date of such acceleration, and Holder does not intend to collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid to Holder for the use, forbearance, or detention of the Indebtedness will, to the extent permitted by any applicable law, be amortized, prorated, allocated and spread throughout the full term of the Indebtedness until payment in full so that the rate or amount of interest on account of the Indebtedness does not exceed the applicable usury ceiling. Notwithstanding any provision contained in this Project Note, the Project Loan Agreement or any other Financing Document that

permits the compounding of interest, including any provision by which any accrued interest is added to the principal amount of this Project Note, the total amount of interest that Borrower is obligated to pay and Holder is entitled to receive with respect to the Indebtedness will not exceed the amount calculated on a simple (i.e., non-compounded) interest basis at the maximum rate on principal amounts actually advanced to or for the account of Borrower, including all current and prior advances and any advances made pursuant to the Project Loan Agreement or other Financing Documents (such as for the payment of taxes, insurance premiums and similar expenses or costs).

14. **Commercial Purpose.** Borrower represents that Borrower is incurring the Indebtedness solely for the purpose of carrying on a business or commercial enterprise, and not for personal, family, household, or agricultural purposes.

15. **Counting of Days.** Any reference in this Project Note to a period of “days” means calendar days, not Business Days, except where otherwise specifically provided.

16. **Governing Law.** This Project Note shall be governed by the law of the Property Jurisdiction.

17. **Captions.** The captions of the Sections of this Project Note are for convenience only and shall be disregarded in construing this Project Note.

18. **Address for Payment; Notices.** All payments due under this Project Note shall be payable at the principal office of the Fiscal Agent as designated in the Funding Loan Agreement, or such other place as may be designated by written notice to Borrower from or on behalf of Holder. All Notices, demands, and other communications required or permitted to be given pursuant to this Project Note will be given in accordance with Section 8.01 of the Project Loan Agreement.

19. **Consent to Jurisdiction and Venue.** Borrower agrees that any controversy arising under or in relation to this Project Note shall be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies which shall arise under or in relation to this Project Note. Borrower irrevocably consent to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Project Note is intended to limit any right that Holder may have to bring any suit, action, or proceeding relating to matters arising under this Project Note in any court of any other jurisdiction.

20. **WAIVER OF TRIAL BY JURY. BORROWER AND HOLDER EACH (a) AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS NOTE OR THE RELATIONSHIP BETWEEN THE PARTIES AS HOLDER AND BORROWER THAT IS TRIABLE OF RIGHT BY A JURY AND (b) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

21. **Default Rate.** So long as (a) any monthly installment under this Project Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the “**Default Rate**”) equal to the lesser of (i) the Interest Rate otherwise in effect notwithstanding the default plus four percent (4%) per annum or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Scheduled Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Scheduled Maturity Date at the Default Rate. Borrower also acknowledges that its failure to make timely payments will cause Holder to incur additional expenses in servicing and processing the Project Loan, that, during the time that any monthly installment under this Project Note is delinquent, Holder will incur additional costs and expenses arising from its loss of the use of the money due and from the adverse impact on Holder’s ability to meet its other obligations and to take advantage of other lending opportunities, and that it is extremely difficult and impractical to determine those additional costs and expenses. Borrower also acknowledges that, during the time that any monthly installment under this Project Note is delinquent or any other Event of Default has occurred and is continuing, Holder’s risk of nonpayment of this Project Note will be materially increased and Holder is entitled to be compensated for such increased risk. Borrower agrees that the increase in the rate of interest payable under this Project Note to the Default Rate represents a fair and reasonable estimate, taking into account all circumstances existing on the date of this Project Note, of the additional costs and expenses Holder will incur by reason of Borrower’s delinquent payment and the additional compensation Holder is entitled to receive for the increased risks of nonpayment associated with a delinquent loan.

22. **Assignment.** Borrower acknowledges that this Project Note is being assigned by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

23. **Amendments.** Any modification or amendment to this Project Note will be ineffective unless in writing and signed by the party sought to be charged with such modification or amendment. Borrower and Holder acknowledge that this Project Note will be amended and restated at the Conversion Date, pursuant to the terms of the Construction Phase Financing Agreement.

“**Uniform Commercial Code**” means the Uniform Commercial Code as promulgated in the applicable jurisdiction.

2. Uniform Commercial Code Security Agreement.

- (a) This Instrument is also a security agreement under the Uniform Commercial Code for any of the Mortgaged Property which, under

applicable law, may be subjected to a security interest under the Uniform Commercial Code, for the purpose of securing Borrower's obligations under this Instrument and to further secure Borrower's obligations under the Note, this Instrument and the other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and by this Instrument, Borrower grants to Lender a security interest in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
 - (iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a lien on Rents in favor of Lender, which lien will be effective as of the date of this Instrument.
- (b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, taxes and insurance premiums, tenant improvements and other capital expenditures.

- (ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to Section 3(b)(i) may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.
 - (iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.
 - (iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.
- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security

or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.

- (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver ex parte if permitted by applicable law.
- (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant

shareholders under their proprietary leases or occupancy agreements.

- (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.
- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any

funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.

- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
 - (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
 - (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a lien on the Leases in favor of Lender, which lien will be effective as of the date of this Instrument.

- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person or Persons in or about the Mortgaged Property.
- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).

- (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
- (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the lien of this Instrument.

(ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. Prepayment Premium. The Borrower may be required to pay a prepayment premium in connection with certain prepayments of the Indebtedness, as provided in the Note.

6. Application of Payments. If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.

7. Protection of Lender's Security; Instrument Secures Future Advances.

(a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make

such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:

- (i) Lender may pay Attorneys' Fees and Costs.
- (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
- (iii) Lender may enter upon the Mortgaged Property to make repairs or secure the Mortgaged Property.
- (iv) Lender may procure the insurance required by the Loan Agreement.
- (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
- (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
- (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.

(b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Rate.

(c) Nothing in this Section 7 will require Lender to incur any expense or take any action.

8. Events of Default. An Event of Default under the Loan Agreement or the other Loan Documents will constitute an Event of Default under this Instrument.

9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any of the other Loan Documents or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
10. **Waiver of Statute of Limitations, Offsets, and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any of the Loan Documents. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
11. **Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any of the other Loan Documents or applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.
 - (b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an

entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. Further Assurances; Lender's Expenses.

- (a) Borrower will deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements or amendments, transfers and assurances as Lender may require from time to time in order to better assure, grant and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Instrument and the Loan Documents.
- (b) Borrower acknowledges and agrees that, in connection with each request by Borrower under this Instrument or any of the other Loan Documents, Borrower will pay all reasonable Attorneys' Fees and Costs and expenses incurred by Lender, Funding Lender or Loan Servicer, including any fees payable in accordance with any request for further assurances, regardless of whether the matter is approved, denied or withdrawn. Any amounts payable by Borrower under this Instrument or under any other Loan Document will be deemed a part of the Indebtedness, will be secured by this Instrument and will bear interest at the Default Rate if not fully paid within 10 days of written demand for payment.

13. Governing Law; Consent to Jurisdiction and Venue. This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any of the other Loan Documents may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any of the other Loan Documents. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

- 14. Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in Section 8.01 of the Project Loan Agreement. Notices to Lender shall be given to Funding Lender Representative and Loan Servicer.
- 15. Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.
- 16. Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.
- 17. Relationship of Parties; No Third Party Beneficiary.**
- (a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.
 - (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or of any of the other Loan Documents. Without limiting the generality of the preceding sentence, (i) any arrangement ("**Servicing Arrangement**") between Lender or Funding Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.
 - (c) Funding Lender shall be entitled to direct all remedies and other actions which may be exercised by Lender under this Instrument.
- 18. Severability; Amendments.**

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a “Section” will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular.
- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) The use of one gender includes the other gender, as the context may require.
- (f) Unless the context requires otherwise any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument).

- (g) Any reference in this Instrument to any person will be construed to include such person's successors and assigns.

20. Subrogation. If, and to the extent that, the proceeds of the loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

21. Acceleration; Remedies.

- (a) At any time during the existence of an Event of Default, Lender, at Lender's option, may declare the Indebtedness to be immediately due and payable without further demand, and may invoke the power of sale and any other remedies permitted by Texas law or provided in this Instrument, the Loan Agreement or in any other Loan Document. Borrower acknowledges that the power of sale granted in this Instrument may be exercised by Lender without prior judicial hearing. Lender will be entitled to collect all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports.
- (b) If Lender invokes the power of sale, Lender may, by and through the Trustee, or otherwise, sell or offer for sale the Mortgaged Property in such portions, order and parcels as Lender may determine, with or without having first taken possession of the Mortgaged Property, to the highest bidder for cash at public auction. Such sale will be made at the courthouse door of the county in which all or any part of the Land to be sold is situated (whether the parts or parcel, if any, situated in different counties are contiguous or not, and without the necessity of having any Personalty present at such sale) on the first Tuesday of any month between the hours of 10:00 a.m. and 4:00 p.m., after advertising the time, place and terms of sale and that portion of the Mortgaged Property to be sold by posting or causing to be posted written or printed notice of sale at least 21 days before the date of the sale at the courthouse door of the county in which the sale is to be made and at the courthouse door of any

other county in which a portion of the Land may be situated, and by filing such notice with the County Clerk(s) of the county(s) in which all or a portion of the Land may be situated, which notice may be posted and filed by the Trustee acting, or by any person acting for the Trustee, and Lender has, at least 21 days before the date of the sale, served written or printed notice of the proposed sale by certified mail on each debtor obligated to pay the Indebtedness according to Lender's records by the deposit of such notice, enclosed in a postpaid wrapper, properly addressed to such debtor at debtor's most recent address as shown by Lender's records, in a post office or official depository under the care and custody of the United States Postal Service. The affidavit of any person having knowledge of the facts to the effect that such service was completed will be *prima facie* evidence of the fact of service.

- (c) Trustee will deliver to the purchaser at the sale, within a reasonable time after the sale, a deed conveying the Mortgaged Property so sold in fee simple with covenants of general warranty. Borrower covenants and agrees to defend generally the purchaser's title to the Mortgaged Property against all claims and demands. The recitals in Trustee's deed will be *prima facie* evidence of the truth of the statements contained in those recitals. Trustee will apply the proceeds of the sale in the following order: (i) to all reasonable costs and expenses of the sale, including reasonable Trustee's fees not to exceed 5% of the gross sales price, Attorneys' Fees and Costs and costs of title evidence; (ii) to the Indebtedness in such order as Lender, in Lender's discretion, directs; and (iii) the excess, if any, to the person or persons legally entitled to the excess.
- (d) If all or any part of the Mortgaged Property is sold pursuant to this Section, Borrower will be divested of any and all interest and claim to the Mortgaged Property, including any interest or claim to all insurance policies, utility deposits, bonds, loan commitments and other intangible property included as a part of the Mortgaged Property. Additionally, after a sale of all or any part of the Land, Improvements, Fixtures and Personalty, Borrower will be considered a tenant at sufferance of the purchaser of the same, and the purchaser will be entitled to immediate possession of such property. If Borrower will fail to vacate the Mortgaged Property

immediately, the purchaser may and will have the right, without further notice to Borrower, to go into any justice court in any precinct or county in which the Mortgaged Property is located and file an action in forcible entry and detainer, which action will lie against Borrower or its assigns or legal representatives, as a tenant at sufferance. This remedy is cumulative of any and all remedies the purchaser may have under this Instrument or otherwise.

- (e) In the event an interest in any of the Mortgaged Property is foreclosed upon pursuant to a judicial or nonjudicial foreclosure sale, Borrower agrees as follows: notwithstanding the provisions of Sections 51.003, 51.004, and 51.005 of the Texas Property Code (as the same may be amended from time to time), and to the extent permitted by law, Borrower agrees that Lender will be entitled to seek a deficiency judgment from Borrower and any other party obligated on the Note equal to the difference between the amount owing on the Note and the amount for which the Mortgaged Property was sold pursuant to judicial or nonjudicial foreclosure sale. Borrower expressly recognizes that this Section constitutes a waiver of the above-cited provisions of the Texas Property Code which would otherwise permit Borrower and other persons against whom a recovery of deficiencies is sought or Guarantor independently (even absent the initiation of deficiency proceedings against them) to present competent evidence of the fair market value of the Mortgaged Property as of the date of the foreclosure sale and offset against any deficiency the amount by which the foreclosure sale price is determined to be less than such fair market value. Borrower further recognizes and agrees that this waiver creates an irrebuttable presumption that the foreclosure sale price is equal to the fair market value of the Mortgaged Property for purposes of calculating deficiencies owed by Borrower, Guarantor, and others against whom recovery of a deficiency is sought. Alternatively, in the event the waiver provided for in this Section is determined by a court of competent jurisdiction to be unenforceable, in any action for a deficiency after a foreclosure under this Instrument, if any person against whom recovery is sought requests the court in which the action is pending to determine the fair market value of the Mortgaged Property, as of the date of the foreclosure sale, the

following will be the basis of the court's determination of fair market value:

- (i) The Mortgaged Property will be valued "as is" and in its condition as of the date of foreclosure, and no assumption of increased value because of post-foreclosure repairs, refurbishment, restorations or improvements will be made.
- (ii) Any adverse effect on the marketability of title because of the foreclosure or because of any other title condition not existing as of the date of this Instrument will be considered.
- (iii) The valuation of the Mortgaged Property will be based upon an assumption that the foreclosure purchaser desires a prompt resale of the Mortgaged Property for cash within a 6 month-period after foreclosure.
- (iv) Although the Mortgaged Property may be disposed of more quickly by the foreclosure purchaser, the gross valuation of the Mortgaged Property as of the date of foreclosure will be discounted for a hypothetical reasonable holding period (not to exceed 6 months) at a monthly rate equal to the average monthly interest rate on the Note for the 12 months before the date of foreclosure.
- (v) The gross valuation of the Mortgaged Property as of the date of foreclosure will be further discounted and reduced by reasonable estimated costs of disposition, including brokerage commissions, title policy premiums, environmental assessment and clean-up costs, tax and assessment, prorations, costs to comply with legal requirements and Attorneys' Fees and Costs.
- (vi) Expert opinion testimony will be considered only from a licensed appraiser certified by the State of Texas and, to the extent permitted under Texas law, a member of the Appraisal Institute, having at least 5 years' experience in appraising property similar to the Mortgaged Property in the county where the Mortgaged Property is located, and who has

conducted and prepared a complete written appraisal of the Mortgaged Property taking into considerations the factors set forth in this Instrument; no expert opinion testimony will be considered without such written appraisal.

(vii) Evidence of comparable sales will be considered only if also included in the expert opinion testimony and written appraisal referred to in subsection (vi), above.

(viii) An affidavit executed by Lender to the effect that the foreclosure bid accepted by Trustee was equal to or greater than the value of the Mortgaged Property determined by Lender based upon the factors and methods set forth in subsections (i) through (vii) above before the foreclosure will constitute *prima facie* evidence that the foreclosure bid was equal to or greater than the fair market value of the Mortgaged Property on the foreclosure date.

(f) Lender may, at Lender's option, comply with these provisions in the manner permitted or required by Title 5, Section 51.002 of the Texas Property Code (relating to the sale of real estate) or by Chapter 9 of the Texas Business and Commerce Code (relating to the sale of collateral after default by a debtor), as those titles and chapters now exist or may be amended or succeeded in the future, or by any other present or future articles or enactments relating to same subject. Unless expressly excluded, the Mortgaged Property will include Rents collected before a foreclosure sale, but attributable to the period following the foreclosure sale, and Borrower will pay such Rents to the purchaser at such sale.

(g) At any such sale, all of the following will be true:

(i) Whether made under the power contained in this Instrument, Section 51.002 of the Texas Property Code, Chapter 9 of the Texas Business and Commerce Code, any other legal requirement or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it will not be necessary for Trustee to have physically present, or to have constructive possession of, the Mortgaged Property.

Borrower will deliver to Trustee any portion of the Mortgaged Property not actually or constructively possessed by Trustee immediately upon demand by Trustee and the title to and right of possession of any such property will pass to the purchaser as completely as if the property had been actually present and delivered to the purchaser at the sale.

- (ii) Each instrument of conveyance executed by Trustee will contain a general warranty of title, binding upon Borrower.
- (iii) The recitals contained in any instrument of conveyance made by Trustee will conclusively establish the truth and accuracy of the matters recited in the Instrument, including nonpayment of the Indebtedness and the advertisement and conduct of the sale in the manner provided in this Instrument and otherwise by law and the appointment of any successor Trustee.
- (iv) All prerequisites to the validity of the sale will be conclusively presumed to have been satisfied.
- (v) The receipt of Trustee or of such other party or officer making the sale will be sufficient to discharge to the purchaser or purchasers for such purchaser(s)' purchase money, and no such purchaser or purchasers, or such purchaser(s)' assigns or personal representatives, will thereafter be obligated to see to the application of such purchase money or be in any way answerable for any loss, misapplication or nonapplication of such purchase money.
- (vi) To the fullest extent permitted by law, Borrower will be completely and irrevocably divested of all of Borrower's right, title, interest, claim and demand whatsoever, either at law or in equity, in and to the property sold, and such sale will be a perpetual bar to any claim to all or any part of the property sold, both at law and in equity, against Borrower and against any person claiming by, through or under Borrower.

(vii) To the extent and under such circumstances as are permitted by law, Lender may be a purchaser at any such sale.

22. Release. Upon payment of the Indebtedness in full, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.

23. Trustee.

- (a) Trustee may resign by giving of notice of such resignation in writing to Lender. If Trustee will die, resign or become disqualified from acting under this Instrument or will fail or refuse to act in accordance with this Instrument when requested by Lender or if for any reason and without cause Lender will prefer to appoint a substitute trustee to act instead of the original Trustee named in this Instrument or any prior successor or substitute trustee, Lender will have full power to appoint a substitute trustee and, if preferred, several substitute trustees in succession who will succeed to all the estate, rights, powers and duties of the original Trustee named in this Instrument. Such appointment may be executed by an authorized officer, agent or attorney-in-fact of Lender (whether acting pursuant to a power of attorney or otherwise), and such appointment will be conclusively presumed to be executed with authority and will be valid and sufficient without proof of any action by Lender.
- (b) Any successor Trustee appointed pursuant to this Section will, without any further act, deed or conveyance, become vested with all the estates, properties, rights, powers and trusts of the predecessor Trustee with like effect as if originally named as Trustee in this Instrument; but, nevertheless, upon the written request of Lender or such successor Trustee, the Trustee ceasing to act will execute and deliver an instrument transferring to such successor Trustee, all the estates, properties, rights, powers and trusts of the Trustee so ceasing to act, and will duly assign, transfer and deliver any of the property and monies held by the Trustee ceasing to act to the successor Trustee.

- (c) Trustee may authorize one or more parties to act on Trustee's behalf to perform the ministerial functions required of Trustee under this Instrument, including the transmittal and posting of any notices.
- (d) The Trustee shall not be liable for any error or judgment or act done by the Trustee or be otherwise responsible or accountable under any circumstances whatsoever other than her own gross negligence, willful misconduct or violation of law. The Trustee shall not be personally liable for any damages resulting from entry on the Mortgaged Property by the Trustee or anyone acting by virtue of the powers granted the Trustee under this Instrument, or for debts contracted or liability or damages incurred in the management or operation of the Mortgaged Property. The Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by her hereunder and believed by her in good faith to be genuine. The Trustee shall be entitled to reimbursement from Borrower for reasonable expenses incurred by her in the performance of the Trustee's duties under this Instrument and to reasonable compensation to be paid by Borrower for services rendered under this Instrument. Borrower will, from time to time, reimburse the Trustee for, save, and hold the Trustee harmless from and against any and all loss, cost, liability, damage and expense whatsoever incurred by her in the performance of the Trustee's duties other than those arising from her own gross negligence, willful misconduct or violation of law. THE INDEMNIFICATION PROVISIONS IN THIS SECTION SHALL BE ENFORCEABLE REGARDLESS OF WHETHER ANY PERSON (INCLUDING THE PERSON FROM WHOM INDEMNIFICATION IS SOUGHT) ALLEGES OR PROVES THE SOLE, CONCURRENT, CONTRIBUTORY OR COMPARATIVE NEGLIGENCE OF THE TRUSTEE, OR OTHER SOLE OR CONCURRENT STRICT LIABILITY IMPOSED ON THE PERSON SEEKING INDEMNIFICATION.

24. Vendor's Lien. To the extent a vendor's lien is retained in that certain deed conveying the Mortgaged Property to Borrower and dated on or about the date of this Instrument, such vendor's lien has been assigned to Lender, the Note is primarily secured by said vendor's lien, and this Instrument is additional security therefore.

25. **No Fiduciary Duty.** Lender owes no fiduciary or other special duty to Borrower.
26. **Fixture Filing.** This Instrument is also a fixture filing under the Uniform Commercial Code of Texas.
27. **Additional Provisions Regarding Assignment of Rents.** Section 3 will not be construed to require a pro tanto or other reduction of the Indebtedness resulting from the assignment of Rents. If the provisions of Section 3 and the preceding sentence cause the assignment of Rents in Section 3 to be deemed to be an assignment for additional security only, Lender will be entitled to all rights, benefits and remedies attendant to such collateral assignment. The assignment of Rents contained in Section 3 will terminate upon the release of this Instrument.
28. **Loan Charges.** Borrower and Lender intend at all times to comply with the laws of the State of Texas governing the maximum rate or amount of interest payable on or in connection with the Indebtedness (or applicable United States federal law to the extent that it permits Lender to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law). If the applicable law is ever judicially interpreted so as to render usurious any amount payable under the Note, this Instrument or any other Loan Document, or contracted for, charged, taken, reserved or received with respect to the Indebtedness, or if acceleration of the maturity of the Indebtedness, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by any applicable law, then Borrower and Lender expressly intend that all excess amounts collected by Lender will be applied to reduce the unpaid principal balance of the Indebtedness (or, if the Indebtedness has been or would thereby be paid in full, will be refunded to Borrower), and the provisions of the Note, this Instrument and the other Loan Documents immediately will be deemed reformed and the amounts thereafter collectible under the Loan Documents reduced, without the necessity of the execution of any new documents, so as to comply with any applicable law, but so as to permit the recovery of the fullest amount otherwise payable under the Loan Documents. The right to accelerate the maturity of the Indebtedness does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and Lender does not intend to collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid to Lender for

the use, forbearance or detention of the Indebtedness will, to the extent permitted by any applicable law, be amortized, prorated, allocated and spread throughout the full term of the Indebtedness until payment in full so that the rate or amount of interest on account of the Indebtedness does not exceed the applicable usury ceiling. Notwithstanding any provision contained in the Note, this Instrument or any other Loan Document that permits the compounding of interest, including any provision by which any accrued interest is added to the principal amount of the Indebtedness, the total amount of interest that Borrower is obligated to pay and Lender is entitled to receive with respect to the Indebtedness will not exceed the amount calculated on a simple (i.e., noncompounded) interest basis at the maximum rate on principal amounts actually advanced to or for the account of Borrower, including all current and prior advances and any advances made pursuant to the Instrument or any other Loan Document (such as for the payment of impositions and similar expenses or costs).

29. ENTIRE AGREEMENT. THIS INSTRUMENT, THE NOTE AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

30. WAIVER OF TRIAL BY JURY.

(a) BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.

(b) BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY,

**KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT
OF COMPETENT LEGAL COUNSEL.**

- 31. Notice of Additional Provisions Regarding Insurance.** Any terms to the contrary contained in this Instrument notwithstanding, the following requirements are hereby imposed pursuant to Section 307.052 of the Texas Finance Code:
- (a) BORROWER IS REQUIRED TO: (i) KEEP THE MORTGAGED PROPERTY INSURED AGAINST DAMAGE IN AN AMOUNT EQUAL TO THE INDEBTEDNESS, (ii) PURCHASE THE INSURANCE FROM AN INSURER THAT IS AUTHORIZED TO DO BUSINESS IN THE STATE OF TEXAS OR AN ELIGIBLE SURPLUS LINES INSURER, AND (iii) NAME THE LENDER AS THE PERSON TO BE PAID UNDER THE POLICY IN THE EVENT OF LOSS.**
 - (b) IF BORROWER FAILS TO COMPLY WITH SUBSECTION (a) ABOVE, LENDER MAY, BUT WILL NOT BE OBLIGATED TO, OBTAIN COLLATERAL PROTECTION INSURANCE ON BEHALF OF BORROWER AT BORROWER'S EXPENSE.**
- 32. Construction Mortgage.** This Instrument secures an obligation incurred for the construction of the Improvements on the Land and accordingly constitutes a "construction mortgage" under the provisions of Article 9 of the Uniform Commercial Code.
- 33. No Merger of Estates.**
- (a) If Borrower acquires the Fee Estate, there will be no merger between the Fee Estate and the Leasehold Estate unless all Persons, including Lender, having an interest in the Ground Lease consent in writing to the merger.
 - (b) Simultaneously with Borrower's acquisition of the Fee Estate, the lien of this Instrument will automatically, without the necessity of any further conveyance, continue to cover the Fee Estate and will be and remain prior to the Lien of any mortgage, deed of trust or other Lien placed on the Fee Estate after the date of this Instrument. Promptly after Borrower's acquisition of the Fee Estate, Borrower,

at its sole cost and expense, including payment of Lender's Attorneys' Fees and Costs and out-of-pocket disbursements, will execute and deliver all documents and instruments necessary to subject the Fee Estate to the lien of this Instrument or to confirm and ratify such lien, and must provide to Lender a title insurance policy insuring the lien of this Instrument as a first lien on the Fee Estate and the Leasehold Estate, as applicable.

- (c) If Lender acquires the Fee Estate and the Leasehold Estate (whether pursuant to the provisions of the Ground Lease, by foreclosure of this Instrument or otherwise), the Fee Estate and the Leasehold Estate will not merge as a result of such acquisition and will remain separate and distinct for all purposes after such acquisition unless and until Lender elects to merge the Fee Estate and the Leasehold Estate.

34. Ground Lessor Joinder.

- (a) By its execution and delivery of this Instrument, Ground Lessor joins in this Instrument with the same intent and consequence as if Ground Lessor were originally a party to this Instrument, for the purpose of imposing the lien of this Instrument on the Fee Estate, and acknowledging the agreements, covenants and obligations set forth in this Instrument are applicable to Ground Lessor, including those set forth in Sections 2, 3, 4, 6, 7(a), 10 – 13, 15 – 17 and 20 of this Instrument. All leasehold mortgagee protection provisions set forth in the Ground Lease, and all other provisions inuring to the benefit of leasehold mortgagees or their successors or assigns contained in the Ground Lease, and any representations, warranties and certifications set forth in the Ground Lessor Estoppel Certificate delivered by Ground Lessor in connection with the Project Loan, are incorporated into this Instrument by reference and are restated and confirmed by Ground Lessor for the benefit of Lender.
- (b) Ground Lessor represents to Lender that it has the power, authority and right to execute this Instrument as an accommodation grantor, and to deed, grant, convey and assign to, as applicable, Lender or Trustee, in trust, a security interest in Ground Lessor's right, title and interest in the Mortgaged Property pursuant to the terms of this

Instrument and to keep and observe all of the terms of this Instrument to be performed by Ground Lessor under this Instrument. Ground Lessor further represents that Ground Lessor possesses an unencumbered fee simple absolute estate in the Land and that it owns the Land and, to the extent not owned in fee by Borrower, the Improvements, free and clear of all liens, encumbrances and charges except for those shown on the Schedule of Title Exceptions. Ground Lessor will forever warrant, defend and preserve the title, validity and priority of the lien of this Instrument and defend the same to Lender against the claims of all persons. Ground Lessor agrees that Ground Lessor will not, without the prior written consent of Lender, cause or agree to a transfer of or all or any part of the Mortgaged Property or any interest in the Mortgaged Property, or permit a transfer of all or any portion of the Mortgaged Property.

- (c) Ground Lessor acknowledges all of the following:
 - (i) Neither Lender nor Initial Funding Lender have made any representations or warranties to Ground Lessor with respect to the creditworthiness of Borrower or the prospects of repayment of the Indebtedness.
 - (ii) Ground Lessor assumes full responsibility for keeping informed with respect to Borrower's business operations, if any, and financial condition to the extent Ground Lessor wishes to do so.
 - (iii) Neither Lender nor Initial Funding Lender will have any duty to disclose or report to Ground Lessor any information now or later known to Lender or Initial Funding Lender with respect to Borrower, including any information relating to any of Borrower's business operations or financial condition.
- (d) At any time after Ground Lessor receives notice of an Event of Default under any of the Financing Documents from Lender, Ground Lessor has the right (but will not be obligated) to make any payment, perform any obligation and take any other action that Borrower would have the right to pay, perform or take under this

Instrument which Ground Lessor deems necessary or desirable to cure the Event of Default.

- (e) Ground Lessor acknowledges and agrees that, upon the occurrence of an Event of Default, Lender or Trustee (if applicable) may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower, Ground Lessor, and in and to the Mortgaged Property, including the Land, to the fullest extent under the terms of this Instrument, the Continuing Disbursement Agreement, and the other Financing Documents.
- (f) Any indebtedness of Borrower to Ground Lessor now or later existing (including claims under the Ground Lease or any rights to subrogation Ground Lessor may have as a result of this Instrument or any action taken by Lender under this Instrument), together with any interest thereon, will be, and such indebtedness is, hereby deferred, postponed and subordinated to the prior payment in full of the Indebtedness.
- (g) Ground Lessor acknowledges that Lender may provide to third parties with an existing or prospective interest in the servicing, enforcement, evaluation, performance, ownership, purchase, participation or securitization of the Funding Loan, including any of rating agency, any entity maintaining databases on the underwriting and performance of commercial mortgage loans, as well as governmental regulatory agencies having regulatory authority over Lender, any and all information which Lender now has or may hereafter acquire relating to the Project Loan and the Mortgaged Property, including the Ground Lessor, as Lender determines necessary or desirable, and that such information may be included in any disclosure document and also may be included in any filing with the Securities and Exchange Commission pursuant to the Securities Act or the Securities Exchange Act. To the fullest extent permitted under applicable law, Ground Lessor irrevocably waives all rights, if any, to prohibit such disclosure, including any right of privacy.
- (h) Ground Lessor has no personal liability for the repayment of the Indebtedness or for the performance of any of Borrower's or Ground

Lessor's obligations under the Financing Documents, and Ground Lessor's liability under the Financing Documents is expressly limited to the Mortgaged Property. However, nothing in this Instrument limits the liability or obligations of Ground Lessor as Landlord under the Ground Lease.

(b) Other capitalized terms used but not defined in this Project Note shall have the meanings given to such terms in the Project Loan Agreement, the Funding Loan Agreement or the Continuing Covenant Agreement.

2. Payments of Principal and Interest. Borrower shall pay on the first calendar day of each month commencing on the First Project Loan Payment Date, interest at the Interest Rate on the outstanding principal balance of this Project Note, and shall also pay interest on this Project Note at the Interest Rate in the event of an optional or mandatory prepayment or acceleration of all or a part of the Project Loan pursuant to this Project Note or the Project Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Project Note subject to prepayment (each such date for payment a **“Project Loan Payment Date”**). Interest under this Project Note will be computed, payable and allocated on the basis of a 360-day year and the actual number of days elapsed.

Borrower shall pay the outstanding principal of this Project Note in full on the Scheduled Maturity Date and in monthly installments on each date set forth on the Project Loan Amortization Schedule attached as Schedule 1 to this Project Note in an amount equal to the corresponding amounts set forth thereon, or at such earlier times and in such amounts as may be required in the event of an optional or mandatory prepayment or acceleration of the Project Loan pursuant to this Project Note or the Project Loan Agreement.

In addition to the foregoing, Borrower shall make payments hereunder in respect of the Project Loan at such times and in such amounts as are sufficient to pay, when due (whether at stated maturity, upon prepayment before maturity, upon acceleration of stated maturity or otherwise), the principal of and premium, if any, and interest on the Funding Loan at any time outstanding. To ensure timely payment, Servicer shall collect from Borrower, and Borrower shall provide to Servicer, the foregoing payments two (2) Business Days prior to the respective Project Loan Payment Date; provided, unless the Closing Date is the first day of a calendar month, Servicer shall collect from Borrower and Borrower shall provide to Servicer on the Closing Date, interest for the period beginning on the Closing Date and ending on and including the last day of such calendar month. Except as provided in this paragraph and in Section 10, accrued interest will be payable in arrears.

Any regularly scheduled monthly installment of principal and interest payable pursuant to this Section 2 that is received by Holder before the date on which it is due will be deemed to have been received on the due date for the purpose of calculating interest due.

3. Payment of Fees and Expenses; Other Required Payments. Borrower shall also pay fees and expenses under Section 4.02 of the Project Loan Agreement, rebate amounts under Sections 2.04 and 4.03 of the Project Loan Agreement and indemnification amounts under Section 6.01 of the Project Loan Agreement and Section 10.02 of the Continuing Covenant Agreement, as well as any other amounts owed by the Borrower under the Financing Documents, when due and in accordance with the terms and provisions set forth therein.

4. Manner of Payment; Deficiencies. All payments under this Project Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Project Loan Agreement. In the event of any deficiency in the funds available under the Funding Loan Agreement for payment of the principal of, premium, if any, or interest on the Funding Loan when due, Borrower shall immediately pay the amount of the deficiency to the Fiscal Agent upon notice of the deficiency from the Governmental Lender, Servicer or the Fiscal Agent. Borrower shall be obligated to pay the deficiency regardless of the reason for the deficiency, including any deficiency resulting from any shortfall in payments made or to be made by Borrower under this Project Note, any loss due to a default under any investment held by the Fiscal Agent, a change in value of any such investment or otherwise.

5. Application of Partial Payments. If at any time Holder receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, Holder may apply the amount received to amounts then due and payable in any manner and in any order determined by Holder, in Holder's discretion. Borrower agrees that neither Holder's acceptance of a payment from Borrower in an amount that is less than all amounts then due and payable nor Holder's application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

6. Security. The Indebtedness is secured by, among other things, the Security Instrument. Reference is made to the Security Instrument and the Project Loan Agreement for other rights of Holder with respect to collateral for the Indebtedness.

7. Acceleration. If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, any prepayment premium payable under Section 10 of this Project Note, and all other amounts payable under this Project Note and any other Financing Document, shall at once become due and payable, at the option of Holder, without any prior Notice to Borrower (except if notice is required by applicable law, then after such notice). Holder may exercise this option to accelerate regardless of any prior forbearance. For purposes of exercising such option, Holder will calculate the prepayment premium as if prepayment occurred on the date of acceleration. If prepayment occurs thereafter, Holder will recalculate the prepayment premium as of the actual prepayment date.

8. Default Rate. So long as (a) any monthly installment under this Project Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Project Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at the lesser of the Default Rate or the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Scheduled Maturity Date, the

unpaid principal balance and all accrued interest shall bear interest from the Scheduled Maturity Date at the lesser of the Default Rate or the Maximum Interest Rate. Borrower also acknowledges that its failure to make timely payments will cause Holder to incur additional expenses in servicing and processing the Project Loan, that, during the time that any monthly installment under this Project Note is delinquent, Holder will incur additional costs and expenses arising from its loss of the use of the money due and from the adverse impact on Holder's ability to meet its other obligations and to take advantage of other investment opportunities, and that it is extremely difficult and impractical to determine those additional costs and expenses. Borrower also acknowledges that, during the time that any monthly installment under this Project Note is delinquent or any other Event of Default has occurred and is continuing, Holder's risk of nonpayment of this Project Note will be materially increased and Holder is entitled to be compensated for such increased risk. Borrower agrees that the increase in the rate of interest payable under this Project Note to the Default Rate represents a fair and reasonable estimate, taking into account all circumstances existing on the date of this Project Note, of the additional costs and expenses Holder will incur by reason of Borrower's delinquent payment and the additional compensation Holder is entitled to receive for the increased risks of nonpayment associated with a delinquent loan.

9. Limits on Personal Liability.

(a) Except as otherwise provided in this Section 9, none of Borrower, SPE Equity Owner, or any member or limited partner of Borrower will have any personal liability under this Project Note, the Project Loan Agreement or any other Financing Document for the repayment of the Indebtedness or for the performance of or compliance with any other obligations of Borrower under the Financing Documents, and Holder's only recourse for the satisfaction of the Indebtedness and the performance of such obligations will be Holder's exercise of its rights and remedies with respect to the Project and to any other collateral held by Holder as security for the Indebtedness. This limitation on Borrower's liability will not limit or impair Holder's enforcement of its rights against any Guarantor of the Indebtedness or any Guarantor of any other obligations of Borrower.

(b) Borrower will be personally liable to Holder for the amount of the Base Recourse, plus any other amounts for which Borrower has personal liability under this Section 9.

(c) In addition to the Base Recourse, Borrower will be personally liable to Holder for the repayment of a further portion of the Indebtedness equal to any loss or damage suffered by Holder as a result of the occurrence of any of the following events:

(i) Borrower fails to pay to Holder upon demand after an Event of Default all Rents to which Holder is entitled under Section 3 of the Security Instrument and the amount of all security deposits collected by Borrower from tenants then in residence. However, Borrower will not be personally liable for any failure described in this Section 9(c)(i) if Borrower is unable to pay to Holder all Rents and security deposits as required by the Security Instrument because of a valid order issued in, or an automatic stay applicable because of, a bankruptcy, receivership, or similar judicial proceeding.

(ii) Borrower fails to apply all Insurance proceeds and Condemnation proceeds as required by the Continuing Covenant Agreement. However, Borrower will not be personally liable for any failure described in this Section 9(c)(ii) if Borrower is unable to apply Insurance or Condemnation proceeds as required by the Continuing Covenant Agreement because of a valid order issued in, or an automatic stay applicable because of, a bankruptcy, receivership, or similar judicial proceeding.

(iii) Either of the following occurs:

(A) Borrower fails to deliver the statements, schedules and reports required by Section 6.07 of the Continuing Covenant Agreement and Holder exercises its right to audit those statements, schedules and reports.

(B) An Event of Default has occurred and is continuing, and Borrower fails to deliver all books and records relating to the Mortgaged Property or its operation in accordance with the provisions of Section 6.07 of the Continuing Covenant Agreement.

(iv) Borrower fails to pay when due in accordance with the terms of the Continuing Covenant Agreement the amount of any item below marked “Deferred”; provided however, that if no item is marked “Deferred”, this Section 9(c)(iv) will be of no force or effect.

[Collect] Property Insurance premiums or other Insurance premiums,

[Collect] Taxes or payments in lieu of taxes (PILOT)

[Deferred] Water and sewer charges (that could become a lien on the Mortgaged Property)

[] Ground Rents

[Deferred] Assessments or other charges (that could become a lien on the Mortgaged Property)

(v) Borrower engages in any willful act of material waste of the Mortgaged Property.

(vi) Borrower fails to comply with any provision of Section 6.13(a)(iii) through (xxvi) of the Continuing Covenant Agreement or any SPE Equity Owner fails to comply with any provision of Section 6.13(b)(iii) through (v) of the Continuing Covenant Agreement (subject to possible full recourse liability as set forth in Section 9(f)(ii)).

(vii) Any of the following Transfers occurs:

(A) Any Person that is not an Affiliate creates a mechanic’s lien or other involuntary lien or encumbrance against the Mortgaged Property and

Borrower has not complied with the provisions of the Continuing Covenant Agreement.

(B) A Transfer of property by devise, descent or operation of law occurs upon the death of a natural person and such Transfer does not meet the requirements set forth in the Continuing Covenant Agreement.

(C) Borrower grants an easement that does not meet the requirements set forth in the Continuing Covenant Agreement.

(D) Borrower executes a Lease that does not meet the requirements set forth in the Continuing Covenant Agreement.

(viii) Reserved.

(ix) through (xx) are Reserved.

(xxi) Borrower or any officer, director, partner, member or employee of Borrower makes an unintentional written material misrepresentation in connection with (1) the application for or creation of the Indebtedness or (2) any action or consent of Holder; provided that the assumption will be that any written material misrepresentation was intentional and the burden of proof will be on Borrower to prove that there was no intent.

(xxii) through (xxxiv) are Reserved.

(d) In addition to the Base Recourse, Borrower will be personally liable to Holder for all of the following:

(i) Borrower will be personally liable for the performance of all of Borrower's obligations under Sections 6.12, 10.02(b) and 10.02(e) of the Continuing Covenant Agreement.

(ii) Borrower will be personally liable for the costs of any audit under Section 6.07 of the Continuing Covenant Agreement.

(iii) Borrower will be personally liable for any costs and expenses incurred by Holder in connection with the collection of any amount for which Borrower is personally liable under this Section 9, including Attorneys' Fees and Costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability.

(iv) through (viii) are reserved.

(ix) Borrower will be personally liable for any fees, costs, or expenses incurred by Holder in connection with Borrower's termination of any agreement for the provision of services to or in connection with the Mortgaged Property, including cable, internet, garbage collection, landscaping, security, and cleaning.

(x) Reserved.

(xi) through (xv) are Reserved.

(e) All payments made by Borrower with respect to the Indebtedness and all amounts received by Holder from the enforcement of its rights under the Project Loan Agreement and the other Financing Documents will be applied first to the portion of the Indebtedness for which Borrower has no personal liability.

(f) Notwithstanding the Base Recourse, Borrower will become personally liable to Holder for the repayment of all of the Indebtedness upon the occurrence of any of the following Events of Default:

(i) Borrower fails to comply with Section 6.13(a)(i) or (ii) of the Continuing Covenant Agreement or any SPE Equity Owner fails to comply with Section 6.13(b)(i) or (ii) of the Continuing Covenant Agreement.

(ii) Borrower fails to comply with any provision of Section 6.13(a)(iii) through (xxvi) of the Continuing Covenant Agreement or any SPE Equity Owner fails to comply with any provision of Section 6.13(b)(iii) through (v) of the Continuing Covenant Agreement and a court of competent jurisdiction holds or determines that such failure or combination of failures is the basis, in whole or in part, for the substantive consolidation of the assets and liabilities of Borrower or any SPE Equity Owner with the assets and liabilities of a debtor pursuant to Title 11 of the Bankruptcy Code.

(iii) A Transfer that is an Event of Default under Section 7.01 of the Continuing Covenant Agreement occurs, other than a Transfer set forth in Section 9(c)(vii) above (for which Borrower will have personal liability for Holder's loss or damage); provided, however, that Borrower will not have any personal liability for a Transfer consisting solely of the involuntary removal or involuntary withdrawal of a general partner in a limited partnership or a manager in a limited liability company.

(iv) There was fraud or intentional written material misrepresentation by Borrower or any officer, director, partner, member or employee of Borrower in connection with (1) the application for or creation of the Indebtedness, (2) on-going financial or other reporting requirements or information required by the Loan Documents, or (3) any action or consent of Holder.

(v) Borrower or any SPE Equity Owner voluntarily files for bankruptcy protection under the Bankruptcy Code.

(vi) Borrower or any SPE Equity Owner voluntarily becomes subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights.

(vii) The Mortgaged Property or any part of the Mortgaged Property becomes an asset in a voluntary bankruptcy or becomes subject to any voluntary reorganization, receivership, insolvency proceeding, or other similar voluntary proceeding pursuant to any other federal or state law affecting debtor and creditor rights.

(viii) An order of relief is entered against Borrower or any SPE Equity Owner pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights in any involuntary bankruptcy proceeding initiated or joined in by a Related Party.

(ix) An involuntary bankruptcy or other involuntary insolvency proceeding is commenced against Borrower or any SPE Equity Owner (by a party other than Holder) but only if Borrower or such SPE Equity Owner has failed to use commercially reasonable efforts to dismiss such proceeding or has consented to such proceeding. “Commercially reasonable efforts” will not require any direct or indirect interest holders in Borrower or any SPE Equity Owner to contribute or cause the contribution of additional capital to Borrower or any SPE Equity Owner.

(x) through (xiii) are Reserved.

(xiv) In the event that any of the interest payable on the Funding Loan is deemed included in any Funding Lender’s (other than a Funding Lender who is a “substantial user” of the Project or a “related person” with respect thereto, each as defined in Section 147(a) of the Internal Revenue Code of 1986) gross income for federal income tax purposes as a result of any action or failure to act by Borrower or any person or entity acting on behalf of Borrower (including, but not limited to, the manager of the Mortgaged Property).

(g) For purposes of Sections 9(f) and (h), the term “**Related Party**” will include all of the following:

(i) Borrower, any Guarantor or any SPE Equity Owner.

(ii) Any Person that holds, directly or indirectly, any ownership interest (including any shareholder, member or partner) in Borrower, any Guarantor or any SPE Equity Owner or any Person that has a right to manage Borrower, any Guarantor or any SPE Equity Owner.

(iii) Any Person in which Borrower, any Guarantor or any SPE Equity Owner has any ownership interest (direct or indirect) or right to manage.

(iv) Any Person in which any partner, shareholder or member of Borrower, any Guarantor or any SPE Equity Owner has an ownership interest or right to manage.

(v) Any Person in which any Person holding an interest in Borrower, any Guarantor or any SPE Equity Owner also has any ownership interest.

(vi) Any creditor (as defined in the Bankruptcy Code) of Borrower that is related by blood, marriage or adoption to Borrower, any Guarantor or any SPE Equity Owner.

(vii) Any creditor (as defined in the Bankruptcy Code) of Borrower that is related to any partner, shareholder or member of, or any other Person holding an interest in, Borrower, any Guarantor or any SPE Equity Owner.

(h) If Borrower, any Guarantor, any SPE Equity Owner or any Related Party has solicited creditors to initiate or participate in any proceeding referred to in Section 9(f), regardless of whether any of the creditors solicited actually initiates or participates in the proceeding, then such proceeding will be considered as having been initiated by a Related Party.

(i) In addition to the Base Recourse, Borrower will be personally liable for the following obligations under the Project Loan Agreement:

(i) Borrower's obligations to the Governmental Lender and the Fiscal Agent under subsections (b)(ii), (b)(iv), (b)(v), and (b)(vi) of Section 4.02 of the Project Loan Agreement;

(ii) Borrower's tax and indemnification obligations under Sections 2.05 and 6.01 of the Project Loan Agreement;

(iii) Borrower's obligation to pay any and all rebate amounts that may be or become owing with respect to the Funding Loan and fees and expenses of the Rebate Analyst as provided in Sections 2.04 and 4.03 of the Project Loan Agreement and the Tax Certificate; and

(iv) Borrower's obligation to pay legal fees and such expenses under Section 7.04 of the Project Loan Agreement.

(j) To the extent that Borrower has personal liability under this Section 9, Holder may, to the fullest extent permitted by applicable law, exercise its rights against Borrower personally without regard to whether Holder has exercised any rights against the Mortgaged Property or any other security, or pursued any rights against any Guarantor, or pursued any other rights available to Holder under this Project Note, the Project Loan Agreement, any other Financing Document, or applicable law. To the fullest extent permitted by applicable law, in any action to enforce Borrower's personal liability under this Section 9, Borrower waives any right to set off the value of the Mortgaged Property against such personal liability.

10. Voluntary and Involuntary Prepayments During the Prepayment Premium Period; Prepayment Premium.

(a) Any receipt by Holder of principal due under this Project Note prior to the Scheduled Maturity Date, other than principal required to be paid in monthly installments pursuant to the Project Loan Amortization Schedule, constitutes a prepayment of principal under this Project Note. Without limiting the foregoing, any application by Holder, prior to the Scheduled Maturity

Date, of any proceeds of collateral or other security to the repayment of any portion of the unpaid principal balance of this Project Note constitutes a prepayment under this Project Note.

(b) This Project Note, together with accrued interest hereon, and together with prepayment premium (to the extent provided in Section 10(c) below), is subject to mandatory prepayment on any Business Day, in whole or in part as indicated below, at the earliest practicable date upon the occurrence of any of the following:

- (i) the application of any Insurance proceeds or Condemnation award to the prepayment of the Project Loan as required under the Continuing Covenant Agreement; or
- (ii) in whole, upon the occurrence of a Determination of Taxability; or
- (iii) Reserved; or
- (iv) Reserved.

(c) Borrower may not voluntarily prepay any portion of the principal balance of this Project Note during the Lockout Period. Except as provided in Section 10(d), a prepayment premium will be due and payable by Borrower in connection with any prepayment of principal under this Project Note during the Prepayment Premium Period. The prepayment premium will be computed as follows:

- (i) For any prepayment made during the Yield Maintenance Period, the prepayment premium will be whichever is the greater of Sections 10(c)(i)(A) and (B) below:
 - (A) 1.0% of the amount of principal being prepaid; or
 - (B) the product obtained by multiplying:
 - (1) the amount of principal being prepaid or accelerated,
by
 - (2) the excess (if any) of the Monthly Project Note Rate over the Assumed Reinvestment Rate,
by
 - (3) the Present Value Factor.

For purposes of Section 10(c)(i)(B), the following definitions will apply:

Monthly Project Note Rate: 1/12 of the Interest Rate, expressed as a decimal calculated to 5 digits.

Prepayment Date: in the case of a voluntary prepayment, the date on which the prepayment is made; in the case of the application by Holder of collateral or security to a portion of the principal balance, the date of such application.

Assumed Reinvestment Rate: 1/12 of the yield rate expressed as a decimal to 2 digits, as of the close of the trading session which is 5 Business Days before the Prepayment Date, found among the Daily Treasury Yield Curve Rates, commonly known as Constant Maturity Treasury (“CMT”) rates, with a maturity equal to the remaining Yield Maintenance Period, as reported on the U.S. Department of the Treasury website. If no published CMT maturity matches the remaining Yield Maintenance Period, Holder will interpolate as a decimal to 2 digits the yield rate between (a) the CMT with a maturity closest to, but shorter than, the remaining Yield Maintenance Period, and (b) the CMT with a maturity closest to, but longer than, the remaining Yield Maintenance Period, as follows:

$$\left[\left(\frac{B-A}{D-C} \right) \times (E-C) \right] + A$$

A = yield rate for the CMT with a maturity shorter than the remaining Yield Maintenance Period

B = yield rate for the CMT with a maturity longer than the remaining Yield Maintenance Period

C = number of months to maturity for the CMT maturity shorter than the remaining Yield Maintenance Period

D = number of months to maturity for the CMT maturity longer than the remaining Yield Maintenance Period

E = number of months remaining in the Yield Maintenance Period

In the event the U.S. Department of the Treasury ceases publication of the CMT rates, the Assumed Reinvestment Rate will equal the yield rate on the first U.S. Treasury security which is not callable or indexed to inflation and which matures after the expiration of the Yield Maintenance Period.

The Assumed Reinvestment Rate may be a positive number, a negative number or zero.

If the Assumed Reinvestment Rate is a positive number or a negative number, Holder will calculate the prepayment premium using such positive number or negative number, as appropriate, as the Assumed Reinvestment Rate in 10(c)(i)(B)(2) and in the calculation of the Present Value Factor.

If the Assumed Reinvestment Rate is zero, Holder will calculate the prepayment premium twice as set forth in (I) and (II) below and will average the results to determine the actual prepayment premium.

- (I) Holder will calculate the prepayment premium using an Assumed Reinvestment Rate of one basis point (+0.01%) in Section 10(c)(i)(B)(2) and in the calculation of the Present Value Factor.
- (II) Holder will calculate the prepayment premium using an Assumed Reinvestment Rate of negative one basis point (-0.01%) in Section 10(c)(i)(B)(2) and in the calculation of the Present Value Factor.

Present Value Factor: the factor that discounts to present value the costs resulting to Holder from the difference in interest rates during the months remaining in the Yield Maintenance Period, using the Assumed Reinvestment Rate as the discount rate, with monthly compounding, expressed numerically as follows:

$$\frac{I - \left(\frac{I}{I + ARR} \right)^n}{ARR}$$

n = the number of months remaining in Yield Maintenance Period; provided, however, if a prepayment occurs on a Scheduled Project Loan Payment Date, then the number of months remaining in the Yield Maintenance Period will be calculated beginning with the month in which such prepayment occurs and if such prepayment occurs on a Business Day other than a Scheduled Project Loan Payment Date (as defined below), then the number of months remaining in the Yield Maintenance Period will be calculated beginning with the month immediately following the date of such prepayment.

ARR = Assumed Reinvestment Rate

- (ii) For any prepayment made after the expiration of the Yield Maintenance Period but during the remainder of the Prepayment Premium Period, the prepayment premium will be 1.0% of the amount of principal being prepaid.

(d) Notwithstanding any other provision of this Section 10, no prepayment premium will be payable with respect to any of the following:

(i) any scheduled principal payment in accordance with the Project Loan Amortization Schedule;

(ii) any prepayment made during the Window Period;

(iii) any mandatory prepayment occurring as a result of the application of any Insurance proceeds under the Continuing Covenant Agreement; or

(iv) any prepayment occurring as a result of the application of any Condemnation award, or otherwise required under the terms of the Continuing Covenant Agreement in connection with a Condemnation, unless (1) such Condemnation is intended to result in the continued use of the Mortgaged Property subject to such Condemnation for residential purposes, or (2) applicable law expressly requires or permits that the condemning authority or acquiring entity reimburse prepayment premiums incurred in connection with a prepayment occurring as a result of a Condemnation; in either of the situations described in (1) or (2) above, a prepayment premium will be due to the extent permitted by applicable law.

(e) After the expiration of the Lockout Period, Borrower may voluntarily prepay all of the unpaid principal balance of this Project Note on the first day of a calendar month (a “Scheduled Project Loan Payment Date”) so long as Borrower designates the date for such prepayment in a written notice from Borrower to Holder given at least 30 days prior to the date of such prepayment. If a Scheduled Project Loan Payment Date falls on a day which is not a Business Day, then with respect to payments made under this Section 10 only, (A) the term “Scheduled Project Loan Payment Date” will mean the Business Day immediately preceding the Scheduled Project Loan Payment Date and (B) the calculation of any required prepayment premium will be made as if the prepayment had actually been made on the Scheduled Project Loan Payment Date.

(f) Notwithstanding Section 10(e) above, after the expiration of the Lockout Period, Borrower may voluntarily prepay all of the unpaid principal balance of this Project Note on a Business Day other than a Scheduled Project Loan Payment Date if Borrower provides Holder with the written notice set forth in Section 10(d) and meets the other requirements set forth in this Section 10(f). Borrower acknowledges that Holder has agreed that Borrower may prepay principal on a Business Day other than a Scheduled Project Loan Payment Date only because Holder will deem any prepayment received by Holder on any day other than a Project Loan Payment Date to have been received on the Scheduled Project Loan Payment Date immediately following such prepayment and Borrower will be responsible for all interest and any required prepayment premium that would have been due if the prepayment had actually been made on the Scheduled Project Loan Payment Date immediately following such prepayment.

(g) Unless otherwise expressly provided in the Financing Documents, Borrower may not voluntarily prepay less than all of the unpaid principal balance of this Project Note. In order to voluntarily prepay all of the principal of this Project Note, Borrower must also pay to Holder,

together with the amount of principal being prepaid, (i) all accrued and unpaid interest due under this Project Note, (ii) all other fees and amounts due under the Financing Documents at the time of such prepayment, plus (iii) any prepayment premium calculated pursuant to Section 10(c).

(h) Unless Holder agrees otherwise in writing, a permitted or required prepayment of less than the unpaid principal balance of this Project Note will not extend or postpone the due date of any subsequent monthly installments or change the amount of such installments.

(i) Borrower recognizes that any prepayment of any of the unpaid principal balance of this Project Note, whether voluntary or involuntary or resulting from an Event of Default by Borrower, will result in Holder's incurring loss, including reinvestment loss, additional expense and frustration or impairment of Holder's ability to meet its commitments to third parties. Borrower agrees to pay to Holder upon demand damages for the detriment caused by any prepayment, and agrees that it is extremely difficult and impractical to ascertain the extent of such damages. Borrower therefore acknowledges and agrees that the formula for calculating prepayment premiums set forth in Section 10(c) of this Project Note represents a reasonable estimate of the damages Holder will incur because of a prepayment. Borrower further acknowledges that the lockout and prepayment premium provisions of this Project Note are a material part of the consideration for the Loan, and that the terms of this Project Note are in other respects more favorable to Borrower as a result of Borrower's voluntary agreement to the prepayment premium provisions.

11. Costs and Expenses. To the fullest extent allowed by applicable law, Borrower must pay all expenses and costs, including Attorneys' Fees and Costs incurred by Holder as a result of any default under this Project Note or in connection with efforts to collect any amount due under this Project Note, or to enforce the provisions of any of the other Financing Documents, including those incurred in post-judgment collection efforts and in any bankruptcy proceeding (including any action for relief from the automatic stay of any bankruptcy proceeding) or judicial or non-judicial foreclosure proceeding. Borrower acknowledges and agrees that, in connection with each request by Borrower under this Project Note or any Financing Document, Borrower must pay all reasonable Attorneys' Fees and Costs and expenses incurred by Holder, regardless of whether the matter is approved, denied or withdrawn.

12. Forbearance. Any forbearance by Holder in exercising any right or remedy under this Project Note, the Project Loan Agreement, or any other Financing Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by Holder of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Holder's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by Holder of any security for Borrower's obligations under this Project Note shall not constitute an election by

Holder of remedies so as to preclude the exercise of any other right or remedy available to Holder.

13. Waivers. Borrower and all endorsers and Guarantors of this Project Note and all other third-party obligors waive presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness.

14. Loan Charges. Neither this Project Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the Maximum Interest Rate. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower in connection with the Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Borrower is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Holder in excess of the permitted amounts will be applied by Holder to reduce the unpaid principal balance of this Project Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness that constitutes interest, as well as all other charges made in connection with the Indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Project Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Project Note.

15. Commercial Purpose. Borrower represents that Borrower is incurring the Indebtedness solely for the purpose of carrying on a business or commercial enterprise, and not for personal, family, household, or agricultural purposes.

16. Counting of Days. Any reference in this Project Note to a period of “days” means calendar days, not Business Days, except where otherwise specifically provided.

17. Governing Law. This Project Note shall be governed by the law of the Property Jurisdiction.

18. Captions. The captions of the Sections of this Project Note are for convenience only and shall be disregarded in construing this Project Note.

19. Address for Payment; Notices; Written Modifications.

(a) All payments due under this Project Note shall be payable at the principal office designated by the Servicer, or such other place as may be designated by written notice to Borrower from or on behalf of Holder.

(b) All Notices, demands, and other communications required or permitted to be given pursuant to this Project Note will be given in accordance with Section 8.01 of the Project Loan Agreement.

(c) Any modification or amendment to this Project Note will be ineffective unless in writing and signed by the party sought to be charged with such modification or amendment; provided, however, in the event of a Transfer under the terms of the Continuing Covenant Agreement that requires Funding Lender's consent, any or some or all of the Modifications to Multifamily Project Note set forth in Exhibit A to this Project Note may be modified or rendered void by Funding Lender at Funding Lender's option, by Notice to Borrower and the transferee, as a condition of Funding Lender's consent.

20. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Project Note shall be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies which shall arise under or in relation to this Project Note. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Project Note is intended to limit any right that Holder may have to bring any suit, action, or proceeding relating to matters arising under this Project Note in any court of any other jurisdiction.

21. WAIVER OF TRIAL BY JURY. BORROWER AND HOLDER EACH (a) AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS NOTE OR THE RELATIONSHIP BETWEEN THE PARTIES AS HOLDER AND BORROWER THAT IS TRIABLE OF RIGHT BY A JURY AND (b) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

22. [Reserved].

23. Assignment. Borrower acknowledges that this Project Note is being assigned by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

If the applicable law is ever judicially interpreted so as to render usurious any amount payable under this Project Note or under any other Financing Document, or contracted for, charged, taken, reserved, or received with respect to the Indebtedness, or as a result of acceleration of the maturity of this Project Note, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by any applicable law, then Borrower and Governmental Lender expressly intend that all excess amounts collected by Governmental Lender will be applied to reduce the unpaid principal balance of this Project Note (or, if this Project Note has been or would thereby be paid in full, will be refunded to Borrower), and the provisions of this Project Note, the Project Loan Agreement and any other Financing Documents immediately will be deemed reformed and the amounts thereafter collectible under this Project Note or any other Financing Document reduced, without the necessity of the execution of any new documents, so as to comply with any applicable law, but so as to permit the recovery of the fullest amount otherwise payable under this Project Note or any other Financing Document. The right to accelerate the **Scheduled** Maturity Date of this Project Note does not include the right to accelerate any interest, which has not otherwise accrued on the date of such acceleration, and Governmental Lender does not intend to collect any unearned interest in the event of acceleration. Notwithstanding any provision contained in this Project Note, the Project Loan Agreement or any other Financing Document that permits the compounding of interest, including any provision by which any accrued interest is added to the principal amount of this Project Note, the total amount of interest that Borrower is obligated to pay and Governmental Lender is entitled to receive with respect to the Indebtedness will not exceed the amount calculated on a simple (i.e., non-compounded) interest basis at the maximum rate on principal amounts actually advanced to or for the account of Borrower, including all current and prior advances and any advances made pursuant to the Project Loan Agreement or other Financing Documents (such as for the payment of Taxes, Insurance premiums and similar expenses or costs).

To the extent that the representations, expectations, certifications, covenants and warranties set forth herein are based on information and data accumulated and analyzed by Governmental Lender personnel and consultants to the Governmental Lender, the undersigned representative of the Governmental Lender has reviewed such representations, expectations, certifications, covenants and warranties with such personnel and consultants to confirm their completeness and accuracy.

(b) Borrower. The undersigned representative of the Borrower represents that such representative (i) is a duly chosen, qualified and acting officer or other representative of the Borrower, which will be the owner of the Project and, as such, the undersigned is familiar with the facts herein certified and is authorized on behalf of the Borrower to execute and deliver this Agreement and (ii) is aware of the provisions of sections 103 and 142 through 150, inclusive, of the Code. To the extent that the representations, expectations, certifications, covenants and warranties set forth herein are based on information and data accumulated and analyzed by Borrower personnel and consultants to the Borrower, the undersigned representative of the Borrower has reviewed such representations, expectations, certifications, covenants and warranties with such personnel and consultants to confirm their completeness and accuracy.

(c) Fiscal Agent. The undersigned representative of the Fiscal Agent represents that such representative is a duly chosen, qualified and acting officer or other representative of the Fiscal Agent and is authorized on behalf of the Fiscal Agent to execute and deliver this Agreement.

3. Reasonable Expectations. The Governmental Lender and the Borrower hereby affirm that the facts and estimates that are set forth in this Agreement are accurate and the expectations that are set forth in this Agreement are reasonable in light of such facts and estimates. There are no other facts or estimates that would materially change such expectations. The Governmental Lender has also relied, to the extent appropriate, on the (a) Certificate of Initial Funding Lender attached hereto as Exhibit A, and (b) the Certificate of Financial Advisor attached hereto as Exhibit B. The undersigned representatives of the Governmental Lender and the Borrower are aware of no fact, estimate or circumstance that would create any doubt regarding the accuracy or reasonableness of all or any portion of the representations set forth in such certificates.

4. Reliance on Borrower's Representations and Covenants. Except as otherwise indicated in this Agreement, the representations, expectations, certifications, covenants and warranties of the Governmental Lender concerning the use and investment of the Proceeds of the Governmental Note and certain other matters described in this Agreement are based solely upon representations, expectations, certifications, covenants and warranties of the Borrower, as set forth in this Agreement or in the Exhibits attached hereto. In relying upon such representations, expectations, certifications, covenants and warranties of the Borrower, the Governmental Lender has not made any independent investigations of the matters pertaining thereto. The Governmental Lender is not aware of any facts or circumstances that would cause it to question the accuracy or reasonableness of any representation, expectations, certifications, covenants and warranties of the Borrower made in this Agreement or in the Exhibits attached hereto.

5. Completeness of Borrower Information. The Borrower has supplied or caused to be supplied to Bond Counsel all documents, instruments and written information requested by Bond Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Bond Counsel, which have been reasonably relied upon by Bond Counsel in rendering its opinion with respect to the excludability from gross income for federal income tax purposes of the interest on the Governmental Note, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information for which Bond Counsel has not asked. After due investigation, there is no information not obtained, or any investigation or inspection not heretofore pursued, that would be relevant or material to the certifications set forth below.

6. General Requirements Relating to Issuance of the Governmental Note.

(a) Governmental Purpose. The Borrower has applied to the Governmental Lender and been approved for the Project Loan to be made from the Proceeds of the Governmental Note. The proceeds of the Project Loan (and, thus, the Proceeds of the Governmental Note) will be used to finance a portion of the Costs of the Project.

(b) Public Hearing and Approval. As required under section 147(f) of the Code and in accordance with Revenue Procedure 2020-21 and 2020-49, the Governmental Lender hosted a telephonic hearing that provided a reasonable opportunity for interested individuals to express their views on the Bonds and the location and nature of the Project on November 30, 2020. The Governmental Lender provided notice reasonably designed to inform residents of the approving governmental unit of the proposed issue no fewer than seven days before the date of such public hearing by publication in the newspaper of general circulation available to residents of the governmental unit. The notice stated the time and the toll-free telephone number and access code for the public hearing, a general functional description of the type and use of the Project, the maximum stated principal amount of the Governmental Note, the name of the expected initial legal owner of the Project, and the location of the Project. The Attorney General of the State approved the issuance of the Governmental Note.

(c) Volume Cap. The Governmental Lender has received from the Texas Bond Review Board a reservation of State private activity bond volume cap in an amount no less than the aggregate principal amount of the Governmental Note (or if greater, the Issue Price of the Governmental Note) for the purpose of issuing the Governmental Note to finance the Project.

(d) Issue. There are no other obligations that (i) are sold at substantially the same time as the Governmental Note (i.e., less than 15 days apart), (ii) are sold pursuant to the same plan of financing with the Governmental Note, and (iii) will be paid out of substantially the same source of funds as the Governmental Note.

(e) Form 8038. The Borrower has examined the completed Form 8038 with respect to the Governmental Note, including accompanying schedules and statements, and, to the best of the Borrower's knowledge and belief, the information in Parts IV and V, which was furnished by the Borrower, is true, correct, and complete. The Governmental Lender will cause Form 8038 with respect to the Governmental Note to be filed timely with the IRS.

(f) Substantial User. No person that was a Substantial User of the Project at any time during the five-year period before the Issue Date of the Bonds or any Related Person to such Substantial User will (i) receive (directly or indirectly) more than five percent of the Proceeds of the Bonds for such user's interest in the Project and (ii) will be a Substantial User of the Project at any time during the five-year period after the Issue Date of the Bonds.

(g) Program Covenant. Neither the Borrower nor any Related Party of the Borrower is, or will be, a party to any agreement, formal or informal, pursuant to which it will purchase any of the Bonds in an amount related to the amount of the Project Loan made to the Borrower unless the Borrower or such Related Party provides a Favorable Opinion of Bond Counsel to the Governmental Lender

(h) No Federal Guarantee. Neither the Governmental Lender nor the Borrower will take any action that would result in all or any portion of the Governmental Note being treated as federally guaranteed within the meaning of section 149(b)(2) of the Code.

7. Sale Proceeds of the Governmental Note. The amount of Sale Proceeds received by the Governmental Lender from the sale of the Governmental Note is \$35,000,000, which represents the Stated Redemption Price at Maturity of the Governmental Note. The Sale Proceeds of the Governmental Note will be loaned to the Borrower and deposited as follows:

(a) The amount of \$[] will be deposited in the Project Account of the Project Loan Fund and used to pay Project Costs. The aggregate amount of the Project Costs is anticipated to exceed such amount. Any Project Costs not financed out of Proceeds of the Governmental Note will be financed out of the Borrower's available funds.

(b) The amount of \$[] will be deposited in the Costs of Issuance Fund and disbursed to pay Costs of Issuance on the Governmental Note.

8. Pre-Issuance Accrued Interest. There is no Pre-Issuance Accrued Interest on the Governmental Note.

9. Use of Proceeds of the Governmental Note.

(a) Qualified Project Costs. At least 95 percent of the Net Proceeds of the Governmental Note actually expended will be used to pay or reimburse Qualified Project Costs. Not more than five percent of the Net Proceeds of the Governmental Note will be expended for or allocated to Costs of the Project that are not Qualified Project Costs.

For purposes of this subparagraph (a) the Project includes only: (i) those portions of buildings included in the Project that are (A) separate and complete facilities for living, sleeping, eating, cooking and sanitation that will be used on other than a transient basis by one or more persons and that will be available on a regular basis for use by members of the general public and will be rented, or available for rental, on a continuous basis during the Qualified Project Period, and (B) facilities in building areas that are functionally related and subordinate thereto, such as centrally located machinery and equipment and common areas in a typical apartment building (but not including any health club facilities, except a facility that will be available only to tenants and their guests with no separate fee to be paid for the use of such facility); and (ii) land and other facilities that are properly allocable to such living facilities, such as parking areas and recreational areas for occupants of the living facilities.

Further, all of the allocable functionally related and subordinate land areas, facilities, and building areas taken into account in determining Qualified Project Costs under this subparagraph (a) are of a character and size commensurate with the number and size of the living facilities and are not functionally related and subordinate to, or properly allocable to, any other facilities.

(b) Additional Limitations.

(i) Costs of Issuance. Costs of Issuance in an amount of \$[] are expected to be paid out of the Net Proceeds of the Governmental Note. The Costs of Issuance financed out of Net Proceeds of the Governmental Note will not exceed in the aggregate two percent of the Sale Proceeds of the Governmental Note (i.e., \$700,000). Costs of Issuance in excess of two percent of Sale Proceeds of the Governmental Note will be paid by the Borrower from sources other than Net Proceeds of the Governmental Note.

(ii) Acquisition of Existing Property. No portion of the Net Proceeds of the Governmental Note will be used to pay or reimburse the cost of acquiring any property or an interest therein unless, (i) the first use of such property is pursuant to such acquisition, except for land, or (ii) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the portion of the cost of acquiring such building and equipment financed with the Net Proceeds of the Governmental Note (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent).

For purposes of the preceding sentence, the term “rehabilitation expenditures” shall have the meaning set forth in section 147(d)(3) of the Code. If the Project has two or more buildings, the provisions regarding rehabilitation expenditures are to be applied on a project-wide basis. Net Proceeds of the Bonds in the amount of \$[] will be used to acquire the Project, and the rehabilitation expenditures with respect to the Project will equal or exceed 15 percent of such amount (i.e., \$[]).

(iii) Limitation on Land Acquisition. Less than 25 percent of the Net Proceeds of the Governmental Note will be used (directly or indirectly) to acquire land (or an interest therein) and no portion of the Net Proceeds of the Governmental Note will be used (directly or indirectly) for farming purposes. For this purpose, an amount is considered used for the acquisition of land (or an interest therein) to the extent of that portion of the acquisition cost of the Project that is properly allocable for all federal income tax purposes to the land component (including interests in land) of the Project. Net Proceeds of the Governmental Note in the amount of \$[] are expected to be used (directly or indirectly) to acquire land (or an interest therein), and such amount is less than 25 percent of the Net Proceeds of the Bonds (i.e., \$8,750,000).

(iv) Prohibited Facilities. None of the Proceeds of the Governmental Note will be used to acquire, construct, or equip, and no portion of the Project will be, an airplane, a skybox or any other type of luxury box, a health club facility, a facility primarily used for gambling, or a store the principal business of which is the sale of alcoholic beverages for consumption off premises; provided that, any fitness room functionally related to and subordinate to the Project for use by tenants of the Project or their guest is not considered a health club facility for purposes of this subparagraph.

(v) Payments to Related Persons. Any amount of Proceeds of the Governmental Note paid to a Related Person to the Borrower or any affiliated person that is not a Related Person to the Borrower will not exceed an arm’s-length charge that is the amount that would be charged to a person other than the Borrower. Further, any amount of Proceeds of the Governmental Note paid to a Related Person to the Borrower or any affiliated person that is not a Related Person to the Borrower would be paid under the same circumstances by a person other than the Borrower to such affiliated person or entity. Notwithstanding the foregoing, in no event will amounts of Proceeds of the Governmental Note that are paid to a Related Person to the Borrower be treated as spent until such amounts are spent on capital expenditures by such Related Person.

(vi) No Working Capital. Except for an amount that does not exceed five percent of the Sale Proceeds of the Governmental Note (and that is directly related to the Project), the Proceeds of the Governmental Note will only be expended for (A) costs that would be chargeable to the capital account of the Project if the Governmental Lender’s income were subject to federal income taxation; (B)

interest on the Governmental Note in an amount that does not cause the aggregate amount of interest paid on the Governmental Note to exceed that amount of interest on the Governmental Note that is attributable to the period that commences on the Issue Date of the Governmental Note and ends on the later of (1) the date that is three years from the Issue Date of the Governmental Note or (2) the date that is one year after the date on which the Project is Placed in Service; and/or (C) fees for a qualified guarantee of the Governmental Note or payment for a qualified hedge on the Governmental Note.

(vii) No Pooling. The Proceeds of the Bonds are not being used to directly or indirectly make or finance loans to two or more ultimate unrelated borrowers.

(viii) Weighted Average Economic Life. The Weighted Average Maturity of the Governmental Note, as calculated by the Financial Advisor as set forth in Exhibit B hereto, is [WAM] years. The weighted average reasonably expected economic life of the portion of the Project financed with Proceeds of the Governmental Note is at least [WAM/1.2] years. Thus, the Weighted Average Maturity of the Governmental Note is not more than 120 percent of the weighted average reasonably expected economic life of the portion of the Project financed with Proceeds of the Governmental Note. Such weighted average estimated economic life is determined in accordance with the following assumptions: (A) the weighted average is determined by taking into account the respective costs of each asset, excluding land; (B) the reasonably expected economic life of an asset is determined as of the later of (1) the Issue Date of the Governmental Note or (2) the date on which such asset is originally Placed in Service (or expected to be Placed in Service); and (C) the economic lives for the itemized assets are the useful lives that would have been used for depreciation purposes under section 167 of the Code prior to the enactment of the ACRS system under section 168 of the Code (i.e., the mid-point lives under the Class Life Asset Depreciation Range System of section 167(m) of the Code where applicable and the guideline lives under Revenue Procedure 62-21, 1962-2 C.B. 418, in the case of structures). The Borrower hereby covenants to not make any changes to the Project that would, at the time made, cause the remaining Weighted Average Maturity of the Governmental Note to be more than 120 percent of the remaining weighted average estimated economic life of the portion of the Project financed with Proceeds of the Governmental Note.

(c) Reimbursement. The Borrower expects that it will use Proceeds of the Governmental Note in the amount of approximately \$[] to reimburse itself for expenditures paid prior to the Issue Date of the Governmental Note. Other than (i) an amount not greater than \$100,000 and/or (ii) Preliminary Expenditures up to an amount not in excess of 20 percent of the Issue Price of the Governmental Note, no portion of the Proceeds of the Governmental Note will be disbursed to reimburse the Governmental Lender, the Borrower or any Related Person to the Borrower for any expenditures paid or incurred prior to the date that is 60 days before the Official Intent Date, which is the date on which the Governmental Lender adopted a resolution describing the Project, stating the

maximum principal amount of obligations expected to be issued for the Project and stating the Governmental Lender's reasonable expectation that expenditures for costs of the Project would be reimbursed with Proceeds of an obligation. Such resolution was not an official intent declared as a matter of course or in an amount substantially in excess of the amount expected to be necessary for the Project. Neither the Governmental Lender nor the Borrower has engaged in a pattern of failure to reimburse actual original expenditures covered by official intents. Such reimbursed portion will be treated as spent for purposes of the "Funds—Project Loan Fund" subparagraph herein and the "Compliance with Yield Reduction and Rebate Requirements; Rebate Fund" paragraph herein.

(d) Allocations and Accounting. The Borrower will prepare a final allocation of the Proceeds of the Governmental Note to expenditures not later than 18 months after the later of the date the original expenditure is made or the date the Project is Placed in Service, but in no event later than the date that is 60 days after the fifth anniversary of the Issue Date of the Governmental Note or the retirement of the Governmental Note, if earlier; provided that, if such allocation is made pursuant to a reimbursement expenditure described above, such reimbursement allocation will in no event be made later than the date that is three years after the date each such original expenditure is paid. The Borrower may redetermine the allocation of the Proceeds of the Governmental Note within the time frame set forth in the immediately preceding sentence, provided that the Borrower will notify the Governmental Lender and Bond Counsel of any such reallocation and provide such parties with documentation of such reallocation. The Borrower hereby elects to consistently allocate the expenditure of Proceeds of the Governmental Note to Qualified Project Costs of the Project. No Proceeds of the Governmental Note will be allocated to any expenditures to which Proceeds of any other tax-exempt obligations have heretofore been allocated.

10. Issue Price. In accordance with section 1.148-1(f)(2)(iv) of the Regulations, the Governmental Lender hereby identifies in its books and records maintained for the Governmental Note the rule the Governmental Lender will use to determine the Issue Price for each maturity of the Governmental Note as the rule set forth in the second sentence of section 1.148-1(f)(2)(i) of the Regulations, i.e. the Issue Price is the price paid by the single buyer. Based on the representations set forth in Exhibit A hereto, the aggregate Issue Price of the Governmental Note is \$35,000,000. The Issue Price of the Governmental Note represents the Stated Redemption Price at Maturity.

11. Yield on the Governmental Note. The Governmental Lender and the Borrower hereby represent, covenant and agree as follows:

(a) The Yield on the Governmental Note will be computed separately for each computation period. For the purposes of this Agreement, the Yield on the Governmental Note for each computation period is the discount rate that, when used in computing the present value as of the first day of the computation period of all payments of principal and interest on the Governmental Note that are attributable to the computation period, produces an amount equal to the present value, using the same discount rate, of the aggregate Issue Price (or deemed Issue Price, as determined by section 1.148-4(c)(2)(iv) of the Regulations) of the Governmental Note as of the first day of the computation period. For

each group of substantially identical Governmental Note, the Issue Price is the first price at which the Governmental Note were sold to the Initial Funding Lender.

(b) Neither the Governmental Lender nor the Borrower has entered into any hedging transaction with respect to the Governmental Note, and each covenants not to enter into a hedging transaction with respect to the Governmental Note unless there is first received a Favorable Opinion of Bond Counsel.

12. Yield on the Project Loan. The Governmental Lender and the Borrower hereby represent, covenant and agree as follows:

(a) The Project Loan is allocated to the Governmental Note. The Yield on the Project Loan is computed using the same compounding interval and financial conventions used to compute the Yield on the Governmental Note. For the purposes of this Agreement, the Yield on the Project Loan is the discount rate that, when used in computing the present value as of the Issue Date of the Governmental Note of all receipts with respect to the Project Loan, produces an amount equal to the present value, using the same discount rate, of the aggregate payments with respect to the Project Loan as of the Issue Date of the Governmental Note. The aggregate payments made to the Borrower with respect to the Project Loan include no payments other than the “purchase price” of the Project Loan. The purchase price of the Project Loan is the amount loaned to the Borrower by the Governmental Lender on the Issue Date of the Governmental Note, i.e. \$35,000,000.

(b) The Project Loan is a purpose investment that the Governmental Lender intends to treat as a “program investment” within the meaning of section 1.148-1 of the Regulations, because it is part of a governmental program (i) that involves the origination or acquisition of purpose investments; (ii) in which at least 95 percent of the cost of the purpose investments acquired under the program represents one or more loans to a substantial number of persons representing the general public, states or political subdivisions, organizations exempt from tax under section 501(c)(3) of the Code, persons who provide housing and related facilities, or any combination of the foregoing; (iii) in which at least 95 percent of the receipts from the purpose investments are used to pay principal, interest, or redemption prices on issues that financed the program, to pay or reimburse administrative costs of those issues or of the program, to pay or reimburse anticipated future losses directly related to the program, to finance additional purpose investments for the same general purposes of the program, or to redeem and retire governmental obligations at the next earliest possible date of redemption; and (iv) in which the program documents prohibit any obligor on a purpose investment financed by the program or any “related party,” within the meaning of section 1.150-1(b) of the Regulations, to that obligor from purchasing bonds of an issue that finance the program in an amount related to the amount of the purpose investment acquired from that obligor. The Governmental Lender has not waived the right to treat the Project Loan as a program investment.

(c) The receipts from the Borrower with respect to the Project Loan include interest and principal payments with respect to the Project Loan and the Qualified

Administrative Costs paid by the Borrower, and the Qualified Administrative Costs paid by the Borrower have been taken into account, as provided by section 1.148-5(e) of the Regulations, for purposes of computing the yield on the Project Loan. Because the Governmental Lender intends to treat the Project Loan as a “program investment” within the meaning of section 1.148-1 of the Regulations, the Qualified Administrative Costs do not include the costs or expenses paid, directly or indirectly, to purchase, carry, sell, or retire the Project Loan, which amounts are set forth in Exhibit C hereto.

(d) As set forth in the Certificate of Financial Advisor attached hereto as Exhibit B, the Yield on the Project Loan, calculated in the manner set forth above, is not expected to exceed the Yield on the Governmental Note by more than 1.5 percentage points.

13. Investment of Proceeds Pending Expenditure; No Arbitrage.

(a) Investment Proceeds. Amounts on deposit in the Loan Payment Fund and the Project Loan Fund may be comprised of Proceeds of the Governmental Note and amounts that are not Proceeds of the Governmental Note or any tax-exempt obligation. If Proceeds of the Governmental Note and amounts that are not Proceeds of the Governmental Note are commingled, the Borrower will take into account for purposes of its covenant to comply with the arbitrage and rebate requirements that Proceeds of the Governmental Note and amounts that are not Proceeds of the Governmental Note have been commingled as an investment. Investment Proceeds resulting from the investment of any Proceeds of the Governmental Note pending expenditure of such Proceeds for Costs of the Project will be used to pay Qualified Project Costs or, if not used to pay Qualified Project Costs, such amounts will be treated as “bad costs.”

(b) Minor Portion and Yield Reduction Payments. All Gross Proceeds of the Governmental Note will be invested in accordance with the “Funds” paragraph herein. To the extent such amounts remain on hand following the periods set forth in the “Funds” paragraph herein or exceed the limits set forth in the “Funds” paragraph herein, such amounts will be invested at a restricted Yield as set forth in such paragraph; provided, however, that an amount not to exceed the Minor Portion may be invested at a Yield that is higher than the Yield on the Governmental Note and, provided further, that, if permitted by section 1.148-5(c) of the Regulations, the Yield restriction requirements may be satisfied by making Yield Reduction Payments to the federal government.

(c) Governmental Note Are Not Hedge Bonds. Not more than 50 percent of the Proceeds of the Governmental Note will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more. Further, at least 85 percent of the spendable Proceeds of the Governmental Note are reasonably expected to be used to carry out the governmental purposes of the Governmental Note within the three-year period beginning on the Issue Date of the Governmental Note.

(d) No Arbitrage. On the basis of the facts, estimates and circumstances set forth in this Agreement, it is expected by the Governmental Lender and the Borrower that

the Gross Proceeds of the Governmental Note will not be used in a manner that would cause the Governmental Note to be “arbitrage bonds” within the meaning of section 148 of the Code. To the best of the knowledge and belief of the undersigned representatives of the Governmental Lender and the Borrower, there are no other facts, estimates or circumstances that would materially change such expectations. Except as provided in the Funding Loan Agreement and the Project Loan Agreement, the Borrower will not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under the Project Loan Agreement or the note relating to the Project Loan, will not establish any segregated reserve or similar fund for such purpose and will not prepay any such amounts in advance of the redemption date of an equal principal amount of the Governmental Note, unless in each case there will have been delivered a Favorable Opinion of Bond Counsel. The Borrower will not, at any time prior to the final maturity of the Governmental Note, direct or permit the Fiscal Agent to invest Gross Proceeds of the Governmental Note in any investment (or to use Gross Proceeds of the Governmental Note to replace money so invested), if as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Governmental Note to stated maturity, except as permitted by section 148 of the Code. The Governmental Lender and the Borrower further covenant and agree that each will comply with and will take all action reasonably required to ensure that the Fiscal Agent complies with all applicable requirements of section 148 of the Code relating to the Governmental Note and the interest thereon.

14. Covenants of Fiscal Agent Relating to Investment of Proceeds. The Fiscal Agent will invest funds held under the Funding Loan Agreement in accordance with the respective terms of the Funding Loan Agreement and this Agreement, which covenant will extend throughout the term of the Governmental Note, to all funds and accounts created under the Funding Loan Agreement and this Agreement and all moneys on deposit to the credit of any fund or account.

Should the Governmental Lender or the Borrower deliver notice (in the manner required under the Funding Loan Agreement or the Project Loan Agreement, as applicable) to the Fiscal Agent (it being understood that neither the Governmental Lender nor the Borrower has an obligation to so deliver) or should the Fiscal Agent receive an opinion of Bond Counsel to the effect that any proposed investment or other use of Proceeds of the Governmental Note would cause the Governmental Note to become “arbitrage bonds” within the meaning of section 148 of the Code, then the Fiscal Agent will comply with any written direction of the Borrower regarding such investment or use so as to prevent the Governmental Note from becoming an “arbitrage bond.”

The Governmental Lender and the Borrower agree that, in complying with the provisions set forth under this subparagraph, the Fiscal Agent will be deemed to have complied with such provisions and will have no liability to the extent the Fiscal Agent materially follows the written directions of the Borrower or the Governmental Lender.

15. Compliance with Yield Reduction and Rebate Requirements; Rebate Fund.

(a) Covenant to Comply with Rebate Requirements. The Governmental Lender and the Borrower covenant to comply with the requirement that (i) if Gross Proceeds of the Governmental Note have been invested at a Yield that is “materially higher” than the Yield on the Bonds and Yield Reduction Payments are permitted under section 1.148-5(c)(3) of the Regulations, Yield Reduction Payments be made to the federal government and (ii) “rebateable arbitrage earnings” on the investment of the Gross Proceeds of the Governmental Note, within the meaning of section 148(f) of the Code, be rebated to the federal government.

(b) Rebate Fund. The Funding Loan Agreement established the Rebate Fund, which will be maintained and held in trust by the Fiscal Agent and which will be disbursed and applied only as herein authorized in this “Compliance with Yield Reduction and Rebate Requirements; Rebate Fund” paragraph. Notwithstanding anything herein to the contrary, all provisions of the Funding Loan Agreement relating to the general administration of the funds created thereunder will apply to the Rebate Fund, and the Fiscal Agent is afforded all the rights, protections and immunities otherwise accorded to it thereunder as if the provisions set forth in this “Compliance with Yield Reduction and Rebate Requirements; Rebate Fund” paragraph were set forth in the Funding Loan Agreement.

(c) Delivery of Documents and Money by Borrower on Computation Dates. The Borrower will deliver to the Fiscal Agent and the Governmental Lender, within 55 days after each Computation Date:

(i) a statement, signed by an officer or other authorized representative of the Borrower, stating the Rebate Amount as of such Computation Date and the amount of any Yield Reduction Payments due; and

(ii) (A) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90 percent of the Rebate Amount and Yield Reduction Payments due as of such Installment Computation Date, less any “previous rebate payments” (determined in accordance with section 1.148-3(f)(1) of the Regulations), made to the United States of America or (B) if such Computation Date is the Final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount and Yield Reduction Payments due as of such Final Computation Date, less any “previous rebate payments” (determined in accordance with section 1.148-3(f)(1) of the Regulations) made to the United States of America; and

(iii) an IRS Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate (“Form 8038-T”) properly signed and completed as of such Computation Date.

(d) Administration of Rebate Fund and Payment of Rebate.

(i) The Fiscal Agent will deposit or transfer to the credit of the Rebate Fund, pursuant to the written direction of the Borrower, each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto. Within five days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent will withdraw such funds from the Rebate Fund and pay such funds to the United States of America. The Fiscal Agent may conclusively rely on the written instructions of the Borrower with regard to any actions to be taken by it pursuant to this paragraph and will have no liability for any consequences of any failure of the Borrower to perform its duties or obligations or to supply accurate or sufficient instructions. Except as specifically provided herein, the Fiscal Agent will have no duty or responsibility with respect to the Rebate Fund or the Borrower's duties and responsibilities with respect thereto except to follow the Borrower's specific written instructions related thereto.

(ii) Moneys and securities held by the Fiscal Agent in the Rebate Fund will not be deemed funds of the Governmental Note and are not pledged or otherwise subject to any security interest in favor of the owners of the Governmental Note to secure the Governmental Note or any other obligations.

(iii) Moneys in the Rebate Fund will be separately invested and reinvested by the Fiscal Agent, at the written direction of the Borrower, in Qualified Investments, subject to the Code. The Fiscal Agent will sell and reduce to cash a sufficient amount of such Qualified Investments whenever the cash balance in the Rebate Fund is insufficient for its purposes. In the absence of written instructions from the Borrower, the Fiscal Agent will not be responsible or liable for keeping the moneys held as part of the Rebate Fund fully invested.

(iv) The Borrower will provide to the Fiscal Agent and the Fiscal Agent will keep such records of the results of the computations made pursuant to this paragraph for a period of three years after the last Governmental Note and any tax-exempt obligations issued to refinance the Governmental Note is retired. The Fiscal Agent will keep and make available to the Governmental Lender and the Borrower such records concerning the investments of Gross Proceeds of the Governmental Note and the investments of earnings from those investments as may be requested by the Governmental Lender or the Borrower in order to enable the Borrower to make the computations required under section 148(f) of the Code.

(e) Correction of Underpayments. If the Borrower discovers or is notified as of any date that any amount required to be paid to the United States of America pursuant to this Agreement has not been paid as required or that any payment paid to the United States of America pursuant to this Agreement has failed to satisfy any requirement of section 148(f) of the Code or section 1.148-3 of the Regulations (whether or not such failure is due to any default by the Borrower, the Governmental Lender, or the Fiscal Agent), the Borrower will (i) deliver to the Fiscal Agent (for deposit to the Rebate Fund) and cause the

Fiscal Agent to pay to the United States of America from the Rebate Fund (A) the Rebate Amount or Yield Reduction Payments due that the Borrower failed to pay, plus any interest specified in section 1.148-3(h)(2) of the Regulations, if such correction payment is delivered to and received by the Fiscal Agent within 175 days after such discovery or notice, or (B) if such correction payment is not delivered to and received by the Fiscal Agent within 175 days after such discovery or notice, the amount determined in accordance with clause (A) of this subparagraph plus the 100 percent penalty required by section 1.148-3(h)(1) of the Regulations, and (ii) deliver to the Fiscal Agent and the Governmental Lender a Form 8038-T completed as of such date. If such Rebate Amount or Yield Reduction Payments, together with any penalty and/or interest due, is not paid to the United States of America in the amount and manner and by the time specified in the Regulations, the Borrower will take such steps as are necessary to prevent the Governmental Note from becoming “arbitrage bonds” within the meaning of section 148 of the Code.

(f) Fees and Expenses. The Borrower agrees to pay all of the fees and expenses of Bond Counsel, the Rebate Analyst, and any other necessary consultant employed by the Borrower, the Fiscal Agent, or the Governmental Lender in connection with computing the Rebate Amount and the Yield Reduction Payments; provided that nothing herein will be construed as the Fiscal Agent being responsible for creating, preparing or reviewing any of the computations contemplated under this Agreement.

(g) No Diversion of Rebateable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Governmental Note that is not purchased at fair market value (as defined in section 1.148-5(d)(6)(iii) of the Regulations) or includes terms that the Borrower would not have included if the Governmental Note were not subject to section 148(f) of the Code.

(h) Amounts Not Required in Certain Circumstances.

(i) Notwithstanding the foregoing, the Borrower will not be required to perform the obligations set forth in this “Compliance with Yield Reduction and Rebate Requirements; Rebate Fund” paragraph, except for the obligation to retain accounting records and the payment of expenses as described herein, if (A) the Gross Proceeds of the Governmental Note have not been invested at a Yield that is “materially higher” than the Yield on the Governmental Note and therefore is not required to pay Yield Reduction Payments and/or (B) the Borrower has not earned any rebateable arbitrage and, therefore, is not subject to the rebate obligation set forth in section 148(f) of the Code. To the extent that the Borrower will not be required to perform such obligations, the Borrower will send written notice to the Fiscal Agent and the Governmental Lender within 55 days after the applicable Computation Date.

(ii) Notwithstanding anything to the contrary in this Agreement requiring a payment to be made based on the Rebate Analyst’s calculations showing

a rebate being due, no payment will be made by the Fiscal Agent to the United States of America if the Borrower furnishes to the Governmental Lender and the Fiscal Agent a Favorable Opinion of Bond Counsel. In such event, the Borrower will be entitled to withdraw funds from the Rebate Fund to the extent provided in such Favorable Opinion of Bond Counsel.

(i) Fiscal Agent Reliance on Written Directions. The Governmental Lender and the Borrower agree that, in complying with the provisions set forth under this paragraph, the Fiscal Agent will be deemed to have complied with such provisions and will have no liability to the extent it materially follows the written directions of the Borrower, the Governmental Lender, or the Rebate Analyst.

16. Funds.

(a) Project Loan Fund. All of the Proceeds of the Governmental Note in the Project Account of the Project Loan Fund are expected to be invested and disbursed as described in the Funding Loan Agreement to pay Costs of the Project. The Borrower (i) reasonably expects to allocate at least 85 percent of the Net Proceeds of the Governmental Note to expenditures on capital projects of the Project prior to the date that is three years after the Issue Date of the Governmental Note, (ii) has incurred, or reasonably expects to incur within six months after the Issue Date of the Governmental Note, a binding obligation to a third party that is not subject to any contingencies within the control of the Borrower pursuant to which the Borrower is obligated to expend at least five percent of the Net Proceeds of the Governmental Note on capital projects of the Project, and (iii) reasonably expects that the acquisition, construction, and equipping of the Project will proceed with due diligence to completion and the Net Proceeds of the Governmental Note are reasonably expected to be expended on the Project with reasonable dispatch; therefore, all of such amounts may be invested without regard to Yield restriction. Any amounts not so expended prior to the applicable dates set forth in the preceding sentence will thereafter be invested at a Yield that is not “materially higher” than the Yield on the Governmental Note, except as set forth in the “Investment of Proceeds Pending Expenditure; No Arbitrage—Minor Portion and Yield Reduction Payments” subparagraph herein.

(b) Revenue Fund. Amounts on deposit in the Revenue Fund will be used for the purposes and in the order set forth in Section 4.03 of the Funding Loan Agreement. There is no assurance that amounts on deposit in the Revenue Fund will be available to pay debt service on the Governmental Note.

(c) Loan Payment Fund. Amounts on deposit in the Loan Payment Fund will be used for the purposes set forth in Section 4.04 of the Funding Loan Agreement. The Loan Payment Fund will be used primarily to achieve a proper matching of payments made pursuant to the Project Loan Agreement and debt service on the Governmental Note within each Bond Year. Any amounts in the Loan Payment Fund held for longer than 13 months will be invested in obligations the Yield on which is not “materially higher” than the Yield on the Governmental Note, except as set forth in the “Investment of Proceeds Pending

Expenditure; No Arbitrage—Minor Portion and Yield Reduction Payments” subparagraph herein.

(d) Loan Prepayment Fund. Amounts on deposit in the Loan Prepayment Fund will be used for the purposes set forth in Section 4.05 of the Funding Loan Agreement. The Loan Prepayment Fund will be used to prepay all or a portion of the Governmental Note in accordance with Section 3.01 of the Funding Loan Agreement. Any amounts in the Loan Prepayment Fund will be used within 13 months of receipt of amounts in such account.

(e) Administration Fund. Amounts on deposit in the Administration Fund will be used for the purposes and in the order set forth in Section 4.06 of the Funding Loan Agreement. There is no assurance that amounts on deposit in the Administration Fund will be available to pay debt service on the Governmental Note.

(f) Cost of Issuance Fund. Amounts on deposit in the Cost of Issuance Fund used for the purpose of paying Costs of Issuance, as set forth in Section 4.13 of the Funding Loan Agreement. Amounts remaining in the Cost of Issuance Fund after the payment of all Costs of Issuance, and in any event not later than six months following the Delivery Date of the Governmental Note, will be, to the extent such amounts represent amounts that are not Proceeds of the Governmental Note, transferred to the Borrower. There is no assurance that amounts on deposit in the Cost of Issuance Fund will be available to pay debt service on the Governmental Note.

(g) Rebate Fund. The Rebate Fund will be used in the event the Borrower is required to pay rebatable arbitrage earnings to the federal government, as described in the “Compliance with Rebate Requirements; Rebate Fund” paragraph above. Amounts on deposit in the Rebate Fund are not subject to the lien of the Funding Loan Agreement; accordingly, there is no assurance that amounts on deposit, if any, in the Rebate Fund will be available to pay debt service on the Governmental Note.

17. Replacement Proceeds. The Governmental Lender and the Borrower hereby represent as follows:

(a) No Sinking Funds. Other than the Loan Payment Fund and the Loan Prepayment Fund, there is no debt service fund, redemption fund, reserve fund, replacement fund, or similar fund reasonably expected to be used directly or indirectly to pay principal or interest on the Governmental Note.

(b) No Pledged Funds. Other than amounts in the Loan Payment Fund and the Loan Prepayment Fund, there is no amount that is directly or indirectly pledged to pay principal or interest on the Governmental Note, or to a guarantor of the Governmental Note, such that such pledge provides reasonable assurance that such amount will be available to pay principal or interest on the Governmental Note if the Governmental Lender encounters financial difficulty. For purposes of this certification, an amount is treated as so pledged if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of the holders or the guarantor of the Governmental Note.

(c) No Other Replacement Proceeds. There are no other Replacement Proceeds allocable to the Governmental Note because the Governmental Lender reasonably expects that the term of the Governmental Note will not be longer than is reasonably necessary for the governmental purpose of the Governmental Note. Furthermore, even if the Governmental Note were outstanding longer than necessary for the purpose of the Governmental Note, no Replacement Proceeds will arise because the Governmental Lender reasonably expects that no amounts will become available during the period that the Governmental Note remain outstanding longer than necessary based on the reasonable expectations of the Governmental Lender as to the amounts and timing of future revenues. The Governmental Note would be issued to achieve the governmental purpose of the Governmental Note independent of any arbitrage benefit as evidenced by the expectation that the Governmental Note reasonably would have been issued if the interest on the Governmental Note were not excludable from gross income (assuming that the hypothetical taxable interest rate would be the same as the actual tax-exempt interest rate and that tax credits issued under section 42 of the Code would be available in connection therewith).

18. Not an Abusive Transaction. The Governmental Lender and the Borrower hereby represent as follows:

(a) General. A device has not been and will not be employed in connection with the issuance of the Governmental Note to obtain a material financial advantage (based on arbitrage) apart from savings attributable to lower interest rates. Furthermore, no action taken in connection with the Governmental Note is or will be an abusive arbitrage device by having the effect of (i) enabling the Governmental Lender or the Borrower to exploit, other than during an allowable temporary period, the difference between tax-exempt and taxable interest rates to obtain a material financial advantage (including as a result of an investment of any portion of the Gross Proceeds of the Governmental Note over any period of time, notwithstanding that, in the aggregate, the Gross Proceeds of the Governmental Note are not invested in higher yielding investments over the term of the Governmental Note) and (ii) overburdening the tax-exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than is otherwise reasonably necessary to accomplish the governmental purposes of the Governmental Note, based on all the facts and circumstances. Specifically, (A) the primary purpose of each transaction undertaken in connection with the issuance of the Governmental Note is a bona fide governmental purpose; (B) each action taken in connection with the issuance of the Governmental Note would reasonably be taken to accomplish the governmental purposes of the Governmental Note if the interest on the Governmental Note were not excludable from gross income for federal income tax purposes (assuming the hypothetical taxable interest rate would be the same as the actual tax-exempt interest rate on the Governmental Note); and (C) the Proceeds of the Governmental Note will not exceed by more than a Minor Portion the amount reasonably anticipated to be necessary to accomplish the governmental purposes of the Governmental Note and will in fact not be substantially in excess of the amount of Proceeds allocated to expenditures for the governmental purposes of the Governmental Note.

(b) No Sinking Fund. No portion of the Governmental Note has a term that has been lengthened primarily for the purpose of creating a sinking fund or similar fund with respect to the Governmental Note.

(c) No Window. No portion of the Governmental Note has been structured with maturity dates the primary purpose of which is to make available released revenues that will enable the Governmental Lender to avoid transferred proceeds or to make available revenues that may be invested to be ultimately used to pay debt service on another issue of obligations.

(d) No Disposition. No portion of the Project is reasonably expected to be disposed of while the Governmental Note are outstanding.

19. The Project. The Borrower hereby represents and covenants as follows:

(a) The Project will be comprised of (i) Units, all of which will be rented to individuals or families for residential occupancy and none of which will be owner-occupied (other than any functionally related and subordinate Units used by management for the purpose of housing any reasonably required resident managers, security personnel or maintenance personnel for the Project) and (ii) facilities, all of which are functionally related and subordinate to the aforementioned Units (i.e., facilities that are of a size and character commensurate with the size and character of such Units).

(b) There has been and will be no substantial deviation from the description and location of the Project and the Borrower, operator or manager set forth in the notice of hearing published with respect to the Governmental Note for purposes of satisfying the requirements of section 147(f) of the Code.

(c) The Project will be designed and equipped and will be owned, maintained and operated on a continuous basis in accordance with the Project Loan Agreement and the Regulatory Agreement. For purposes of this subparagraph, each of the enumerated types of facilities includes the interior furnishings of such facility (including the facility's plumbing, electrical and decorating costs) and the structural components required for the facility (including the facility's walls, ceilings and special enclosures). Each such enumerated type of facility includes only those normal components of the structure in which it is located, such as the structure's structural supports, to the extent that those components are required because of the facility. The recreational facilities, if any, included as part of the Project will be available only to residential tenants and their guests and no separate fee will be required for the use of such facilities.

(d) Except to the extent that any Unit is a single room occupancy unit under section 42 of the Code, each Unit will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation. Specifically, each Unit will contain a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, full-size refrigerator and sink, all of which are separate and distinct from the facilities included in other Units.

(e) Parking spaces included in the Project are functionally related and subordinate to the Units included in the Project in that they are no greater in number than is normally appropriate for a residential rental facility that is of the size of the Project. Only tenants, prospective tenants, guests of tenants, employees of the Borrower, and employees of the manager are expected to use these parking spaces.

(f) If the Project contains a clubhouse, exercise or similar recreational facility, such facility exists as a tenant amenity and may be used by any tenant free of any separate charge and will be constructed for the exclusive use of tenants of the Project and their guests. Such facility, if any, is of a character and size commensurate with the character and size of the Project and will not be open to the general public on a membership basis.

(g) The Project will not include any nonresidential or commercial space, including particularly, without limitation, any other space or facility not described in this paragraph.

(h) No continual or frequent skilled or unskilled nursing services will be available at the Project, although the tenants will be permitted to engage such services from providers that are not affiliated with the Borrower or the manager. Thus, neither the Borrower nor the manager, nor any Related Person to either the Borrower or the manager, will provide any assistance to any tenant in connection with his or her activities of daily living, other than concierge and valet services. The Project will not be licensed as a convalescent or nursing home, continuing care facility, personal care facility, special care facility or other assisted living facility under State law.

(i) On the Closing Date, at least 50 percent of the Units in the Project are occupied.

20. Tenant Income Certifications. The Borrower hereby represents and covenants as follows:

(a) The Borrower will obtain and maintain tenant income certifications in a form that satisfies the requirements of section 1.103-8(b)(8) of the Regulations demonstrating that the 40-60 Test is met with respect to the occupied Units continuously throughout the Qualified Project Period. The Borrower expects that more than 10 percent of the Units in the Project will remain occupied throughout the rehabilitation of the Project and, as such, compliance with the 40-60 Test will not be required during the twelve-month “transition period” beginning on the Issue Date of the Governmental Note, as set forth in Revenue Procedure 2004-39, 2004 C.B. 49.

(b) The Borrower will ensure that each person who is intended to be a Qualifying Tenant will sign and deliver to the Borrower or a manager of the Project a tenant income certification in the form required by the Regulatory Agreement. In addition, the Borrower will ensure that such person will provide whatever other information, documents or certifications are deemed necessary to substantiate the tenant income certification.

(c) The Borrower will timely file, or take such actions as are necessary to cause any other person who is properly treated as the “operator” for purposes of section 142(d)(7) of the Code to file timely, the annual certifications described in section 142(d)(7) of the Code (currently, IRS Form 8703, Annual Certificate of Residential Rental Project).

(d) For a period of at least three years after the date the Governmental Note are retired, a tenant income certification in the form required by the Regulatory Agreement will at all times be maintained on file at the applicable location for the Project with respect to each Qualifying Tenant who resides or has resided in a Unit.

21. Form of Lease. The Borrower will ensure that the term of a lease of any Unit will be for a term of not less than six months, subject to the provision that any lease may be terminated if the tenant’s physical condition no longer permits full-time residence in the Project; provided, however, that the form of lease to be utilized by the Borrower in renting any Units to a person who is intended to be a Qualifying Tenant will provide for termination of the lease and consent by such person to immediate eviction in accordance with applicable law for failure to qualify as a Qualifying Tenant as a result of any material misrepresentation made by such person with respect to the tenant income certification.

22. Change in Use. The Borrower acknowledges that any failure to satisfy the applicable requirements of sections 103 and 142 through 150, inclusive, of the Code, including the 40-60 Test, with respect to the Project will be treated as a change in use for purposes of section 150(b)(2) of the Code with the result that no deduction will be allowed for federal income tax purposes for interest paid by the Borrower with respect to the portion of the Project Loan that is allocable to Proceeds of the Governmental Note that accrues during the period beginning on the first day of the taxable year in which the Project fails to meet such requirements and ending on the date that the Project meets such requirements.

On the earlier of (a) the date on which the Borrower reasonably determines that the Project will not be completed or (b) the date on which the Project is Placed in Service, the Borrower will identify the amount of unspent Net Proceeds of the Governmental Note, if any, and will use such amount to redeem or, if not permitted by the terms of the Governmental Note, defease the Governmental Note, all in accordance with the requirements of section 1.142-2 of the Regulations, the Funding Loan Agreement and the Project Loan Agreement, as applicable, including the requirement that, if a defeasance is necessary, timely written notice be provided to the IRS.

23. Cashflow Sufficiency. The Borrower reasonably expects that the cash flow from the Project on an annual basis (excluding cash generated from the investment of nonoperating funds or other investment funds maintained by the Borrower) will be sufficient to pay annual debt service on the Project Loan during each year. Accordingly, the Borrower expects that debt service on the Project Loan will not be paid, directly or indirectly, from non-operating or other investment funds maintained by the Borrower or any Related Person to the Borrower. Except for the funds described in the “Funds” paragraph above, the Borrower does not expect to create or establish, or otherwise set aside or dedicate, any fund or account that is expected to be used to pay principal of, or interest on, the Governmental Note or to be pledged, directly or indirectly, to the payment of principal of, or interest on, the Governmental Note. Investment Proceeds of the Bonds and

amounts earned from the investment of such Investment Proceeds will not be commingled with other receipts or revenues of the Borrower.

24. Post-Issuance Compliance Procedures. The Governmental Lender has implemented written post-issuance tax compliance procedures regarding federal tax compliance that include provisions to ensure that all nonqualified bonds are remediated according to the requirements under the Code and Regulations and to monitor the requirements of section 148 of the Code. A copy of the Governmental Lender's then-current post-issuance tax compliance procedures is and will be available on the Governmental Lender's website during the term of this Agreement. If the Governmental Lender's website is not available, a copy of the then-current post-issuance tax compliance procedures will be made available to the Borrower, upon request. The Borrower agrees to take such actions as required therein to be taken by the Borrower to maintain compliance with requirements in the Code. In the event that the terms of the Governmental Lender's post-issuance tax compliance procedures conflict with the terms of this Agreement, the terms of this Agreement will control.

25. Record Retention. The Borrower and the Fiscal Agent will retain or cause to be retained all pertinent and material records relating to any formal elections made for purposes of federal income tax law; the use of the Project; the investment, use and expenditure of the Proceeds of the Governmental Note; and the calculation of rebate in connection with the Governmental Note until three years after the Governmental Note, including any tax-exempt obligations issued to refinance the Governmental Note, are redeemed or paid at maturity, or such shorter period as authorized by subsequent guidance issued by the Department of the Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the Governmental Lender to retrieve and reproduce such books and records in the event of an examination of the Governmental Note by the IRS.

26. Examination by IRS. The Borrower acknowledges that, in the event of an examination by the IRS of the exclusion of interest on the Governmental Note from the gross income of the owners thereof for federal tax purposes, the Governmental Lender will likely be treated as the "taxpayer", and the Borrower agrees to respond in a commercially reasonable manner on behalf of, and at the direction of, the Governmental Lender (and in consultation with the Fiscal Agent, who will have the right to participate in all related proceedings (including tax court challenges and appeals)) to such examination and to pay the costs of the counsel selected by the Governmental Lender to provide a defense regarding the exclusion of the interest on the Governmental Note from the gross income of the owners thereof for federal income tax purposes. THE BORROWER WILL INDEMNIFY AND HOLD HARMLESS THE GOVERNMENTAL LENDER AND THE FISCAL AGENT AGAINST ANY AND ALL COSTS, LOSSES, CLAIMS, DAMAGES, OR LIABILITY OF, OR RESULTING FROM, SUCH AN EXAMINATION AND THE SETTLEMENT THEREOF BY THE GOVERNMENTAL LENDER AND THE FISCAL AGENT (INCLUDING THE COST OF THE GOVERNMENTAL LENDER'S AND THE FISCAL AGENT'S LEGAL COUNSEL), EXCEPT AS A RESULT OF THE WILLFUL MISCONDUCT, BAD FAITH, OR FRAUD OF THE GOVERNMENTAL LENDER (WITH

RESPECT TO INDEMNIFICATION OF THE GOVERNMENTAL LENDER) OR THE GROSS NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD OF THE FISCAL AGENT (WITH RESPECT TO INDEMNIFICATION OF THE FISCAL AGENT).

27. Term. The obligations of the Governmental Lender, the Borrower and the Fiscal Agent, under this Agreement will survive the defeasance and discharge of the Governmental Note for as long as such matters are relevant to the exclusion from gross income of interest on the Governmental Note for federal income tax purposes.

28. Amendments.

(a) To the extent any amendments to the Code or the Regulations, which, as a matter of law, are applicable to the Project and, in the written opinion of Bond Counsel filed with the Governmental Lender, the Fiscal Agent and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Agreement, this Agreement will be deemed to be automatically amended to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as will be necessary to document such automatic amendment hereof.

(b) To the extent that the Code or the Regulations, or any amendments thereto, which, as a matter of law, are applicable to the Project and, in the written opinion of Bond Counsel filed with the Governmental Lender, the Fiscal Agent and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Agreement, this Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Governmental Lender, the Fiscal Agent and the Borrower and upon receipt of a Favorable Opinion of Bond Counsel.

(c) All reasonable costs, including fees and out-of-pocket expenses actually incurred by the Governmental Lender and the Fiscal Agent, in connection with an amendment to this Agreement will be paid by the Borrower and its successors in interest.

29. Remedies. The Governmental Lender, the Fiscal Agent, and the Borrower each hereby agrees that the remedies available Article VI of the Funding Loan Agreement and Article VII of the Project Loan Agreement apply upon the occurrence of an Event of Default (as defined under the Funding Loan Agreement or the Project Loan Agreement, as applicable) resulting from an action or omission of an action by any party hereunder with respect to any provision of this Agreement.

30. Miscellaneous.

(a) Severability. If any provision of this Agreement is ruled invalid by any court of competent jurisdiction, the invalidity of such provision will not affect any of the remaining provisions hereof.

(b) Counterparts. This Agreement may be executed in several counterparts, each of which will be an original and all of which will constitute but one and the same instrument.

(c) Notices. All notices, demands, communications and requests which may or are required to be given hereunder or by any party hereto will be deemed given on the date on which the same will have been mailed by registered or certified mail, postage prepaid, addressed to such parties at the addresses set forth in the Funding Loan Agreement and the Project Loan Agreement, as applicable.

(d) Successors and Assigns. The terms, provisions, covenants and conditions of this Agreement bind and inure to the benefit of the respective successors and assigns of the Governmental Lender, the Borrower, and the Fiscal Agent.

(e) Headings. The headings of this Agreement are inserted for convenience only and will not be deemed to constitute a part of this Agreement.

(f) Governing Law. This Agreement is governed by the laws of the State, without regard to the choice of law rules of the State. Venue for any action under this Agreement will lie within the district courts of the State, and the parties hereto consent to the jurisdiction and venue of any such court and hereby waive any argument that venue in such forums is not convenient.

CERTIFICATE OF INITIAL FUNDING LENDER

I, the undersigned authorized signatory of International Bank of Commerce (the “Initial Funding Lender”), make this certificate in connection with the Texas Department of Housing and Community Affairs Governmental Lender Note (Murdeaux Villas) Series 2021 (the “Governmental Lender Note”). Each capitalized term used herein has the meaning or is the amount, as the case may be, specified for such term in the Tax Exemption Agreement to which this Exhibit A is attached (the “Tax Exemption Agreement”). I hereby certify as follows as of the Issue Date of the Governmental Lender Note:

1. I am the duly chosen, qualified and acting authorized signatory for the Initial Funding Lender; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of the Initial Funding Lender.

2. The Initial Funding Lender is not acting as an Underwriter with respect to the Governmental Lender Note. The Initial Funding Lender has no present intention to sell, reoffer, or otherwise dispose of the Governmental Lender Note (or any portion of the Governmental Lender Note or any interest in the Governmental Lender Note); provided, however, that Initial Funding Lender has the right to transfer the Governmental Lender Note as provided in the Funding Loan Agreement. The Initial Funding Lender has not contracted with any person pursuant to a written agreement to have such person participate in the initial sale of the Governmental Lender Note, and the Initial Funding Lender has not agreed with the Governmental Lender pursuant to a written agreement to sell the Governmental Lender Note to persons other than the Initial Funding Lender or a Related Party to the Initial Funding Lender.

3. The Initial Funding Lender has purchased the Governmental Lender Note from the Governmental Lender for an aggregate purchase price of \$35,000,000 (the “Issue Price”), which price includes no amounts representing interest accrued on the Governmental Lender Note prior to the Issue Date of the Governmental Lender Note.

4. The interest rate floor of 4.75% that is part of the Construction Phase Interest Rate is not reasonably expected to cause the yield on the Governmental Lender Note during the Construction Phase Interest Period to be more than 25 basis points higher than such expected yield on the Governmental Lender Note determined without such floor.

5. For purposes of this Certificate of Initial Funding Lender, the following definitions apply:

(a) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

(b) “Related Party” means any two or more persons who are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another),

(B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interest or profits interest of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(c) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Governmental Lender (or with the lead underwriter to form an underwriting syndicate) to participate in any initial sale of the Governmental Lender Note to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in any initial sale of the Governmental Lender Note to the Public (including a member of a selling group or a party to a retail distribution agreement participating in any initial sale of the Governmental Lender Note to the Public).

The Governmental Lender may rely on the statements made herein in connection with making the representations set forth in the Tax Exemption Agreement and in its efforts to comply with the conditions imposed by the Code on the exclusion of interest on the Governmental Lender Note from the gross income of their owners. Bracewell LLP also may rely on this certificate for purposes of its opinion regarding the treatment of interest on the Governmental Lender Note as excludable from gross income for federal income tax purposes and the preparation of the Form 8038; provided, however, that nothing herein represents our interpretation of any laws and, in particular, Regulations under section 148 of the Code.

EXHIBIT C

CERTIFICATE OF FINANCIAL ADVISOR

I, the undersigned officer of Stifel, Nicolaus & Company, Incorporated (the “Financial Advisor”), make this certificate in connection with the \$35,000,000 Texas Department and Community Affairs Multifamily Note (Murdeaux Villas) Series 2021 (the “Governmental Note”). Each capitalized term used herein has the meaning or is the amount, as the case may be, specified for such term in the Tax Exemption Agreement to which this Exhibit B is attached (the “Tax Exemption Agreement”). I hereby certify as follows as of the Issue Date of the Governmental Note:

1. I am the duly chosen, qualified and acting officer of the Financial Advisor for the office shown below my signature; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of the Financial Advisor.

2. The Issue Price plus any Pre-Issuance Interest on the Governmental Note, based on the representations of the International Bank of Commerce in the Certificate of Initial Funding Lender attached as Exhibit A to the Tax Exemption Agreement, is not more than \$35,000,000.

3. Solely for the purposes of demonstrating the fact that the Yield on the Loan is not more than 1.5 percentage points higher than the Yield on the Governmental Note, the Financial Advisor computed the Yield on the Governmental Note, based on the Issue Price and assuming monthly compounding, a Construction Phase Rate of interest of [_____] percent per annum, a Conversion Date of [_____] , and a fixed rate of interest of [_____] percent per annum thereafter to the Maturity Date, to be [_____] percent and the Yield on the Loan to be [_____] percent. Accordingly, the Yield on the Loan does not exceed the Yield on the Governmental Note by more than 1.5 percentage points.

4. For purposes of determining the Yields in paragraph 3 above, the Financial Advisor has performed certain calculations relating to the Governmental Note and the Project Loan. Such calculations are attached hereto as Schedule I. The Financial Advisor hereby represents that such calculations are based on assumptions and methodologies provided by Bond Counsel and are in all material respects consistent with the assumptions and methodologies set forth in the “Yield on the Governmental Note” and “Yield on the Project Loan” paragraphs of the Tax Exemption Agreement. These calculations include calculations based upon assumptions, information, and estimates obtained from the Borrower and the Governmental Lender, which the Financial Advisor, based on its experience with similar transactions, has no reason to believe are not reasonable in light of the relevant facts and circumstances. To the best of the Financial Advisor’s knowledge, as of the Issue Date of the Governmental Note, no fact or circumstance has come to the Financial Advisor’s attention that conflicts with the assumptions, information and estimates described in the preceding sentence.

5. As shown in Schedule I attached hereto, the Financial Advisor computed the Weighted Average Maturity of the Governmental Note, calculated in accordance with the provisions of the Tax Exemption Agreement, to be [WAM] years.

6. The Financial Advisor represents that to the best of its knowledge as of the Issue Date of the Governmental Note, the statements set forth in paragraphs (a) through (c) of the “Not An Abusive Transaction” paragraph of the Tax Exemption Agreement are true.

The Governmental Lender may rely on the statements made herein in connection with making the representations set forth in the Tax Exemption Agreement and in its efforts to comply with the conditions imposed by the Code on the exclusion of interest on the Governmental Note from the gross income of their owners. Bracewell LLP also may rely on this certificate for purposes of its opinion regarding the treatment of interest on the Governmental Note as excludable from gross income for federal income tax purposes and the preparation of the Form 8038.

(Sphinx at Murdeaux)

THIS ASSIGNMENT, ASSUMPTION, CONSENT AND MODIFICATION AGREEMENT (this "Agreement") is dated as of _____, 2021 (the "Effective Date"), by and among MURDEAUX VILLAS, L.P., a Texas limited partnership (the "Seller"), MURDEAUX REHAB DEVELOPMENT, LP, a Texas limited partnership (the "Purchaser"), GARLAND HOUSING FINANCE CORPORATION, a Texas housing finance corporation ("GHFC"), and the TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS, a public and official agency of the State of Texas (the "Issuer").

WITNESSETH:

WHEREAS, the Issuer issued its \$13,400,000 Multifamily Housing Revenue Bonds (GNMA Collateralized Mortgage Loan-Sphinx at Murdeaux) Series 2003A and \$1,685,000 Multifamily Housing Revenue Bonds (GNMA Collateralized Mortgage Loan-Sphinx at Murdeaux) Taxable Series 2003B (collectively, the "Bonds") pursuant to the terms of that certain Trust Indenture dated as of May 1, 2003 (the "Indenture"), between the Issuer and Wells Fargo Bank Texas, N.A, as trustee (the "Trustee"); and

WHEREAS, the proceeds of the Bonds were loaned to the Seller to assist in the financing of a multifamily residential rental development, located in Dallas County, Texas, known as "Sphinx at Murdeaux" (the "Project") and located on the Land (as defined herein, and collectively with the Project, the "Development"), pursuant to that certain Loan Agreement dated as of May 1, 2003, among the Issuer, the Trustee and the Seller; and

WHEREAS, the Seller now desires to convey the Development to the Purchaser (the "Initial Conveyance") and in connection therewith the Purchaser desires to assume and perform the obligations of the Seller that accrue on and after the date hereof under the Regulatory and Land Use Restriction Agreement dated as of May 1, 2003 relating to the Bonds, which was filed and recorded of record on May 12, 2003 as Document No. 2332054 in the Official Public Records of Dallas County, Texas (the "Regulatory Agreement"), upon and against the real property more particularly described therein and in Exhibit "A" attached hereto and made a part hereof (the "Land"); and

WHEREAS, immediately following the Initial Conveyance, the Purchaser will convey fee simple title to the Land to GHFC and GHFC will then lease the Land to the Purchaser pursuant to a Ground Lease by and between GHFC, as landlord, and Purchaser, as tenant (together with the Initial Conveyance, the "Conveyance"); and

WHEREAS, the Issuer's consent to the Conveyance is required as a condition to such Conveyance in accordance with Section 10 of the Regulatory Agreement; and

WHEREAS, the Issuer is willing to consent to the Conveyance upon the following conditions: (1) there is delivered to the Issuer, with a copy to the Majority Owner (as defined in the Indenture), a written opinion of independent legal counsel reasonably satisfactory to the Issuer, addressed to the Issuer concluding that the Purchaser has duly assumed all of the rights and obligations of the Seller under the Regulatory Agreement and that each of the documents executed by the Purchaser in connection herewith has been duly authorized, executed and delivered by the Purchaser and is a valid and enforceable obligation of the Purchaser, subject to customary qualifications, (2) the Issuer receives a Favorable Opinion of Bond Counsel (as defined in the Indenture), which opinion shall be furnished at the expense of the Seller or the Purchaser, to the effect that such sale, transfer or disposition will not adversely affect the exclusion from gross income pursuant to the Code (as defined in the Indenture) of interest on the Bonds (other than interest on any Bond for a period during which such Bond is held by a "substantial user" of any facility financed with the proceeds of the Bonds or a "related person," as such terms are used in Section 147(a) of the Code and except as a result of any minimum tax, preference tax or other similar tax), (3) the Purchaser executes any document reasonably requested by the Issuer with respect to assuming the obligations of the Seller under the Regulatory Agreement and (4) the Issuer shall not have any reason to believe that the Purchaser is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements and instruments binding on the Purchaser relating to the Development, including but not limited to the Regulatory Agreement; and

NOW, THEREFORE, in consideration of the foregoing and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, as applicable, hereby agree as follows:

1. All capitalized terms used in this Agreement shall have the respective meanings set forth in the preamble hereof or, if not defined in the preamble hereof, shall have the respective meanings set forth in the Indenture.

2. The Purchaser hereby covenants and agrees to, and does by these premises, assume all of the rights and obligations of the Seller under the terms of the Regulatory Agreement that accrue on and after the Effective Date, including payment of the Issuer Compliance Fee at the rate of \$25 per unit in the Development per year for the duration of the State Restrictive Period. The Purchaser hereby further covenants and agrees to operate the Development in such a manner so as to comply with the provisions of the Regulatory Agreement, including, but not limited to, to operate the Development as a "qualified residential rental project" within the meaning of section 142(d) of the Internal Revenue Code of 1986, as amended. The Purchaser acknowledges that execution of this Agreement is a condition to obtaining the consent of the Issuer to the Conveyance.

3. By its execution of this Agreement, the Issuer hereby (i) consents to the Conveyance, as such consent is required by the Regulatory Agreement, (ii) waives the requirement under Section 10 of the Regulatory Agreement that the Issuer receive an assumption fee, and (iii) agrees to amend the Regulatory Agreement by replacing in its entirety Exhibit B attached to the Regulatory Agreement with Exhibit "B" hereto.

Notwithstanding anything herein to the contrary, the obligations and agreements of GHFC contained herein and in any other instrument or document executed in connection herewith, and any other instrument or document

supplemental thereto or hereto, shall be deemed the obligations and agreements of GHFC, and not of any member, officer, agent or employee of GHFC in his/her individual capacity, and the members, officers, agents and employees of GHFC shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. Notwithstanding anything to the contrary set forth herein, the parties will not look to GHFC or any principal, member, director, officer or employee of GHFC with respect to any pecuniary covenant, stipulation, promise, agreement or obligation contained herein. In enforcing its rights and remedies under the Regulatory Agreement, the Issuer will look solely to the Development and/or the Purchaser for the performance of the provisions hereof; provided, however, this sentence and the provisions of the immediately preceding sentence with respect to GHFC shall cease to be of any force or effect upon the exercise of any direct right of possession in, or the direct operation of, the Development by GHFC.

Seller is hereby released from and relieved of any and all liability under the Regulatory Agreement for any acts or events or obligations arising after the Effective Date, except to the extent that such obligations relate to noncompliance with the Regulatory Agreement that occurred prior to the Effective Date.

10. The parties hereto acknowledge and agree that as of the Effective Date the Trustee shall no longer have any duties or responsibilities under the Regulatory Agreement and all references to the Trustee in the Regulatory Agreement shall be deemed references to the Issuer.

15. The Seller and the Purchaser each hereby verify that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent any of this Agreement is a contract for goods or services, will not boycott Israel during the term of the Agreement. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. 16. To the extent this Agreement is a contract for goods or services, the Seller and the Purchaser each represent that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Seller or the Purchaser and each of such entity's parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Seller and the Purchaser each understand 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Seller or the Purchaser, respectively, and exists to make a profit.
