INTRODUCTION

This Official Statement provides certain information concerning the Texas Department of Housing and Community Affairs (the "Department") in connection with the issuance of its Residential Mortgage Revenue and Refunding Bonds, Series 2025B (the "Series 2025B Bonds") and Residential Mortgage Revenue Bonds, Taxable Series 2025C (the "Series 2025C Bonds" and, together with the Series 2025B Bonds, the "Series 2025 Bonds"). Capitalized terms used but not otherwise defined herein shall have the respective meanings for such terms as set forth in "APPENDIX A – GLOSSARY."

The Department, a public and official agency of the State of Texas (the "State"), was created and organized pursuant to and in accordance with the provisions of Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, collectively, the "Act") for the purpose of, among other things, financing sanitary, decent and safe housing for individuals and families of low and very low income and families of moderate income. The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and all functions and obligations of which were transferred to the Department pursuant to the Act. Under the Act, the Department may issue bonds, notes and other obligations to finance or refinance residential housing and multi-family developments located in the State and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. See "THE DEPARTMENT."

The Series 2025 Bonds are authorized to be issued pursuant to the Act, a resolution adopted by the Governing Board of the Department (the "Board") on October 10, 2024, (the "Resolution"), the Pricing Certificates (as hereafter defined), an Amended and Restated Residential Mortgage Revenue Bond Trust Indenture, dated as of July 1, 2019 (the "Master Indenture" and as amended and supplemented from time to time, collectively, the "Trust Indenture") between the Department and The Bank of New York Mellon Trust Company, N.A., Houston, Texas, as trustee (the "Trustee"), a Forty-Sixth Supplemental Residential Mortgage Revenue Bond Trust Indenture dated as of June 1, 2025 (the "Forty-Sixth Supplemental Indenture") with respect to the Series 2025B Bonds and a Forty-Seventh Supplemental Residential Mortgage Revenue Bond Trust Indenture dated as of June 1, 2025 (the "Forty-Seventh Supplemental Indenture" and together with the Forty-Sixth Supplemental Indenture, the "2025 Supplemental Indentures") with respect to the Series 2025C Bonds. As permitted by Chapter 1371, Texas Government Code, as amended ("Chapter 1371"), the Board in the Resolution delegated the authority to certain authorized representatives (each, an "Authorized Representative") to execute a pricing certificate with respect to each of the Series 2025B Bonds and the Series 2025C Bonds (each a "Pricing Certificate" and collectively "Pricing Certificates") specifying final pricing terms with respect to the Series 2025 Bonds. The Trust Indenture authorizes the Department to issue bonds to provide funds to, among various things, (i) acquire or refinance single family mortgage loans or participations therein ("Mortgage Loans") that are made to Eligible Borrowers, as determined from time to time by the Department, (ii) purchase mortgage-backed securities (the "Mortgage Certificates") that are backed by Mortgage Loans and guaranteed by the

Government National Mortgage Association (“GNMA” or “Ginnie Mae”), (iii) refund Outstanding Bonds issued under the Trust Indenture, and (iv) to pay costs associated therewith.

The Department has previously issued multiple series of single family mortgage revenue bonds under the Trust Indenture of which \$1,500,665,584 in aggregate principal amount was Outstanding as of January 31, 2025 and issued its Residential Mortgage Revenue and Refunding Bonds, Series 2025A under the Trust Indenture in an original principal amount of \$175,000,000 on February 12, 2025 (collectively, the “Prior Bonds”). See “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – The Prior Bonds.”

The Series 2025 Bonds, the Prior Bonds and, unless subordinated, all bonds subsequently issued pursuant to the Trust Indenture (collectively, the “Bonds”) are equally and ratably secured by the Trust Estate held by the Trustee pursuant to the Trust Indenture. See “THE TRUST INDENTURE” and “SECURITY FOR THE BONDS – Additional Bonds.”

Proceeds of the Series 2025B Bonds in the amount of \$164,845,000 and proceeds of the Series 2025C Bonds in the amount of \$62,500,000 are being issued for the primary purpose of (i) acquiring Mortgage Loans, or participations therein, through the purchase of Mortgage Certificates guaranteed as to timely payment of principal and interest by Ginnie Mae (such Mortgage Certificates purchased with proceeds of the Series 2025B Bonds referred to herein as the “2025B Mortgage Certificates” and such Mortgage Certificates purchased with proceeds of the Series 2025C Bonds referred to herein as the “2025C Mortgage Certificates,” collectively, referred to as the “2025 Mortgage Certificates”) which represent beneficial ownership of pools of Mortgage Loans, including funding loans for down payment and closing cost assistance (as hereinafter defined, the “DPA Loans”) with respect to Assisted Mortgage Loans, (ii) paying lender compensation related to the 2025 Mortgage Loans, and (iii) paying Costs of Issuance. See “PLAN OF FINANCE.”

Proceeds of the Series 2025B Bonds in the amount of \$22,655,000 are being used as part of the Department’s volume cap recycling program to repay amounts owed under the Advances and Securities Agreement, dated November 1, 2016, by and between the Federal Home Loan Bank of Dallas and the Department, as amended, and the side letters executed pursuant thereto (the “FHLB Agreement”), representing recycled mortgage loan repayments, thereby (i) providing funds for the purchase of 2025 Mortgage Certificates, (ii) funding DPA Loans, and (iii) paying lender compensation related to the 2025 Mortgage Loans. See “PLAN OF FINANCE.”

The Series 2025 Bonds are on a parity in all respects with all Outstanding Prior Bonds and, unless subordinated, any Bonds subsequently issued. The Prior Bonds are payable solely from and are secured by a pledge of and lien on the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), Investment Securities, moneys held in the Funds (excluding the Rebate Fund) and other property pledged under the Trust Indenture (collectively, the “Trust Estate”). The Trust Estate currently includes, among other things, Mortgage Certificates which were purchased with the proceeds of the Prior Bonds. The Mortgage Certificates are guaranteed by GNMA or Fannie Mae. See “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – The Prior Bonds – Mortgage Loans and Mortgage Certificates.” There is no requirement that proceeds of subsequent issues of Bonds be used to purchase Mortgage Certificates. All payments with respect to principal of and interest on Mortgage Loans (net of servicing fees) and on Mortgage Certificates (net of servicing and guaranty fees) received by the Department and the earnings on investments of Funds and accounts held pursuant to the Trust Indenture constitute Revenues. The pledge of and lien on the Trust Estate is subject to discharge if moneys or qualified securities sufficient to provide for the payment of all Outstanding Bonds are deposited and held in trust for such payment. See “SECURITY FOR THE BONDS.”

THE SERIES 2025 BONDS

General

The Series 2025 Bonds will be dated the date of delivery. The Series 2025 Bonds are issuable only as fully registered bonds, without coupons, and will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as the Bond Depository for the Series 2025 Bonds. The Series 2025 Bonds will be available to purchasers in book-entry form only in denominations of \$5,000 or any integral multiple thereof, as more fully described herein. The principal or Redemption Price of, and interest on, the Series 2025 Bonds will be payable by the Trustee to DTC, which will be responsible for making such payments to DTC Participants (hereinafter defined) for subsequent remittance to the owners of beneficial interests in the Series 2025 Bonds or their nominees. See “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – DTC and Book-Entry.”

The Series 2025 Bonds mature on the dates and in the amounts set forth on the inside cover hereof.

Interest Rates

The Series 2025 Bonds will accrue interest from the date of delivery, until maturity or prior redemption at the respective per annum rates of interest set forth on the inside cover page hereof. Interest accrued on the Series 2025 Bonds will be payable on January 1, 2026, and semiannually on each January 1 and July 1 thereafter until maturity or prior redemption. Interest on the Series 2025 Bonds will be calculated on the basis of a 360-day year composed of twelve 30-day months.

Redemption Provisions

Series 2025B Bonds

The Series 2025B Bonds are subject to optional redemption, special redemption, and mandatory sinking fund redemption at various times prior to their scheduled maturities at various Redemption Prices as described below. **The Department anticipates that a significant portion of the Series 2025B Bonds will be redeemed prior to their scheduled maturities as the result of the receipt by the Department of amounts representing Mortgage Loan Principal Payments (consisting of all amounts representing scheduled payments of principal and any Mortgage Loan Principal Prepayments) and from Excess**

Revenues (including residual Trust Indenture revenues whether or not derived in connection with the Series 2025B Bonds).

Special Redemption from Unexpended Proceeds of Series 2025B Bonds

The Series 2025B Bonds are subject to special redemption from unexpended proceeds of the Series 2025B Bonds, prior to their stated maturities, in whole or in part. The Redemption Price of the Series 2025B Bonds to be so redeemed shall be equal to (a) for all Series 2025B Bonds other than the 2025B Premium PAC Term Bond, 100% of the principal amount thereof; and (b) for the 2025B Premium PAC Term Bond the applicable Redemption Price that maintains the respective original yields on the 2025B Premium PAC Term Bond (as calculated by the Department and as shown on a schedule attached to the Forty-Sixth Supplemental Indenture), plus accrued interest thereon to, but not including, the date of redemption. Notwithstanding the foregoing, a De Minimis Special Redemption shall be treated as a Special Redemption from Mortgage Loan Principal Payments relating to the 2025B Mortgage Certificates and Series 2025B Bonds shall be redeemed as described under “Special Redemption from 2025B Mortgage Loan Principal Payments” below. In the event of a redemption of the 2025B Premium PAC Term Bond as described in this paragraph on a date other than a redemption date listed on the schedule attached to the Forty-Sixth Supplemental Indenture, the Redemption Price, as of such redemption date, will be determined by the Department using straight-line interpolation between the Redemption Prices for the redemption dates listed on such schedule immediately preceding and succeeding such redemption date.

Such Special Redemption from Unexpended Proceeds may occur at any time on or after March 1, 2026, unless the Certificate Purchase Period is extended in accordance with the Forty-Sixth Supplemental Indenture. In no event will the redemption occur later than December 1, 2028.

As described in “INVESTMENT CONSIDERATIONS – Non-Origination of Mortgage Loans,” in fiscal year 2024, the Department has averaged approximately \$82 million per month in GNMA mortgage-backed securities issued that are backed by tax-exempt bond eligible mortgage loans, exclusive of loans for which a mortgage credit certificate was issued. The Department has not had an unexpended proceeds call since November 1, 2010.

Except for the De Minimis Special Redemption, the Series 2025B Bonds to be redeemed as described in this subcaption shall be selected by the Trustee on a pro rata basis among all maturities unless otherwise directed by the Department pursuant to a Letter of Instructions accompanied by a Cashflow Certificate.

Special Redemption from 2025B Mortgage Loan Principal Payments

The Series 2025B Bonds are subject to redemption prior to maturity and shall be redeemed, in whole or in part, at any time and from time to time as directed by the Department pursuant to a Letter of Instructions but at least once during each semiannual period commencing with the semiannual period ending on January 1, 2026, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2025B Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from certain amounts relating to Mortgage Loan Principal Payments from the 2025BC Mortgage Certificates transferred to the 2025B Special Redemption Account in accordance with the Trust Indenture.

In the event of a redemption from Mortgage Loan Principal Payments, the Trustee shall select the particular Series 2025B Bonds to be redeemed as follows:

- (a) the Trustee shall redeem the 2025B Premium PAC Term Bond, but only to the extent that the Outstanding principal amount of such 2025B Premium PAC Term Bond following any such redemption is not less than the 2025B Premium PAC Term Bond Outstanding Applicable Amount as of such date;

The Series 2025B Premium PAC Term Bond Outstanding Applicable Amount is as follows:

(b) amounts remaining following the redemptions described in clause (a) above shall be applied, unless otherwise directed by a Letter of Instructions accompanied by a Cashflow Certificate, to redeem all other Series 2025B Bonds (other than the 2025B Premium PAC Term Bond) on a proportionate basis until the Outstanding principal amount of all Series 2025B Bonds has been reduced to the Series 2025B Cumulative Applicable Amount as of such date;

1/1/2032	42,465,000	and thereafter	
7/1/2032	36,070,000		

(c) amounts remaining following the redemptions described in clauses (a) and (b) above shall be applied, unless otherwise directed by a Letter of Instructions accompanied by a Cashflow Certificate, to redeem all Series 2025B Bonds (including the 2025B Premium PAC Term Bond), on a proportionate basis after taking into account the amounts applied to redeem the Series 2025B Bonds pursuant to the above-described redemptions.

If any Series 2025B Bonds are redeemed as described in “Special Redemption from Unexpended Proceeds of Series 2025B Bonds” herein (other than a De Minimis Special Redemption), the 2025B

Premium PAC Term Bond Outstanding Applicable Amount and the Series 2025B Cumulative Applicable Amount described for the current and each future period will be reduced on a proportionate basis.

With regard to (b) and (c) above, in lieu of redeeming Series 2025B Bonds and subject to the requirements under the Forty-Sixty Supplemental Indenture and/or described in the tax certificate executed by the Department with respect to the Series 2025B Bonds, the Department can otherwise instruct the Trustee pursuant to a Letter of Instructions accompanied by a Cashflow Certificate to transfer moneys on deposit in the 2025B Principal Account, the 2025B Revenue Account, or the 2025B Special Redemption Account to either: (a) the 2025B Mortgage Loan Account to be used to make or purchase Mortgage Loans, or (b) to the redemption of a different series of Bonds, subject to any additional covenants made in the applicable Series Supplement.

Special Redemption From Excess Revenues

The Series 2025B Bonds are subject to redemption prior to maturity and may be redeemed, in whole or in part, at any time and from time to time as directed by the Department pursuant to a Letter of Instructions but at least once during each semiannual period commencing with the semiannual period ending on January 1, 2026, after giving notice as provided in the Trust Indenture and in accordance with a Letter of Instructions, at a Redemption Price equal to one hundred percent (100%) of the principal amount of such Series 2025B Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from amounts transferred to the 2025B Special Redemption Account from the Residual Revenues Fund in accordance with the Forty-Sixth Supplemental Indenture (whether or not derived in connection with the Series 2025B Bonds).

In the event of a redemption from Excess Revenues, the Trustee shall apply amounts transferred to the 2025B Special Redemption Account from the Residual Revenues Fund in accordance with the Trust Indenture to redeem the Series 2025B Bonds Outstanding in the same manner described in clauses (a) and (b) under “Special Redemption from 2025B Mortgage Loan Principal Payments” above, unless otherwise instructed by the Department pursuant to a Letter of Instructions accompanied by a Cashflow Certificate.

Cross calls of the 2025B Bonds, with Mortgage Loan Principal Payments securing any Series of Bonds other than the Series 2025B Bonds are permitted, but only to the extent permitted in accordance with the Series Supplement authorizing such Series of Bonds, and, as applicable, as described in the tax certificate executed by the Department in connection therewith, except that no such Mortgage Loan Principal Payments may be applied to the redemption of the 2025B Premium PAC Term Bond so as to reduce the Outstanding principal amount of the 2025B Premium PAC Term Bond below the 2025B Premium PAC Term Bond Outstanding Applicable Amount as of the date of any such redemption.

Prior to the payment in full of the Series 2025C Bonds, the Trustee may transfer any amounts as set forth or described in a Letter of Instructions from the 2025B Residual Revenues Account either to (x) the 2025B Special Redemption Account to be used to redeem Series 2025B Bonds in accordance with the Forty-Sixth Supplemental Indenture, or (y) the 2025C Revenue Account to be used to pay Series 2025C Bonds in accordance with the Forty-Seventh Supplemental Indenture.

Optional Redemption

The Series 2025B Bonds (except for the 2025B Premium PAC Term Bond) maturing on or after January 1, 2034, are subject to redemption prior to maturity, in whole or in part, at any time and from time to time, on and after July 1, 2033, at the option of the Department after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of such Series 2025B Bonds or portions thereof to be redeemed, plus accrued interest, if any, to, but not including, the redemption date.

The 2025B Premium PAC Term Bond is subject to redemption prior to maturity, in whole or in part at any time and from time to time, on and after July 1, 2033, at the option of the Department after giving notice as provided in the Trust Indenture, at the Redemption Prices set forth below (expressed as a percentage of the principal amount to be redeemed), in each case together with interest accrued thereon to, but not including, the redemption date:

<u>Redemption Date</u>	<u>Redemption Price</u>
July 1, 2033	103.186%
January 1, 2034	102.789%

If the 2025B Premium PAC Term Bond is redeemed on a date other than a redemption date listed above, the Redemption Price, as of such redemption date, will be determined by the Department using straight-line interpolation between the Redemption Prices for the redemption dates listed above immediately preceding and succeeding such redemption date.

Special Redemption from Unexpended Proceeds of Series 2025C Bonds

The Series 2025C Bonds are subject to special redemption from unexpended proceeds of the Series 2025C Bonds, prior to their stated maturities, in whole or in part. The Redemption Price of the Series 2025C Bonds to be so redeemed shall be equal to (i) for Series 2025C Bonds other than the 2025C Premium PAC Term Bond, 100% of the principal amount thereof, without premium, and (ii) for the 2025C Premium PAC Term Bond the applicable Redemption Price that maintains the respective original yields on the 2025C Premium PAC Term Bond (as calculated by the Department and as shown on a schedule attached to the Forty-Seventh Supplemental Indenture); plus, in each case, accrued interest thereon to, but not including, the date of redemption; except that a De Minimis Special Redemption shall be treated as Special Redemption from Mortgage Loan Principal Payments relating to the 2025C Mortgage Certificates and such portion of the Series 2025C Bonds shall be redeemed as described below under “Special Redemption from 2025C Mortgage Loan Principal Payments.” In the event of a redemption of the 2025C Premium PAC Term Bond as described in this paragraph on a date other than a redemption date listed the schedule attached to the Forty-Seventh Supplemental Indenture, the Redemption Price, as of such redemption date, will be determined by the Department using straight-line interpolation between the Redemption Prices for the redemption dates listed on such schedule immediately preceding and succeeding such redemption date.

Such Special Redemption from Unexpended Proceeds may occur at any time on or after March 1, 2026, unless the Certificate Purchase Period is extended in accordance with the Forty-Seventh Supplemental Indenture.

As described in “INVESTMENT CONSIDERATIONS – Non-Origination of Mortgage Loans,” in fiscal year 2024, the Department has averaged approximately \$82 million per month in GNMA mortgage-backed securities issued that are backed by tax-exempt bond eligible mortgage loans, exclusive of loans for which a mortgage credit certificate was issued. The Department has not had an unexpended proceeds call since November 1, 2010.

Except for the De Minimis Special Redemption, the Series 2025C Bonds to be redeemed as described in this subcaption shall be selected by the Trustee on a pro rata basis among all maturities unless otherwise directed by the Department pursuant to a Letter of Instructions accompanied by a Cashflow Certificate.

Special Redemption from 2025C Mortgage Loan Principal Payments

The Series 2025C Bonds, are subject to redemption prior to maturity and shall be redeemed, in whole or in part, at any time and from time to time as directed by the Department pursuant to a Letter of Instructions, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2025C Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from certain amounts relating to Mortgage Loan Principal Payments from the 2025C Mortgage Certificates transferred to the 2025C Special Redemption Account in accordance with the Trust Indenture.

In the event of a redemption from Mortgage Loan Principal Payments, the Trustee shall select the particular Series 2025C Bonds to be redeemed as follows:

- (a) the Trustee shall redeem the 2025C Premium PAC Term Bond, but only to the extent that the Outstanding principal amount of such 2025C Premium PAC Term Bond following any such redemption is not less than the 2025C Premium PAC Term Bond Outstanding Applicable Amount as of such date;

(c) amounts remaining following the redemptions described in clauses (a) and (b) above shall be applied, unless otherwise directed by a Letter of Instructions accompanied by a Cashflow Certificate, to redeem all Series 2025C Bonds (including the 2025C Premium PAC Term Bond), on a proportionate basis after taking into account the amounts applied to redeem the Series 2025C Bonds pursuant to the above-described redemptions.

If any Series 2025C Bonds are redeemed as described in “Special Redemption from Unexpended Proceeds of Series 2025C Bonds” herein (other than a De Minimis Special Redemption), the 2025C Premium PAC Term Bond Outstanding Applicable Amount and the Series 2025C Cumulative Applicable Amount described for the current and each future period will be reduced on a proportionate basis.

With regard to (b) and (c) above, in lieu of redeeming Series 2025C Bonds, the Department can otherwise instruct the Trustee pursuant to a Letter of Instructions accompanied by a Cashflow Certificate to

transfer moneys on deposit in the 2025C Principal Account, the 2025C Revenue Account, or the 2025C Special Redemption Account to either: (a) the 2025C Mortgage Loan Account to be used to make or purchase Mortgage Loans, or (b) to the redemption of a different series of Bonds, subject to any additional covenants made in the applicable Series Supplement.

Special Redemption From Excess Revenues

The Series 2025C Bonds are subject to redemption prior to maturity and may be redeemed, in whole or in part, at any time and from time to time as directed by the Department pursuant to a Letter of Instructions, after giving notice as provided in the Trust Indenture and in accordance with a Letter of Instructions, at a Redemption Price equal to one hundred percent (100%) of the principal amount of such Series 2025C Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date from amounts transferred to the 2025C Special Redemption Account from the Residual Revenues Fund in accordance with the Forty-Seventh Supplemental Indenture (including Excess Revenues from the Series 2025B Bonds transferred to the 2025C Revenue Account pursuant to the Forty-Sixth Supplemental Indenture and other revenues whether or not derived in connection with the Series 2025C Bonds).

In the event of a redemption from Excess Revenues, the Trustee shall apply amounts transferred to the 2025C Special Redemption Account in accordance with the Trust Indenture to redeem the Series 2025C Bonds Outstanding in the same manner described in clauses (a) and (b) under “Special Redemption from 2025C Mortgage Loan Principal Payments” above, unless otherwise instructed by the Department pursuant to a Letter of Instructions accompanied by a Cashflow Certificate.

Cross calls of the Series 2025C Bonds, with any Mortgage Loan Principal Payments securing any Series of Bonds other than the Series 2025C Bonds are permitted, but only to the extent permitted in accordance with the Series Supplement authorizing such Series of Bonds, and, as applicable, as described in the tax certificate executed by the Department in connection therewith, except that no such Mortgage Loan Principal Payments may be applied to the redemption of the 2025C Premium PAC Term Bond so as to reduce the Outstanding principal amount of the 2025C Premium PAC Term Bond below the 2025C Premium PAC Term Bond Outstanding Applicable Amount as of the date of any such redemption.

Optional Redemption

The Series 2025C Bonds, except for the 2025C Premium PAC Term Bond, maturing on or after January 1, 2034, are subject to redemption prior to maturity, in whole or in part, at any time and from time to time on and after July 1, 2033, at the option of the Department, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2025C Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date.

The 2025C Premium PAC Term Bond is subject to redemption prior to maturity, in whole or in part at any time and from time to time, on and after July 1, 2033, at the option of the Department after giving notice as provided in the Trust Indenture, at the Redemption Prices set forth below (expressed as a percentage of the principal amount to be redeemed), in each case together with interest accrued thereon to, but not including, the redemption date:

<u>Redemption Date</u>	<u>Redemption Price</u>

January 1, 2034 and thereafter	100.000%

If the 2025C Premium PAC Term Bond is redeemed on a date other than a redemption date listed above, the Redemption Price, as of such redemption date, will be determined by the Department using straight-line interpolation between the Redemption Prices for the redemption dates listed above immediately preceding and succeeding such redemption date.

Mandatory Sinking Fund Redemption

The Series 2025C Bonds maturing on the respective dates specified below are subject to scheduled mandatory redemption prior to maturity and shall be redeemed, after giving notice as provided in the Trust Indenture, in the aggregate principal amounts and on the dates set forth in the following tables, at a Redemption Price equal to 100% of the principal amount of such Series 2025C Bonds or portions thereof to be redeemed, plus accrued interest if any, to, but not including, the redemption date, from amounts that have been transferred to the 2025C Principal Account from the 2025C Revenue Account:

Partial Redemption

Except as described in “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025B -- Special Redemption from Unexpended Proceeds of Series 2025B Bonds,” “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025B – Special Redemption from 2025B Mortgage Loan Principal Payments” “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025B – Special Redemption from Excess Revenues,” “THE SERIES 2025 BONDS – Redemption Provisions - Series 2025C - Special Redemption from Unexpended Proceeds of Series 2025C Bonds,” "THE SERIES 2025 BONDS – Redemption Provisions – Series 2025C – Special Redemption from 2025C Mortgage Loan Principal Payments” and “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025C – Special Redemption from Excess Revenues,” if less than all of the Series 2025 Bonds of the same maturity and interest rate shall be called for prior redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed in part shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate; provided, however, that any Series 2025 Bond redeemed in part shall be redeemed in an amount such that the unredeemed portion thereof shall equal an Authorized Denomination, and provided further that, in selecting Series 2025 Bonds for redemption, the Trustee shall treat each Series 2025 Bond in a denomination greater than the minimum Authorized Denomination as representing that number of Series 2025 Bonds of the minimum Authorized Denomination which is obtained by dividing the Principal Amount at maturity of such Series 2025 Bond by the minimum Authorized Denomination. See “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – DTC and Book-Entry.”

Notice of Redemption

Except as provided below, the Trustee shall give notice, in the name of the Department, of the redemption of Series 2025 Bonds to the holders thereof, which notice shall specify the maturity and interest rates of the Series 2025 Bonds to be redeemed, the redemption date and the method and place or places of payment of the Redemption Price of such Series 2025 Bonds, the conditions, if any, to such redemption and, if less than all of the Series 2025 Bonds are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2025 Bonds so to be redeemed, and, in the case of Series 2025 Bonds

to be redeemed in part only, such notices shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2025 Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal amount thereof, in the case of Series 2025 Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. If applicable, such notice shall provide that the redemption of the Series 2025 Bonds is conditioned upon moneys being available for such purpose on the redemption date or such other conditions as may be set forth in such notice. See “THE SERIES 2025 BONDS – Conditional Notices of Redemption.”

The Trustee shall mail a copy of such notice by first class mail, postage prepaid, not less than 30 days, nor more than 60 days prior to the redemption date to the holders of any Series 2025 Bonds or portions thereof which are to be redeemed, at the address shown on the registration books maintained by the Trustee.

Conditional Notices of Redemption

The Department reserves the right to give notice of its election or direction to redeem Series 2025 Bonds conditioned upon the occurrence of subsequent events.

Payment of Redeemed Bonds

Notice having been given as provided in the Trust Indenture, the Series 2025 Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Series 2025 Bond, the Department shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Series 2025 Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Series 2025 Bond so surrendered, Series 2025 Bonds of like maturity, interest rate and aggregate principal amount in any Authorized Denomination. If, on the redemption date, moneys for the redemption of all the Series 2025 Bonds or portions thereof of any like maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as specified in the Trust Indenture, then, from and after the redemption date, interest on the Series 2025 Bonds or portions thereof of like maturity so called for redemption shall cease to accrue and become payable. If such moneys shall not be available on the redemption date, such Series 2025 Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Purchase in Lieu of Redemption

The Trust Indenture permits the purchase of Bonds, including the Series 2025 Bonds, in the open market in lieu of redemption of such Series 2025 Bonds. Any such purchase may be at a price not exceeding the then applicable Redemption Price for such Series 2025 Bonds.

Average Life and Prepayment Speeds

Prepayments on mortgage loans are commonly measured relative to a prepayment standard or model. The SIFMA Prepayment Model represents an assumed monthly rate of prepayment of the then outstanding principal balance of a pool of new mortgage loans. The SIFMA Prepayment Model does not purport to be either an historical description of the prepayment of any pool of mortgage loans or a prediction of the anticipated rate of prepayment of any pool of mortgage loans, including the 2025B Mortgage Certificates and the 2025C Mortgage Certificates. One hundred percent (100%) of the SIFMA Prepayment Model assumes prepayment rates of 0.2 percent per year of the then unpaid principal balance of such mortgage loans in the first month of the life of the mortgage loans and an additional 0.2 percent per year in each month thereafter (for example, 0.4 percent per year in the second month) until the 30th month.

Beginning in the 30th month and in each month thereafter during the life of the mortgage loans, 100 percent of the SIFMA Prepayment Model assumes a constant prepayment rate of six percent per year. Multiples will be calculated from this prepayment rate speed e.g., 200 percent of the SIFMA Prepayment Model assumes prepayment rates will be 0.4 percent per year on month one, 0.8 percent per year in month two, reaching 12 percent per year in month 30 and remaining constant at 12 percent per year thereafter. The amounts shown in the tables under “THE SERIES 2025 BONDS—Redemption Provisions—Series 2025B Bonds—Special Redemption from 2025B Mortgage Loan Principal Payments” above for 2025B Premium PAC Term Bond Outstanding Applicable Amount and for Series 2025B Cumulative Applicable Amount and the amounts shown in the tables under “THE SERIES 2025 BONDS—Redemption Provisions—Series 2025C Bonds—Special Redemption from 2025C Mortgage Loan Principal Payments” above for 2025C Premium PAC Term Bond Outstanding Applicable Amount and for Series 2025C Cumulative Applicable Amount are based on many assumptions, including (i) receipt of prepayments on the 2025B Mortgage Loans equal to 75 percent of SIFMA's standard prepayment model (as further described below) (the “SIFMA Prepayment Model”) in the case of Premium PAC Term Bond Outstanding Applicable Amount and 400 percent of the SIFMA Prepayment Model in the case of the Series 2025B Cumulative Outstanding Applicable Amount; (ii) receipt of prepayments on the 2025C Mortgage Loans equal to 75 percent of SIFMA's standard prepayment model (as further described below) (the “SIFMA Prepayment Model”) in the case of the 2025C Premium PAC Term Bond Outstanding Applicable Amount and 400 percent of the SIFMA Prepayment Model in the case of the Series 2025C Cumulative Outstanding Applicable Amount; and (iii) that 100 percent of the moneys on deposit in the 2025B Mortgage Loan Account and 2025C Mortgage Loan Account attributable to the proceeds of the Series 2025B Bonds and Series 2025C Bonds will be used to purchase 2025B Mortgage Certificates and 2025C Mortgage Certificates, respectively.

The following table assumes, among other things, that:

- (i) all amounts in the 2025B Mortgage Loan Account and in the 2025C Mortgage Loan Account will be used to purchase 2025 Mortgage Certificates and DPA Loans;
- (ii) 2025 Mortgage Loans will be purchased on average on August 31, 2025;
- (iii) \$112,500,000 of 2025 Mortgage Loans (Non-Targeted Areas) will have an original term of 30 years with three (3) points of repayable DPA Loans and have an average interest rate of 6.49% per annum;
- (iv) \$22,500,000 of 2025 Mortgage Loans (Targeted Areas) will have an original term of 30 years with three (3) points of repayable DPA Loans and have an average interest rate of 6.34% per annum;
- (v) \$10,000,000 of 2025 Mortgage Loans (Non-Targeted Areas) will have an original term of 30 years with four (4) points of repayable DPA Loans and have an average interest rate of 6.69% per annum;
- (vi) \$2,500,000 of 2025 Mortgage Loans (Targeted Areas) will have an original term of 30 years with four (4) points of repayable DPA Loans and have an average interest rate of 6.55% per annum;
- (vii) \$90,000,000 of 2025 Mortgage Loans (Non-Targeted Areas) will be “Low Rate Option Loans” with an original term of 30 years with no DPA Loans and have an average interest rate of 6.15% per annum;
- (viii) \$12,500,000 of 2025 Mortgage Loans (Targeted Areas) will be “Low Rate Option Loans” with an original term of 30 years with no DPA Loans and have an average interest rate of 6.00% per annum;
- (ix) Trustee's fees will be 0.02% per annum of Series 2025B Bonds and Series 2025C Bonds outstanding with an annual minimum of \$3,500 payable monthly;

(x) 2025 Mortgage Loans prepay at the indicated percentage of the SIFMA Prepayment Model;

(xi) all 2025 Mortgage Loans are pooled and assigned to GNMA upon the issuance to the Trustee of GNMA Certificates and payments on such Mortgage Certificates are timely made and used on a timely basis to redeem the Series 2025B Bonds and the Series 2025C Bonds, as described in (xiii) and (xiv) below;

(xii) the Series 2025B Bonds and the Series 2025C Bonds, respectively are not redeemed pursuant to unexpended proceeds redemption;

(xiii) the Series 2025 Bonds, other than the 2025B Premium PAC Term Bond and the 2025C Premium PAC Term Bond where noted, are not redeemed pursuant to optional redemption;

(xiv) no amounts allocable to any other series of Bonds are used to cross-call the Series 2025 Bonds and no amounts allocable to the Series 2025 Bonds are used to cross-call any other series of Bonds;

(xv) the Investment Securities held in each of the 2025B Mortgage Loan Account and the 2025C Mortgage Loan Account, respectively, will pay interest at the rate of 0% per annum and the Investment Securities held in each of the 2025B Revenue Fund and the 2025C Revenue Fund, respectively, will pay interest at the rate of 0% per annum for the first three years and 0.05% per annum thereafter;

(xvi) Series 2025 Bonds will be redeemed semi-annually as described under “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025B Bonds – Special Redemption from 2025B Mortgage Loan Principal Payments” for the respective Series 2025B and “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025C Bonds – Special Redemption from 2025C Mortgage Loan Principal Payments” for the respective Series 2025C Bonds; and

(xvii) Series 2025 Bonds will be redeemed semi-annually as described under “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025B Bonds – Special Redemption from Excess Revenues” for the respective Series 2025B Bonds and “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025C Bonds – Special Redemption from Excess Revenues” for the respective Series 2025C Bonds.

In addition to the table above, “APPENDIX F – TABLE OF PROJECTED WEIGHTED AVERAGE LIFE DATA AT VARIOUS PREPAYMENT SPEEDS” sets forth a table of additional average life-related data at various prepayment speeds.

The holder of less than all of the Outstanding principal amount of a 2025B Premium PAC Term Bond, 2025C Premium PAC Term Bond, or a Term Bond may not achieve the results indicated above. The Department does not undertake to update this table or any other projections contained in this Official

Statement based on the Department's actual experience with respect to repayment and prepayment of the Series 2025 Bonds. See "INVESTMENT CONSIDERATIONS" herein for a discussion of certain factors that may affect the rate of prepayments of the Mortgage Loans.

The SIFMA Prepayment Benchmark does not purport to be a prediction of the anticipated rate of Prepayments of the Mortgage Loans, and there is no assurance that the prepayments of the Mortgage Loans will conform to any of the assumed prepayment rates. See "INVESTMENT CONSIDERATIONS" herein for a discussion of certain factors that may affect the rate of Prepayments of the Mortgage Loans. The Department makes no representation as to the percentage of the principal balance of the Mortgage Loans that will be paid as of any date or as to the overall rate of prepayment. Investors may view the Department's website for information regarding the Trust Estate, including information regarding Mortgage Loans and Mortgage Certificates. Investors should be aware of the disclaimers before viewing, particularly the Department's representation that it has no obligation to update its website.

The information set forth above with respect to the prepayment experience (as a percentage of the SIFMA Prepayment Model) has been obtained from sources which are believed to be reliable, but such information is not guaranteed as to accuracy or completeness and is not to be construed as a representation of the Department, the Municipal Advisor or the Underwriters.

SECURITY FOR THE BONDS

Pledge of Trust Indenture

The Bonds, including the Series 2025 Bonds, the Prior Bonds and, unless subordinated, all bonds subsequently issued pursuant to the Trust Indenture are equally and ratably secured by the Trust Indenture for the equal benefit, protection and security of the owners of the Bonds, each of which, regardless of time of issuance or maturity, is to be of equal rank without preference, priority or distinction, except as otherwise provided in the Trust Indenture.

Principal or Redemption Price of and interest on all Bonds are payable solely from and are secured by a pledge of and lien on the Trust Estate, which consists generally of the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), money, and Investment Securities held in the Funds (excluding the Rebate Fund), and other property pledged under the Trust Indenture and any Supplemental Indenture. Revenues include all payments with respect to the Mortgage Loans (net of servicing, accounting and collection fees) which include Mortgage Certificates (net of servicing and guaranty fees) and the earnings on investments of amounts held under the Trust Indenture and any Supplemental Indenture. Revenues do not include payments made in order to obtain or maintain mortgage insurance and fire and other hazard insurance with respect to Mortgage Loans (including Mortgage Certificates), and any payments required to be made with respect to Mortgage Loans (including Mortgage Certificates) for taxes, other governmental charges, and other similar charges customarily required to be escrowed on mortgage loans or commitment fees or other financing charges paid by a Mortgage Lender or the Master Servicer to the Department in connection with a commitment to sell and deliver Mortgage Loans (including Mortgage Certificates) to the Department.

The structure of Program 111 allows Eligible Borrowers to choose between Mortgage Loans offered either at various levels of down payment assistance ("Assisted Option") or without an

accompanying DPA Loan (“Low Rate Option”). Mortgage Loans will bear interest at annual rates announced from time to time by the Department. All Assisted Option Loans are accompanied by a DPA Loan that provides funds for down payment and closing cost assistance in the form of a second lien loan with no stated interest in an amount equal to a percentage of the original principal amount of the related first lien Assisted Mortgage Loan. DPA Loans are due on sale, refinance, or repayment of the first mortgage, and have a thirty year term. Borrowers choosing the Low Rate Option do not receive down payment or closing cost assistance. The Department reserves the right to modify the down payment assistance options available through Program 111 at any time.

The Series 2025 Bonds are limited obligations of the Department and are payable solely from the Revenues and funds pledged for the payment thereof as more fully described herein. Neither the State nor any agency of the State, other than the Department, nor the United States of America nor any agency, department or other instrumentality thereof, including GNMA, and Fannie Mae, is obligated to pay the principal or Redemption Price of, or interest on, the Series 2025 Bonds. Neither the faith and credit nor the taxing power of the State or the United States of America is pledged, given or loaned to such payment. The Department has no taxing power. GNMA and Fannie Mae guarantee only the payment of the principal of and interest on the GNMA Certificates and Fannie Mae Certificates, respectively, when due and do not guarantee the payment of the Series 2025 Bonds or any other obligations issued by the Department.

Supplemental Mortgage Security

The Trust Indenture requires that each Mortgage Loan be further secured by Supplemental Mortgage Security, if any, as provided in the Supplemental Indenture authorizing the Series of Bonds used to purchase such Mortgage Loan. Pursuant to the 2025 Supplemental Indentures, the Department has determined that the Supplemental Mortgage Security for the 2025 Mortgage Loans shall be the guaranty of timely payment of principal and interest provided by Ginnie Mae pursuant to the Ginnie Mae Certificates.

Cashflow Statement and Asset Test

The Department is required to deliver periodically a “Cashflow Statement” prepared or verified by a nationally-recognized firm experienced in preparing mortgage revenue bond cashflows, comparing estimates of Revenues with the debt service requirements and Department Expenses with respect to Outstanding Bonds, which Cashflow Statement must demonstrate the sufficiency of such Revenues to pay scheduled debt service on the Bonds and Department Expenses at their respective requirements under each of the scenarios required by the Rating Agencies. Under the terms of the Trust Indenture, such Cashflow Statements must incorporate certain assumptions concerning Mortgage Loan Principal Prepayments, reinvestment rates, expenses and certain other assumptions as required by the Rating Agencies. The Cashflow Statement is required to be prepared (i) upon the issuance of a Series of Bonds; (ii) upon the adjustment of the interest rate or rates on a Series of Bonds, unless otherwise required by the applicable Series Supplement; (iii) upon the purchase or redemption of Bonds other than as assumed in the Cashflow Statement most recently filed with the Trustee; (iv) upon the application of Mortgage Loan Principal Payments other than as assumed in the Cashflow Statement most recently filed with the Trustee; (v) upon the application of amounts in the Residual Revenues Fund other than as assumed in the Cashflow Statement most recently filed with the Trustee; (vi) at such times, if any, as may be required by a Supplemental Indenture; and (vii) not later than two and one-half years after the date of filing of the most recent Cashflow Statement. The Department, at its option, may file a revised or amended Cashflow Statement with the Trustee at any time.

The Department has covenanted in the Trust Indenture that it will not make, acquire, refinance or sell Mortgage Loans or Mortgage Certificates or purchase or redeem Bonds, including the Series 2025 Bonds, or take certain other actions permitted under the Trust Indenture, unless such actions are consistent with the assumptions set forth in its most recent Cashflow Statement.

Moneys held under the Trust Indenture in excess of the amounts required by the Asset Test (hereinafter described) may, at the written direction of the Department accompanied by a Cashflow Certificate, be transferred to the Department to be used for any purpose authorized or permitted by the Act, free and clear of the pledge and lien of the Trust Indenture. In general, the Asset Test is deemed satisfied if the outstanding principal balance of the Mortgage Loans and Mortgage Certificates and money and Investment Securities held in all Funds (other than the Cost of Issuance Fund, Expense Fund, Rebate Fund and any mortgage pool self-insurance reserve established by the Department with respect to Mortgage Loans) is at least equal to 102% of the principal amount of Bonds Outstanding. See “THE TRUST INDENTURE – Residual Revenues Fund.”

Additional Bonds

Various series of Bonds, including refunding Bonds, may be issued as provided in the Trust Indenture on a parity with the Bonds of all other Series, secured by a pledge of and lien on the Trust Estate. As a condition to the issuance of additional Bonds, including refunding Bonds, the Department must deliver various items to the Trustee including the opinions of Bond Counsel to the effect that, among other things, the series of Bonds is validly issued in accordance with the Trust Indenture and the Act. The Department must also deliver to the Trustee a Cashflow Statement which gives effect to the issuance of such additional Bonds as described above under “Cashflow Statement and Asset Test” and a written confirmation from each Rating Agency that the issuance of Bonds of each Series will not adversely affect the rating then in effect on any Outstanding Bonds (determined without regard to any Credit Agreement). The Department has reserved the right to adopt one or more other bond indentures and to issue other obligations payable from sources other than the Trust Estate or, payable from the Trust Estate, including the Revenues, if the pledge of and lien on the Trust Estate and the Revenues is junior to or subordinate to the pledge of and lien on the Trust Estate and the Revenues.

Outstanding Subordinate Lien Obligation

The Department entered into a Loan Agreement dated September 28, 2016 (the “Subordinate Loan Agreement”), with Woodforest National Bank (“Woodforest”) for a secured draw down credit facility in an aggregate principal amount not to exceed \$10,000,000 as evidenced by the Department's Series 2016 Issuer Note (the “Subordinate Note”). The Department has drawn the full \$10,000,000 authorized amount under the Subordinate Loan Agreement, all of which currently is outstanding. The Subordinate Note bears interest at 1.0% per annum and no scheduled interest or principal payments are payable until the stated maturity date of September 28, 2026. The Subordinate Note is secured by and payable solely from a lien on and pledge of the Trust Estate established by the Trust Indenture, which lien and pledge expressly is subordinate to the lien and pledge of the Trust Estate securing the Series 2025 Bonds and the Outstanding Prior Bonds. Proceeds from the Subordinate Note were used to make down payment assistance loans to qualified borrowers. Upon the occurrence of an event of default under the terms of the Subordinate Loan Agreement (which includes whenever the amount determined pursuant to the Asset Test is less than 102% plus the then outstanding amount of the Subordinate Note), the Subordinate Note will bear interest at a per annum rate of 6.0% and the outstanding principal amount thereof may be declared to be immediately due and payable. Upon the Trustee's receipt of written notice from Woodforest that the Department has failed to pay the Subordinate Note in full when due, the Trustee will transfer the unpaid amount from the Residual Revenues Fund to Woodforest to the extent permitted by the provisions of the Trust Indenture described in the last paragraph under “THE TRUST INDENTURE – Residual Revenues Fund.”

Sale of Mortgage Certificates and Mortgage Loans

The Department may, at its election, sell, assign, transfer or otherwise dispose of any Mortgage Loan or Mortgage Certificate, in whole or in part, or any of the rights of the Department with respect to any Mortgage Loan or Mortgage Certificate, in whole or in part, free and clear of the lien of the Trust

Indenture, but only if a Cashflow Statement establishes that such sale, assignment, transfer or other disposition will not adversely affect the ability of the Department to pay when due the principal or Redemption Price of and interest on the Bonds and the Rating Agency shall have confirmed that such sale, assignment, transfer or other disposition will not have an adverse effect on the rating then in effect on the Bonds. The Department may also sell any Mortgage Loan, Mortgage Certificate or other obligation evidencing or securing a Mortgage Loan if it is necessary for the Department to take such action in order to maintain the excludability of interest on any of the Bonds from gross income for federal income tax purposes. If proceeds from the sale of the Mortgage Certificates are to be applied to the redemption of Series 2025 Bonds, such Series 2025 Bonds must be redeemed under the applicable redemption provision of the Trust Indenture. See “THE SERIES 2025 BONDS – Redemption Provisions.”

Certain Information as to Revenues, Investments, Debt Service and Department Expenses

On the basis of the Cashflow Statement prepared in connection with the issuance of the Series 2025 Bonds, the Department expects that the scheduled payments, together with Mortgage Loan Principal Prepayments received, if any, of the principal of and interest on the Mortgage Loans and the Mortgage Certificates and amounts held under the Trust Indenture and the earnings thereon, will be sufficient to pay the principal or Redemption Price of and interest on the Series 2025 Bonds and all other Prior Bonds Outstanding when due. In arriving at the foregoing conclusions, the Department has included all Series 2025 Bonds and Prior Bonds but has not considered the issuance of additional Bonds or the application or investment of the proceeds thereof. Since obligations issued under the Trust Indenture, unless subordinated, will rank equally and ratably with the Series 2025 Bonds and the Prior Bonds with respect to the security afforded by the Trust Indenture, the availability of money for repayment thereof could be significantly affected by the issuance, application and investment of proceeds of additional Bonds.

The maturity of and mandatory sinking fund installments of the Series 2025 Bonds have been established on the basis of the consolidated scheduled payments of the Mortgage Loans (including Mortgage Certificates) under the Trust Indenture. The interest rates on the Mortgage Loans acquired with moneys made available from the issuance of the Series 2025 Bonds will be established so that, together with payments of principal of and interest on the Mortgage Loans and the Mortgage Certificates outstanding under the Trust Indenture and moneys on deposit in the various funds and accounts under the Trust Indenture (as well as income derived from investments thereof), sufficient Revenues will be expected to be available to pay on a timely basis the principal of and interest on all Bonds outstanding under the Trust Indenture, including the Series 2025 Bonds and certain other amounts required to be paid under the Trust Indenture. Such expectation is based on, among others, the following assumptions:

- (a) moneys held in the Mortgage Loan Fund, the Revenue Fund and the Residual Revenues Fund will be invested at the rates per annum applicable to each (a portion of the earnings from which may be subject to rebate to the United States Department of Treasury), and timely payments will be made to the Trustee of amounts due under such investments;
- (b) the payments on the Mortgage Loans (including the Mortgage Certificates) will be made in full and received by or on behalf of the Department on the 30th day following their scheduled payment dates;
- (c) the Mortgage Lenders, the servicers, and the Master Servicers will perform their duties in a timely manner;
- (d) all future expenses with respect to the Bonds and administering and servicing the Mortgage Loans, including the Trustee's fees and payment of Department Expenses, will be paid in full on a timely basis from interest paid on the Mortgage Loans and the Mortgage Certificates and investment income on funds held by the Trustee;

(e) all of the lendable proceeds of the Series 2025 Bonds will be used to purchase Mortgage Certificates representing Mortgage Loans with terms of thirty (30) years that will provide for payment of principal and interest in approximately equal monthly installments; and

(f) the proceeds of the Series 2025 Bonds will be used to provide for the purchase of Mortgage Certificates, all of which are projected to be GNMA Certificates.

The Department makes no assurances that the foregoing assumptions can be realized, particularly in times of market turmoil. In particular, the Department establishes the interest rates on the Mortgage Loans (including Mortgage Certificates) on an ongoing basis as the Department deems necessary and appropriate, subject to the requirements of the Trust Indenture, including the Cashflow Statement. Interest rates are determined by reference to conventional mortgage rates, availability of mortgage funding alternatives, historical interest rate patterns and the Department's cost of funds.

INVESTMENT CONSIDERATIONS

Future Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the United States Congress and in states that, if enacted, could alter the federal and state tax matters referred to herein or otherwise prevent beneficial owners of the Bonds from realizing the full current benefit of the tax status of such interest, and thus adversely affect the market value of the Bonds, and/or change the expected characteristics of the Bonds (such as loan origination and loan prepayment rates). It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted it, would apply retroactively to bonds (such as the Bonds) issued prior to enactment. In addition, executive, regulatory or other administrative actions may be taken or proposed to be taken from time to time, or litigation may be threatened or commenced, which could adversely affect the market value of the Bonds. Purchasers of the Bonds should consult their tax advisors in the event of any such proposed or pending legislation, executive, regulatory or administrative initiatives or litigation. The opinions expressed by Bond Counsel with respect to the Bonds are based upon existing law as of the date of issuance of the Bonds and Bond Counsel assumes no obligation to revise or supplement such opinions in the event of any changes that occur after such date of issuance.

Termination of Mortgage Loans and Mortgage Certificates

The maturity and sinking fund redemption installments of the Series 2025 Bonds were determined on the basis of the assumption that there will be no early terminations of the Mortgage Loans or the Mortgage Certificates relating to the Series 2025 Bonds. The Department expects Mortgage Loans and Mortgage Certificates relating to the Series 2025 Bonds will be terminated prior to final maturity as a result of Mortgage Loan Principal Prepayments. All Mortgage Loan Principal Prepayments relating to the Series 2025 Bonds will be deposited in the applicable subaccount of the Revenue Fund and transferred to the 2025 Special Redemption Account for use to redeem the applicable series of the Series 2025 Bonds or other Bonds in accordance with the Trust Indenture or used to acquire new Mortgage Loans or participations therein. **Accordingly, the Department anticipates that a significant portion of the Series 2025 Bonds will be redeemed prior to their scheduled maturity.**

Mortgage Loan Principal Prepayments

The Department anticipates that the Trustee will receive Mortgage Loan Principal Prepayments on the Mortgage Certificates. Mortgage Loan Principal Prepayments are usually the result of the resale of the premises securing a Mortgage Loan or the refinancing of a Mortgage Loan due to changes in mortgage interest rates. Therefore, economic and financial market conditions may have a significant short-term effect on the rate of prepayments. The Department is not aware of any means which would allow it to accurately predict the actual level of prepayments it will receive from the Mortgage Certificates. Mortgage Loan Principal Prepayments on the Mortgage Certificates may be applied to the prepayment of the respective series of the Series 2025 Bonds or used to acquire new Mortgage Loans or participations therein. See "THE

SERIES 2025 BONDS – Redemption Provisions – Series 2025B Bonds – Special Redemption from 2025B Mortgage Loan Principal Payments” and “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025C Bonds – Special Redemption from 2025C Mortgage Loan Principal Payments.”

10-Year Rule

The “10-Year Rule” (Section 143(a)(2)(A)(iv) of the Code), as it is commonly called, generally requires that scheduled payments and prepayments of the principal of the 2025 Mortgage Certificates allocable to the Series 2025B Bonds must be used to redeem the Series 2025B Bonds to the extent such repayments are received more than 10 years after the issue date thereof (or, with respect to any tax-exempt Bonds redeemed by the Series 2025B Bonds, the original Bond). Such principal payments, when received, are considered “Restricted Principal Receipts”. The 10-Year Rule generally limits the Department’s ability to cross-call Bonds from Restricted Principal Receipts or to recycle such Restricted Principal Receipts. If the United States Congress were to amend or repeal the 10-Year Rule, such repeal may lead to increased recycling or to the cross-calling of the Bonds (including, but not limited to, the Series 2025 Bonds).

Non-Origination of Mortgage Loans

One of the principal factors in originating Mortgage Loans is the availability of funds to make such loans at interest rates and on other terms that prospective borrowers can afford and will find attractive. The Department has determined that there is a shortage of funds in the State to make such loans at interest rates and on terms that a substantial number of potential borrowers within the State can afford. Should mortgage interest rate levels decline, or should one or more alternative governmental programs become available at below market rates, mortgage loans could become available at rates competitive with or lower than the rate specified for the Mortgage Loans, and the total amount of Mortgage Loans anticipated to be originated under the Program may not be so originated.

Non-origination may also be effected by other programs of the Department as described in “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – Other Department Programs.”

The failure to originate Mortgage Loans, or the inability to deliver Mortgage Certificates to the Trustee in the amounts contemplated from proceeds of the Series 2025 Bonds, will result in redemption of Series 2025 Bonds prior to their stated maturities. See “THE SERIES 2025 BONDS — Redemption Provisions - Series 2025B Bonds – Special Redemption from Unexpended Proceeds of Series 2025B Bonds” and “THE SERIES 2025 BONDS – Redemption Provisions – Series 2025C Bonds – Special Redemption from Unexpended Proceeds of Series 2025C Bonds.”

In fiscal year 2024, the Department has averaged approximately \$82 million per month in GNMA mortgage-backed securities issued that are backed by tax-exempt bond eligible mortgage loans, exclusive of loans for which a mortgage credit certificate was issued. The Department has not had an unexpended proceeds call since November 1, 2010.

Availability of Remedies

The remedies available to the owners of the Series 2025 Bonds upon an Event of Default under the Trust Indenture or other documents described herein are in certain respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code, the remedies specified by the federal bankruptcy laws, the Trust Indenture and the various Program documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will, therefore, be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency, or other similar laws affecting the rights

of creditors generally and by general principles of equity which permit the exercise of judicial discretion, and by principles of sovereign immunity.

Disclaimer Regarding Cyber Risks

The Department, like other public and private entities, relies on computer and other digital networks and systems to conduct its operations. As a recipient and provider of personal, private or other electronic sensitive information, the Department may be the subject of cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized remote access to the Department's systems for the purposes of misappropriating assets or information or causing operational disruption or damage, or demanding ransom for restored access to files or information. No assurance can be given that the Department's current efforts to manage cyber threats and security will, in all cases, be successful. The Department cannot predict what future cyber security events may occur and what impact said events could have on its operations or finances.

The Department relies on other entities and service providers in the course of operating the Department's programs, as well as other trustees, custodians, fiscal agents and dissemination agents. No assurance can be given that future cyber threats and attacks against other third party entities or service providers will not impact the Department and the owners of the Series 2025 Bonds, including the possibility of impacting the timely payments of debt service of the Series 2025 Bonds or timely filings pursuant to the Disclosure Agreement.

THE DEPARTMENT

General

The Department, a public and official agency of the State of Texas (the "State") was created pursuant to and in accordance with Chapter 2306, Texas Government Code, as amended from time to time (together with other laws of the State applicable to the Department, the "Act"). The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and their functions and obligations transferred to the Department. One of the purposes of the Department is to provide for the housing needs of individuals and families of low, very low and extremely low income and families of moderate income in the State. Pursuant to the Act, the Department may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Department.

The Department is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the "Sunset Act") and its continued existence is subject to a review process that resulted in passage of legislation in the Seventy-Eighth Legislative Session in 2003 which continued the Department in existence until September 1, 2011. House Bill 3361 extended the existence of the Department until September 2025, at which time it will be subject to review. The Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor of the State shall designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act that the State will not limit or alter the rights vested in the Department to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such

holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

Purpose and Impact

The Department is the state agency responsible for affordable housing, community and energy assistance programs, colonia activities, and regulation of the state's manufactured housing industry. The Department currently administers \$2 billion through for-profit, nonprofit, and local government partnerships to deliver local housing and community based opportunities and assistance to Texans in need. The overwhelming majority of the Department's resources are derived from mortgage revenue bond financing and refinancing, federal grants, and federal tax credits.

The mission of the Department is to administer its assigned programs efficiently, transparently, and lawfully and to invest its resources strategically and develop high quality affordable housing which allows Texas communities to thrive.

Aligning with the Department's mission, proceeds of the Series 2025 Bonds will be primarily used to purchase Mortgage Certificates secured by qualified Mortgage Loans and will fund down payment and closing cost assistance. Mortgage Loans will primarily include loans originated under the My First Texas Home Program to qualified individuals and families whose gross annual household income does not exceed 115% AMFI (100% for households of 2 persons or less), based on IRS adjusted income limits, or 140% AMFI (120% for households of 2 persons or less) if in a targeted area. Eligible Borrowers must generally be first-time homebuyers, qualified veterans, or purchasing in a targeted area. See also “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, AND OTHER MATTERS – The Program and the Mortgage Loans.”

For the period April 1, 2023 through March 31, 2025, the Department financed almost \$1.6 billion of first lien loans with bond proceeds and assisted 6,682 households. Approximately 82% of the number of Mortgage Loans were made to families with incomes less than 80% AMFI. The distribution of income bands for the borrowers of Mortgage Loans purchased with Series 2025 Bonds is expected to be similar to previously financed loans in the Department's Single Family Mortgage Revenue Bond Program.

The Department intends to prepare a voluntary report after proceeds of the Series 2025 Bonds have been fully disbursed to purchase Mortgage Certificates, and post this report to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access ("EMMA") system. The voluntary report is expected to take the form presented in "APPENDIX H - USE OF PROCEEDS REPORT" of this Official Statement, and is expected to include information regarding the Mortgage Loans financed with the proceeds of the Series 2025 Bonds and how such proceeds were spent.

Governing Board

The Department is governed by a governing board (the "Board") consisting of seven public members, appointed by the Governor, with the advice and consent of the State Senate. Board members hold office for six year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural, and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor of the State designates a member of the Board to serve as the presiding officer (the "Chair") of the Board at the pleasure of the Governor. The Chair presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In addition, the members of the Board elect one of its members as assistant presiding officer (the "Vice Chair") to perform the duties of the Chair when the Chair is not present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual and neither office holder must be a Board member) to perform the duties prescribed by the Board.

One seat on the Board is currently vacant. The remaining members of the Board, their occupations and their terms of office are as follows:

LEO VASQUEZ, Chair and Board Member. Corporate Finance and Business Management Consultant, Houston, Texas. His term expires January 31, 2029.

KENNY MARCHANT, Vice Chair and Board Member. Retired U.S. Representative for the 24th Congressional District of Texas, Coppell, Texas. His term expires January 31, 2025.

CINDY CONROY, Board Member. Director of community outreach and aide to the chairman of WestStar bank, El Paso, Texas. Her term expires January 31, 2027.

ANNA MARIA FARIAS, Board Member. Retired Assistant Secretary, Office of Fair Housing and Equal Opportunity at the U.S. Department of Housing and Urban Development, a U.S. Senate-confirmed position, San Antonio, Texas. Her term expires January 31, 2027.

AJAY THOMAS, Board Member. Executive Vice President and U.S. Head of Public Finance for FHN Financial, a division of First Horizon Bank, Austin, Texas. His term expires January 31, 2025.

HOLLAND HARPER, Board Member. Chief Development Officer of Harrison, Walker and Harper, LLC, Paris, Texas. His term expires January 31, 2029.

All of the above Board members have been appointed by the Governor and confirmed by the State Senate. Under Article 16 §17 of the Texas Constitution, all state officers continue to perform the duties of their offices until their successors are duly qualified. This ensures that, until the Governor appoints a replacement, the requirements of office are satisfied.

Administrative Personnel

The Act provides that the Department is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director serves at the pleasure of the Board, but may also be removed by a newly elected Governor who did not approve the Executive Director's appointment by action taken within 90 days after such Governor takes office. The Executive Director is responsible for administering the Department and its personnel. The Executive Director may, within the limitations established by the General Appropriations Act, employ other employees necessary for the discharge of the duties of the Department, subject to the annual budget and the provisions of any resolution authorizing the issuance of the Department's bonds.

Currently, the Department has approximately 359 employees. The following is a biographical summary of certain of the Department's senior staff members who have responsibility with respect to single family housing matters.

ROBERT WILKINSON, Executive Director. Mr. Wilkinson was hired by the Governing Board to serve as the Executive Director at the Board meeting of July 25, 2019, and he began his tenure on August 15, 2019. Most recently, Mr. Wilkinson served as the Deputy Budget Director to Texas Governor Greg Abbott. Mr. Wilkinson served in the Budget and Policy Division within the Office of the Governor for the first three legislative sessions of Governor Abbott's administration; 2015, 2017, and 2019. His duties included the development of the Governor's proposed budgets, the analysis and tracking hundreds of filed bills including the General Appropriations Act, the development of policy, and the coordination of governance with executive state agencies. Housing and the Department were important elements of Mr. Wilkinson's portfolio of responsibility from 2014 (under former Governor Rick Perry) through 2019. Before 2014, Mr. Wilkinson held other positions within the Office of the Governor and worked in the private sector in various capacities including a stint as a project manager at a large commercial electrical contractor. Mr. Wilkinson received his Bachelor of Arts from the University of Texas at Austin.

SCOTT FLETCHER, Director of Bond Finance. Mr. Fletcher joined the Department in July of 2022, where he is responsible for management, strategic planning and oversight of the Department's Bond Finance Division. He oversees the issuance of single family bonds and notes as well as the day to day management of mortgage banking activities. Mr. Fletcher has over 30 years of experience in municipal fixed income and public finance leadership. He received a BSBA from The University of Nebraska in Lincoln and an MBA from The University of Missouri in Kansas City.

Down payment assistance, credit counseling and overall buyer and seller education are an integral part of the important work of the Texas Homebuyer Team. Prior to joining the Department, Ms. Johnson worked diligently to help borrowers, investors and builders to reach their real estate goals as a licensed Texas Loan Officer and remains a licensed Texas Real Estate Agent.

JAMES “BEAU” ECCLES, General Counsel. J. Beau Eccles joined the Department in June 2015 as its General Counsel and is responsible for coordination of all internal and external legal counsel for the Department. Before joining the Department, Mr. Eccles served as an Assistant Texas Attorney General for thirteen years, including five years as Deputy Chief, then two years as Chief, of the General Litigation Division. Mr. Eccles is a graduate of the Texas Tech School of Law, and received his B.A. from the University of Texas at Austin.

THE TRUST INDENTURE

General

The Trust Indenture, which includes the Master Indenture and each of the Series Supplements and amendments thereto relating to the Bonds, contains various covenants and security provisions, certain of which are summarized below. In addition, the Trust Indenture contains requirements for the purchase of Mortgage Loans and certain covenants with respect to applicable provisions of federal income tax law. See “TAX MATTERS.” Reference should be made to the Trust Indenture, a copy of which may be obtained from the Department, for a full and complete statement of its provisions.

Funds and Accounts

The following Funds have been established under the Master Indenture: Mortgage Loan Fund; Cost of Issuance Fund; Revenue Fund; Interest Fund; Principal Fund; Special Redemption Fund; Residual Revenues Fund; and Expense Fund and the 1998/1999A Special Mortgage Loan Fund established under the Tenth Series Supplement. The Series Supplements create within each Fund separate accounts for each Series or related Series of Bonds. The Forty-Sixth Supplemental Indenture and Forty-Seventh Supplemental Indenture create accounts for the Series 2025 Bonds within each listed Fund. The accounts so created do not grant a priority of one Series of Bonds over that of any other Series of Bonds, but are for accounting purposes only. In addition, the Forty-Sixth Supplemental Indenture establishes a 2025B Rebate Fund.

Mortgage Loan Fund

The Trustee is required to apply amounts in the Mortgage Loan Fund to pay the costs of making, acquiring, or refinancing Mortgage Loans (including the acquisition of Mortgage Certificates), and accrued interest thereon, if so directed in a Letter of Instructions from the Department. Any such disbursements are required to be within the certificate purchase period relating to the particular Series of Bonds. The Trustee is required to transfer amounts in the Mortgage Loan Fund relating to an account established for each Series of the Bonds to the Special Redemption Fund at the end of each Mortgage Loan origination period for such Series to pay the Redemption Price of Bonds of each Series to be redeemed or the purchase price of Bonds to be purchased. To the extent required by the provisions of the Master Indenture summarized below under the subheading “Withdrawals from Funds to Pay Debt Service”, amounts in the Mortgage Loan Fund may be applied to the payment of principal or Redemption Price of and interest on the Bonds. See “SECURITY FOR THE BONDS –Sale of Mortgage Certificates and Mortgage Loans” and “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – The Program and the Mortgage Loans – Mortgage Loans.”

Cost of Issuance Fund

Amounts credited to the Cost of Issuance Fund may be applied to pay Costs of Issuance. If at any time amounts on deposit in the Cost of Issuance Fund are in excess of the amounts reasonably required to pay Costs of Issuance (and do not represent proceeds of the Series 2025 Bonds), the Department may transfer such excess to the Department.

Revenue Fund

All Revenues are required to be deposited into the Revenue Fund promptly upon receipt by the Department. Prior to the transfer of any other amount from the Revenue Fund, the Department may transfer from the Revenue Fund an amount equal to any rebatable arbitrage to the Rebate Fund. On or before each interest payment date on the Bonds, the Trustee will transfer from the Revenue Fund to the Interest Fund an amount which, when added to any amounts already on deposit therein, will equal the amount of interest to become due and payable on the Bonds on such interest payment date.

On or before each maturity date and each date fixed for the redemption of Bonds, the Trustee is required to transfer amounts on deposit in the Revenue Fund representing Mortgage Loan Principal Payments to the Principal Fund, the Mortgage Loan Fund or to the Special Redemption Fund at the Department's direction by a Letter of Instructions accompanied by a Cashflow Certificate or, in the absence of such instructions, as required by the Series Supplements.

On or before each maturity date and each date fixed for redemption of Bonds, the Trustee also must transfer from the Revenue Fund the other amounts on deposit therein in the following order of priority:

(a) first, to the Interest Fund, an amount, if any, which, when added to any amounts already on deposit therein, will equal the amount of interest to become due and payable on the Bonds on such maturity date or redemption date;

(b) second, to the Principal Fund, an amount which, when added to any amounts already on deposit therein, will equal the principal amount of all Bonds maturing on such date and the Redemption Price of all Bonds becoming subject to scheduled mandatory redemption on such redemption date;

(c) third, to the Expense Fund, the amount or amounts specified in the Series Supplements applicable to the Bonds then Outstanding as being necessary to pay Department Expenses consisting of amounts, if any, to be paid to obtain or maintain Supplemental Mortgage Security;

(d) fourth, to the Expense Fund, the amount then required for the payment of Department Expenses (other than as described in clause (c) above), but not in excess of the maximum amount specified in the applicable Series Supplements applicable to the Bonds then Outstanding;

(e) fifth, to the Special Mortgage Loan Fund, the amount, if any, specified in the most recent Cashflow Statement as required by the Series Supplement to maintain the tax-exempt status of the Bonds; and

(f) finally, to the Residual Revenues Fund, the portion, if any, of the amount remaining in the Revenue Fund on such maturity date or redemption date after the foregoing transfers, which the Department directs to be so transferred. Any such amounts transferred to the Residual Revenues Fund constitute "Excess Revenues." See "THE TRUST INDENTURE – Residual Revenues Fund."

Interest Fund and Principal Fund

The Trustee is required to pay out of the Interest Fund by each interest payment date or date fixed for redemption of Bonds, the amount required for the interest payment due on such date. The Trustee is required to pay out of the Principal Fund by each date on which Bonds mature or become subject to scheduled mandatory redemption, the amount required for the payment of the principal amount of Bonds maturing and the Redemption Price of the Bonds subject to scheduled mandatory redemption on such date.

The Trustee, at any time at the direction of the Department in a Letter of Instructions accompanied by a Cashflow Certificate, is required to apply amounts available in the Principal Fund to pay the purchase price of Bonds.

Special Redemption Fund

Amounts in the Special Redemption Fund are required to be applied by the Trustee to pay the Redemption Price of the Bonds becoming subject to redemption (other than by scheduled mandatory redemption) or, at the direction of the Department, may be transferred to the Revenue Fund if notice of redemption has not been given or such amounts have not been committed to the purchase of Bonds. The Trustee, at any time at the direction of the Department in a Letter of Instructions accompanied by a Cashflow Certificate, is required to apply amounts available in the Special Redemption Fund to pay the purchase price of Bonds.

Expense Fund

Amounts in the Expense Fund may be paid out from time to time by the Department for Department Expenses, taxes, insurance, foreclosure fees, including appraisal and legal fees, security, repairs and other expenses incurred by the Department in connection with the protection and enforcement of its rights in any Mortgage Loan and the preservation of the mortgaged property securing such Mortgage Loans. Excess amounts in the Expense Fund may be transferred to the Revenue Fund at the direction of the Department.

Residual Revenues Fund

During such time as the Department is not meeting the asset test described in the next paragraph (the "Asset Test"), amounts in the Residual Revenues Fund are required to be retained in the Residual Revenues Fund or transferred to the Mortgage Loan Fund or the Special Redemption Fund, as directed by a Letter of Instructions from the Department accompanied by a Cashflow Certificate or, in the absence of such instructions, as may be required by the applicable Series Supplements.

The Department will be deemed to have met the Asset Test if: (i) the Department has on file with the Trustee a Cashflow Statement giving effect to a transfer and release proposed as described in the next paragraph; and (ii) as of the date of such Cashflow Statement, the sum of the outstanding principal balance of the Mortgage Loans and the Mortgage Certificates, and the money and Investment Securities (valued at their amortized values as required by the Trust Indenture) held in all Funds (other than the Cost of Issuance Fund, the Expense Fund and any mortgage pool self-insurance reserve established by the Department with respect to the Mortgage Loans) is at least equal to 102% of the aggregate principal amount of Bonds then Outstanding.

If at any time the Department meets the Asset Test, the Trustee is required to apply amounts in the Residual Revenues Fund (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test) as follows: (i) the Trustee is required to transfer such amounts to the Mortgage Loan Fund or the Special Redemption Fund or remit such amounts to the Department to be used for any purpose authorized or permitted by the Act, free and clear of the pledge and lien of the Trust Indenture, if so directed by a Letter of Instructions from the Department; or (ii) in the absence of such instructions, the Trustee is required to retain such amounts in the Residual Revenues Fund.

Rebate Fund

Funds on deposit in the Rebate Fund are required to be withdrawn periodically by the Department and set aside to pay any amounts required to be rebated to the United States under applicable provisions of federal income tax law.

Withdrawals from Funds to Pay Debt Service

If on any interest payment date on the Bonds, after giving effect to the transfers from the Revenue Fund described above, the amount in the Interest Fund or the Principal Fund is less than the amount required to make interest and principal payments then due, the Trustee shall transfer from the following Funds in the following order of priority the amount of such deficit and apply such amount to pay interest and principal as necessary: (i) Residual Revenues Fund; (ii) Special Redemption Fund; and (iii) Mortgage Loan Fund.

None of the following are deemed available under the Trust Indenture for the payment of debt service on the Bonds: (i) the moneys in the Special Redemption Fund which are to be used to redeem Bonds as to which notice of redemption has been given or committed to the purchase of Bonds; (ii) moneys in the Mortgage Loan Fund which are to be used to make, acquire, or refinance Mortgage Loans with respect to which the Department has entered into commitments with borrowers, Mortgage Lenders or others; or (iii) Mortgage Loans credited to the Mortgage Loan Fund.

Investments

Moneys held in the Mortgage Loan Fund, the Revenue Fund, the Interest Fund, the Principal Fund, the Special Redemption Fund, and the Residual Revenues Fund are required to be invested and reinvested by the Trustee or by any Depository holding all or a portion of the moneys in such Funds, in accordance with instructions from the Department and moneys held in the Cost of Issuance Fund and the Expense Fund are required to be invested and reinvested by the Department or by any Depository holding all or a portion of the moneys in such Funds, in accordance with instructions from the Department, to the fullest extent practicable and if permitted by the Act, in Investment Securities the principal of which the Department estimates will be received not later than such times as will be necessary to provide moneys when needed for payments to be made from each such Fund. See “SECURITY FOR THE BONDS – Investment of Funds” and “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – Texas Treasury Safekeeping Trust Company.”

Interest earned from investing any moneys in any Fund or profits realized from any investments in any Fund are required to be retained in such Fund until it contains the amount required by the Trust Indenture to be deposited therein; thereafter such earnings and profits, net of any losses (except that which represents a return of accrued interest paid in connection with the purchase by the Department, the Trustee or any Depository of any investment), are required to be transferred to the Revenue Fund.

Other Department Covenants

The Department is required to keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries must be made of its transactions in accordance with generally accepted accounting principles. The Department is required to file annually, within 180 days after the close of each Bond Year, with the Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by an accountant's certificate, including the following statements in reasonable detail: a statement of financial position as of the end of such Bond Year; and a statement of Revenues and Department Expenses for such Bond Year. The Department at all times is required to appoint, retain and employ competent personnel for the purpose of carrying out its programs and must establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges, and all persons employed by the Department must be qualified for their respective positions.

Events of Default

Each of the following events is an “Event of Default” under the Trust Indenture: (i) default in the due and punctual payment of the principal or Redemption Price of any Bond when due; (ii) default in the

due and punctual payment of any installment of interest on any Bond when due; (iii) default by the Department in the performance or observance of any other of its covenants, agreements, or conditions in the Trust Indenture or in the Bonds, and the continuance of such default for a period of 60 days after written notice thereof to the Department by the Trustee or to the Department and to the Trustee by the owners of not less than 10% in principal amount of the Bonds then Outstanding; or (iv) the commencement of various proceedings involving the Department in bankruptcy or seeking reorganization, arrangement, readjustment or composition of its debts or for any other relief under the federal bankruptcy laws or under any other insolvency act or law, state or federal, now or hereafter existing, or seeking the involuntary appointment of a receiver or trustee of the Department or for all or a substantial part of its property, and unless commenced by or consented to by the Department, their continuation for 90 days undismissed or undischarged.

Bondholders' Rights in the Event of Default

If an Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, must, by written notice delivered to the Department, declare the principal of the Bonds then Outstanding and the interest accrued thereon immediately due and payable; subject, however, to the right of the owners of more than 50% in aggregate principal amount of the Bonds then Outstanding, by written notice to the Department and to the Trustee, to annul such declaration and destroy its effect at any time if all Events of Default, other than those arising from nonpayment of principal or interest due solely as a result of such acceleration, have been cured. Such annulment will not extend to nor affect any subsequent Event of Default nor impair or exhaust any right or power consequent thereon.

If any Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, must: (i) by mandamus or other suit, action or proceeding at law or in equity require the Department to perform its covenants, representations and duties under the Trust Indenture; (ii) bring suit upon the Bonds; (iii) by action or suit in equity require the Department to account as if it were the trustee of a trust for the owners of the Bonds; (iv) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; or (v) take such other steps to protect and enforce its rights and the rights of the owners of the Bonds, whether by action, suit or proceeding in aid of the execution of any power granted in the Trust Indenture or for the enforcement of any other appropriate legal or equitable remedy.

If any Event of Default occurs and is continuing, then the Trustee may, and upon written request by the owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, must, proceed by suit or suits, at law or in equity or by any other appropriate legal or equitable remedy, to enforce payment of the principal of and interest on the Bonds under a judgment or decree of a court or courts of competent jurisdiction or by the enforcement of any other appropriate legal or equitable remedy, as the Trustee deems most effectual to protect and enforce any of its rights or the rights of the Bondholders under the Trust Indenture.

Application of Proceeds

The proceeds received by the Trustee in case of an Event of Default, together with all securities and other moneys which may then be held by the Trustee as a part of the Trust Estate, are required to be applied in order, as follows:

- (a) to the payment of the reasonable and proper charges, expenses and liabilities of the Trustee;
- (b) to the payment of the interest and principal then due on the Bonds, as follows:

(i) unless the principal of all the Bonds has become or has been declared due and payable, to the payment to the persons entitled thereto of: first, all installments of interest then due, in order of maturity, and, if the amount available is not sufficient to pay in full any installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, without any discrimination or preference; and second, the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available is not sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the principal amount or Redemption Price due on such date, without any discrimination or preference; and

(ii) if the principal of all the Bonds has become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(c) to the payment of the amounts required for reasonable and necessary Department Expenses.

Trustee

The Bank of New York Mellon Trust Company, N.A., is currently the Trustee for all Series of Bonds issued under the Trust Indenture.

The Department is required to pay reasonable compensation to the Trustee, any Depositories and any paying agent (other than the GNMA Paying Agent) for all services rendered under the Trust Indenture, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and for the performance of their powers and duties under the Trust Indenture.

The Trustee may be removed, with or without cause, if so requested by the holders of at least a majority in aggregate principal amount of the Bonds then Outstanding. In addition, the Trustee may be removed, with or without cause, at any time (unless an Event of Default has occurred and is continuing) by resolution of the Governing Board of the Department; provided, that all holders of Bonds be given notice of such action and the Department shall not have received, within 60 days after such notice, written objections to such action by the holders of at least a majority in aggregate principal amount of the Bonds then Outstanding. The Trustee may also resign, upon appropriate notice. In either event, a successor is required to be appointed. Any successor Trustee must be a bank or trust company organized under the laws of the United States of America or any state thereof or a national banking association doing business, and having capital stock and surplus aggregating at least \$75,000,000, which is willing and able to accept the office on reasonable and customary terms and which is authorized by law to perform all the duties imposed on it by the Trust Indenture.

Depositories

The Department may appoint one or more depositories to hold all or a designated portion of the moneys and investments subject to the lien and pledge of the Trust Indenture (other than moneys and securities required to be held in the Interest Fund, the Principal Fund and the Special Redemption Fund). Any depository appointed by the Department must be: (i) the State Comptroller, acting by and through the Texas Treasury Safekeeping Trust Company, a special-purpose corporate trust company organized under the laws of the State of Texas; or (ii) a bank or trust company organized under the laws of the United States or any state thereof and having capital stock and surplus of at least \$50,000,000 which the Department

determines to be capable of properly discharging its duties in such capacity and which is acceptable to the Trustee. See “APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – Texas Treasury Safekeeping Trust Company.”

All moneys and securities deposited with any Depository under the provisions of the Trust Indenture are required to be held in trust for the Trustee or the Department, as applicable, and the Bondholders, and may not be applied in any manner that is inconsistent with the provisions of the Trust Indenture.

Any Depository may at any time resign and be discharged of its duties and obligations under the Trust Indenture by giving at least 60 days' written notice to the Department and the Trustee. Any Depository may be removed at any time by the Department by resolution of the Governing Board of the Department.

Supplemental Indentures without Consent of Bondholders

For any one or more of the following purposes and at any time or from time to time, a Supplemental Indenture may be executed and delivered by the Department and the Trustee, without the consent of any Bondholders: (i) to authorize Bonds of a Series and to specify the matters relative to such Bonds which are not contrary to or inconsistent with the Trust Indenture; (ii) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Trust Indenture; (iii) to insert such provisions clarifying matters or questions arising under the Trust Indenture as are necessary or desirable and are not contrary to or inconsistent with the Trust Indenture as theretofore in effect; (iv) to grant to or confer upon the Trustee for the benefit of the Bondholder any additional rights, remedies, powers, authority or security that may be lawfully granted to or conferred upon the Trustee; (v) to close the Trust Indenture against, or provide limitations on, the delivery of Bonds; (vi) to add to the covenants of the Department in the Trust Indenture other covenants which are not inconsistent with the Trust Indenture; (vii) to add to the restrictions in the Trust Indenture other restrictions to be observed by the Department which are not inconsistent with the Trust Indenture; (viii) to surrender any right, power or privilege reserved to or conferred upon the Department by the terms of the Trust Indenture that is not inconsistent with the Trust Indenture; (ix) to confirm the subjection to any lien or pledge created by the Trust Indenture of the Trust Estate or any other moneys; (x) to modify any of the provisions of the Trust Indenture in any other respect, effective only after all Bonds of any Series Outstanding at the date of adoption of such Supplemental Indentures shall cease to be outstanding; (xi) to amend the Trust Indenture to permit its qualification under the Trust Indenture Act of 1939 or any state blue sky law; (xii) to add to the definition of Investment Securities in accordance with the provisions of such definition; or (xiii) to make any other change in the Trust Indenture which does not, in the opinion of the Trustee, materially and adversely affect the rights of the holders of the Bonds.

Amendment of Trust Indenture with Consent of Bondholders

The Department and the Trustee, at any time and from time to time, may execute and deliver a Supplemental Indenture for the purpose of making any modification or amendment to the Trust Indenture, but only with the prior written consent of the holders of at least 2/3 in aggregate principal amount of the Bonds then Outstanding at the time such consent is given, and in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the holders of at least 2/3 in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any particular Series and maturity remain Outstanding, the consent of the holders of such Bonds will not be required and such Bonds will not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under the Trust Indenture. Notwithstanding the foregoing, no modification or amendment contained in any such Supplemental Indenture may permit any of the following, without the consent of each Bondholder whose rights are affected thereby: (i) a change in the terms of maturity or redemption of any Bond or of any installment of interest thereon; (ii) a reduction in the principal amount or Redemption Price of any Bond or in the rate of interest thereon; (iii) the creation of a lien on or a pledge

of the Revenues or any part thereof, other than the lien and pledge of the Trust Indenture or as permitted by the Trust Indenture: (iv) the granting of a preference or priority of any Bond or Bonds over any other Bond or Bonds; or (v) a reduction in the aggregate principal amount or classes of Bonds of which the consent of the holders is required to effect any such modification or amendment. For the purposes of the Trust Indenture, a Series is deemed to be affected by a modification or amendment of the Trust Indenture if the same adversely affects or diminishes the rights of the owners of Bonds of such Series. The Trustee is required to determine whether or not in accordance with the foregoing powers of amendment Bonds of any particular Series would be affected by any modification or amendment of the Trust Indenture and any such determination will be binding and conclusive on the Department and all holders of Bonds.

Defeasance

If the Department pays irrevocably or causes to be paid irrevocably, or there otherwise is paid, to the owners of all Bonds the principal amount or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Trust Indenture, then the pledge of the Trust Estate under the Trust Indenture and all covenants, agreements and other obligations of the Department to the Bondholders, will thereupon terminate. Bonds or interest installments for the payment or redemption of which moneys are held in trust by the Trustee or any paying agent at the maturity or redemption date thereof will be deemed to have been paid within the meaning of the Trust Indenture. In addition, all Outstanding Bonds of any Series will be deemed to have been paid within the meaning of the Trust Indenture if: (i) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Department has given to the Trustee irrevocable instructions to give notice of redemption of such Bonds on said date; (ii) there has been deposited with the Trustee or any paying agent either moneys in an amount which are sufficient, or Government Obligations not subject to redemption prior to the maturity thereof, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee or any paying agent at the same time, are sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be; and (iii) in the event said Bonds are not to be redeemed within the next succeeding 60 days, the Department has given the Trustee irrevocable instructions to give a notice to the owners of such Bonds that the deposit required by (ii) above has been made with the Trustee or paying agent and that said Bonds are deemed to have been paid in accordance with the Trust Indenture and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds.

Any moneys held for the payment of any of the Bonds which remain unclaimed for three years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption must, at the written request of the Department, be repaid to the Department, free from trust, and the Bondholders thereafter may look only to the Department for the payment of such Bonds.

TAX MATTERS RELATING TO THE SERIES 2025B BONDS

The following discussion of certain federal income tax considerations is for general information only and is not tax advice. Each prospective purchaser of the Series 2025B Bonds should consult its own tax advisor as to the tax consequences of the acquisition, ownership and disposition of the Series 2025B Bonds.

Tax Exemption

In the opinion of Bracewell LLP, Bond Counsel, subject to certain conditions set forth in the opinion and under existing law, interest on the Series 2025B Bonds (i) is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended (the

“Code”) and (ii) is not an item of tax preference subject to the alternative minimum tax on individuals. A copy of the proposed form of opinion of Bond Counsel is attached hereto as APPENDIX C.

The Code imposes a number of requirements that must be satisfied in order for interest on state or local obligations, such as the Series 2025B Bonds, to be excludable from gross income for federal income tax purposes. These requirements include the various mortgage eligibility, arbitrage, targeted area, recapture, use of proceeds and information reporting requirements discussed more fully below under the caption “Federal Income Tax Requirements.” The Department has covenanted in the Trust Indenture that it will comply with these requirements.

Bond Counsel's opinion will assume continuing compliance with the procedures, safeguards and covenants of the Master Servicer and Mortgage Lenders in the Program Agreements and the covenants of the Department in the Trust Indenture and the Program Agreements pertaining to those sections of the Code that affect the excludability of the interest on the Series 2025B Bonds from gross income for federal income tax purposes, and in addition, will rely on representations by parties involved with the issuance of the Series 2025B Bonds and the Mortgage Loans with respect to matters solely within the knowledge of such parties, which representations Bond Counsel has not independently verified. If the Department, a Mortgage Lender, or the Master Servicer fails to comply with such procedures, safeguards and covenants or if such representations should be determined to be inaccurate or incomplete, interest on the Series 2025B Bonds could become includable in gross income from the date of original delivery thereof, regardless of the date on which the event causing such inclusion occurs.

Bond Counsel will express no opinion as to the amount or timing of interest on the Series 2025B Bonds or, except as stated above, any federal, state or local tax consequences resulting from the receipt or accrual of interest on, acquisition, ownership or disposition of the Series 2025B Bonds. Certain actions may be taken or omitted subject to the terms and conditions set forth in the Trust Indenture upon the advice or with the approving opinion of Bond Counsel. Bond Counsel will express no opinion with respect to Bond Counsel's ability to render an opinion that such actions, if taken or omitted, will not adversely affect the excludability of interest of the Series 2025B Bonds from gross income for federal income tax purposes.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel's knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to its attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the “Service” or “IRS”); rather, such opinions represent Bond Counsel's legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given as to whether or not the Service will commence an audit of the Series 2025B Bonds. If an audit is commenced, in accordance with its current published procedures, the Service is likely to treat the Department as the taxpayer and the Owners may not have a right to participate in such audit. Public awareness of any future audit of the Series 2025B Bonds could adversely affect the value and liquidity of the Series 2025B Bonds, regardless of the ultimate outcome of the audit.

Collateral Tax Consequences

Prospective purchasers of the Series 2025B Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences, including but not limited to those noted below. Therefore, prospective purchasers of the Series 2025B Bonds should consult their own tax advisors as to the tax consequences of the acquisition, ownership and disposition of the Series 2025B Bonds.

An “applicable corporation” (as defined in section 59(k) of the Code) may be subject to a 15% alternative minimum tax imposed under section 55 of the Code on its “adjusted financial statement income” (as defined in section 56A of the Code) for such taxable year. Because interest on tax-exempt obligations, such as the Series 2025B Bonds, is included in a corporation’s “adjusted financial statement income,” ownership of the Series 2025B Bonds could subject certain corporations to alternative minimum tax consequences.

Ownership of tax-exempt obligations also may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit, and individuals otherwise qualifying for the earned income tax credit. In addition, certain foreign corporations doing business in the United States may be subject to the “branch profits tax” on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Series 2025B Bonds.

Prospective purchasers of the Series 2025B Bonds should also be aware that, under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Series 2025B Bonds, received or accrued during the year.

Tax Accounting Treatment of Original Issue Premium

If issue price of any maturity of the Series 2025B Bonds exceeds the stated Redemption Price payable at maturity of such Series 2025B Bonds, such Series 2025B Bonds (the “Premium Bonds”) are considered for federal income tax purposes to have “bond premium” equal to the amount of such excess. The basis of a Premium Bond in the hands of an initial owner is reduced by the amount of such excess that is amortized during the period such initial owner holds such Premium Bond in determining gain or loss for federal income tax purposes. This reduction in basis will increase the amount of any gain or decrease the amount of any loss recognized for federal income tax purposes on the sale or other taxable disposition of a Premium Bond by the initial owner. No corresponding deduction is allowed for federal income tax purposes for the reduction in basis resulting from amortizable bond premium. The amount of bond premium on a Premium Bond that is amortizable each year (or shorter period in the event of a sale or disposition of a Premium Bond) is determined using the yield to maturity on the Premium Bond based on the initial offering price of such Premium Bond.

The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of Premium Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of Premium Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of amortized bond premium upon the redemption, sale or other disposition of a Premium Bond and with respect to the federal, state, local, and foreign tax consequences of the purchase, ownership, and sale, redemption or other disposition of such Premium Bonds.

Tax Accounting Treatment of Original Issue Discount

If issue price of any maturity of the Series 2025B Bonds is less than the stated redemption price payable at maturity of such Series 2025B Bonds (the “OID Bonds”), the difference between (i) the amount payable at the maturity of each OID Bond, and (ii) the initial offering price to the public of such OID Bond constitutes original issue discount with respect to such OID Bond in the hands of any owner who has purchased such OID Bond in the initial public offering of the Series 2025B Bonds. Generally, such initial owner is entitled to exclude from gross income (as defined in Section 61 of the Code) an amount of income with respect to such OID Bond equal to that portion of the amount of such original issue discount allocable

to the period that such OID Bond continues to be owned by such owner. Because original issue discount is treated as interest for federal income tax purposes, the discussions regarding interest on the Series 2025B Bonds under the captions “TAX MATTERS RELATING TO THE SERIES 2025B BONDS – Tax Exemption,” “– Collateral Tax Consequences” and “– Tax Legislative Changes” generally apply and should be considered in connection with the discussion in this portion of the Official Statement.

In the event of the redemption, sale or other taxable disposition of such OID Bond prior to stated maturity, however, the amount realized by such owner in excess of the basis of such OID Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such OID Bond was held by such initial owner) is includable in gross income.

The foregoing discussion assumes that (i) the Underwriters have purchased the Series 2025B Bonds for contemporaneous sale to the public and (ii) all of the Series 2025B Bonds have been initially offered, and a substantial amount of each maturity thereof has been sold, to the general public in arm's-length transactions for a price (and with no other consideration being included) not more than the initial offering prices thereof stated on the inside cover page of this Official Statement. Neither the Department nor Bond Counsel has made any investigation or offers any comfort that the OID Bonds will be offered and sold in accordance with such assumptions.

Under existing law, the original issue discount on each OID Bond accrues daily to the stated maturity thereof (in amounts calculated as described below for each six-month period ending on the date before the semiannual anniversary dates of the date of the Series 2025B Bonds and ratably within each such six-month period) and the accrued amount is added to an initial owner's basis for such OID Bond for purposes of determining the amount of gain or loss recognized by such owner upon the redemption, sale or other disposition thereof. The amount to be added to basis for each accrual period is equal to (i) the sum of the issue price and the amount of original issue discount accrued in prior periods multiplied by the yield to stated maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) less (ii) the amounts payable as current interest during such accrual period on such Series 2025B Bond.

The federal income tax consequences of the purchase, ownership, and redemption, sale or other disposition of OID Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of OID Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of interest accrued upon redemption, sale or other disposition of such OID Bonds and with respect to the federal, state, local and foreign tax consequences of the purchase, ownership, redemption, sale or other disposition of such OID Bonds.

Tax Legislative Changes

Current law may change so as to directly or indirectly reduce or eliminate the benefit of the excludability of interest on the Series 2025B Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, could also affect the value and liquidity of the Series 2025B Bonds. Prospective purchasers of the Series 2025B Bonds should consult with their own tax advisors with respect to any recently-enacted, proposed, pending or future legislation.

Federal Income Tax Requirements

General

Sections 103 and 143 of the Code and applicable regulations thereunder provide that the interest on bonds the proceeds of which are used directly or indirectly to finance owner-occupied residences, will not be excludable from gross income for federal income tax purposes unless such bonds are part of a

“qualified mortgage issue.” A “qualified mortgage issue” must meet the following requirements: (i) all proceeds of the issue (exclusive of issuance costs and a reasonably required reserve fund) are to be used to finance owner-occupied residences, (ii) the mortgages financed by the issue satisfy certain mortgage eligibility requirements, as set forth more fully below under the subheading “Mortgage Eligibility Requirements,” (iii) certain arbitrage limitations described more fully below under the subheading “Requirements Related to Arbitrage” must be satisfied, (iv) a specified portion of the lendable proceeds of such issue must be made available for a minimum period of time for owner financing of residences located within certain targeted areas, as described more fully below under the subheading “Targeted Area Requirement,” (iv) mortgagors must be informed regarding the recapture of a portion of the proceeds from the disposition of certain residences, as described more fully below under the subheading “Recapture Requirements,” (v) the issue must not meet the private business tests, as described more fully below under the subheading “Private Business Use Limitations,” (vi) amounts received as repayment of principal on the Mortgage Loans ten years after the date of issuance of the bonds must be used to redeem bonds that are part of the issue, as described more fully under the subheading “Redemption Requirements” below and (vii) the issue must meet certain reporting requirements, as set forth more fully below under the subheading “Reporting Requirements.”

In addition, to be “qualified mortgage bonds,” the bonds must have been approved by (i) the Governing Board of the Department and (ii) an “applicable elected representative” of the State after a public hearing following reasonable public notice. Further, the costs of issuance financed by an issue of bonds cannot exceed two percent of the proceeds of such issue. Additionally, the amount of such an issue of bonds, other than certain refunding bonds, when added to the amount of all other private activity bonds issued within the State during calendar year of issuance must not exceed the unified volume cap for private activity bonds imposed by the Code and applicable regulations.

Mortgage Eligibility Requirements

The Code contains six basic mortgage eligibility requirements that must be met at the time a mortgage is executed or assumed.

Residence Requirement. The Code requires that each home financed by a mortgage loan is a single-family residence (i) that can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after financing is provided and (ii) located in the jurisdiction of the Department.

First-time Homebuyer Requirement. The Code requires that at least 95% of the net proceeds of an issue be used to finance residences of mortgagors who have not had a present ownership interest in their principal residences at any time during the three-year period prior to execution of the mortgage loan; provided, however, that the three-year requirement does not apply (i) to financings with respect to Targeted Area Residences, (ii) in the case of land possessed under a “contract for deed” by a mortgagor whose principal residence is located on such land and whose family income is not more than 50% of the area median family income (the “Contract for Deed Exception”), or (iii) financing of any residence of a qualified veteran, if such veteran has not previously qualified for and received such financing by reason of this exception. For purposes of the Contract for Deed Exception, the term “contract for deed” means a seller-financed contract for the conveyance of land under which legal title does not pass to the purchaser until the consideration under the contract is fully paid to the seller, and the seller's remedy for nonpayment is forfeiture rather than judicial or nonjudicial foreclosure.

Purchase Price Limitations. The Code requires that the acquisition cost of the residence may not exceed 90% of the “average area purchase price” applicable to such residence, or, in the case of Targeted Area Residences, 110% of the applicable “average area purchase price.” The Service has published “safe harbor rules” identifying purchase price limitations in the State that are considered to be in compliance with the requirements of the Code. The Department has determined to rely on the safe harbor figures for purposes of the Series 2025B Bonds.

Income Requirements. The Code requires that all the mortgage loans financed with the proceeds of an issue be provided to borrowers whose family income does not exceed 115% (100% in the case of individuals or families of two) of the greater of the statewide median income or the median income of the area in which the residence is located, subject to an upward adjustment in certain high housing cost areas. For Targeted Area Residences, the percentages in the foregoing sentence are 140% and 120%, respectively, and one-third of the financings may be provided without regard to such limits.

Requirements as to Assumptions of Mortgages. The Code provides that a mortgage loan may be assumed only if the assuming mortgagor complies with the residence requirement, first-time homebuyer requirement, purchase price limitations and income requirements, as if the loan were being made to the assuming mortgagor for the first time.

New Mortgage Requirement. The Code requires that no part of the proceeds of an issue of qualified mortgage bonds may be used to acquire or replace an existing mortgage (whether or not paid off) on the residence at any time prior to the execution of the new mortgage. An exception from the new mortgage requirement is provided for (i) the replacement of construction period loans, bridge loans or other similar temporary initial financing having a term not exceeding 24 months, and (ii) certain residences described within the Contract for Deed Exception.

Requirements Related to Arbitrage and Rebate

Sections 143 and 148 of the Code provide that: (i) the effective interest rate on the mortgage loans financed with the proceeds of an issue of qualified mortgage bonds may not exceed the yield on such bonds by more than 1.125 percentage points; provided that, the Department may meet this requirement by the payment of yield reduction payments as set forth in the regulations promulgated under the Code; (ii) no more than 10% of the proceeds of an issue of bonds may be invested in any reserve or replacement fund; (iii) no more than the lesser of 5% of the proceeds of an issue of bonds or \$100,000 (other than amounts invested for certain temporary periods or in a “reasonably required reserve fund”) may be invested at a yield materially higher than the yield on such bonds; and (iv) the amount of funds held in certain accounts (other than amounts held for certain temporary periods) for an issue of bonds invested at a yield greater than the yield on such bonds may not exceed 150% of the current year's debt service on such bonds appropriately reduced as mortgage loans are prepaid. In calculating the effective interest rate on the mortgages, all amounts borne by the mortgagor either directly or indirectly must be taken into account.

The Code also requires the issuer to make rebate payments to the federal government in connection with certain investment earnings on non- mortgage investments, to the extent that such investment earnings exceed the amount that would have been earned on such investments if the investments were earning a return equal to the yield on the tax-exempt bonds to which such non-mortgage investments relate.

Targeted Area Requirement

The Code requires that either an amount equal to (a) at least 20% of the lendable proceeds of an issue of qualified mortgage bonds or (b) 40% of the average annual aggregate principal amount of mortgages executed during the immediately preceding three calendar years for single family, owner-occupied residences in targeted areas within the Department's jurisdiction, if such amount is less, must be reserved, for at least one year from the date on which owner-financing is first made available with respect to residences located within one or more targeted areas (“Targeted Area Residences”). Targeted Areas consist of (i) census tracts identified by the United States Treasury Department as having a substantial concentration of lower-income persons or (ii) areas of chronic economic distress designated by the State and approved by HUD. The State, at the request of the Department, has designated and HUD and the Secretary of the Treasury have approved, certain “areas of chronic economic distress” within the State. In addition, the Department has determined that there are “qualified census tracts” within the State.

Recapture Requirements

The Code subjects to a tax any mortgagor who disposes of an interest in a residence with respect to which there is or was any federally-subsidized indebtedness (i.e., a mortgage loan), the payment for which the mortgagor was liable in whole or in part. Specifically, such a mortgagor is subject to the payment of an additional tax reflecting the “recapture amount” with respect to such indebtedness. This recapture amount is determined pursuant to a formula established in the Code based on the “federally-subsidized amount,” the time of disposition and certain family income limits applicable to the mortgagor. This recapture provision does not apply to any disposition of an interest in a residence by reason of death or any such disposition that is more than nine years after the date the mortgage loan is made.

In order to facilitate the collection of the recapture amount from mortgagors, the Code requires that the issuer of any issue of qualified mortgage bonds, at the time of settlement of a mortgage loan, provide a written statement informing the mortgagor of the potential recapture under the Code. Furthermore, the Code requires that the issuer, not later than 90 days after the date each such mortgage is closed, provide a written statement to the mortgagor specifying the federally-subsidized amount with respect to such mortgage loan and the applicable income limits.

Private Business Use Limitations

The Code provides that an issue of qualified mortgage bonds must not meet the private business use test and the private security or payment tests set out in sections 141(b)(1) and (2) of the Code. The private business use test limits, subject to certain exceptions, the amounts of proceeds that can be used, directly or indirectly, in a trade or business carried on by any person (other than a natural person) that is not a state or local governmental unit to no more than 10% of the proceeds of the issue. The private security or payment test provides that, subject to certain exceptions, the payment of principal of, or the interest on, more than 10% of the proceeds of an issue be, directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) be derived from payments in respect of such property.

Redemption Requirements

The Code contains two redemption requirements that must be satisfied in order for an issue of bonds to be treated as “qualified mortgage bonds.” The Code requires that all proceeds of an issue of qualified mortgage bonds in an amount of \$250,000 or more that are not expended to finance residences within 42 months of the date of issuance of such bonds must be used within such 42-month period to redeem bonds that are part of such issue of bonds. The Code also requires that all amounts of \$250,000 or more that are received by the issuer and representing complete repayments of mortgage loans or prepayments of principal of mortgage loans must be used to redeem bonds of the same issue not later than the close of the first semiannual period beginning after the date the prepayment or complete repayment is received; provided that, such requirement does not apply to amounts received within 10 years after the date of issuance of the original bonds.

Reporting Requirements

An issuer of qualified mortgage bonds is required to file with the Secretary of the Treasury an informational report containing various data regarding such bonds and the mortgages financed with the proceeds thereof.

Compliance with Tax Requirements

With respect to the mortgage eligibility requirements described above, the Code provides that such requirements will be treated as having been met if: (i) the issuer attempts in good faith to meet such

requirements before the mortgage loans are executed; (ii) 95% or more of the lendable proceeds were used for mortgage loans that met all the mortgage eligibility requirements at the time of execution or assumption; and (iii) any failure to meet such requirements is corrected within a reasonable period of time after such failure is discovered. In determining whether or not 95% of the mortgage loans satisfy the mortgage eligibility requirements, the issuer is entitled to rely upon affidavits of the mortgagors and sellers of residences financed with the mortgage loans and upon federal income tax returns of the mortgagors, even if the relevant information in such affidavits and returns ultimately proves to be false, unless the issuer knows or has reason to know that such information is false.

The Code provides that the requirements related to arbitrage, Targeted Area Residences and recapture will be treated as having been met if: (i) the issuer attempts in good faith to meet such requirements and (ii) any failure to meet such requirements is due to inadvertent error after having taken reasonable steps to comply with such requirements.

The Department has covenanted in the Trust Indenture and the Mortgage Lenders and the Master Servicer have covenanted in the Program Agreements to (i) comply with the above-described requirements of the Code with respect to the proceeds of the Series 2025B Bonds and (ii) establish and follow procedures and safeguards sufficient to ensure compliance with such requirements. Nevertheless, if the Department, a Mortgage Lender, or the Master Servicer should fail to comply with such covenants, interest on the Series 2025B Bonds could become includable in gross income for federal income tax purposes from the date of issuance thereof, regardless of the date on which the event causing such inclusion occurs.

TAX MATTERS RELATING TO THE SERIES 2025C BONDS

This discussion of material U.S. federal income tax considerations is provided for general information only and is not intended as tax advice to any particular investor. Persons considering the purchase of Series 2025C Bonds are urged to consult their tax advisors with regard to the application of U.S. federal income or other tax laws (including estate and gift tax laws) to their particular situations as well as any tax consequences arising under the laws of any state, local, or foreign taxing jurisdiction or under any applicable tax treaty.

The following discussion is a summary of the material U.S. federal income tax considerations relevant to the purchase, ownership and disposition of the Series 2025C Bonds offered in this offering. This summary is based upon current provisions of the Code, existing and proposed Treasury Regulations promulgated thereunder, IRS rulings and pronouncements, and judicial decisions, all as in effect on the date hereof, and all of which are subject to change, possibly on a retroactive basis, at any time by legislative, judicial or administrative action. The Department cannot assure you that the IRS will not challenge the conclusions stated below, and no ruling from the IRS or an opinion of counsel has been or will be sought on any of the matters discussed below.

This discussion is limited to holders who are the initial purchasers of the Series 2025C Bonds for cash at their original purchase price, which will equal the first price to the public (not including bondhouses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers) at which a substantial amount of the Series 2025C Bonds is sold for cash (the "Issue Price") and who hold the Series 2025C Bonds as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment). This summary does not address all U.S. federal income tax consequences relative to a holder's particular circumstances, including the impact of the Medicare contribution tax on net investment income. In addition, it does not address consequences relevant to holders subject to special rules, including, without limitation: U.S. expatriates and former citizens or long-term residents of the United States; persons subject to the alternative minimum tax; U.S. Holders (as defined below) whose functional currency is not the U.S. dollar; persons holding the Series 2025C Bonds as part of a hedge, straddle, or other risk reduction strategy or as part of a conversion transaction, or other integrated

investment; banks, insurance companies or other financial institutions; real estate investment trusts or regulated investment companies; brokers, dealers or traders in securities or currencies; “controlled foreign corporations,” “passive foreign investment companies” and corporations that accumulate earnings to avoid U.S. federal income tax; S corporations, partnerships and other entities or arrangements treated as partnerships for U.S. federal income tax purposes (and investors therein); persons subject to special accounting rules as a result of any items of gross income with respect to the Series 2025C Bonds being taken into account in an applicable financial statement; tax-exempt organizations or governmental organizations; persons who elect to use a mark-to-market method of accounting for security holdings; and individual retirement accounts or qualified pension plans. This summary does not address all U.S. federal income tax consequences relevant to a holder's particular circumstances and does not discuss the effect of any U.S. state, local income or other tax laws, any U.S. federal estate and gift tax laws, or any non-U.S. tax laws.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds the Series 2025C Bonds, the tax treatment of such partnership or a partner of such partnership generally will depend upon the tax status of the partner and the tax treatment of the partnership. Partnerships acquiring Series 2025C Bonds and partners of partnerships acquiring the Series 2025C Bonds should consult their own tax advisors about the U.S. federal income tax consequences to them of the purchase, ownership and disposing of the Series 2025C Bonds.

Consequences to U.S. Holders

The following discussion summarizes certain material U.S. federal income tax consequences to U.S. holders of the purchase, ownership, and disposition of the Series 2025C Bonds. As used herein “U.S. Holder” means a beneficial owner of a Series 2025C Bond who or that is for U.S. federal income tax purposes: (i) an individual who is a citizen of the United States or resident alien of the United States; (ii) a corporation or other entity taxable as a corporation created or organized in or under the laws of the United States or any state thereof including the District of Columbia; (iii) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (iv) a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons (as defined in the Code) have the authority to control all substantial decisions of the trust, or if a valid election is in effect under U.S. Treasury Regulations to be treated as a United States person.

Interest on the Series 2025C Bonds -- A U.S. Holder will be required to recognize as ordinary income all interest paid or accrued on the Series 2025C Bonds in accordance with such U.S. Holder's method of accounting for U.S. federal income tax purposes.

Original Issue Discount -- If the Issue Price of the Series 2025C Bonds of any stated maturity is less than their face amount by more than one quarter of one percent times the number of complete years to maturity, the Series 2025C Bonds of such maturity will be treated as being issued with “original issue discount.” The amount of the original issue discount will equal the excess of the principal amount payable on such Series 2025C Bonds at maturity over the Issue Price, and such amount will be amortized over the life of the Series 2025C Bonds using the “constant yield method” provided in the U.S. Treasury Regulations. The original issue discount accrues under the constant yield method and the beneficial owners of the Series 2025C Bonds, regardless of their regular method of accounting, must include such accrued amount in their gross income as interest. This can result in taxable income to the beneficial owners of such Series 2025C Bonds that exceeds actual cash interest payments to the beneficial owners in a taxable year.

The amount of the original issue discount that accrues on such Series 2025C Bonds each taxable year will be reported annually to the IRS and to the beneficial owners. The portion of the original issue discount included in each beneficial owner's gross income while the beneficial owner holds such Series 2025C Bonds will increase such beneficial owner's adjusted tax basis of such Series 2025C Bonds.

Premium -- If the Issue Price of the Series 2025C Bonds of any stated maturity is greater than its stated redemption price at maturity, such beneficial owner will be considered to have purchased such Series 2025C Bond with “amortizable bond premium” equal in amount to such excess. A beneficial owner may elect to amortize such premium using a constant yield method over the remaining term of such Series 2025C Bond and may offset interest otherwise required to be included in respect of such Series 2025C Bond during any taxable year by the amortized amount of such excess for the taxable year. Series 2025C Bond premium on such Series 2025C Bond held by a beneficial owner that does not make such an election will decrease the amount of gain or increase the amount of loss otherwise recognized on the sale, exchange, redemption or retirement of such Series 2025C Bond. However, if such Series 2025C Bond may be optionally redeemed after the beneficial owner acquires it at a price in excess of its stated redemption price at maturity, special rules would apply under the U.S. Treasury Regulations which could result in a deferral of the amortization of some Series 2025C Bond premium until later in the term of such Series 2025C Bond. Any election to amortize Series 2025C Bond premium applies to all taxable debt instruments held by the beneficial owner on or after the first day of the first taxable year to which such election applies and may be revoked only with the consent of the IRS.

Sale, Exchange, Redemption, Retirement or Other Taxable Disposition of a Series 2025C Bond -- A U.S. Holder generally will recognize gain or loss on the sale, exchange, redemption, retirement or other taxable disposition of a Series 2025C Bond measured by the difference, if any, between (i) the amount of cash and the fair market value of any property received (except to the extent that the cash or other property received in respect of a Series 2025C Bond is attributable to accrued and unpaid interest on the Series 2025C Bond, which amount will be taxable as ordinary interest income to the extent not previously included in gross income) and (ii) the U.S. Holder's adjusted tax basis in the Series 2025C Bond.

A U.S. Holder's adjusted tax basis in the Series 2025C Bonds generally will equal the amount the U.S. Holder paid for the Series 2025C Bonds, increased by any original issue discount previously included in the holder's income and decreased by the amount of the Series 2025C Bond premium that has been previously amortized. Any gain or loss will be capital gain or loss and will be treated as long-term capital gain or loss if, at the time of the sale, exchange, redemption, retirement or other taxable disposition, the Series 2025C Bonds have been held by the U.S. Holder for more than one year. Long-term capital gains recognized by non-corporate U.S. Holders, including individuals, generally will be subject to a reduced rate of tax. The deductibility of capital losses is subject to certain limitations. U.S. Holders of the Series 2025C Bonds should consult their tax advisors regarding the treatment of capital gains and losses.

Information Reporting and Backup Withholding -- Information reporting generally will apply to payments of interest on, and the proceeds of the sale, exchange, redemption, retirement or other disposition of, the Series 2025C Bonds held by U.S. Holders, and backup withholding may apply unless the U.S. Holder provides the applicable withholding agent with a taxpayer identification number, certified under penalties of perjury, as well as certain other information or otherwise establishes an exemption from backup withholding. Any amount withheld under the backup withholding rules is allowable as a credit against the U.S. Holder's U.S. federal income tax liability, if any, and a refund may be obtained if the amounts withheld exceed the U.S. Holder's actual U.S. federal income tax liability and the U.S. Holder timely provides the required information or appropriate claim to the IRS.

Tax Consequences to Non-U.S. Holders

The following discussion summarizes certain material U.S. federal income tax consequences to non-U.S. Holders of the purchase, ownership and disposition of the Series 2025C Bonds. For purposes of this discussion, a “non-U.S. Holder” is a beneficial owner of Series 2025C Bonds that is neither classified for U.S. federal income tax purposes as a partnership nor is a U.S. Holder (as defined above).

Interest on the Series 2025C Bonds -- Subject to the discussions below regarding backup withholding and FATCA withholding, payments of interest on a Series 2025C Bond to a non-U.S. Holder

that are not effectively connected with such non-U.S. Holder's U.S. trade or business generally will not be subject to U.S. federal income tax and will be exempt from U.S. federal withholding tax under the portfolio interest exemption provided that:

- the non-U.S. Holder is not an actual or constructive owner of 10% or more of the total combined voting power of all classes of our voting stock;
- the non-U.S. Holder is not a controlled foreign corporation for U.S. federal income tax purposes that is related, directly or indirectly, to us through stock ownership);
- the non-U.S. Holder is not a bank that acquired the Series 2025C Bonds in consideration for the extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business; and
- the non-U.S. Holder provides its name and address and certifies, under penalties of perjury, that it is not a United States person as defined under the Code (which certification may be made on an IRS Form W-8BEN or W-8BEN-E (or other applicable form)); (ii) the non-U.S. Holder holds its Series 2025C Bonds through certain foreign intermediaries and it satisfies the certification requirements of applicable Treasury Regulations; or (iii) a securities clearing organization, bank, or other financial institution that holds customers' securities in the ordinary course of its trade or business holds the Series 2025C Bonds on behalf of the non-U.S. Holder and such securities clearing organization, bank, or other financial institution satisfies the certification requirements of applicable Treasury Regulations.

If the payments of interest on a Series 2025C Bond are effectively connected with the conduct by a non-U.S. Holder of a trade or business in the United States (and, in the event that an income tax treaty is applicable, if the payments of interest are attributable to a U.S. permanent establishment maintained by the non-U.S. Holder), such payments will not be subject to withholding of U.S. federal income tax so long as the non-U.S. Holder provides the applicable withholding agent with a properly completed IRS Form W-8ECI (or other applicable form), signed under penalties of perjury. However, such payments will be subject to U.S. federal income tax on a net income basis at regular graduated income tax rates generally in the same manner as if it were a U.S. Holder (as defined above), subject to any modifications provided under an applicable income tax treaty. In addition, if the non-U.S. Holder is a foreign corporation for federal income tax purposes, such payments of interest may also be subject to a branch profits tax at the rate of 30% (or lower applicable treaty rate) of such holder's earnings and profits for the taxable year, subject to certain adjustments, including earnings and profits from an investment in the Series 2025C Bonds, that are effectively connected with its conduct of a trade or business in the United States.

A non-U.S. Holder that does not qualify for the exemption from U.S. federal withholding tax under the preceding paragraphs generally will be subject to U.S. federal withholding tax at the rate of 30% on payments of interest on the Series 2025C Bonds, unless such non-U.S. Holder provides the applicable withholding agent with a properly executed IRS Form W-8BEN or W-8BEN-E (or other applicable form) claiming exemption from or a reduction of withholding under the benefit of an applicable tax treaty. Income tax treaties may provide for a lower rate of withholding tax, exemption from or reduction of branch profits tax, or other rules different from those described above. Non-U.S. Holders should consult with their advisors regarding any applicable income tax treaties.

Sale, Exchange, Redemption, Retirement or Other Taxable Disposition of a Taxable Bond -- Subject to the discussions below on backup withholding and FATCA withholding, any gain realized by a non-U.S. Holder on the sale, exchange, redemption, retirement or other taxable disposition of a Series 2025C Bond generally will not be subject to U.S. federal income tax or withholding tax, unless:

- Such gain is effectively connected with the conduct by such non-U.S. Holder of a U.S. trade or business in the United States (and, in the event that an income tax treaty is applicable, such gain is attributable to a permanent establishment maintained by the non-U.S. Holder in the United States),
- the non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition and certain other conditions are satisfied.

If a non-U.S. Holder is engaged in a trade or business in the United States and gain on a Series 2025C Bond is effectively connected with the conduct of such trade or business (and, if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by the non-U.S. Holder within the United States), the non-U.S. Holder will be subject to U.S. federal income tax at regular graduated income tax rates in the same manner as if it were a U.S. Holder, subject to any modification provided under an applicable income tax treaty. If the non-U.S. Holder is a foreign corporation for U.S. federal income tax purposes, such gain may also be subject to a branch profits tax at the rate of 30%, or lower applicable treaty rate, of its earnings and profits for the taxable year, subject to adjustments, that are effectively connected with its conduct of a trade or business in the United States.

If a non-U.S. Holder is an individual who is present or deemed to be present in the United States for 183 days or more during the taxable year of the disposition of a Series 2025C Bond and certain other requirements are met, such non-U.S. Holder generally will be subject to U.S. federal income tax at a flat rate of 30% (unless a lower applicable income tax treaty rate applies), on any such gain.

Information Reporting and Backup Withholding -- Payments to non-U.S. Holders of interest on a Series 2025C Bond, and amounts withheld from such payments, if any, generally will be required to be reported to the IRS and to the non-U.S. Holder. Copies of these information returns also may be made available to the tax authorities of the country in which the non-U.S. Holder resides or is established under the provisions of a specific treaty or agreement. These reporting requirements apply regardless of whether withholding was reduced or eliminated by an applicable income tax treaty. Backup withholding generally will not apply to payments of principal and interest on Series 2025C Bonds if the non-U.S. Holder furnishes a certification as to its non-U.S. status or the non-U.S. Holder otherwise establishes an exemption, provided that the applicable withholding agent does not have actual knowledge or reason to know that the non-U.S. Holder is a United States person.

Payment of the proceeds of a disposition of a Series 2025C Bond effected by the U.S. office of a United States or foreign broker will be subject to information reporting and backup withholding unless the non-U.S. Holder properly certifies under penalties of perjury as to its foreign status and certain other conditions are met or the non-U.S. Holder otherwise establishes an exemption. Information reporting requirements and backup withholding generally will not apply to any payment of the proceeds of the disposition of a Series 2025C Bond effected outside the United States by a foreign office of a broker. However, unless such a broker has documentary evidence in its records of the non-U.S. Holder's foreign status and certain other conditions are met, or the non-U.S. Holder otherwise establishes an exemption, information reporting will apply to a payment of the proceeds of the sale of a Series 2025C Bond effected outside the United States by such a broker if it has certain relationships with the United States.

U.S. backup withholding tax is not an additional tax. Any amount withheld under the backup withholding rules is allowable as a credit against the U.S. Holder's U.S. federal income tax liability, if any, and a refund may be obtained if the amounts withheld exceed the U.S. Holder's actual U.S. federal income tax liability and the U.S. Holder timely provides the required information or appropriate claim to the IRS.

FATCA Withholding

The Foreign Account Tax Compliance Act, or "FATCA," imposes a 30% withholding tax on certain types of payments made to foreign financial institutions, or "FFIs," and certain other non-U.S.

entities, unless certain due diligence, reporting, withholding, and certification requirements are satisfied. As a general matter, FATCA imposes a 30% withholding tax on interest payments on a Series 2025C Bond, and (subject to the proposed United States Treasury regulations discussed below) payments of gross proceeds from the sale or other disposition of a Series 2025C Bond, that are made to an FFI or non-financial foreign entity unless (i) the foreign entity is an FFI that undertakes certain due diligence, reporting, withholding, and certification obligations, or in the case of an FFI that is a resident in a jurisdiction that has entered into an intergovernmental agreement to implement FATCA, the entity complies with the diligence, reporting, and other requirements of such an agreement, (ii) the foreign entity is not an FFI and either certifies that it does not have any “substantial” U.S. owners or furnishes identifying information regarding each substantial U.S. owner, or (iii) the foreign entity qualifies for an exemption from these rules. In certain cases, a “substantial” U.S. owner can mean an owner of any interest in the foreign entity.

As noted above, withholding under FATCA can apply to payments of gross proceeds from the sale or other disposition of a Series 2025C Bond, in addition to interest payments. However, United States Treasury regulations have been proposed that would entirely eliminate FATCA withholding on payments of gross proceeds. Taxpayers generally may rely on these proposed United States Treasury regulations until the promulgation of final United States Treasury regulations.

Prospective investors are encouraged to consult with their tax advisors regarding the possible implications of FATCA on their investment in the Series 2025C Bonds.

CONTINUING DISCLOSURE OF INFORMATION

In the Continuing Disclosure Agreement, dated as of June 1, 2025 (the “Disclosure Agreement”), between the Trustee and the Department, the Department has made the following agreement for the benefit of the holders and beneficial owners of the Series 2025 Bonds. The Department is required to observe the Disclosure Agreement for so long as it remains obligated to advance funds to pay the Series 2025 Bonds. Under the Disclosure Agreement, the Department will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the Municipal Securities Rulemaking Board (the “MSRB”).

No Eligible Borrower is an “obligated person” (as defined in Rule 15c2-12 (as amended, the “Rule”)) of the United States Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934, as amended for whom financial information or operating data would be presented in this Official Statement had such Eligible Borrower been known at the time of the offering of the Series 2025 Bonds.

The Department's Bond Finance Division has policies and procedures in place to assist the Department in complying with continuing disclosure undertakings such as the Disclosure Agreement. The Department's policies and procedures and the Disclosure Agreement were amended in response to the two notice events added, effective February 27, 2019, to the list of events for which notice is required by the Rule. See “—Event Notices” below.

Annual Reports

The Department will provide certain updated financial information and operating data to the MSRB annually within six months after the end of its Fiscal Year. The information to be updated includes all quantitative financial information and operating data with respect to the Department of the general type included in this Official Statement in “APPENDIX D-1 – ADDITIONAL INFORMATION CONCERNING MORTGAGE CERTIFICATES” and “APPENDIX D-2 – BOND SUMMARY OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS” and the annual financial statements of the Texas Department of Housing and Community Affairs – Revenue Bond Enterprise Fund for the Fiscal Year ended August 31, 2024 and for each subsequent Fiscal Year (financial statements for the

last completed Fiscal Year will be unaudited, unless an audit is performed in which event the audited financial statements will be made available). The Department will update and provide this information within six months after the end of each Fiscal Year ending on or after August 31. The Department will provide the updated information to the MSRB.

The Department may provide updated information in full text or may incorporate by reference certain other publicly available documents, as permitted by the Rule. The updated information will include audited financial statements, if the Department commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the Department will provide unaudited financial statements within the required time and audited financial statements when and if the audit report becomes available. Any such financial statements will be prepared in accordance with the accounting principles described herein under “FINANCIAL STATEMENTS” or such other accounting principles as the Department may be required to employ from time to time pursuant to state law or regulation.

The Department's current Fiscal Year ends on August 31, 2025. Accordingly, it will provide updated information to the MSRB in the electronic format prescribed by the MSRB, if any, by the last day of February in the year 2026 and will be required to provide updated information to the MSRB by the last day of February in each year thereafter, unless the Department changes its Fiscal Year. If the Department changes its Fiscal Year, it will notify the MSRB of the change.

The Department determined in 2017 that the annual disclosure of information regarding the Residential Mortgage Revenue Bond Program (“RMRB Program”) would no longer include certain annual information since the RMRB Program has no whole mortgage loans and over 99% of the mortgage-backed certificates are Ginnie Mae Certificates. As such, information related to: (i) whole mortgage loans and (ii) mortgage-backed certificate type and delinquency data are immaterial to the current RMRB Program and were and will be omitted in its annual disclosure. Based on the changing make-up of the pledged assets under the Department's various indentures, the Department will determine materiality of disclosure items and may modify its disclosure accordingly in the future.

Event Notices

The Department will provide notice to the MSRB of any of the following events with respect to the Series 2025 Bonds, if such event is material within the meaning of the federal securities laws: (1) non-payment related defaults; (2) modifications to rights of securities holders; (3) Series 2025 Bond calls, if material, and tender offers; (4) release, substitution, or sale of property securing repayment of the Series 2025 Bonds; (5) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms; (6) appointment of a successor or additional trustee or the change of name of a trustee; and (7) incurrence of a financial obligation of the Department, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Department, any of which affect security holders.

The Department will also provide notice to the MSRB of any of the following events with respect to the Series 2025 Bonds without regard to whether such event is considered material within the meaning of the federal securities laws: (1) principal and interest payment delinquencies; (2) unscheduled draws on debt service reserves reflecting financial difficulties; (3) unscheduled draws on credit enhancements reflecting financial difficulties; (4) substitution of credit or liquidity providers, or their failure to perform; (5) adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the Series 2025B Bonds, or other events affecting the tax-exempt status of the Series 2025B Bonds; (6) defeasances; (7) rating changes; and (8) bankruptcy, insolvency,

receivership or similar event of an obligated person; and (9) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Department, any of which reflect financial difficulties.

For the purposes of the above described event notices, the term “financial obligation” means a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation, or (iii) a guarantee of (i) or (ii); provided however, that a “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule. The Department has expressed its intent in the Disclosure Agreement that the words used in (7) in the first paragraph of this subcaption and item (9) immediately above and the definition of “financial obligation” to have the meanings ascribed to them in SEC Release No. 34-83885, dated August 20, 2018.

The Department will provide notice of the aforementioned events to the MSRB in a timely manner (but not in excess of ten business days after the occurrence of the event). The Department will also provide timely notice of any failure by the Department to provide annual financial information in accordance with their agreement described above under “Annual Reports.”

Availability of Information from MSRB

The Department has agreed to provide the foregoing information only to the MSRB. The information will be available to holders of Series 2025 Bonds only if the holders comply with the procedures and pay any charges that may be established by the MSRB such information vendors or obtain the information through securities brokers who do so. Such information is available at no charge at www.emma.msrb.org.

Limitations and Amendments

The Department has agreed to update information and to provide notices of material events only as described above. The Department has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The Department makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Series 2025 Bonds at any future date. The Department disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its Disclosure Agreement or from any statement made pursuant to its Disclosure Agreement, although holders of Series 2025 Bonds may seek a writ of mandamus to compel the Department to comply with its Disclosure Agreement.

The Disclosure Agreement may be amended by the Department and the Trustee from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Department, but only if (1) the provisions, as so amended, would have permitted an underwriter to purchase or sell any Series 2025 Bonds in the primary offering of the Series 2025 Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Disclosure Agreement that authorizes such an amendment) of the Outstanding Series 2025 Bonds consent to such amendment or (b) a person that is unaffiliated with the Department (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Series 2025 Bonds. If the Department so amends the Disclosure Agreement, it has agreed to include with any financial information or operating data next provided in accordance with its agreement described above under “Annual Reports” an explanation, in narrative form, of the reasons for the amendment and of any change in the type of financial information and operating data so provided. The Department may also amend or repeal the provisions of the Disclosure

Agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling any Series 2025 Bonds in the primary offering of such Series 2025 Bonds.

Notwithstanding the foregoing, under current state law, the Department is required to have an audit performed annually by independent accountants, which audit is available to any person who makes a request to the Department and upon payment of the cost of copying thereof.

Duties, Immunities, and Liabilities of Trustee

The Trust Indenture is made applicable to the Disclosure Agreement as if the Disclosure Agreement were (solely for this purpose) contained in the Trust Indenture. The Trustee shall have only such duties as are specifically set forth in the Disclosure Agreement, and no implied covenants shall be read into the Disclosure Agreement against the Trustee.

RATINGS

Moody's Ratings ("Moody's") and S&P Global Ratings, a division of S&P Global, Inc. ("S&P"), have assigned ratings to the Series 2025 Bonds of "Aaa" and "AA+," respectively. An explanation of the significance of such ratings may be obtained from the companies furnishing the ratings. The ratings do not represent recommendations to buy, sell, or hold the Series 2025 Bonds. The ratings reflect only the respective views of such organizations at the time such ratings were assigned and the Department makes no representation as to the appropriateness of the ratings.

There is no assurance that any ratings assigned to the Series 2025 Bonds will continue for any given period of time or that they will not be revised downward or withdrawn entirely by either or both of such rating companies, if in the judgment of either or both companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2025 Bonds.

APPENDIX B-1

GNMA AND THE GNMA CERTIFICATES

This summary of the GNMA Mortgage Backed Securities Program, the GNMA Certificates and the documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the GNMA Mortgage Backed Securities Guide published by GNMA and to said documents for full and complete statement of their provisions. The following summary is of the GNMA I Program and the GNMA II Program, as amended.

Government National Mortgage Association ("GNMA") is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development ("HUD") with its principal office in Washington, D.C.

To issue GNMA Certificates, the Master Servicer must first apply to and receive from GNMA the Commitment to Guarantee Mortgage Backed Securities (the "MBS Agreement"). The MBS Agreement authorizes the Master Servicer to apply to GNMA for the issuance of Mortgage-Backed Securities to be eligible for guaranty by GNMA up to a stated date and issue GNMA Certificates up to a stated amount during a one-year period following the date of the MBS Agreement. Each MBS Agreement is valid for a 12-month period from the date of commitment.

Each GNMA Certificate is to be backed by a mortgage pool consisting of Mortgage Loans in a minimum aggregate amount of \$250,000 (or such lesser amount as may be approved by GNMA). Each GNMA I Certificate will be a "mortgage loan pass-through" certificate which will require the Master Servicer to pass through to the paying and transfer agent therefor (the "GNMA Paying Agent") by the fifteenth day of each month (or the sixteenth day, if such day is not a business day, provided that, if neither the fifteenth nor the sixteenth day is a business day, the first business day prior to the fifteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer receives such payments, plus any prepayments of principal of the Mortgage Loans received by the Master Servicer in the previous month. Each GNMA II Certificate will require the Master Servicer to pass through to the GNMA Paying Agent for the GNMA II Program, by the nineteenth day of each month (or the twentieth day, if such day is not a business day; provided that, if neither the nineteenth nor the twentieth day is a business day, then the first business day prior to the nineteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer received such payments, plus any prepayments on the Mortgage Loan received by the Master Servicer in the previous month. The GNMA Paying Agent is then required to pass through to the Trustee on or before the third business day following the nineteenth day of each month the scheduled payments received from the Master Servicer. GNMA guarantees timely payment of principal of and interest with respect to the GNMA Certificate.

GNMA is authorized by Section 306(g) of Title III of the National Housing Act of 1934, as amended (the "Housing Act"), to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by a pool of mortgage loans insured by FHA under the Housing Act, or guaranteed by RDA under Title V of the Housing Act of 1949, or guaranteed by VA under the Servicemen's Readjustment Act of 1944, as amended, or Chapter 37 of Title 38, United States Code. Section 306(g) further provides that "the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection." An opinion, dated October 12, 1969, of an Assistant Attorney General of the United States, states that such guarantees under Section 306(g) of mortgage backed certificates of the type being delivered to the Trustee

on behalf of the Department are authorized to be made by GNMA and “would constitute general obligations of the United States backed by its full faith and credit.”

GNMA, upon execution of the GNMA Guaranty appended to the GNMA Certificate and upon delivery of the GNMA Certificate to the Master Servicer, will have guaranteed to the Trustee as holder of the GNMA Certificate the timely payment of principal of and interest on the GNMA Certificate. In order to meet its obligations under such guaranty, GNMA, in its corporate capacity under Section 306(g) of Title III of the Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable GNMA, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the GNMA Certificate. The Treasury is authorized to purchase any obligation so issued by GNMA and has indicated in a letter dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to GNMA, if needed, to implement the aforementioned guaranty.

GNMA is required to warrant to the Trustee as the holder of the GNMA Certificate, that, in the event it is called upon at any time to make payment on its guaranty of the principal of and interest on the GNMA Certificate, it will, if necessary, in accordance with Section 306(d) of Title III of the Housing Act, apply to the Treasury Department of the United States for a loan or loans in amounts sufficient to make payments of principal and interest.

The Master Servicer will be responsible for servicing and otherwise administering the Mortgage Loans in accordance with generally accepted practices of the mortgage banking industry and the GNMA Mortgage Backed Securities Guide (the “Guide”).

It is expected that interest and principal payments on the Mortgage Loans received by the Master Servicer will be the source of payments on the GNMA Certificates. If such payments are less than what is due the Master Servicer is obligated to advance its own funds to ensure timely payment of all amounts coming due on the GNMA Certificates. GNMA guarantees such timely payment in the event of the failure of the Master Servicer to pay an amount equal to the scheduled payments (whether or not made).

The Master Servicer is required to advise GNMA in advance of any impending default on scheduled payments so that GNMA as guarantor will be able to continue such payments as scheduled on the third business day following the twentieth day of each month. If, however, such payments are not received as scheduled, the Trustee has recourse directly to GNMA.

The GNMA Guaranty Agreement to be entered into by GNMA and the Master Servicer upon issuance of the GNMA Certificates (the “GNMA Guaranty Agreement”) will provide that, in the event of a default by the Master Servicer, GNMA will have the right, by letter to the Master Servicer, to effect and complete the extinguishment of the Master Servicer's interest in the Mortgage Loans, and the Mortgage Loans are to thereupon become the absolute property of GNMA, subject only to the unsatisfied rights of the holder of the GNMA Certificate. In such event, the GNMA Guaranty Agreement will provide that GNMA will be the successor in all respects to the Master Servicer in its capacity under the GNMA Guaranty Agreement and the transaction and arrangements set forth or arranged for therein. At any time, GNMA may enter into an agreement with an institution approved by GNMA under which such institution undertakes and agrees to assume any part or all of such duties, and no such agreement will detract from or diminish the responsibilities, duties or liabilities of GNMA in its capacity as guarantor.

Payment of principal and interest on the GNMA Certificate is required to be made in monthly installments on or before the third business day following the twentieth of each month commencing the month following the date of issue of the GNMA Certificate.

Each installment on the GNMA Certificate is required to be applied first to interest and then in reduction of the principal balance then outstanding on the GNMA Certificate. Interest is to be paid at the specified rate on the unpaid portion of the principal of the GNMA Certificate. The amount of principal due on the GNMA Certificate is to be in an amount at least equal to the scheduled principal amortization currently due on the Mortgage Loans subject to adjustment by reason of unscheduled recoveries of principal on the Mortgage Loans. In any event, the Master Servicer is required to pay to the Trustee, as holder of the GNMA Certificate, monthly installments of not less than the interest due on the GNMA Certificate at the rate specified in the GNMA Certificate, together with any scheduled installments of principal, whether or not such interest or principal is collected from the Mortgagor, and any prepayments or early recovery of principal. Final payment is to be made upon surrender of the outstanding GNMA Certificate.

The Office of Inspector General (OIG) is required to conduct an annual audit of GNMA under the provisions of the Chief Financial Officers (CFO) Act of 1990 ("CFO Act"). The complete OIG report is included in the separate management report of GNMA prepared pursuant to the CFO Act which is available upon request from GNMA at Government National Mortgage Association, 451 Seventh Street, SW, Washington, D.C. 20410-9000.

The SEC currently maintains a website (<http://www.sec.gov>) that contains reports, proxy statements and other information that Fannie Mae has filed with the SEC. Mortgage-backed Securities Program

Fannie Mae is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 et seq.). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market, and was transferred into a stockholder-owned and privately managed corporation by legislation enacted in 1968. The Secretary of Housing and Urban Development exercises general regulatory power over Fannie Mae. Fannie Mae provides funds to the mortgage market by purchasing mortgage loans from lenders, thereby replenishing their funds for additional lending. Fannie Mae acquires funds to purchase mortgage loans from many capital market investors that may not ordinarily invest in mortgage loans, thereby expanding the total amount of funds available for housing. In addition, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Although the Secretary of the Treasury of the United States has certain discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency or instrumentality thereof is obligated to finance Fannie Mae's obligations or assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae issues securities (the "Fannie Mae Certificates") backed by pools of mortgage loans (the "MBS Program"). The obligations of Fannie Mae, including its obligations under the Fannie Mae Certificates, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

The terms of the MBS Program are governed by the Fannie Mae Selling and Servicing Guides (the "Fannie Mae Guides") published by Fannie Mae, as modified by the Pool Purchase Contract (as hereinafter described), and, in the case of mortgage loans such as the Mortgage Loans, a Trust Indenture dated as of November 1, 1981, as amended (the "Fannie Mae Trust Indenture"), and a supplement thereto to be issued by Fannie Mae in connection with each pool.

The summary of the MBS Program set forth herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides, the Fannie Mae prospectus and the other documents referred to herein.

Pool Purchase Contract

It is expected that Fannie Mae and the Master Servicer will enter into a Pool Purchase Contract, pursuant to which the Master Servicer will be permitted to deliver, and Fannie Mae will agree to purchase mortgage loans in exchange for Fannie Mae Certificates. The purpose of the Pool Purchase Contract is to provide for certain additions, deletions and changes to the Fannie Mae Guides relating to the purchase of mortgage loans. In the event of a conflict between the Pool Purchase Contract and the Fannie Mae Guides, the Pool Purchase Contract will control. The description set forth below assumes that the Pool Purchase Contract will be executed substantially in the form presented by Fannie Mae to the Master Servicer as of the date hereof.

The Pool Purchase Contract obligates the Master Servicer to service the mortgage loans in accordance with the requirements of the Fannie Mae Guides and the Pool Purchase Contract.

Fannie Mae Certificates

Each Fannie Mae Certificate will represent the entire interest in a specified pool of Mortgage Loans purchased by Fannie Mae from the Master Servicer and identified in records maintained by Fannie Mae.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Certificates that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the Mortgage Loans in the pools represented by such Fannie Mae Certificates, whether or not received, and the full balance of any foreclosed or other finally liquidated Mortgage Loan, whether or not such principal balance is actually received. The obligations of Fannie Mae under such guarantees are obligations solely of Fannie Mae and are not backed by, nor entitled to, the faith and credit of the United States. If Fannie Mae were unable to satisfy such obligations, distributions to the Trustee, as the registered holder of Fannie Mae Certificates, would consist solely of payments and other recoveries on the underlying Mortgage Loans and, accordingly, monthly distributions to the Trustee, as the holder of Fannie Mae Certificates, would be affected by delinquent payments and defaults on such Mortgage Loans.

Payments on Mortgage Loans; Distributions on Fannie Mae Certificates

Payments on a Fannie Mae Certificate will be made on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or, if such 25th day is not a business day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loans in the related mortgage pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any Mortgage Loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae's election any Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest), (iii) the amount of any partial prepayment of a Mortgage Loan received in the second month next preceding the month of distribution, and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Certificate as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the Fannie Mae Certificate on its issue date).

For purposes of distributions, a Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution but is under no obligation to do so.

Ladies and Gentlemen:

We have represented the Texas Department of Housing and Community Affairs (the “Department”) as its bond counsel in connection with the issuance of the Department’s Residential Mortgage Revenue and Refunding Bonds, Series 2025B (the “Series 2025B Bonds”) and Residential Mortgage Revenue Bonds, Taxable Series 2025C (the “Series 2025C Bonds,” and together with the Series 2025B Bonds, the “Series 2025BC Bonds”) pursuant to a resolution adopted by the Governing Board of the Department on October 10, 2024 (the “Bond Resolution”) and a separate pricing certificate with respect to each of the Series 2025B Bonds and the Series 2025C Bonds (collectively, the “Pricing Certificate”) each executed on May 6, 2025 by an authorized officer of the Department pursuant to the Bond Resolution; the Amended and Restated Residential Mortgage Revenue Bond Trust Indenture dated as of July 1, 2019 (as amended and supplemented from time to time, the “RMRB Indenture”), between the Department and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”); the Forty-Sixth Supplemental Residential Mortgage Revenue Bond Trust Indenture dated as of June 1, 2025 (the “Forty-Sixth Supplemental Indenture”), between the Department and the Trustee with respect to the Series 2025B Bonds; and the Forty-Seventh Supplemental Residential Mortgage Revenue Bond Trust Indenture dated as of June 1, 2025 (the “Forty-Seventh Supplemental Indenture”), between the Department and the Trustee with respect to the Series 2025C Bonds. The Forty-Sixth Supplemental Indenture and the Forty-Seventh Supplemental Indenture are referred to herein collectively as the “2025BC Supplemental Indentures,” and the RMRB Indenture and the 2025BC Supplemental Indentures are referred to herein collectively as the “Indenture.” The Series 2025BC Bonds are being issued in the principal amounts, bear interest at the rates, mature on the dates and are subject to redemption prior to maturity as provided in the Indenture. Capitalized terms not otherwise defined herein have the meanings assigned to such terms in the Indenture.

The RMRB Indenture permits the issuance of additional bonds, and such bonds have been issued, on a parity with the Series 2025BC Bonds upon the terms and conditions set forth in the RMRB Indenture. The Department reserves the right in the RMRB Indenture to issue other bonds of the Department under the RMRB Indenture for other programs similar to the program initially funded with the proceeds of the Series 2025BC Bonds and to refund bonds issued under the RMRB

Indenture, and further reserves the right to issue bonds payable from the pledges and assignments in trust pursuant to the RMRB Indenture that are junior or subordinate to the Series 2025BC Bonds, all as provided in the RMRB Indenture.

The scope of our engagement as bond counsel extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Series 2025BC Bonds under the Constitution and laws of the State of Texas (the “State”) and the security therefor and with respect to the excludability of interest on the Series 2025B Bonds from gross income for federal income tax purposes. We have not been engaged to review, or undertaken the review of, the accuracy, completeness or sufficiency of the Official Statement or any other offering material relating to the Series 2025BC Bonds, and we express no opinion relating thereto (excepting only the matters set forth in our supplemental opinion of bond counsel of even date herewith). We have not assumed any responsibility with respect to the financial condition or capability of the Department or the disclosure thereof.

In our capacity as bond counsel, we have participated in the preparation of and have examined a transcript of certain proceedings pertaining to the Series 2025BC Bonds, on which we have relied in giving our opinion. The transcript contains certified copies of certain proceedings of the Department, the State and the Trustee, and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Department, the State, the Trustee and others. We also have analyzed such laws, regulations, guidance, documents and other materials as we have deemed necessary to render the opinions herein. Moreover, we have examined executed Bonds No. TRB-1 and TRC-1 of the Series 2025BC Bonds.

We have assumed with your permission and without independent verification (i) the genuineness of certificates, records and other documents (collectively, “documents”) and the information submitted to us and the accuracy and completeness of the statements contained therein; (ii) the due authorization, execution and delivery of the documents by the parties thereto other than the Department, and the validity and binding effect of the documents on such parties; (iii) that all documents submitted to us as originals are accurate and complete; (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof; and (v) that all information submitted and representations and certifications delivered to us by the Department and other parties are accurate and complete.

In providing the opinions set forth herein, we have relied on representations and certifications of the Department and other parties involved with the issuance of the Series 2025BC Bonds and the Mortgage Loans with respect to matters solely within the knowledge of the Department and such parties, which we have not independently verified. In addition, we have assumed for purposes of this opinion continuing compliance with the procedures, safeguards and covenants of the Servicer and Mortgage Lenders in the Program Agreement and the covenants of the Department in the Indenture and the Program Agreement. We have further relied on the report (the “Report”) of Causey Demgen & Moore P.C., certified public accountants, regarding the mathematical accuracy of certain computations.

Based upon such examination, in reliance on such representations and certifications and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that:

1. The Department is a public and official governmental agency of the State, duly created and existing under the laws of the State, particularly Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, the “Act”), and has full power and authority to adopt the Bond Resolution, to execute the Pricing Certificate and to perform its obligations thereunder; to execute and deliver the 2025BC Supplemental Indentures; to perform its obligations under the Indenture; and to issue and sell the Series 2025BC Bonds and to utilize the proceeds therefrom for the purposes set forth in the Bond Resolution and the Indenture.

2. The Department has duly adopted the Bond Resolution and has duly authorized, executed and delivered the Pricing Certificate and the 2025BC Supplemental Indentures, and the 2025BC Supplemental Indentures have been duly and lawfully adopted by the Department in accordance with the provisions of the RMRB Indenture, and are authorized or permitted by the RMRB Indenture. The Indenture constitutes a legal, valid and binding obligation of the Department. Pursuant to the Indenture, all of the Department’s right, title and interest in and to the Trust Estate, including the Revenues and other amounts to be received by the Department have been validly and effectively assigned and, upon receipt of such Revenues and amounts by the Trustee, pledged as security for the payment of the principal and redemption price of and interest on the Series 2025BC Bonds.

3. The Department has duly authorized the issuance, execution and delivery of the Series 2025BC Bonds. The authorized officers of the Department have duly executed the Series 2025BC Bonds and the Trustee has duly authenticated the Series 2025BC Bonds, to the extent required by the Indenture, and delivered the Series 2025BC Bonds to or at the direction of the initial purchasers thereof. The Series 2025BC Bonds constitute legal, valid and binding limited obligations of the Department and are entitled to the benefit and security of the Indenture.

4. The Series 2025BC Bonds are issued pursuant to the provisions of the Act and constitute limited obligations of the Department and are payable solely from the revenues, funds and assets of the Department pledged under the Indenture and not from any other revenues, funds or assets of the Department. The Series 2025BC Bonds are not and do not create or constitute in any way an obligation, a debt or a liability of the State, or create or constitute a pledge, giving or lending of the faith or credit or taxing power of the State. The Department has no taxing power.

5. Interest on the Series 2025B Bonds (i) is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended, and (ii) is not an item of tax preference for purposes of the alternative minimum tax on individuals, but we observe that such interest is taken into account in computing the alternative minimum tax imposed on certain corporations.

We observe that the Department has taken no action to make interest on the Series 2025C Bonds excludable from gross income for federal income tax purposes. We express no opinion as to the amount or timing of interest on the Series 2025BC Bonds or, except as stated above, any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or the acquisition, ownership or disposition of, the Series 2025BC Bonds. These opinions are specifically limited, to the extent applicable, to the laws of the State and the laws of the United States of America. Further, in the event that the information submitted to us, the representations of the Department or other parties involved with the issuance of the Series 2025BC Bonds and the

Mortgage Loans upon which we have relied, or the Report are determined to be inaccurate or incomplete, or the Department, a Mortgage Lender or the Servicer fails to comply with the procedures, safeguards and covenants in the Indenture and the Program Agreement, interest on the Series 2025B Bonds could become includable in gross income for federal income tax purposes from the date of the original delivery of the Series 2025B Bonds, regardless of the date on which the event causing such inclusion occurs.

We express no opinion as to the priority or perfection of the security interest granted by the Department in the Trust Estate.

The enforceability of certain provisions of the Series 2025BC Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, availability of equitable remedies under the Series 2025BC Bonds may be limited by general principles of equity that permit the exercise of judicial discretion. Furthermore, the enforceability of any indemnification provisions contained in the Indenture may be limited by applicable securities laws and public policy.

Our opinions are based on existing law and our knowledge of facts as of the date hereof and may be affected by certain actions that may be taken or omitted on a later date. We assume no duty to update or supplement these opinions, and this opinion letter may not be relied upon in connection with any changes to the law or facts, or actions taken or omitted, after the date hereof.

This letter is delivered to the addressees hereof in connection with the issuance and delivery of the Series 2025BC Bonds. The opinions set forth above speak only as of the date of this letter and only in connection with the Series 2025BC Bonds and may not be applied to any other transaction. The opinions expressed herein are for the sole benefit of, and may be relied upon only by, the addressees named above, and this opinion letter may not otherwise be used, circulated, quoted, or referred to, in whole or in part, without the prior written consent of the undersigned in each and every instance. We observe that we are engaged solely to represent the Department as its bond counsel in this matter.

Very truly yours,

Other Information

Mortgage Loan Information Management System

All Mortgage Loans made with proceeds of the Department's mortgage revenue bonds permit partial or complete prepayment without penalty. Mortgage Loans, in general, may also be terminated prior to their respective maturities as a result of events such as default, sale, condemnation or casualty loss. A number of factors, including general economic conditions, homeowner mobility and mortgage market interest rates, will affect the rate of actual prepayments for a particular portfolio of mortgage loans.

The Department does not service the Mortgage Loans backing Mortgage Certificates; however, the Department monitors the origination and payment of such Mortgage Loans.

SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS

[THIS PAGE INTENTIONALLY LEFT BLANK]

DTC AND BOOK-ENTRY

DTC will act as securities depository for the Series 2025 Bonds. the Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2025 Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' Records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial

Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Department as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Department or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the Department, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Department or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the Department or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Department may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation of, the Department, or the Trustee.

The Department, the Underwriters and the Trustee cannot and do not give any assurances that DTC, the Direct Participants or the Indirect Participants will distribute to the Beneficial Owners of the Series 2025 Bonds (i) payments of principal of or interest and premium, if any, on the Series 2025 Bonds, (ii) certificates representing an ownership interest or other confirmation of beneficial ownership interest in Series 2025 Bonds, or (iii) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series 2025 Bonds, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement.

The current “Rules” applicable to DTC are on file with the Securities Exchange Commission, and the current “Procedures” of DTC to be followed in dealing with Direct Participants are on file with DTC.

NEITHER THE DEPARTMENT, THE UNDERWRITERS NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON WITH RESPECT TO: (1) THE SERIES 2025 BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2025 BONDS; (4) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE TRUST INDENTURE TO BE GIVEN TO OWNERS OF SERIES 2025 BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF SERIES 2025 BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS A BONDHOLDER.

Discontinuation of Book-Entry-Only System

In the event that the book-entry-only system is discontinued by DTC or the Department, the following provisions will be applicable to the Series 2025 Bonds. Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations of the same Series and maturity upon surrender thereof at the applicable corporate trust office of the Trustee with a duly executed assignment in form satisfactory to the Trustee. The transfer of any Series 2025 Bond may be registered on the books maintained by the Trustee for such purpose only upon the surrender of such Series 2025 Bond to the Trustee with a duly executed assignment in form satisfactory to the Trustee. For every exchange or transfer of registration of Series 2025 Bonds, the Department or the Trustee may make a charge sufficient to reimburse it or them for any tax, fee, or other governmental charge required to be paid with respect to such exchange or registration of transfer, as well as the administrative expenses, if any, charged by the Trustee for the transfer or exchange. The Trustee will not be required to transfer or exchange any Series 2025 Bond for a period of 20 days next preceding an interest payment date on such Series 2025 Bonds or next preceding any selection of Series 2025 Bonds to be redeemed or thereafter until after mailing of any notice of redemption on any Series 2025 Bonds called for redemption, or transfer or exchange any Series 2025 Bonds called for redemption. The Department and the Trustee may treat the Person in whose name a Series 2025 Bond is registered as the absolute owner thereof for all purposes, whether such Series 2025 Bond is overdue or not, for the purpose of receiving payment of, or on account of the principal of, interest on, such Series 2025 Bond. If any Series 2025 Bond is not presented for payment when the principal or the Redemption Price therefor becomes due, and if moneys sufficient to pay such Series 2025 Bond (or the portion thereof called for redemption) or such interest, as is applicable, have been deposited under the Trust Indenture, all liability of the Department to the owner thereof for the payment of such Series 2025 Bonds (or portion thereof) or such interest, as applicable, will be discharged, and thereupon it shall be the duty of the Trustee to hold such money for the benefit of the owner of the applicable Series 2025 Bond, who will thereafter be restricted exclusively to such money, for any claim on his part under the Trust Indenture or on or with respect to, such principal, Redemption Price and/or interest. Money not claimed within three years will be turned over to the Comptroller of Public Accounts of the State of Texas (the “Comptroller”), in accordance with Title 6, Texas Property Code.

TEXAS TREASURY SAFEKEEPING TRUST COMPANY

The Department has entered into a Depository Agreement relating to the Bonds (as amended and supplemented, the “Depository Agreement”), by and among the Department, the Trustee, and the Texas Treasury Safekeeping Trust Company, a special-purpose trust company organized under the laws of the State of Texas (the “Trust Company”). Pursuant to the Depository Agreement, the Trust Company will hold all moneys and securities required to be credited to all Funds (other than the Special Mortgage Loan Fund). All money and securities required by the Trust Indenture to be credited to such Funds and Accounts are required to be remitted to the Trust Company from time to time by the Department and the Trustee.

The Trust Company is required to remit amounts from the appropriate accounts held by it to the Trustee at such times as are necessary to pay the principal or Redemption Price of and interest on the Bonds when due. Moneys held in the accounts held by the Trust Company are required to be invested by the Trust Company pursuant to instruction from the Department as described herein under “THE TRUST INDENTURE – Investments.” The Trust Company is required to hold all moneys and securities delivered to it under the Depository Agreement in trust for the benefit of the Department, the Trustee and the owners of the Bonds.

The Department has agreed to pay the Trust Company a fee for performing its duties under the Depository Agreement. The Department has the right to remove the Trust Company as Depository under the Depository Agreement at any time by filing a written notice with the Trustee and the Trust Company to that effect. The Trust Company may resign as Depository under the Depository Agreement by giving at least 60 days’ written notice to the Department and the Trustee of its determination to resign. Upon any such removal or resignation, the Trust Company is required to deliver all moneys and securities held by it under the Depository Agreement to its successor thereunder, or, if there is no successor, to the Trustee.

LEGALITY FOR INVESTMENT

The Act provides that all obligations issued by the Department are legal and authorized investments for banks, savings banks, trust companies, savings and loan associations, insurance companies, fiduciaries, trustees, guardians, and the sinking and other public funds of the State, municipalities, counties, school districts, and other political subdivisions and public agencies of the State.

The Act also provides that all obligations issued by the Department are eligible and lawful security for all deposits of public funds of the State and all public agencies to the extent of the par or market value thereof, whichever is greater.

To the extent that the Series 2025 Bonds constitute “collateralized mortgage obligations that have a stated final maturity of greater than 10 years” within the meaning of the Texas Public Funds Investment Act, the Series 2025 Bonds are not an “authorized investment” for a state agency, a local government, or other investing entity subject to the provisions of the Public Funds Investment Act.

No representation is made that the Series 2025 Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes. The Department has made no investigation of other laws, rules, regulations or investment criteria which might apply to any such persons or entities or which might otherwise limit the suitability of the Series 2025 Bonds for any of the foregoing purposes or limit the authority of such persons or entities to purchase or invest in the Series 2025 Bonds for such purposes.

THE PROGRAM AND THE MORTGAGE LOANS

The Program

The Department has established a single family mortgage purchase program (“Program”) pursuant to the Act for the purpose of assisting in financing the costs of acquisition of residences within the State of Texas by Eligible Borrowers (as described below). The component of the Program relating to the Series 2025 Bonds has been designated as the Department’s Bond Program No. 111 (“Program 111”). In connection with the issuance of the Series 2025 Bonds and the Prior Bonds and any additional Bonds, the Department purchased or shall purchase certain qualified Mortgage Loans (or participations therein) or Mortgage Certificates backed by Mortgage Loans originated by commercial banks, savings and loan associations, mortgage companies, non-profit corporations, and other qualified financial institutions (the

“Mortgage Lenders”). As a result of the issuance of the Series 2025 Bonds, the Trustee, on behalf of the Department, has agreed to purchase the 2025 Mortgage Certificates.

Mortgage Loans evidenced by the 2025 Mortgage Certificates will bear interest at rates established from time to time by the Department pursuant to the provisions of the Trust Indenture. The 2025 Mortgage Certificates are expected to be comprised of GNMA Certificates. The purchase price for such GNMA Certificates will be 100% of par (plus accrued interest).

The guidelines adopted by the Department from time to time in connection with the Program establish the eligibility of lenders to participate in the Program, time limitations with respect to commitments for and originations of Mortgage Loans, the types of Mortgage Loans eligible for purchase by the Master Servicer, the eligibility of mortgagors, the requirements for dwellings which secure Mortgage Loans, the fees which a Mortgage Lender may charge to originate a Mortgage Loan, the fees which a lending institution may charge for servicing a Mortgage Loan, as well as other aspects of the Program. In connection with each phase of the Program, the Department executed or will execute origination, sale and servicing agreements or mortgage origination agreements and program supplements (collectively, the “Agreement”) with the respective Mortgage Lenders. The Agreement obligated or will obligate the Mortgage Lenders to use their best efforts to originate and sell to the Department Mortgage Loans in conformity with the guidelines. Each Mortgage Loan was or will be reviewed prior to acquisition by the Compliance Agent designated by the Department for compliance with applicable provisions of the Program as set forth in the guidelines and with applicable provisions of federal income tax laws. The procedures set forth in the Agreement are established by the Department after consideration of standards and requirements customary in the secondary mortgage market. The Department anticipates that it may revise its procedures from time to time to conform with changes in the procedures followed by Fannie Mae, RHS, Ginnie Mae, VA or other major secondary mortgage market institutions.

Mortgage Lender Reservations – First-Come, First-Served

No funds made available through Program 111 will be allocated to any specific Mortgage Lenders. All funds will be made available to Mortgage Lenders on a controlled first-come, first-served basis.

Low Income Reservation

For the first one-year period of Program 111, the Department is requiring that 30% of the funds made available through the issuance of the Series 2025 Bonds be reserved for Mortgage Loans for individuals and families of low income (not exceeding 80% of applicable median family income (“AMFI”)).

Since April 1, 2023, approximately 82% of the number of Mortgage Loans originated by the Department that were eligible for inclusion in a tax-exempt bond issue and securitized into GNMA Certificates were made to borrowers at or below 80% of AMFI.

Low and Moderate Income Reservation

The remaining lendable funds will be made available for Mortgage Loans to Eligible Borrowers of low and moderate incomes whose family income does not exceed, for families of three persons or more, one hundred fifteen percent (115%) (one hundred forty percent (140%) in targeted areas) of AMFI, and, for individuals and families of two persons, one hundred percent (100%) (one hundred twenty percent (120%) in targeted areas) of AMFI.

Eligible Borrowers

Each Mortgage Loan is required to be made to a person whose family income does not exceed certain income limits. In addition, to be eligible for a Mortgage Loan an applicant must be a person: (i) who intends to occupy the residence to be financed with such Mortgage Loan as his or her principal residence within a reasonable period after financing is provided; (ii) who, except in the case of certain targeted area loans, certain qualified veterans, certain exception loans hereinafter described, and certain homes falling into the Contract for Deed Exception, has not had a present ownership interest in a principal residence at any time during the three-year period preceding the date of execution of the Mortgage; and (iii) who has not had an existing mortgage on the residence (other than a mortgage falling into the Contract for Deed Exception) to be financed with such Mortgage Loan at any time prior to the execution of the Mortgage, other than certain permitted temporary financing mortgages. The Department, subject to the requirements of applicable provisions of federal income tax law and applicable regulations, may approve a limited number of exception loans that do not satisfy the requirement described in clause (ii) in the immediately preceding sentence. The maximum income for Eligible Borrowers varies according to family size and location.

Eligible Property

Each residence financed with a Mortgage Loan must consist of real property and improvements permanently affixed thereon which is located within the State of Texas. Each residence must be a single-family, owner-occupied attached or detached structure, a single-family condominium unit or a single unit in a planned unit development or a qualifying duplex, triplex, or four-plex. Each residence financed with a Mortgage Loan must have an acquisition cost (the "Maximum Acquisition Cost") not exceeding certain acquisition cost limits established by the Department from time to time. The Maximum Acquisition Cost varies according to location.

Mortgage Loans

The Department may, at its election, sell, assign, transfer or otherwise dispose of any Mortgage Loan or Mortgage Certificate in accordance with the terms and provisions of the Trust Indenture, as more particularly described in "SECURITY FOR THE BONDS – Sale of Mortgage Certificates and Mortgage Loans." The Department shall not consent or agree to or permit any amendment or modification of any Mortgage Loan which will in any manner materially impair or materially adversely affect the rights or security of the Bondholders under the Trust Indenture in such Mortgage Loan except for amendments and modifications made in connection with settling any default on any Mortgage Loan which are consistent with the Cashflow Statement most recently filed with the Trustee, or in connection with a refinancing of a Mortgage Loan. See "SECURITY FOR THE BONDS – Cashflow Statement and Asset Test."

Compliance with Tax Law and Program Guidelines

Each Mortgage Lender was required or will be required to follow certain procedures in the origination of Mortgage Loans to insure compliance with the mortgage eligibility requirements of applicable federal income tax laws and other requirements applicable to the Mortgage Loans. These procedures will include, but may not be limited to, the following: (i) obtaining affidavits of the borrower and seller and certificates of the real estate agent, if any, providing and certifying certain information regarding borrower income, home acquisition cost, and other loan information; (ii) reviewing the contents of the affidavits and certificates with the persons executing them prior to the execution thereof; (iii) except in the case of certain targeted area loans or certain other exception loans, obtaining signed or certified copies of the borrower's federal income tax returns for the preceding three years to verify that the borrower did not claim deductions for taxes or interest on indebtedness with respect to real property constituting his or

her principal residence or a borrower's affidavit that he or she was not required to file such a return during one or more of the preceding three years; (iv) performing such additional investigations as may be appropriate under the circumstances to verify that the requirements of applicable federal income tax laws are satisfied as of the date of the execution of the Mortgage; (v) reviewing the draft settlement statement to assure that all fees and charges and settlement and financing costs comply with the applicable requirements; (vi) preparing, executing, and delivering a certificate relating to compliance with the requirements set forth immediately above; and (vii) carrying out such additional verification procedures as may be reasonably requested by the Department, its designated compliance agent, or the Trustee. If any Mortgage Loan fails to meet the guidelines established by the Department, the originating Mortgage Lender will be required to correct such failure within a reasonable time after such failure is discovered by either repurchasing the non-qualifying Mortgage Loan in full or by replacing the non-qualifying Mortgage Loan with a Mortgage Loan which meets the applicable requirements.

Servicing

The Master Servicer may deduct its servicing fees directly from amounts received on such Mortgage Loans. As compensation for its duties as servicer of Mortgage Loans, the Master Servicer will be entitled to receive a monthly servicing fee.

Servicing of the Mortgage Loans is required to be carried out in accordance with generally accepted practices in the mortgage lending industry and in accordance with the servicing standards set forth in the GNMA Guide or the Fannie Mae Guides, as applicable. In particular, the Master Servicer will be required to pursue collection on the applicable Mortgage Loans with prudence and diligence, manage foreclosure or assignment procedures, and file, process and receive the proceeds from FHA mortgage insurance, VA or RHS guaranty claims, or private mortgage insurance.

The Master Servicer, as servicer of the Mortgage Loans, must, if applicable, provide to the Department and such other person specified in a Supplemental Indenture, audited financial statements on an annual basis and monthly reports relating to Mortgage Loan originations and purchases. The Master Servicer may not resign from its servicing duties unless it is determined that its duties are no longer permissible under applicable laws and then only upon the assumption of the servicing duties by a successor servicer acceptable to FHA, VA, Ginnie Mae, Fannie Mae and the Department. In the event the Master Servicer is in material breach of its servicing obligations imposed by Ginnie Mae, Fannie Mae or the Department or a material adverse change has occurred in the financial condition of the Master Servicer, the Department, with the approval, if applicable, of Ginnie Mae and Fannie Mae, may terminate the Master Servicer's servicing rights and transfer and assign those rights to another Fannie Mae and Ginnie Mae approved servicer.

The Master Servicers

The Money Source, Inc. (TMS) will serve as Master Servicer for Mortgage Loans related to the Series 2025 Bonds. The Department engaged TMS to serve as Master Servicer of Mortgage Loans related to the Series 2025 Bonds beginning early February 2025. The transition to TMS does not represent a termination of the prior Master Servicer agreement with Idaho Housing and Finance Association (the "IHFA Agreement"), nor does it alter any term therein.

Under the terms of the TMS servicing agreement ("TMS Agreement") relating to the Series 2025 Bonds, the Department may terminate the TMS Agreement for cause or without cause upon 120 days

advance written notice to TMS. The TMS Agreement has an approximately two-year initial term with up to three one-year extensions as mutually agreed.

If the Department terminates the TMS Agreement for cause pursuant to its terms, after the end of the applicable notice period, all authority, power, and obligations of the Servicer under this Servicing Agreement shall terminate, however, Servicer shall continue to service all Mortgage Loans it purchased and is actively servicing pursuant to the Servicing Agreement, purchase and pool into one or more MBS Certificates for purchase by the department, any Mortgage Loan for which a reservation has been granted at the time of such notice, to the extent such Mortgage Loan meets the terms and conditions of the Servicing Agreement.

Idaho HFA continues to service TDHCA mortgage loans originated using funds from previous bond issuances. Per the IHFA Agreement, the Department may be required to reimburse Idaho HFA for principal and interest payments advanced, related to delinquent Mortgage Loans, in accordance with GNMA guidelines. The Department continues to experience above average delinquencies, primarily related to COVID-19, and as such, reimbursed the Idaho HFA for advances made in November 2022, December 2022, November 2023 and January 2024 totaling over \$15 million. The amount, timing, or need for future advances cannot be determined in advance. Reimbursements are made from surplus revenues from the Department's Single Family Mortgage Revenue Bond Trust Indenture and the Master Indenture. The Department anticipates the return of such reimbursements as delinquencies normalize.

The Department has engaged Cohn Reznick provide compliance analysis, oversight, and best practice recommendations related to its Master Servicer. The scope of the engagement is to review of the Servicer's historic performance in servicing TDHCA's loans, compliance with internal policies and procedures, and adherence with industry best practices related to timely loan processing, loss mitigation, delinquency management, foreclosures, loan modifications and second lien recovery.

Idaho HFA is the Master Servicer for various Mortgage Loans financed pursuant to the Trust Indenture. As of January 31, 2025, Idaho HFA services approximately 6,241 Mortgage Loans financed with the proceeds of certain Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$1,376,047,055.

Bank of America, N.A. ("Bank of America") is the Master Servicer for various Mortgage Loans financed pursuant to the Trust Indenture. As of January 31, 2025, Bank of America participates as Master Servicer for the Department for approximately 406 Mortgage Loans financed with the proceeds of certain Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$31,239,271.

US Bank National Association ("US Bank") is the Master Servicer for various Mortgage Loans financed pursuant to the Trust Indenture. As of January 31, 2025, US Bank participates as Master Servicer for the Department for approximately 119 Mortgage Loans financed with the proceeds of certain Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$9,226,354.

Investment of Funds

Moneys in all Funds established pursuant to the Trust Indenture will be invested in Investment Securities pursuant to the Depository Agreement with the Texas Treasury Safekeeping Trust Company. See "APPENDIX G – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS AND OTHER MATTERS – Texas Treasury Safekeeping Trust Company." Moneys held or invested in all Funds and accounts (except for the Rebate Fund) under the Trust Indenture are for the equal and ratable benefit of all owners of the Bonds.

The following table summarizes certain information as of January 31, 2025, regarding yields (calculated on the basis of stated maturity) on existing investments (valued at par) within particular Trust Indenture funds relating to Prior Bonds:

Proceeds of the Series 2025B Bonds and the Series 2025C Bonds deposited into the 2025B Mortgage Loan Account and the 2025C Mortgage Loan Account will be invested in Investment Securities.

The ability of the Department to make timely payments of principal of and interest on the Series 2025 Bonds and the Prior Bonds could be affected if the parties to the various investment agreements for the Series 2025 Bonds or the Prior Bonds do not honor their obligations thereunder to repay such moneys and the interest thereon at the times and rates set forth in the respective investment agreements.

The Department has adopted an investment policy (the “Investment Policy”) which applies to all financial assets of the Department. The Investment Policy’s objectives, in the order of priority, are as follows: (1) safety of principal, (2) sufficient liquidity to meet Department cashflow needs, (3) achievement of a market rate of return on investments, and (4) conformance with all applicable State statutes, particularly the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. With respect to bond proceeds, the Investment Policy provides that such proceeds should be invested as permitted by the applicable trust indenture.

OTHER DEPARTMENT PROGRAMS

The Department administers a variety of programs, in addition to its single family mortgage revenue bond program, that also fulfill its goals of providing safe and affordable housing throughout the State. Some of these programs may overlap or compete with the Program.

Taxable Mortgage Program

In addition to the Program, the Department offers mortgage loan financing options through its Taxable Mortgage Program (the “TBA Program”). Currently, all mortgage loans originated through the TBA Program are accompanied by a DPA Loan through which the mortgagor receives funds for down payment and closing cost assistance in the form of a 0%, non-amortizing, three year forgivable or 30-year second loan that is due on sale or refinance. Mortgage loans originated through the TBA Program are pooled into mortgage-backed securities that are sold to third-party investors. *Neither the mortgage loans nor the mortgage-backed securities originated through the TBA Program are pledged to the Indenture.* Below is a description of current loan options available through the TBA Program.

Bond Eligible Loans. Provided through the Department's My First Texas Home program, these loans typically offer the lowest mortgage rates available through the TBA Program. Borrowers must be Eligible Borrowers (including meeting the first-time homebuyer requirement). Income qualification is performed in accordance with IRS requirements for tax exempt mortgage revenue bonds, and loan documents include standard tax exempt loan documentation (such as tax exempt riders and recapture disclosure). Typically, mortgage loans may be originated as Bond Eligible Loans when the Department has no bond proceeds available. When bond proceeds are available, mortgage loans are typically reserved and originated through the Single Family Mortgage Revenue Bond Program.

Combo Loans. Offered through the Department's My First Texas Home program, these loans include a Mortgage Credit Certificate (MCC) issued by the Department to the borrower. Borrowers must be Eligible Borrowers and must meet the first-time homebuyer requirement; income qualification is performed in accordance with IRS requirements for tax exempt mortgage revenue bonds. Combo Loans are not eligible for inclusion in a tax-exempt bond program.

Taxable Loans. Offered through the Department's My Choice Texas Home program, these loans provide the most qualification flexibility. Borrowers must meet the requirements for an Eligible Borrower except that there is no first-time homebuyer requirement and income qualification is performed using standard 1003 credit qualifying income. Taxable Loans are not eligible for inclusion in a tax-exempt bond program.

Single Family Mortgage Revenue Bond Program

The Department administers a single family mortgage revenue bond program that finances mortgage loans to certain qualified first-time homebuyers, which is similar to the Program. For information regarding this program see “APPENDIX D-2 – BOND SUMMARY OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS.”
