III. General Information

A. Background

The Department has been designated as the state agency to administer the CSBG Program. On an annual basis, the Department receives CSBG funds from the U.S. Department of Health and Human Services (USHHS) to ameliorate the causes of poverty within communities.

The Department is permitted to reserve up to 5% of CSBG funds for state discretionary use for which the Department's Board has determined specific uses. This NOFA releases a portion of these 2025 CSBG Discretionary (CSBG-D) funds to establish a Reentry Assistance Pilot Program aimed to fund organizations that will assist previously incarcerated individuals in obtaining rental housing through landlord incentives, payment of security deposits and other reentry activities related to housing.

Capitalized words in this NOFA, unless otherwise defined herein, have the meaning outlined in Chapter 2306 of the Texas Government Code or in Title 10 Texas Administrative Code (TAC), Chapters 1, 2, or 6, as applicable which can be found at [Texas Administrative Code \(state.tx.us\)](https://www.texas.gov/legislation/tac).

B. CSBG-D Subrecipient Performance Requirements:

The NOFA will provide funding to organizations for new or existing projects to assist previously incarcerated individuals in obtaining rental housing through landlord incentives, payment of security deposits and other reentry activities related to housing. The successful applicant should consider a comprehensive approach that may include established partnerships to address case management, employment assistance, and/or other needed services.

This activity must be completed throughout the 12-month Contract Term.

Subrecipient must complete activities that have the following results:

- Increase the number of previously incarcerated individuals with secure and stable housing, defined as a minimum 6-12 month lease on a rental unit

Persons eligible for assistance must have an annual income at or below 200%, pending future actions by Congress, of the Federal Poverty Income Guidelines (FPIG) issued annually by HHS or the FPIG authorized in the 2025 CSBG funding by Congress.

C. Funds Available and Award Amounts

In this NOFA, the Department makes available \$400,000 of 2025 non-formula CSBG discretionary funds to be utilized for the awarded applicants. An applicant must apply for a minimum of \$80,000 not to exceed \$133,333 per application. If sufficient eligible applications are received that meet threshold criteria, it is anticipated that three to five awards ranging from \$80,000 to \$133,333 each will be made by the Department’s Board of Directors (Board). If the Department does not have sufficient funding to make the next award, it may either negotiate with the next applicant in line for a partial award or may move the funding to another eligible CSBG Activity.

In the event that the Department does not receive sufficient eligible applications in response to this NOFA to exhaust available funding, the Department reserves the right to make awards in excess of \$133,333 or reprogram the funds.

The availability of 2025 CSBG-D funds to subrecipient organizations is dependent on the Department’s receipt and availability of funds from USHHS. Access to funds may be limited to the amount of 2025 CSBG-D funds available to the Department from USHHS and is subject to Board decisions regarding its use.

D. Eligible Applicant Organizations

Organizations eligible to apply for CSBG-D NOFA funds are: Private Nonprofit Organizations with 501(c) status, Public Housing Authorities, Local Mental Health Authorities, Units of General Local Government, and Regional Councils of Governments who are proposing a project targeted to removing housing barriers for populations re-entering the community following incarceration. Eligible applicants must have experience in assisting the reentry population.

E. Ineligible Applicant Organizations

Organizations ineligible to apply for the competitive 2025 CSBG-D Reentry funds are:

- Private Nonprofit Organizations that do not have a Certificate of Formation (or Articles of Incorporation);

- Private Nonprofit Organizations that the Texas Secretary of State's Office website does not state are authorized to do business in Texas;
- Organizations for which persons on the organization's governing body or employees are debarred or suspended by the Department or another governmental agency; and
- Organizations for which persons on the organization's governing body or employees are on the suspended or debarred listed for the System for Award Management in accordance with 2 CFR Part 180 and 2 CFR Part 376.

F. Private Nonprofit Organizations.

The Department is not requiring that an organization submit a Certificate of Formation or proof of eligible status. However, it is the applicant's responsibility to ensure that its information including its Certificate of Formation (formally known as Articles of Incorporation) with the Texas Secretary of State's Office is correct and complete at the time of application. The Department will confirm proof of active status directly with the Texas Secretary of State. No administrative deficiencies will be issued for failure to have the appropriate status and governing documents reflected on the Secretary of State's Office when confirmed by the Department. Failure to have this information will cause the application to be terminated without further review as further described in Section VI, A of the NOFA.

G. Registration Requirements

Prior to contract execution, the successful applicant must provide the Department with the organization's Unique Entity ID and proof of registration with the System for Award Management (SAM). If the organization is not registered, go to <https://www.sam.gov> to renew, update, or create a new registration.

VI. Application Review Process

A. Eligibility Prescreening Review

The Department will review applications to determine if they meet the following eligibility prescreening criteria. If the Department determines that any of these criteria have not been satisfied, the application will be terminated and will not be reviewed and the applicant will be sent a notice of termination of their application and notified of their opportunity to appeal. The prescreening criteria are:

- All application threshold documents, consisting of all the Worksheets and Attachments in the Excel spreadsheet, must be submitted by the application deadline.

If the applicant does not provide the requested information within the 3 business day time period, the applicant will lose any points associated with that particular deficiency and will receive an automatic 5 point deduction for the deficiency notice.

C. Scoring of Applications

Applications received from eligible organizations who submitted all threshold documents will be reviewed and scored by the Department. The Department will utilize a standard scoring instrument to evaluate, score, and rank each application. The scoring instrument will award points based on the applicant's response to the requested information in Section B. The Department reserves the right to reject applications with a score below 50% of the maximum eligible points. If all applicants score below the minimum score, the Department reserves the right to review the top overall scoring entity(ies) and if, in the Department's judgment, they can appropriately administer the funds, may recommend an award to its Governing Board.

Upon completion of scoring each application, applicants will be provided a scoring notice with an opportunity to appeal.

The Department will consider and evaluate prior monitoring and/or audit issues during its application scoring. Additionally, other factors to be considered in the scoring of each application will include, but not be limited to:

- Experience assisting the reentry population with services;
- Capacity to effectively administer federal funds and to ensure compliance with regulations;
- Ability to demonstrate staff and organizational capacity to deliver the proposed services; and,
- Ability to demonstrate positive past performance with Department or other federally funded programs, including the results of Department monitoring reviews, timeliness of submission of reports, and other information deemed relevant to performance.

D. Awards

Applicants whose applications score competitively will be reviewed by the Department's Previous Participation Review Approval Process team and subsequently brought to the Department's Governing Board for consideration of an award.

The Department's desire for this pilot program is to select the highest scoring applications in different geographic locations. Unless there are no remaining applications, the Department will not recommend more than one award per city, county, or metropolitan/micropolitan statistical area as defined by the July 2023 Office of Management and Budget Bulletin No. 23-01 (Pages 174-175) as listed at: <https://www.whitehouse.gov/wp-content/uploads/2023/07/OMB-Bulletin-23-01.pdf>.
