Attachment F - Private Nonprofit Organization's Tax-Exempt Status Documentation

Applicant Name

Applicants that are private non-profit organizations must submit tax-exempt status documentation. Use this form as a cover sheet for tax-exempt documentation.

Tax-Exempt Status:

- All Private Nonprofit Organizations must document their status as a 501(c) tax-exempt entity. The Department prefers that the ruling be on IRS letterhead, legible and signed by the IRS District Director.
- Expired advance rulings from the IRS are not acceptable. Other documentation which may be utilized to document 501(c) status may be a letter from the State of Texas Comptroller of Public Accounts or a certified legal document showing status.
- If the organization is a subsidiary of a parent organization, the local nonprofit affiliate must provide a copy of the page listing the organization as part of the larger organization in the documents filed with the IRS.
