Applicants will select their preferred verification option below.

Select which verification option the applicant will implement:

Option A – Administrator will perform the verifications through the SAVE system, as authorized through the Department's access to such system.

This option is the recommended method for verification of qualified status, which is the most efficient method and historically creates the least delay in providing services to clients.

OR

Option B – Administrator will request from the household and transmit to the Department, or a party contracted by the Department, sufficient information or documentation so that the Department or its vendor can perform such verification and provide a determination to the Subrecipient.
