All attachments should clearly identify which application question the document pertains to, including identifying the section and question number. If the Department is unable to clearly determine which question the response belongs to, the applicant may not receive the correct number of points. If additional space is needed for any response, please use 11 point font on standard 8 ½ x 11" paper with 1" margins.

NOTE: Applications will be terminated for those applications with deficiencies not cured within three business days of the deficiency notice. Please refer to the NOFA Section VI – Application Review Process for details.
