Harvard Place/Eastlawn Neighborhood Association  
**GOALS AND STRATEGIES REPORT**

Based on the Ideas from  
Harvard Place/Eastlawn  
November 20, 1999 and December 9, 1999  
Neighborhood Meetings

Prepared by:

The City of San Antonio Planning Department  
The Neighborhood Resource Center and  
The Harvard Place/Eastlawn Neighborhood Association

Dear Neighbors:

The City of San Antonio Planning Department met with a group of community members from the Harvard Place/Eastlawn Neighborhood area to brainstorm and identify the goals and strategies for the neighborhood. The November 20 and December 9, 1999 workshops resulted in goals that the neighborhood prioritized as well as strategies to accomplish those goals. From this, a Goals and Strategies Report was developed.

At the workshop, the Harvard Place/Eastlawn neighborhood identified the top three goals they want to achieve as: (1) Encourage personal responsibility among homeowners and renters; (2) Encourage businesses to clean-up their premises; and (3) Discourage absentee landlord ownership of buildings and lots.

This report is a snapshot of the values of the community. The purpose of this snapshot is to focus the community's energy on commonly agreed upon goals and strategies. *There is no funding in this planning effort.* The real value of this report is that it functions as a catalyst that will bring community residents and stakeholders together to focus their energies.

The City cannot improve neighborhoods alone. Today, neighborhoods must partner with all stakeholders such as schools, businesses, non-profit organizations, churches, and other community institutions to make a positive impact in our neighborhoods.

The Harvard Place/Eastlawn Neighborhood Association Goals and Strategies Report will be distributed to appropriate City departments as well as to District 2 Councilman Mario Salas, and to Mayor Howard Peak. As Planning Director for the City of San Antonio, I applaud your efforts and thank you for making our neighborhoods a better and safer place to live.

Sincerely,

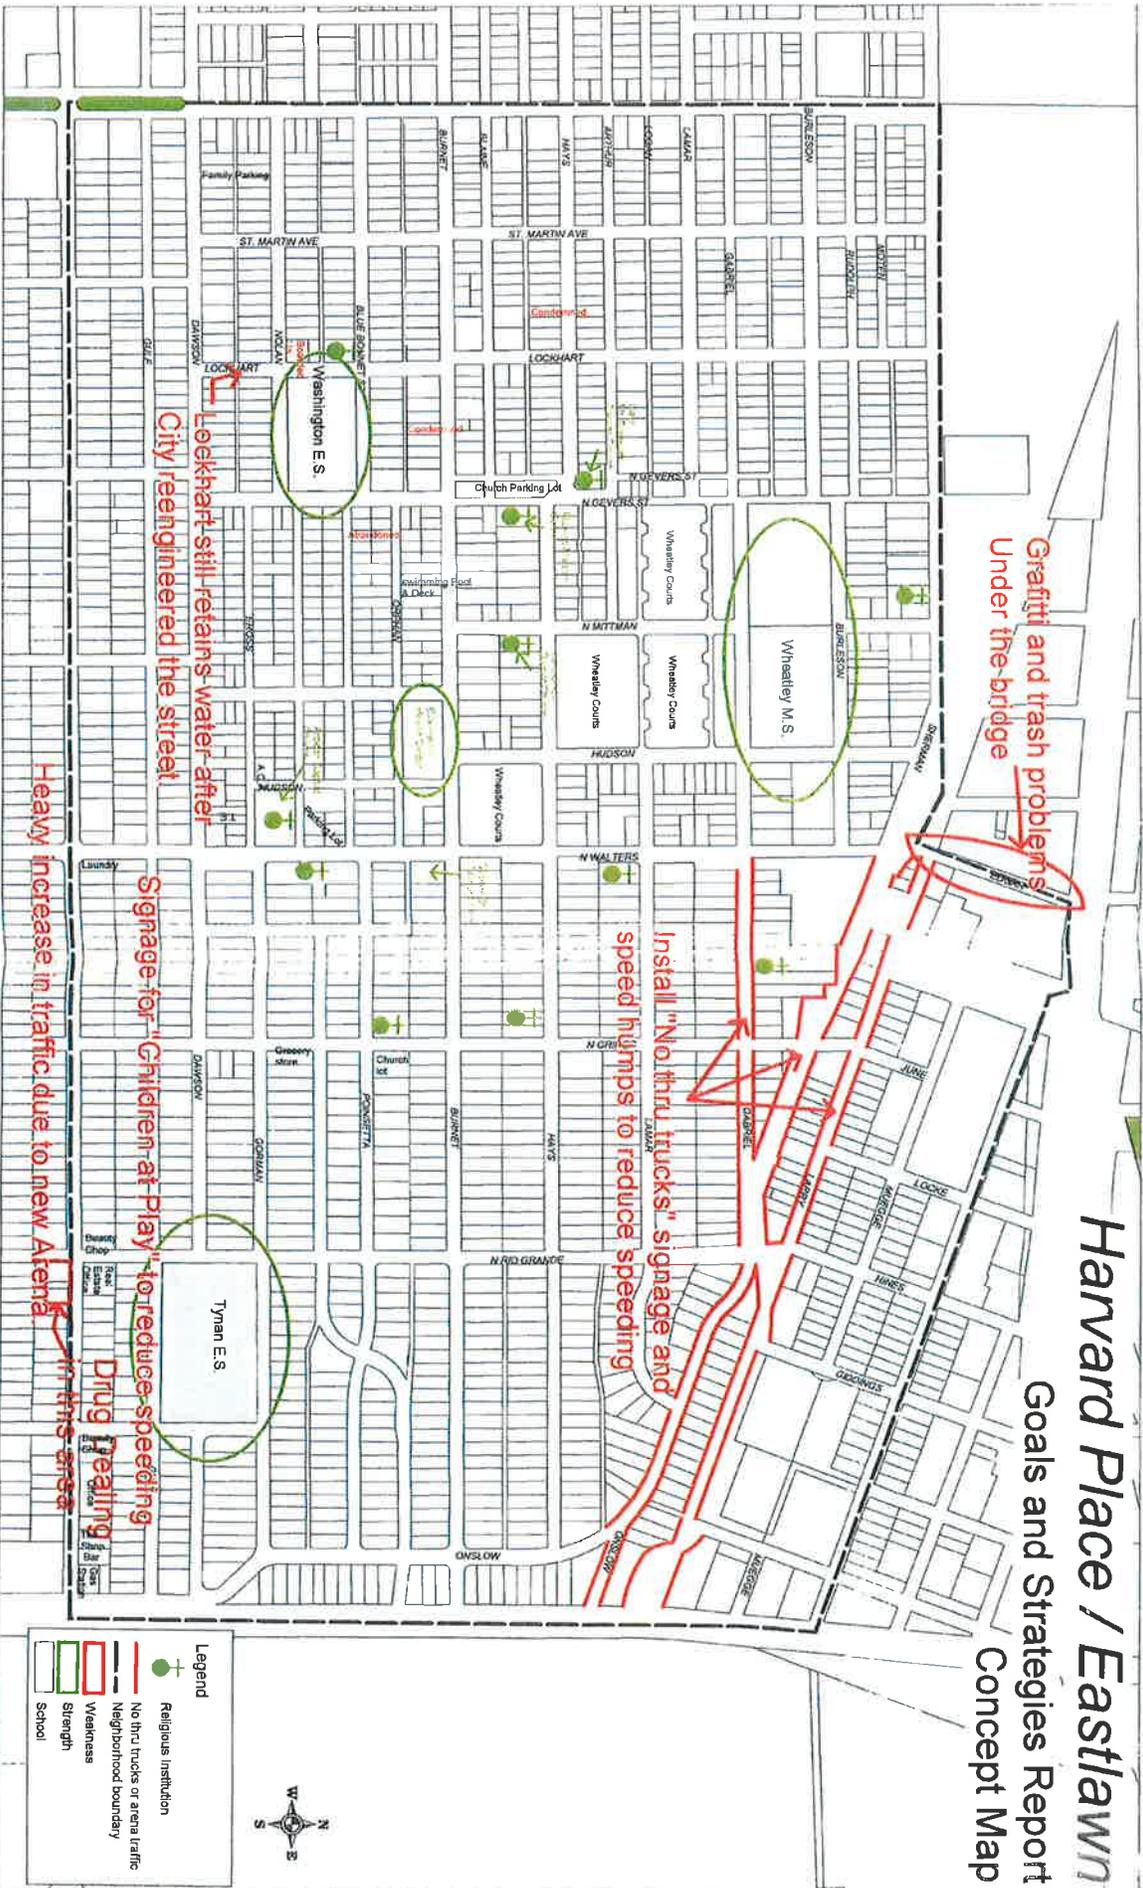

Emil R. Moncivais, Director  
City of San Antonio Planning Department
