

## **TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS Explanation of Pre-Application Submission Logs**

### **2011 At-Risk Pre-Application Submission Log**

This log contains all pre-applications submitted in the “At-Risk” or “USDA” set-asides. The Department is required to set-aside at least fifteen (15%) of the State Credit Ceiling for “At-Risk” development.

### **2011 Regional Pre-Application Submission Log**

This log contains all pre-applications submitted for competition in each sub-region of the state. There are thirteen state regions that are divided into rural and urban sub-regions. Each sub-region has an estimated amount of allocation set-aside based on need for that sub-region. The amounts appearing at the beginning of each region in the log are estimated amounts **and are subject to change.**

#### **Note:**

The Pre-Application log will not reflect penalty points as a result of Board action at the January 20, 2011 meeting because staff does not have the sufficient organizational structure information at this time.
