

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
TDHCA Governing Board Approved Draft 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule

Disclaimer

Attached is a draft of proposed repeal and new 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule that was approved by the TDHCA Governing Board on September 5, 2024. The document attached reflects all changes proposed in tracked changes to facilitate review. This document, including its preamble, is scheduled to be published in the September 20, 2024, edition of the *Texas Register* and that published version will constitute the official version for purposes of public comment. The version herein is informational only and should not be relied upon as the basis for public comment.

In compliance with Texas Government Code, §2001.023(c), a summary of the proposed rule follows:

Staff is recommending the proposed updates to clarify owners' responsibilities with property and program compliance, adding new safe harbor language regarding developments' with Average Income minimum set-aside, to make clear that Multifamily Direct Loan programs must have income and asset verification for all certifications requiring verifications and when a development may utilize a Section 8 verification form. This action will mandate that a low-income household's status cannot be removed because the household experiences an increase in income at recertification unless the increase caused the unit to go over-income (OI) in accordance with program rules and the timing of income and asset verifications including exceptions. Other updates include Bond program recertification requirements and the addition that if future legislation allows for the use of the Average Income minimum set-aside for the Bond program, that income threshold will increase to 80% AMI. All references to the Section 811 PRA program have been moved under one section, §10.624. Procedures were added for developments located in a flood plain that must maintain flood- insurance and utilize the Tenant Rights and Resources Guide. Renewable energy sources were added with the restriction that households must directly benefit from the renewable source to be included in the utility allowance calculation, any rate plan used to calculate a utility allowance must be available to all tenants in the building and de-regulated areas must use a service plan from the Power to Choose website. The updates codify the existing procedure that an NSPIRE physical inspection that results in a score of 70 or below or if a development is deemed to be in poor condition, that the development is subject to an accelerate inspection schedule and that applications for funding are a binding document in order to monitor social services, nonprofits and Historically Underutilized Business (HUB) prior to the Land Use Restriction Agreement (LURA) being recorded and residents must be provided at least one option to pay rent that does not result in additional fees.

Public Comment

**Public Comment Period: Starts: 8:00 a.m. Austin local time on September 20, 2024
Ends: 5:00 p.m. Austin local time on October 20, 2024**

Comments received after 5:00 p.m. Austin local time on October 20, 2024, will not be accepted.

DEPARTAMENTO DE VIVIENDA Y ASUNTOS COMUNITARIOS DE TEXAS
Borrador aprobado por Junta Directiva del TDHCA respecto a una regla del subcapítulo F [“Supervisión de cumplimiento”] del capítulo 10 del título 10 del Código Administrativo de Texas (TAC)

Descargo de responsabilidad

Se adjunta un borrador de una derogación propuesta y una nueva regla del subcapítulo F [“Supervisión de cumplimiento”] del capítulo 10 del título 10 del Código Administrativo de Texas (TAC), que recibió aprobación por parte de la Junta Directiva del Departamento de Vivienda y Asuntos Comunitarios de Texas (TDHCA) el día 5 de septiembre de 2024. El documento adjunto refleja todas las modificaciones propuestas mediante la función control de cambios (*track changes*) para facilitar la revisión. Este documento, incluyendo su preámbulo, está programado para publicarse en la edición del *Texas Register* del 20 de septiembre de 2024, y esa versión publicada constituirá la versión oficial para fines de comentarios del público. La versión aquí mencionada es solo informativa y no debe considerarse como fundamento para comentarios del público.

De conformidad con la sección [§] 2001.023(c) del Código de Gobierno de Texas, se incluye a continuación un resumen de la regla propuesta:

El personal está recomendando las actualizaciones propuestas para aclarar las responsabilidades de los propietarios con respecto a la propiedad y al cumplimiento de programas. Se agrega un nuevo texto de una cláusula de resguardo con relación a urbanizaciones con una reserva mínima de ingresos promedio, con la finalidad de dejar en claro que los programas de préstamos directos multifamiliares deben contar con verificación de ingresos y de activos para todas las certificaciones de las que se exigen verificaciones y cuándo una urbanización puede utilizar un formulario de verificación de la Sección 8. Esta medida exigirá que la condición de un grupo familiar de bajos ingresos no se pueda eliminar porque el grupo familiar experimente un aumento en materia de ingresos al momento de una recertificación, a menos que dicho incremento haya provocado que la unidad cuente con ingresos excedentes (OI), de conformidad con las reglas de los programas y el calendario de las verificaciones de ingresos y de activos, incluyendo las excepciones. Otras actualizaciones incluyen requisitos de recertificación del programa de bonos y el complemento que establece que, si la legislación futura permite el uso de una reserva mínima de ingresos promedio para el programa de bonos, ese umbral de ingresos aumentará al 80 % de los ingresos medios del área (AMI). Todas las referencias al Programa de Asistencia con el Alquiler en Proyectos de Vivienda (PRA) de la Sección 811 se han trasladado a una sola sección: la sección [§] 10.624. Se agregaron procedimientos para urbanizaciones situadas en una llanura aluvial que deben contar con un seguro contra inundaciones y utilizar el documento *Tenant Rights and Resources Guide* [Guía de recursos y derechos de los inquilinos]. Se agregaron fuentes de energía renovable con la restricción de que los grupos familiares deben beneficiarse de manera directa de la fuente renovable, con el fin de ser incluidos en el cálculo de la asignación para servicios públicos, que cualquier plan de tarifas empleado para calcular una asignación para servicios públicos debe estar disponible para todos los inquilinos en el edificio y que las áreas sin reglamentar deben usar un plan de servicios del sitio web Power to Choose. Las actualizaciones codifican el procedimiento existente que establece que, si una inspección física en virtud de las Normas Nacionales para la Inspección Física de Bienes Raíces (NSPIRE) da lugar a un puntaje de 70 o menor o si se considera que una urbanización está en malas condiciones, dicha urbanización está sujeta a un programa de inspección acelerada, y que las solicitudes de financiación son un documento vinculante para supervisar servicios sociales, las organizaciones sin fines de lucro y las empresas históricamente subutilizadas (HUB) antes de que se registre el Acuerdo de Restricciones de Planificación Urbana (LURA). Asimismo, los residentes deben recibir al menos una opción para pagar el alquiler que no dé lugar a tarifas adicionales.

Comentarios del público

Periodo de comentarios del público:

Inicio: 8:00 a.m., hora local de Austin, del 20 de septiembre de 2024

Finalización: 5:00 p.m., hora local de Austin, del 20 de octubre de 2024

No se aceptarán los comentarios que se reciban después de las 5:00 p.m., hora local de Austin, del 20 de octubre de 2024.

BOARD ACTION REQUEST

COMPLIANCE DIVISION

SEPTEMBER 5, 2024

Presentation, discussion, and possible action on an order proposing repeal of 10 TAC Chapter 10 Subchapter F, Compliance Monitoring Rule, and order proposing new 10 TAC Chapter 10 Subchapter F, Compliance Monitoring Rule, and directing its publication for public comment in the *Texas Register*

RECOMMENDED ACTION

WHEREAS, pursuant to Tex. Gov't Code, §2306.053, the Texas Department of Housing and Community Affairs (the Department) is authorized to adopt rules governing the administration of the Department and its programs;

WHEREAS, staff recommends to the Board that there is a continuing need for these rules to exist, which is to ensure compliance with applicable sections of Tex. Gov't Code Chapter 2306, Internal Revenue Code §42, and various federal programs;

WHEREAS, staff proposes clarifications and changes to improve efficiency of the compliance monitoring procedures of multifamily developments awarded funds under the various Department programs;

WHEREAS, a portion of the rule was last amended on February 26, 2024, to incorporate the new inspection protocol of National Standards for Physical Inspections of Real Estate (NSPIRE), and staff is proposing changes to the entirety of the current Compliance rule to clarify, add, and correct references and examples, and remove unnecessary requirements for Developments monitored by the Department while allowing public comment on all sections of the rule;

WHEREAS, the Compliance Monitoring Section had a virtual roundtable to discuss potential updates to the Compliance Monitoring Rule, 10 TAC Chapter 10 Subchapter F, on May 17, 2024, with the purpose of soliciting feedback on the rules from the Department's stakeholders; and

WHEREAS, such proposed rulemaking will be published in the *Texas Register* for public comment from September 20, 2024, through October 20, 2024, and subsequently returned to the Board for final adoption;

NOW, therefore, it is hereby

RESOLVED, that the Executive Director and his designees, be and each of them hereby are authorized, empowered, and directed, for and on behalf of the Department to cause the proposed actions for 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule, in the form presented to this meeting, to be published in the *Texas Register* and in connection therewith, make such non-substantive technical corrections as they may deem necessary to effectuate the foregoing, including the preparation of the subchapter specific preambles.

BACKGROUND

Texas Gov't Code §2306.053 provides for the Department to administer federal housing, community affairs, and community development programs, including the low-income housing tax credit program. The Compliance Division and its Rules, as a whole are an integral part of monitoring the Department's federal housing programs, assisting in: reviewing and ensuring long-term affordability, compliance and safety of multifamily rental housing Developments in the Department's portfolio as required under Tex. Gov't Code §§2306.185 and 2306.186; performing the functions of monitoring compliance as required under §§2306.6719; and performing essential functions required under the rules for various federal programs (HOME, HOME-ARP, TCAP RF, NSP, NHTF, Exchange, TCAP, Bond, and 811 PRA) and under Section 42 of the Internal Revenue Code.

On May 17, 2024, the Compliance Division held a virtual roundtable to discuss potential updates and to solicit feedback from the Department's stakeholders on the Compliance Monitoring rules. Additionally, the Department received two informal written comments on suggested changes to the rule; however, those comments were not included in this rule action.

The proposed draft of the Compliance Monitoring Rules reflects staff recommendations for the Board's consideration. Behind the preamble for the proposed rule action is the entire rule shown in blackline form reflecting changes to the rule that is proposed for repeal.

The rule was last amended, in part, at the February 2024 meeting of the TDHCA Governing Board and was effective in the *Texas Register* on February 26, 2024.

Upon Board approval, the proposed new 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rules will be published in the *Texas Register* and released for public comment from September 20, 2024, through October 20, 2024. It is anticipated that the final new rule would be presented at the December 12, 2024, Board meeting for final approval and subsequently published in the *Texas Register* for adoption.

Summary of Proposed Changes:

§10.601 Compliance Monitoring Objectives and Applicability. Staff is proposing to add new language to include HOME-Match, Preservation, and Emergency Rental Assistance (ERA) to the existing list of programs monitored.

§10.602 Notice to Owners and Corrective Action Periods. Staff is proposing to add new language to clarify that Owners are responsible for maintaining compliance even if the Owner is using a Manager or Management Company's services, including oversight of responses of noncompliance identified by the Department. In addition, a revision was made to §10.602(b) updating the Department's website address.

§10.604 Options for Review. Staff is proposing a non-substantive change by adding the word, "or" to §10.604(3).

§10.605 Elections under IRC §42(g). Staff is proposing to include safe harbor language for Housing Tax Credit Developments that have elected the Average Income minimum-set aside that is allowed in §1.42-19(c)(4) of Treasury regulations. Specifically the following language is proposed to be added:

"Under Section 1.42-19(c)(4) of the Treasury regulations, a housing credit agency has broad authority to grant, on a case-by-case basis, written relief of a taxpayer's failure to properly designate a group of units that meets the requirements of a qualified group

under Section 1.42-19(b)(2) of the Treasury regulations. Under Treasury regulations, the credit agency must grant such relief in writing within 180 days of the discovery of the failure by the taxpayer or the agency.”

§10.607 Reporting Requirements. Staff is proposing non-substantive changes by updating the Department’s website address and the dates used in an example. Additionally, staff is codifying an existing practice by including that within 10 days of an ownership transfer, the Electronic Compliance Reporting Filing Agreement and the Owner’s Designation of Administrator of Accounts forms must be submitted. Lastly, staff added the program term “Tax Credit Exchange” to be consistent with the requirement that Owners must submit IRS forms 8609 with Part II completed by the second monitoring review.

§10.609 Notices to the Department. Staff is proposing a non-substantive change to reference the correct section of the Previous Participation rule.

§10.611 Determination, Documentation and Certification of Annual Income. Staff is proposing new language to clarify that Multifamily Direct Loan Programs (HOME, NHTF, NSP, TCAP RF, and HOME-ARP) must have proper verification of income and assets for all certifications requiring verifications, not just initially. In addition, staff is adding that all Department’s programs are permitted to utilize the Section 8 Income Verification, which is now allowable under the implementation of the Housing Opportunity Through Modernization Act (HOTMA), with the exception of developments whose Owner, Management Company, Consulting Company, or any other affiliated entity is associated with the Housing Authority to avoid conflict of interest. Staff is also clarifying that other means tested verifications are not allowable for Department programs to certify a household’s income eligibility. Staff is also proposing additional language to clarify that a household’s low-income status cannot be removed because of an increase in income unless the increase causes the unit to go over income (OI) as defined by the program rule. Lastly, staff is proposing to codify a long-standing practice that all income and asset verifications must be dated within 120 days of the certification effective date with the exception of verification(s) of lifetime benefits.

§10.612 Tenant File Requirements. Staff is proposing to clarify that each adult unless married intending to occupy a unit must complete their own application for the purposes of determining program and income eligibility. Staff is also proposing to remove the date of January 1, 2021, that references language that must be included on an application, as it is no longer needed. In addition, staff is proposing new language regarding a recertification requirement for the Bond program if the Average Income minimum set-aside is legislatively implemented. Staff updated the example reference number to follow the current numbering sequence in the rule. Staff proposes to remove all Section 811 PRA references from this section of the rule, as a new standalone section was created under §10.624 within the rule for the Section 811 PRA program to provide all program requirements in one section for easy reference.

§10.613 Lease Requirements. Staff is proposing to add language to clarify those households that were found to never have been income qualified for a low-income unit under MFDL programs may have their lease non-renewed. Staff also added TCAP and Exchange to the existing requirements for the Housing Tax Credit (HTC) Program, which have the same requirements for clarity and consistency throughout the rule. Additionally, staff added the following language from the Qualified Allocation Plan (QAP) that imposes a notification requirement if a Development is in a 100-year floodplain and requires that the Development maintain flood insurance.

“Developments located within a 100-year floodplain must state in the Tenant Rights and Resources Guide that part or all of the Development Site is located in a floodplain.

Developments located within a 100-year floodplain must maintain flood insurance and provide evidence to the Department upon request.”

§10.614 Utility Allowances. Staff is proposing a change in language from “Utility Provider” to “Power to Choose” to make clear the Department will use the Power to Choose website to verify the availability of residential service to a Development when calculating and/or reviewing a utility allowance. In addition, staff proposes to add language to clarify it is the Owner’s responsibility to ensure that a Development in a deregulated area is using the appropriate utility provider. Staff is proposing the addition of “Community Development Block Grant (CDBG)” to clarify the program is not considered a MFDL program. Staff also proposes to add an existing law that is in place from the Public Utility Commission of Texas that a service fee for sub metered utilities may not be charged to households living in a Housing Tax Credit unit. Additionally, MFDL developments that charge a service fee for sub metered utilities, the fee must be either included in the utility allowance or be included in the gross rent calculation as a mandatory fee per §93.302(c)(2).

Also in subsection (b), staff proposes new language to make clear that a utility rate plan selected must be available to all tenants in the building. A non-substantive change to the example number was updated to provide sequence consistency in the rule. Furthermore, staff is proposing under Green Discount that Energy Star certifications will require certificates for each unit at the time of the initial Utility Allowance review and a letter from a properly licensed engineer annually. The engineer letter is accepted for a five year period and must be updated thereafter. Staff also proposes new language that codifies an existing MFDL rule that only one utility allowance may be used in a building with MFDL units and that for Developments with floating MFDL units, only one utility allowance may be used for the entire property. Staff added new language to require that HOME-ARP Development’s utility allowance methodology must be annually reviewed and approved by the Department to provide consistency among the utility allowance reporting requirements. To codify an existing practice, staff proposes new language that requires Owners to obtain an annual approved utility allowance for Section 811 PRA units from the 811 Division. Failure to obtain a current 811 PRA utility allowance will result in noncompliance and will require the Department to monitor households’ rents using the current approved rent schedule.

In subsection (m), staff is proposing new language to address Renewable Sources for utility allowances. The following language was added:

“Methods outlined in (c)(3)(A), (B), (C), (D) and (E) are allowable if the Utility Provider or PHA publishes a rate plan or schedule specific to Renewable Sources. The method outlined in (c)(3)(E) is allowable only after occupancy is established as outlined in (c)(3)(E).

Only buildings benefitting from Renewable Sources can use a Renewable Source utility allowance.

Tenants (not Owners) must benefit from the Renewable Source in a manner that is not a discount or credit. To evidence the benefit, 20% of current tenant bills must be submitted with the request.

Owners must submit both the Renewable Source allowance and the non-Renewable Source allowance for approval regardless of methodology or current occupancy. If the Renewable Source is damaged or inoperable for more than 30 days, the non-Renewable Source allowance must be implemented. At the time of the first review or the first annual

utility allowance review, whichever is first, the Owner must be able to demonstrate with tenant bills that the tenants are benefitting from the Renewable Source; otherwise the non-Renewable allowance must be used.”

§10.615 Elections under IRC §42(g) and Additional Income and Rent Restrictions for HTC, Exchange, and TCAP Developments. Staff is proposing to delete language that is no longer needed since the IRS has issued formal guidance. Specifically the deleted language in each subsection (c) and (d) is:

“Until and unless the Internal Revenue Service or Treasury Department issue conflicting guidance.”

§10.618 Monitoring and Inspections. Staff is proposing to clarify that monitoring also includes physical inspections and that Developments that score 70 or below during a physical inspection or are deemed to be in poor physical condition will be subject to an accelerated inspection schedule.

§10.619 Monitoring for Social Services. Staff proposes adding new language to clarify that social services will be monitored in accordance with the application when a Development does not yet have a recorded Land Use Restriction Agreement (LURA). In addition, staff proposes a new social service requirement resulting from the QAP, which requires a school learning center for the Mitigation for School requirements.

§10.620 Monitoring for Non-Profit Participation, HUB, or CHDO Requirements. Staff is proposing to clarify that non-profit, HUB, or CHDO requirements will be monitored in accordance with the application when a Development does not yet have a recorded LURA.

§10.622 Special Rules Regarding Rents and Rent Limit Violation. Staff is proposing non-substantive changes by adding the TCAP and Exchange programs to provide consistency throughout the rule. In addition, staff proposes the same corrective action language for rent and utility allowance violations with additional rent restrictions in subsection (b) that already exists in subsections (d) and (e). Staff also proposes adding new language to include the terms “gross” rent and “equal to the lesser” to clarify the definition of rent. Lastly, staff is proposing to add a new subsection (m) to clarify that low-income residents must be offered an option to pay rent in a manner that does not result in additional fees.

§10.623 Monitoring Procedures for Housing Tax Credit Properties After the Compliance Period. Staff proposes to add the terms “TCAP and Exchange” to be consistent throughout the rule. In addition, staff proposes to add the same corrective action language when rent is overcharged that exist in subsections (d) and (e) in §10.622.

§10.624 Compliance Requirements for Developments with 811 PRA Units. Staff is proposing a rewrite of this Section to provide clear and concise 811 PRA program requirements in detail. Such updates to the proposed language includes descriptive program and property requirements such as:

- Household file requirements
- Required lease addenda forms
- Household unit transfer requirements
- Rules regarding rents and fees
- Monitoring eligibility
- Fair Housing poster requirements
- Number, unit mix, and segregation of assisted units
- Eligibility for assistance and occupancy
- Income limits

- Occupancy Standards
- Determination of income and calculating rent
- Lease requirements and leasing activities
- Fees
- Terminations, and
- Enterprise Income Verification (EIV)

Figure §10.625. Staff is proposing non-substantives changes to applicable “Events of Noncompliance and “Program” columns of the chart with minor deletion and additions to be consistent with the rule. Staff is also adding new findings for the Section 811 PRA program, and mitigation for school requirements along with the requirement for flood insurance when applicable to the penalty chart.

Attachment A: Preamble, including required analysis, for proposed repeal of 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule §§10.601-10.627

The Texas Department of Housing and Community Affairs (the Department) proposes the repeal of 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule. The purpose of the proposed repeal is to eliminate an outdated rule while adopting a new updated rule under separate action.

The Department has analyzed this proposed rulemaking and the analysis is described below for each category of analysis performed.

a. GOVERNMENT GROWTH IMPACT STATEMENT REQUIRED BY TEX. GOV'T CODE §2001.0221.

1. Mr. Bobby Wilkinson, Executive Director, has determined that, for the first five years the proposed repeal would be in effect, the proposed repeal does not create or eliminate a government program, but relates to the repeal, and simultaneous readoption making changes to an existing activity, adding new requirements, deleting old references, including non-substantive changes to references and numbering, and codifying current policies and procedures to the Compliance Monitoring rule.
2. The proposed repeal does not require a change in work that would require the creation of new employee positions, nor is the proposed repeal significant enough to reduce work load to a degree that any existing employee positions are eliminated.
3. The proposed repeal does not require additional future legislative appropriations.
4. The proposed repeal does not result in an increase in fees paid to the Department, nor in a decrease in fees paid to the Department.
5. The proposed repeal is not creating a new regulation, except that it is being replaced by a new rule simultaneously to provide for revisions.
6. The proposed action will repeal an existing regulation, but is associated with a simultaneous readoption making changes to an existing activity, including adding new requirements and codifying current policies and procedures to the Compliance Monitoring rule.
7. The proposed repeal will not increase or decrease the number of individuals subject to the rule's applicability.
8. The proposed repeal will not negatively or positively affect this state's economy.

b. ADVERSE ECONOMIC IMPACT ON SMALL OR MICRO-BUSINESSES OR RURAL COMMUNITIES AND REGULATORY FLEXIBILITY REQUIRED BY TEX. GOV'T CODE §2006.002.

The Department has evaluated this proposed repeal and determined that the proposed repeal will not create an economic effect on small or micro-businesses or rural communities.

c. TAKINGS IMPACT ASSESSMENT REQUIRED BY TEX. GOV'T CODE §2007.043. The proposed repeal does not contemplate nor authorize a taking by the Department; therefore, no Takings Impact Assessment is required.

d. LOCAL EMPLOYMENT IMPACT STATEMENTS REQUIRED BY TEX. GOV'T CODE §2001.024(a)(6).

The Department has evaluated the proposed repeal as to its possible effects on local economies and has determined that for the first five years the proposed repeal would be in effect there would be no economic effect on local employment; therefore, no local employment impact statement is required to be prepared for the rule.

e. PUBLIC BENEFIT/COST NOTE REQUIRED BY TEX. GOV'T CODE §2001.024(a)(5). Mr. Wilkinson has determined that, for each year of the first five years the proposed repeal is in effect, the public benefit anticipated as a result of the repealed section would be to eliminate an outdated rule while adopting a new updated rule under separate action. There will not be economic costs to individuals required to comply with the repealed section.

f. FISCAL NOTE REQUIRED BY TEX. GOV'T CODE §2001.024(a)(4). Mr. Wilkinson also has determined that for each year of the first five years the proposed repeal is in effect, enforcing or administering the repeal does not have any foreseeable implications related to costs or revenues of the state or local governments.

REQUEST FOR PUBLIC COMMENT. The public comment period will be held September 20, 2024, to October 20, 2024, to receive input on the proposed repealed sections. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Attn: Wendy Quackenbush, Rule Comments, P.O. Box 13941, Austin, Texas 78711-3941 or email wendy.quackenbush@tdhca.texas.gov. ALL COMMENTS MUST BE RECEIVED BY 5:00 p.m., Austin local (Central) time, October 20, 2024.

STATUTORY AUTHORITY. The proposed repeal is made pursuant to Tex. Gov't Code §2306.053, which authorizes the Department to adopt rules. Except as described herein the proposed repealed sections affect no other code, article, or statute.

10 TAC Chapter 10, Subchapter F Compliance Monitoring Rule

Attachment B: Preamble for proposed new 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule §§10.601-10.627

The Texas Department of Housing and Community Affairs (the Department) proposes new 10 TAC Chapter 10, Subchapter F, Compliance Monitoring Rule. The purpose of the proposed new sections is to provide compliance with Tex. Gov't Code §2306.053 and to update the rule to: add programs, HOME-Match, Preservation, Emergency Rental Assistance, TCAP and Exchange throughout the rule to provide consistency among the subsections, including safe harbor language regarding the Average Income minimum set-aside, timeframe for updating CMTS after an ownership change, Owners' oversight responsibilities, and including changes to verifications as a result of the implementation of HOTMA. Additional updates include adding QAP requirements with Developments located in a floodplain and after school program if mitigation is required, updates to requirements for utility allowances including renewable sources and codifying existing policies and procedures with monitoring social services, non-profit, HUB and CHDO including increase of physical inspections when a Development is low scoring or deemed to be in poor condition and providing consistent corrective action requirements when rent limits are violated. In addition, §10.624 was re-written to provide clear and concise 811 PRA program requirements and including all new findings in the §10.625 Figure.

Tex. Gov't Code §2001.0045 does not apply to the new rule proposed for action because it was determined that no costs are associated with this action, and therefore no costs warrant being offset.

The Department has analyzed this proposed rulemaking and the analysis is described below for each category of analysis performed.

a. GOVERNMENT GROWTH IMPACT STATEMENT REQUIRED BY TEX. GOV'T CODE §2001.0221.

Mr. Bobby Wilkinson, Executive Director, has determined that, for the first five years the proposed new rule would be in effect:

The proposed new rule does not create or eliminate a government program, but relates to the readoption of this rule, which makes changes to an existing activity, to ensure all requirements related to Compliance Monitoring are specified in writing.

2. The proposed new rule does not require a change in work that would require the creation of new employee positions, nor are the rule changes significant enough to reduce work load to a degree that eliminates any existing employee positions.
3. The proposed new rule does not require additional future legislative appropriations.
4. The proposed new rule will not result in an increase in fees paid to the Department, nor in a decrease in fees paid to the Department.
5. The proposed new rule, through added clarifications and guidance, is creating changes that expand several regulations, and is replacing a rule being repealed simultaneously to provide for revisions.
6. The proposed new rule will expand an existing regulation to ensure that all applicable multifamily programs are covered by the compliance rules.
7. The proposed new rule will not increase or decrease the number of individuals subject to the rule's applicability , however it does clarify the programs to which these rules apply, to include additional programs being used for multifamily activity by the Department (ERA, Preservation and HOME Match);

8. The proposed new rule will not negatively or positively affect the state's economy.

b. ADVERSE ECONOMIC IMPACT ON SMALL OR MICRO-BUSINESSES OR RURAL COMMUNITIES AND REGULATORY FLEXIBILITY REQUIRED BY TEX. GOV'T CODE §2006.002. The Department, in drafting this proposed new rule, has attempted to reduce any adverse economic effect on small or micro-business or rural communities while remaining consistent with the statutory requirements of Tex. Gov't Code, §2306.053.

1. The Department has evaluated this new rule and determined that none of the adverse effect strategies outlined in Tex. Gov't Code §2006.002(b) are applicable.

2. The Department has determined that this rule provides specific details on how multifamily properties will be monitored and what events may result in noncompliance issues. Other than in a case of small or micro-businesses subject to the proposed new rule, the economic impact of the rule is projected to be none. If rural communities are subject to the proposed new rule, the economic impact of the rule is projected to be none.

3. The Department has determined that this rule provides specific detail on how multifamily properties will be monitored and what events may result in noncompliance issues and that there will be no economic effect on small or micro-businesses or rural communities.

c. TAKINGS IMPACT ASSESSMENT REQUIRED BY TEX. GOV'T CODE §2007.043. The proposed new rule does not contemplate nor authorize a taking by the Department; therefore, no Takings Impact Assessment is required.

d. LOCAL EMPLOYMENT IMPACT STATEMENTS REQUIRED BY TEX. GOV'T CODE §2001.024(a)(6).

The Department has evaluated the new rule as to its possible effects on local economies and has determined that for the first five years the new rule will be in effect the proposed new rule has no economic effect on local employment because the rule only describes how multifamily properties will be monitored and what events may result in noncompliance; therefore, no local employment impact statement is required to be prepared for the new rule.

Tex. Gov't Code §2001.022(a) states that this "impact statement must describe in detail the probable effect of the new rule on employment in each geographic region affected by this new rule..." Considering that there are no "probable" effects of the new rule on particular geographic regions, a local employment impact statement is not required.

e. PUBLIC BENEFIT/COST NOTE REQUIRED BY TEX. GOV'T CODE §2001.024(a)(5). Mr. Bobby Wilkinson, Executive Director, has determined that, for each year of the first five years the new rule is in effect, the public benefit anticipated as a result of the new rule will be clearer rule for Owners, management agents and property staff that are responsible for ensuring compliance with required rules and applicable regulations. There will not be any economic cost to any individuals required to comply with the new rule because the types of requirements and activities described by the rule have already been in existence.

f. FISCAL NOTE REQUIRED BY TEX. GOV'T CODE §2001.024(a)(4). Mr. Wilkinson also has determined that for each year of the first five years the new rule is in effect, enforcing or administering the new rule does

not have any foreseeable implications related to costs or revenues of the state or local governments because the rule relates to a process that already exists and is not being significantly revised.

REQUEST FOR PUBLIC COMMENT. The public comment period will be held September 20, 2024, to October 20, 2024, to receive input on the newly proposed rule. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Attn: Wendy Quackenbush, Rule Comments, P.O. Box 13941, Austin, Texas 8711-3941, by fax to (512) 475-0220, or email wendy.quackenbush@tdhca.texas.gov. ALL COMMENTS MUST BE RECEIVED BY 5:00 p.m., Austin local (Central) time, October 20, 2024.

STATUTORY AUTHORITY. The new sections are proposed pursuant to Tex. Gov't Code §2306.053, which authorizes the Department to adopt rules. Except as described, herein the proposed new rules affect no other code, article, or statute.

§10.601 Compliance Monitoring Objectives and Applicability

(a) The objectives of the Department in performing regular monitoring of affordable rental housing are:

(1) To provide for monitoring that meets applicable requirements of:

(A) The U.S. Department of Housing and Urban Development (HUD);

(B) The U.S. Department of the Treasury (Treasury);

(C) The Internal Revenue Service (the IRS); and

(D) Applicable state laws and rules;

(2) To enable the Department to report information to HUD, Treasury, the IRS, and the Governing Board, as required, regarding the condition and operations of such developments;

(3) To enable the Department to communicate with responsible persons regarding the condition and operation of their developments and understand clearly, with a documented record, how they are performing in meeting their obligations;

(4) To identify matters of noncompliance so that they can be appropriately addressed and to assist in targeting issues that may require compliance assistance education;

(5) To ensure that responsible persons understand the compliance status of their developments and the implications of such status;

(6) To articulate and communicate clear standards to promote the maintenance and operation of such developments in a manner that meets the high standards of the Department's affordable rental programs; and

(7) To provide a transparent system whereby all interested parties, including residents, community organizations, local governmental entities, and the affordable housing industry, may find accountability, consistency, and an awareness of the high quality standards of affordable housing in the State of Texas.

(b) This subchapter applies to the monitoring of affordable rental housing under the programs described

in paragraphs (1) - (11) of this subsection:

- (1) The Housing Tax Credit Program (HTC);
- (2) The HOME Investment Partnerships Program (HOME), [inclusive of HOME Match Units](#);
- (3) The Tax Exempt Bond Program (Bond);
- (4) The Texas Housing Trust Fund Program (HTF, SHTF, or THTF), [inclusive of Preservation](#);
- (5) The Tax Credit Assistance Program (TCAP);
- (6) The Tax Credit Exchange Program (Exchange);
- (7) The Neighborhood Stabilization Program (NSP);
- (8) Section 811 Project Rental Assistance (811 PRA or 811) Program;
- (9) Tax Credit Assistance Program Repayment Funds (TCAP RF);
- (10) The National Housing Trust Fund (NHTF); ~~and~~
- (11) HOME American Rescue Plan (HOME-ARP); [and](#)
- [\(12\) Emergency Rental Assistance \(ERA\)](#).

(c) Monitoring activity evaluates the physical condition of the Developments and whether they are being operated in documented compliance with program requirements.

(d) The results of the Department's monitoring activities will be documented and, communicated to the owner in writing within 90 days of the monitoring visit.

(e) The Department may contract with an independent third party to monitor a Development during its construction or rehabilitation and during its operation for compliance with any conditions imposed by the Department in connection with the award of any Department funds, including allocations of housing tax credits, and appropriate state and federal laws, rules, regulations, orders, and other applicable legal requirements.

(f) The capitalized terms or phrases used herein are defined in this title. Any other capitalized terms in this subchapter shall have the meaning as defined in Tex. Gov't Code Chapter 2306, Internal Revenue Code (the Code) §42, the HOME Final Rule, and other federal or Department rules, as applicable. Defined terms, when not capitalized, are to be read in context and construed according to common usage.

§10.602 Notice to Owners and Corrective Action Periods

(a) The Department will provide written notice to the Owner if the Department does not receive the Annual Owner Compliance Report (AOCR) timely or if the Department discovers through monitoring, audit, inspection, review, or any other manner that the Development is not in compliance with the provisions of the LURA, deed restrictions, application for funding, conditions imposed by the

Department, this subchapter, or other program rules and regulations, including but not limited to §42 of the Internal Revenue Code. All such requirements are the Owner's responsibility, even if the Owner is using a manager or management company's services. Accordingly, Owners should ensure that they hire competent and properly trained managers or management companies, and that they exercise appropriate oversight of any manager or management company activities, including oversight of all responses to noncompliance identified by the Department.

(b) For a violation other than a violation that poses an imminent hazard or threat to health and safety, the notice will specify a 30 day Corrective Action Period for noncompliance related to the AOCR, and a 90 day Corrective Action Period for other violations. During the Corrective Action Period, the Owner has the opportunity to show that either the Development was never in noncompliance or that the Event of Noncompliance has been corrected. Documentation of correction must be received during the Corrective Action Period for an event to be considered corrected during the Corrective Action Period. The Department may extend the Corrective Action Period for up to six months from the date of the notice to the Development Owner only if there is good cause for granting an extension and the Owner requests an extension during the original 90 day Corrective Action Period, and the request would not cause the Department or the Owner to miss a federal deadline. Requests for an extension may be submitted to: compliance.extensionrequest@tdhca.texas.govstate.tx.us. If an Owner submits evidence of corrective action during the Corrective Action Period that addresses each finding, but does not fully address all findings, the Department will give the Owner written notice and an additional 10 calendar day period to submit evidence of full corrective action. References in this subchapter to the Corrective Action Period include this additional 10 calendar day period.

(c) If any communication to the Owner under this section is returned to the Department as refused, unclaimed, or undeliverable, the Development may be considered not in compliance without further notice to the Owner. The Owner is responsible for providing the Department with current contact information, including address(es) (physical and electronic) and phone number(s). The Owner must also provide current contact information to the Department as required by §1.22 of this title (relating to Providing Contact Information to the Department), and ensure that such information is at all times current and correct.

(d) The Department will notify Owners of upcoming reviews and instances of noncompliance. The Department will rely solely on the information supplied by the Owner in the Department's web-based Compliance Monitoring and Tracking System (CMTS) to meet this requirement. It is the Owner's sole responsibility to ensure at all times that such information is current, accurate, and complete. Correspondence sent to the email or physical address shown in CMTS will be deemed delivered to the Owner. Correspondence from the Department may be directly uploaded to the property's CMTS account using the secure electronic document attachment system. Once uploaded, notification of the attachment will be sent electronically to the email address listed in CMTS. The Department is not required to send a paper copy, and if it does so it does as a voluntary and non-precedential courtesy only.

(e) Unless otherwise required by law or regulation, Events of Noncompliance will not be reported to the IRS, referred for enforcement action, considered as cause for possible debarment, or reported in an applicant's compliance history or Previous Participation Review, until after the end of the Corrective Action Period described in this section.

(f) Upon receipt of facially valid complaints the Department may contact the Owner and request

submission of documents or written explanations to address the issues raised by the complainant. The deadline to respond to the issue will be specific to the matter. Whenever possible and not otherwise prohibited or limited by law, regulation, or court order, the complaint received by the Department will be provided along with the request for documents or Owner response.

(g) If another federal or state requirement applicable to funding or resources that the Department monitors stipulates that corrective action must be completed with less than a 90 day Corrective Action Period, the Department will inform the Owner in writing and enforce the applicable timeframe.

§10.603 Notices to the Internal Revenue Service (HTC Developments during the Compliance Period)

(a) Even when an Event of Noncompliance is corrected, the Department is required to file IRS Form 8823 with the IRS. When required, IRS Form 8823 generally will be filed not later than 45 days after the end of the correction period specified in the Notice to Owner (including any extensions permitted by the Department), but will not be filed before the end of the correction period. The Department will indicate on IRS Form 8823 the nature of the noncompliance and will indicate whether the Development Owner has corrected the noncompliance.

(b) The Department will retain records of noncompliance ~~or failure to certify~~ for six years beyond the Department's filing of the respective IRS Form 8823.

(c) The Department will send the Owner of record copies of any IRS Forms 8823 submitted to the IRS.

§10.604 Options for Review

If, following the submission of corrective action documentation, Compliance staff continues to find the Owner in noncompliance, the Owner may request or initiate review of the matter using the following options, where applicable:

(1) If the issue is related to the inclusion or exclusion of tenant income, assets, or appropriate household size, the National Center for Housing Management (NCHM) can be contacted. In order to obtain guidance from NCHM, the requestor must have an active Certified Occupancy Specialist designation. If no representative of the owner has this designation, Department staff may make the request on the owner's behalf.

(2) If the compliance matter is related to the Housing Tax Credit program, Owners may contact the IRS Program Analyst for guidance or request that Department staff contact the IRS for general guidance without identifying the taxpayer. The issue will be handled in accordance with the guidance received from the IRS.

(3) If the compliance matter is related to the HOME, NHTF, NSP, or HOME-ARP program, Owners may request that the Department contact the U.S. Department of Housing and Urban Development Texas Field Office for guidance. The issue will be handled in accordance with guidance received from a HUD official with oversight responsibility, provided it is clear and can be corroborated (e.g., such guidance is provided in writing).

(4) Owners may request Alternative Dispute Resolution (ADR). An Owner may send a proposal to the Department's Dispute Resolution Coordinator to initiate ADR pursuant to §1.17 of this title (relating to Alternative Dispute Resolution). Note that even if the Department and Owner are engaged in ADR, the

Department must meet Treasury Regulation §1.42-5 and file IRS Form 8823 within 45 days after the end of the Corrective Action Period. Therefore, it is possible that the Owner and Department may still be engaged in ADR when an IRS Form 8823 is filed. Should this happen, the form, including all Owner-supplied documentation, will be sent to the IRS with an explanation that the Owner disagrees with the Department's assessment and is pursuing ADR. Although the violation will be reported to the IRS within the required timeframes, it will not be considered part of an applicant's compliance history nor subject to administrative penalties pending the outcome of the ADR process.

§10.605 Elections under IRC §42(g)

(a) Under the Code, HTC Development Owners elect a minimum set-aside requirement of 20/50 (20% of the Units restricted at the 50% income and rent limits), 40/60 (40% of the Units restricted at the 60% income and rent limits), or the average income test.

(b) HTC projects must meet the required election under IRC §42(g) no later than the end of the first year of the Credit Period.

(c) An Owner that elects the average income test under IRC §42(g) must disperse 20%, 30%, 40%, 50%, 60%, 70%, and 80% Unit designations across all Unit Types to the greatest extent feasible, and in a manner that does not violate fair housing laws.

(d) Until and unless the Internal Revenue Service or the Treasury Department issues conflicting or additional guidance, the Department will examine the actual gross rent and income of all households to determine if a Project that elected the average income test ~~is at~~ at or below the federal minimum average of 60% AMI.

(e) Under Section 1.42-19T(c)(4) of the Treasury regulations, the Department has broad authority to grant, on a case-by-case basis, written relief of a taxpayer's failure to properly designate a group of units that meets the requirements of a qualified group under Section 1.42-19(b)(2) of the Treasury regulations. Under the Treasury regulations, the Department must grant such relief in writing within 180 days of the discovery of the failure by the taxpayer or the Department.

§10.606 Construction Inspections

(a) Owners are required to submit evidence of final construction within 30 calendar days of completion in a format prescribed by the Department. Owners are encouraged to request a final construction inspection promptly to allow the Department to inspect Units prior to occupancy to avoid disruption of households in the event that corrective action is required. In addition, the Architect of Record must submit a certification that the Development was built in compliance with all applicable laws, and the Engineer of Record (if applicable) must submit a certification that the Development was built in compliance with the design requirements.

(b) During the inspection, the Department will confirm that ~~committed~~-amenities committed in the Application have been provided and will inspect for compliance with the applicable accessibility requirements. In addition, an inspection using National Standards for the Physical Inspection of Real Estate may be completed.

(c) IRS Form(s) 8609 will not be released until the Owner receives written notice from the Department that all noted deficiencies have been resolved.

§10.607 Reporting Requirements

(a) The Department requires reports to be submitted electronically through CMTS and in the format prescribed by the Department. The Electronic Compliance Reporting Filing Agreement and the Owner's Designation of Administrator of Accounts forms must be emailed to cmts.requests@tdhca.texas.govstate.tx.us for:

(1) 9% Housing Tax Credit Developments - no later than the 10% Test;

(2) 4% Housing Tax Credit Developments - no later than Post Bond Closing Documentation Requirements; ~~or~~

(3) For all other rental Developments ~~;~~ no later than September 1st of the year following the award ~~;~~ or

(4) For all rental Developments that have received Department approval of Ownership transfer – no later than 10 days following the completion of Ownership transfer.

(b) Each Development is required to submit an Annual Owner's Compliance Report (AOCR). Depending on the Development, some or all of the Report must be submitted. The first AOCR is due the second year following the award in accordance with the deadlines set out in subsection (e) of this section. Example 607(1): A Development was allocated Housing Tax Credits in July 20~~22~~¹⁹. The first report is due April 30, 20~~24~~¹⁹, even if the Development has not yet commenced leasing activities.

(c) The AOCR is comprised of four parts:

(1) Part A "Owner's Certification of Program Compliance." All Owners must annually certify compliance with applicable program requirements. The AOCR Part A shall include answers to all questions required by the U. S. Department of the Treasury to be addressed, including those required by Treasury Regulation 1.42-5(b)(1) or the applicable program rules;

(2) Part B "Unit Status Report." All Developments must annually report and certify the information related to individual household income, rent, certification dates and other necessary data to ensure compliance with applicable program regulations. In addition, Owners are required to report on the race and ethnicity, family composition, age, use of rental assistance, disability status, and monthly rental payments of individuals and families applying for and receiving assistance or if the household elects not to disclose the information, such election;

(3) Part C "Housing for Persons with Disabilities." The Department is required to establish a system that requires Owners of state or federally assisted housing Developments with 20 or more housing Units to report information regarding housing Units designed for persons with disabilities. The certified answers to the questions on Part C satisfy this requirement; and

(4) Part D "Form 8703." Tax exempt bond properties funded by the Department must file Form 8703 each calendar year of the qualified project period. The form is due to the IRS by March 31 after the close of the calendar year for which the certification is made. The Department requires Tax Exempt Bond Development Owners to submit a copy of the filed Form 8703 for the preceding calendar year.

(d) The Owner is required to report certain financial information to the Department electronically through CMTS. If supplemental information is required, it must be uploaded to the Development's CMTS account. "Annual Owner's Financial Certification" (formerly Part D of the AOCR).

Developments funded by the Department must annually provide and certify to the data represented in the Annual Owner's Financial Certification (AOFC).

(e) Parts A, B, C, and D of the AOFC and the AOFC must be provided to the Department no later than April 30th of each year, reporting data current as of December 31st of the previous year (the reporting year).

(f) Periodic Unit Status Reports. All Developments must submit a Quarterly Unit Status Report to the Department through the Compliance Monitoring and Tracking System. Quarterly reports are due in January, April, July, and October on the 10th day of the month. The report must report occupancy as of the last day of the previous month for the reporting period. For example, the report due October 10th should report occupancy as of September 30th of the preceding month. The first quarterly report is due on the first quarterly reporting date after leasing activity commences. Failure to report occupancy timely will result in a finding of noncompliance.

(g) Owners are encouraged to continuously maintain current resident data in the Department's CMTS. Under certain circumstances, such as in the event of a natural disaster, the Department may alter the reporting schedule and require all Developments to provide current occupancy data through CMTS.

(h) All rental Developments funded or administered by the Department will be required to submit an accurate Unit Status Report prior to a monitoring review and/or a physical inspection.

(i) Housing Tax Credit [and Tax Credit Exchange](#) Developments must submit IRS Form(s) 8609 with Part II complete through CMTS by the second monitoring review. If an owner elects to group buildings together into one or more multiple building projects, the owner must attach a statement identifying the buildings within the project.

(j) Within six (6) months but at least 90 days prior to the end of the Affordability Period and/or the end of the Land Use Restriction Term, the Owner must provide written notice to the current tenants and applicants. If the Development Owner has been approved for new funding, through the Department, and/or awarded new credits such notice is not required. The Notice must contain the following: proposed new rents, any rehabilitation plans and information on how to access the Departments Vacancy Clearinghouse to locate other affordable housing options.

§10.608 Recordkeeping Requirements

(a) Development Owners must comply with program recordkeeping requirements. Records must include sufficient information to comply with the reporting requirements of §10.607 of this [subchapter](#) (relating to Reporting Requirements) and any additional programmatic requirements. HTC Development Owners must retain records sufficient to comply with the reporting requirements of Treasury Regulation 1.42-5(b)(1). Records must be kept for each qualified Low-Income Unit and building in the Development, commencing with lease up activities and continuing on a monthly basis until the end of the Affordability Period.

(b) Each Development that is administered by the Department must retain records as required by the specific funding program rules and regulations and executed contracts or Land Use Restriction Agreements. In general, retention schedules include, but are not limited to, the provision of subsections (c) - (g) of this section.

(c) HTC records must be retained for at least six years after the due date (with extensions) for filing the

federal income tax return for that year; however, the records for the first year of the Credit Period must be retained for at least six years beyond the due date (with extensions) for filing the federal income tax return for the last year of the Compliance Period of the building (§1.42-5(b)(2) of the Code).

(d) Retention of records for TCAP-RF, HOME, [ERA](#), and HOME-ARP rental Developments must comply with the provisions of 24 CFR §92.508(c), which generally require retention of rental housing records for five years after the Affordability Period terminates. HOME-ARP rental Developments must also comply with HUD CPD Notice 21-10.

(e) Retention of records for NHTF must comply with the provisions of 24 CFR §93.407(b), which generally require retention of rental housing records for five years after the Affordability Period terminates.

(f) Retention of records for NSP rental Developments must comply with the provisions of 24 CFR §570.506, which generally requires retention of rental housing records for five years after the Department has closed out the grant with HUD.

(g) THTF rental Developments must retain tenant files for at least three years beyond the date the tenant moves from the Development. Records pertinent to the funding of the award, including, but not limited to, the Application and Development costs and documentation, must be retained for at least five years after the Affordability Period terminates.

(h) Section 811 PRA tenant records must be maintained for the term of tenancy plus three years. After the end of the record retention period, all Enterprise Income Verification (EIV) data must be destroyed.

(i) Other rental Developments funded or administered in whole or in part by the Department must comply with record retention requirements as required by federal regulations, statute, rule, or deed restriction.

(j) All required records must be made available and accessible for a monitoring review, physical inspection, and whenever requested by the Department. The Department permits electronic records. Digital signatures of both property management and household are acceptable. Developments should have policies in place that allow the household to choose between electronic or hard copy documents. It is the responsibility of the Development Owner to maintain policies and procedures that mitigate fraud, waste, and abuse on an ongoing basis.

(k) Prior to completion of ownership and/or management agent change, a current waitlist must be submitted to the Department through CMTS.

§10.609 Notices to the Department

If any of the events described in paragraphs (1) - (7) of this section occur, written notice must be provided to the Department within the respective timeframes. Failure to do so will result in an Event of Noncompliance, and may be taken into consideration during Previous Participation Reviews in accordance with Chapter 1 Subchapter C of this title, or in Enforcement actions in accordance with Chapter 2 of this title.

(1) Written notice must be provided at least 30 days prior to any proposed sale, transfer, or exchange of the Development or any portion of the Development, and the Department must give its prior written approval to any such sale, transfer, or exchange, which will include a previous participation review on

the proposed new ownership, requiring that they complete and provide a Previous Participation Review Form, in accordance with §10.40~~65~~;

(2) Notification must be provided within 30 days following the event of any casualty loss, in whole or in part, to the Development, using the Department's Notice of Casualty Loss (for general casualty losses) or Notice of Disaster Casualty Loss (specific to loss as a result of a Presidentially Declared Disaster). Within 30 days of completion of all restorative repairs, the Owner must provide the executed Notice of Property Restoration accompanied by all supporting documentation. Supporting documentation can include, but is not limited to: Certificates of Occupancy, photographs of all restorative repairs completed on buildings and/or Units, invoices from contractors, insurance assessments and/or a written summary of restorative repairs required. The Department may require additional documentation not specified in this section on a case-by-case basis;

(3) Owners of Bond Developments shall notify the Department of the date on which 10% of the Units are occupied and the date on which 50% of the Units are occupied, and notice must occur within 90 days of each such date;

(4) Within 30 days after a foreclosure, the Department must be provided with documentation evidencing the foreclosure and a rent roll establishing occupancy on the day of the foreclosure;

(5) Within 10 days of a change in the contact information (including contact persons, physical addresses, mailing addresses, email addresses, phone numbers, and/or the name of the property as know by the public) for the Ownership entity, management company, and/or Development the Department's CMTS must be updated. Separate contact information must be provided for Ownership entity, management company, and onsite manager at the Development. A single contact may be used for the owner and management if they are the same entity.

(6) Within 30 days of completion of the American Institute of Architects form G704- Certificate of Substantial Completion, or Form HUD-92485 for instances in which a federally insured HUD loan is utilized, an Owner must request a Final Construction Inspection; and

(7) Development Owners that have agreed to participate in the Section 811 PRA program are required to notify the Department about the availability of Units as described in accordance with §8.2(1)(3) and §8.2(1)(4) [of this title](#).

§10.610 Written Policies and Procedures

Written Policies and Procedures are required as specified ~~as specified~~ at §10.802 of this chapter (relating to Written Policies and Procedures).

§10.611 Determination, Documentation and Certification of Annual Income

(a) For all rental programs administered by the Department, annual income shall be determined consistent with the Section 8 Program administered by HUD, using the definitions of annual income described in 24 CFR §5.609 as further described in the HUD Handbook 4350.3, as amended from time to time. For the Housing Tax Credit program, where there is a conflict between the HUD Handbook 4350.3 and the IRS Guide for Completing IRS Form 8823, the IRS guidance will be controlling. At the time of program designation as a low income household, Owners must certify and document household income. In general, all low income households must be certified prior to move in. Certification and documentation of household income is an Owner's responsibility, even if the Owner is using [the](#)

services of a manager's or management company services to handle tenant intake and leasing. Accordingly, Owners should ensure that they hire competent and properly trained managers or management companies and that they exercise appropriate oversight of any manager's or management companies activities.

(b) For ~~every~~ the initial certification, requiring verification of income and assets, of a household residing in a HOME, NHTF, NSP, TCAP RF, or HOME-ARP assisted Unit, Owners must examine at least two months (60 days) of source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation). Qualified populations in HOME-ARP Units may not need to meet an income requirement upon move-in, but will have their income verified to determine rental portion of payment.

(c) Department administered programs are permitted to utilize the Section 8 Verification of income process, available on the Department website, for the verification of household income at initial or subsequent annual certifications. This permission is removed if the Development owner, management company, consulting company, or any other Affiliated entity is in any way associated with the certifying Housing Authority. This permission is only granted for households that currently are utilizing a Housing Choice Voucher. No other means tested verifications are allowable.

~~(d)~~ A household's lowest designation, as recorded on the Income Certification, at the time of move in, cannot be increased unless the household was found to never have income qualified for the Unit, no longer income qualifies for the Unit, or program rules required the change. In addition, a household's low income status cannot be removed because of an increase in income at recertification unless the increase causes the Unit to go over income as defined in §10.615 of this subchapter, IRC §42(g), or the HOME Final Rule.

(e) For all programs, for every certification that requires verification of income and assets, those verifications must be dated within 120 days of the certification effective date. The only exceptions are lifetime benefits (e.g. pension, annuities, Social Security).

§10.612 Tenant File Requirements

(a) At the time of program designation as a low income household (or Qualified Population for HOME-ARP), typically at initial occupancy, Owners must create and maintain a file that at a minimum contains:

(1) A Department approved Income Certification form signed by all adults. At the time of program designation as a low income household or Qualified Population, Owners must certify and document household income. In general, all low-income households and Qualified Populations for HOME-ARP must be certified prior to move in. The Department requires the use of the TDHCA Income Certification form, unless the Development also participates in the USDA - Rural Development or a Project Based HUD Program, in which case, the other program's Income Certification form will be accepted;

(2) Documentation to support the Income Certification form including, but not limited to, applications (one per adult or married couple), first hand or third party verification of income and assets, and documentation of student status (if applicable). Beginning January 1, 2021, the application must provide a space for applicants to indicate if they are a veteran. In addition, the application must include the following statement: "Important Information for Former Military Services Members. Women and men who served in any branch of the United States Armed Forces, including Army, Navy, Marines,

Coast Guard, Air Force, Reserves or National Guard, may be eligible for additional benefits and services. For more information please visit the Texas Veterans Portal at <https://veterans.portal.texas.gov/>;

(3) The Department permits Owners to use check stubs or other firsthand documentation of income and assets provided by the applicant or household in lieu of third party verification forms. It is not necessary to first attempt to obtain a third party verification form. Owners should scrutinize these documents to identify and address any obvious attempts at forgery, alteration, or generation of falsified documents; and

(4) A lease with all necessary addendums to ensure that compliance with applicable federal regulations and §10.613 of this subchapter (relating to Lease Requirements).

(b) Annually thereafter on the anniversary date of the household's move in or initial designation:

(1) Throughout the Affordability Period, all Owners of Housing Tax Credit, TCAP, and Exchange Developments must collect and maintain current data on each household that includes the number of household members, age, ethnicity, race, disability status, student status, and rental assistance (if any). This information can be collected on the Department's Annual Eligibility Certification form, the Income Certification form, HUD Income Certification form, USDA-Rural Development Income Certification form (as applicable).

(2) During the Compliance Period for all Housing Tax Credit, TCAP, and Exchange Developments and throughout the Affordability Period for all Bond Developments and HOME, [HOME Match](#), TCAP RF, and HOME-ARP [Units Developments](#), Owners must collect and maintain current student status data for each low-income household. This information must be collected within 120 days before the anniversary of the effective date of the original Income Certification and can be collected on the Department's Annual Eligibility Certification or the Department's Certification of Student Eligibility form or the Department's Income Certification form. Throughout the Compliance Period for HTC, TCAP, and Exchange developments, low-income households comprised entirely of full-time students must qualify for a HTC program exception, and supporting documentation must be maintained in the household's file. For Bond Developments, if the household is not an eligible student household, it may be possible to re-designate the full-time student household to an Eligible Tenant (ET). For HOME, [HOME Match](#), TCAP RF, and HOME-ARP [Units Developments](#), an individual does not qualify as a low income or very low income family if the individual is a student who is not eligible to receive Section 8 assistance under 24 CFR §5.612.

(3) The types of Developments described in subparagraphs (A) - (D) of this paragraph are required to recertify annually the income of each low-income household using a Department approved Income Certification form and documentation to support the Income Certification (see subsection (a)(1) - (2) of this section):

(A) Mixed income Housing Tax Credit, TCAP and Exchange projects (as defined by line 8(b) of IRS Form(s) 8609 and accompanying statements, if any) that have not completed the 15 year Compliance Period.

(B) All Bond Developments with less than 100% of the Units set aside for households with an income less than 50% or 60% of area median income. [If subsequent legislation allows for the use of the Average Income minimum set aside for the Bond program, the income threshold will increase to 80% area median income.](#)

(C) THTF Developments with Market Rate Units. However, THTF Developments with other Department administered programs will comply with the requirements of the other program.

(D) HOME, TCAP RF, NHTF, and HOME-ARP Developments. Refer to subsection (c) of this section.

(c) Ongoing tenant file requirements for HOME, TCAP RF, NHTF, and HOME-ARP Developments:

(1) HOME, TCAP RF, NHTF, and HOME-ARP Developments must complete a recertification with verifications of each assisted Unit every sixth year of the Development's Affordability Period. The recertification is due on the anniversary of the household's move-in date. For purposes of this section the beginning of a HOME, TCAP RF, NHTF, HOME-ARP Development Affordability Period is the effective date in the HOME, TCAP RF, NHTF, and HOME-ARP LURA. ~~For Example 612(1); A~~ HOME Development with a LURA effective date of May 2011, will have the following years of the affordability ~~period determined in Example (1)~~:

(A) Year 1: May 15, 2011 - May 14, 2012;

(B) Year 2: May 15, 2012 - May 14, 2013;

(C) Year 3: May 15, 2013 - May 14, 2014;

(D) Year 4: May 15, 2014 - May 14, 2015;

(E) Year 5: May 15, 2015 - May 14, 2016;

(F) Year 6: May 15, 2016 - May 14, 2017;

(G) Year 7: May 15, 2017 - May 14, 2018;

(H) Year 8: May 15, 2018 - May 14, 2019;

(I) Year 9: May 15, 2019 - May 14, 2020;

(J) Year 10: May 15, 2020 - May 14, 2021;

(K) Year 11: May 15, 2021 - May 14, 2022; and

(L) Year 12: May 15, 2022 - May 14, 2023.

(2) In the scenario described in paragraph (1) of this subsection, all households in HOME, TCAP RF, NHTF, and HOME-ARP Units must be recertified with source documentation during the sixth and twelfth years or between May 15, 2016, to May 14, 2017, and between May 15, 2022, and May 14, 2023.

(3) In the intervening years the Development must collect a self-certification within 120 days before the anniversary of the effective date of the original Income Certification from each household that is assisted with HOME, TCAP RF, NHTF, and HOME-ARP funds. The Development must use the Department's Income Certification form, unless the property also participates in the Rural Development or a project Based HUD program, in which case, the other program's Income Certification form will be accepted. If the household reports on their self-certification that their annual income exceeds the current

80% applicable income limit or there is evidence that the household's written statement failed to completely and accurately provide information about the household's characteristics and/or income, then an annual income recertification with verifications is required.

(d) Tenant File requirements for HOME-ARP Qualified Populations Units. Files for households assisted under the HOME-ARP program as Qualified Population must document evidence that the households meet the definition of:

(1) Homeless as defined in 24 CFR §91.5;

(2) At-risk of homelessness as defined in 24 CFR §91.5;

(3) Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as defined in CPD Notice 21-10;

(4) Other Families Requiring Services or Housing Assistance to Prevent Homelessness, which are households who have previously been qualified as homeless, are currently housed due to temporary, or emergency assistance, including financial assistance, services, temporary rental assistance or some type of other assistance to allow the household to be housed, and who need additional housing assistance or supportive services to avoid a return to homelessness;

(5) At Greatest Risk of Housing Instability as cost burdened, which are households who have an annual income that is less than or equal to 30% of the area median income, as determined by HUD and is experiencing severe cost burden (i.e. is paying more than 50% of monthly household income toward housing costs.); or

(6) At Greatest Risk of Housing Instability, which meets the definition of at-risk of homelessness as defined in 24 CFR §91.5, but with an income up to 50% AMI.

~~(e) Tenant File requirements for Section 811 PRA Units. Files for households assisted under the Section 811 program must document the household's eligibility for the program, the deductions for which the household qualifies and the following HUD forms (or any subsequent HUD form number):~~

~~(1) Section 811 Project Rental Assistance Application;~~

~~(2) Verification of disability;~~

~~(3) House Rules;~~

~~(4) Move in/move-out inspection form, and TDHCA Section 811 Waiver of Move-in (as applicable);~~

~~(5) Tenant acknowledgement of the Fact Sheet "How your rent is determined";~~

~~(6) Tenant acknowledgement of Resident Rights and Responsibilities;~~

~~(7) Tenant acknowledgement of EIV and You Brochure;~~

~~(8) Verification of Age;~~

~~(9) Verification of Social Security number;~~

- ~~(10) Screening for drug abuse and other criminal activity;~~
- ~~(11) 811 Tenant Selection Plan;~~
- ~~(12) Supplement to Application for Federally Assisted Housing: Form 92006;~~
- ~~(13) Annual Recertification Initial Notice;~~
- ~~(14) Annual Recertification First Reminder Notice;~~
- ~~(15) Annual Recertification Second Reminder Notice;~~
- ~~(16) Annual Recertification Third Reminder Notice;~~
- ~~(17) Race and Ethnic Data Reporting form: HUD 27061-H;~~
- ~~(18) HUD 9887 and HUD 9887-A;~~
- ~~(19) Annual Unit inspection;~~
- ~~(20) Owner's Certification of Compliance with HUD's Tenant Eligibility and Rent Procedures: HUD form 50059; and~~
- ~~(21) HUD Model lease 92236-PRA.~~

§10.613 Lease Requirements

(a) Eviction and/or termination of a lease. HTC, TCAP, and Exchange Developments must specifically state in the lease or in an addendum attached to the lease that evictions or terminations of tenancy for other than good cause are prohibited. To terminate tenancy, the Owner must serve written notice to the tenant specifying the grounds for the action. For nonpayment of rent, HTC, TCAP, Exchange, and NHTF Developments require a thirty (30) day written notice. If the CARES Act is modified to eliminate the 30-day notice requirement, HUD or Treasury requirements will supersede this 30-day notice requirement for nonpayment of rent.

(b) HOME, ERA, TCAP RF, NHTF, NSP, and HOME-ARP Developments are prohibited from evicting low income residents or refusing to renew a lease except for serious or repeated violations of the terms and conditions of the lease, for violations of applicable federal, state or local law, for completion of the tenancy period for Transitional Housing (if applicable), for households that were found to never have income qualified for the highest income designation under the program or for other good cause. It must be specifically stated in the lease or in an addendum attached to the lease that evictions or non-renewal of leases for other than good cause are prohibited (24 CFR §92.253 and 24 CFR §93.303). Owners must also comply with all other lease requirements and prohibitions stated in 24 CFR §92.253 or 24 CFR §93.303, as applicable. To terminate or refuse to renew tenancy in HOME, TCAP RF, NSP, and HOME-ARP Developments, the Owner must serve written notice to the tenant specifying the grounds for the action at least 30 days before the termination of tenancy. For HOME-ARP, Owners may not terminate the tenancy or refuse to renew the lease of the Qualifying Household in any Unit that is supported by capitalized operating costs because of the household's inability to pay rent of more than 30 percent of the qualifying household's income toward rent during the longer of the federal affordability period or the time period identified in the Contract.

(c) In accordance with the Violence Against Women Act, an incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking against the documented victim of such actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be construed as a serious or repeated violation of a lease or good cause for termination of tenancy. Additionally, it shall not be construed as a serious or repeated violation of a lease or action eligible for termination of tenancy if a person has opposed any act or practice made unlawful by the Violence Against Women Act 2022, or because that person testified, assisted, or participated in any matter covered by the Violence Against Women Act 2022.

(d) A Development must use a lease or lease addendum that requires households to report changes in student status.

(e) Owners of HTC, [TCAP](#), and [Exchange](#) Developments are prohibited from locking out or threatening to lock out any Development resident, except by judicial process, unless the exclusion is necessary for the purpose of performing repairs or construction work, or in cases of emergency. Owners are further prohibited from seizing or threatening to seize the personal property of a resident except by judicial process unless the resident has abandoned the premises. These prohibitions must be included in the lease or lease addendum.

(f) For HOME, TCAP, TCAP RF, NHTF, 811 PRA, NSP, ERA and HOME-ARP Developments, properties that were initially built for occupancy prior to 1978 must include in their lease or lease addendum a Lead Warning Statement. To demonstrate compliance, the Department will monitor that all households at HOME, TCAP, TCAP RF, NHTF, NSP, ERA, and HOME-ARP Developments have signed the Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards. (24 CFR §92.355, 24 CFR §93.361 and §570.487(c), and Section 1018 of Title X, as applicable). The addendum and disclosure are not required if all lead has been certified to have been cleared from the Development in accordance with 24 CFR §35.130, and the Owner has the required certification in its on-site records.

(g) An Owner may bifurcate a lease to terminate the tenancy of an individual who is a tenant or lawful occupant and engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against another lawful occupant living in the Unit or other affiliated individual as defined in the VAWA 2013.

(h) All NHTF, TCAP RF, NSP, HOME, and HOME-ARP Developments for which the contract is executed on or after December 16, 2016, must use the Department created VAWA lease addendum which provides the ability for the tenant to terminate the lease without penalty if the Department determines that the tenant qualifies for an emergency transfer under 24 CFR §5.2005(e). 811 PRA Units are prohibited from using the expired 2005 VAWA lease addendum. After OMB approval of a VAWA lease addendum, all 811 PRA households must have a valid and executed VAWA lease addendum. For the 811 PRA program certain addenda for the HUD model lease may be required such as Lead Based Paint Disclosure form, house rules, and pet rules. No other attachments to the lease are permissible without approval from the Department's 811 PRA staff.

(i) Leasing of HOME, [HOME Match](#), TCAP RF, or NHTF Units to an organization that, in turn, rents those Units to individuals is not permissible for Developments with contracts dated on or after August 23, 2013. Leases must be between the Development and an eligible household. NSP and HOME-ARP Developments may only utilize Master Leases, if specifically allowed in the Development's LURA.

(j) Housing Tax Credit, [TCAP](#), and [Exchange](#) Units leased to an organization through a supportive housing program where the owner receives a rental payment for the Unit regardless of physical

occupancy will be found out of compliance if the Unit remains vacant for over 60 days. The Unit will be found out of compliance under the Event of Noncompliance "Violation of the Unit Vacancy Rule."

(k) It is a Development Owner's responsibility at all times to know what it has agreed to provide by way of common amenities, Unit amenities, and services.

(l) A Development Owner shall post in a common area of the leasing office a copy and provide each household, during the application process and upon a subsequent change to the items described in paragraph (2) of this subsection, the brochure made available by the Department, A Tenant Rights and Resources Guide, which includes:

(1) Information about Fair Housing and tenant choice;

(2) Information regarding common amenities, Unit amenities, and services; ~~and~~

(3) A certification that a representative of the household must sign prior to, but no more than 120 days prior to, the initial lease execution acknowledging receipt of this brochure;~~;~~

(4) In the event this brochure is not provided timely or the household does not certify to receipt of the brochure, correction will be achieved by providing the household with the brochure and receiving a signed certification that it was received; ~~and~~.

(5) Developments located within a 100 year floodplain must state in the Tenant Rights and Resources Guide that part or all of the Development Site is located in a floodplain. Developments located within a 100 year floodplain must maintain flood insurance and provide evidence to the Department upon request.

(m) For Section 811 PRA Units, Owners must use the HUD Model lease, HUD form 92236-PRA.

(n) Except as identified in federal or state statute or regulation for Direct Loans, or as otherwise identified in this Chapter, the Department does not determine if an Owner has good cause or if a resident has violated the lease terms. Challenges to evictions or terminations of tenancy must be determined by a court of competent jurisdiction or an agreement of the parties (including an agreement made in arbitration), and the Department will rely on that determination.

§10.614 Utility Allowances

(a) Purpose. The purpose of this section is to provide the guidelines for calculating a Utility Allowance under the Department's multifamily programs. The Department will cite noncompliance and/or not approve a Utility Allowance if it is not calculated in accordance with this section. Owners are required to comply with the provisions of this section as well as any existing federal or state program guidance.

(b) Definitions. The following words and terms, when used in this section, shall have the following meanings, unless the context clearly indicates otherwise. Other capitalized terms used in this section herein have the meanings assigned in Chapters 1, 2, 10, 11, and 12 of this title.

(1) Building Type. The HUD Office of Public and Indian Housing (PIH) characterizes building and unit configurations for HUD programs. The Department will defer to the guidance provided by HUD found at: http://portal.hud.gov/hudportal/documents/huddoc?id=DOC_11608.pdf (or successor Uniform Resource Locator (URL)) when making determinations regarding the appropriate building type(s) at a

Development.

(2) Power to Choose. The Public Utility Commission of Texas database of retail electric providers in the areas of the state where the sale of electricity is open to retail competition: <http://www.powertochoose.org/> (or successor URL). In areas of the state where electric service is deregulated, the Department will verify the availability of residential service [directly with the Utility Provider through Power to Choose](#). If the Utility Provider is not listed as a provider of residential service in the Development's ZIP code for an area that is deregulated, the request will not be approved. [It is the Owner's responsibility to ensure that a Development in a deregulated area, but within the boundaries of a regulated municipality, is using the appropriate provider.](#)

(3) Component Charges. The actual cost associated with the billing of a residential utility. Each Utility Provider may publish specific utility service information in varying formats depending on the service area. Such costs include, but are not limited to:

(A) Rate(s). Any cost incurred for the actual unit of measure for the utility (e.g., base cost per kilowatt hour for electricity, TDU delivery charges, rate per gallon of water, etc.);

(B) Fees. The cost associated with a residential utility that is incurred regardless of the amount of the utility the household consumes (e.g., Customer Charge);

(C) Taxes. Taxes for electricity and gas are regulated by the Texas Comptroller of Public Accounts and can be found <http://comptroller.texas.gov/> (or successor URL). Local Utility Providers have control of the tax structure related to water, sewer and trash. To identify if taxes are imposed for these utilities, obtain documentation directly from the Utility Provider.

(4) Multifamily Direct Loan (MFDL). Funds provided through the HOME, NSP, NHTF, TCAP RF, HOME-ARP, [ERA](#), or other program available through the Department, local political subdivision, or administrating agency for multifamily development that require a Utility Allowance. MFDLs may also include deferred forgivable loans or other similar direct funding, regardless if it is required to be repaid. Housing Tax Credits, Tax Exempt Bonds, [CDBG](#), and Project Based Vouchers are not MFDLs.

(5) Renewable Source. Energy produced from energy property described in IRC §48 or IRC §45(d)(1) through (4), (6), (9), or (11). The manner in which a resident is billed is limited to the rate at which the local Utility Provider would have charged the residents for the utility if that entity had provided it to them, and as may be further limited by the Texas Utilities Code or by regulation.

(6) Submetered Utility. A utility purchased from or through a local Utility Provider by the building Owner where the resident is billed directly by Owner of the building or to a third party billing company and the utility is:

(A) Based on the residents' actual consumption of that utility and not an allocation method or Ratio Utility Billing System (RUBS); ~~and~~

(B) The rate at which the utility is billed does not exceed the rate incurred by the building Owner for that utility; ~~and~~

[\(C\) Tenants receiving a tenant-based Housing Choice Voucher or residing in a Housing Tax Credit Development may not be charged a service fee for submetered utilities. For MFDL Developments where tenants are being charged a service fee for submetered utilities, the fee must either be included in](#)

[the Utility Allowance or be included in the gross rent calculation as a mandatory fee.](#)

(7) Utility Allowance. An estimate of the expected monthly cost of any utility for which a resident is financially responsible, other than telephone, cable television, or internet. A utility allowance is considered implemented once the Unit Status Report is updated and rents are restricted.

(A) For HTC, TCAP, Exchange buildings, Bonds, and THTF include:

(i) Utilities paid by the ~~resident~~ [household](#) directly to the Utility Provider;

(ii) Submetered Utilities; and

(iii) Renewable Source Utilities.

(B) For a Development with an MFDL, unless otherwise prescribed in the program's Regulatory Agreement, include all utilities regardless of how they are paid.

(8) Utility Provider. The company that provides residential utility service (e.g., electric, gas, water, wastewater, and/or trash) to the buildings. [If the Utility Provider offers more than one rate plan, the plan selected must be available to all households in the building.](#)

(c) Methods. The following options are available to establish a Utility Allowance for all programs except most Developments funded with MFDL funds, which are addressed in subsection (d) of this section. HOME-ARP may use methods in subsection (c) or subsection (d), but cannot combine two methods in one building.

(1) Rural Housing Services (RHS) buildings or buildings with RHS assisted residents. The applicable Utility Allowance for the Development will be determined under the method prescribed by the RHS (or successor agency). No other utility method described in this section can be used by RHS buildings or buildings with RHS assisted residents.

(2) HUD-Regulated buildings layered with any Department program. If neither the building nor any resident in the building receives RHS rental assistance payments, and the rents and the Utility Allowances of the building are regulated by HUD (HUD-regulated building), the applicable Utility Allowance for all rent restricted Units in the building is the applicable HUD Utility Allowance. No other utility method described in this section can be used by HUD-regulated buildings. Unless further guidance is received from the U.S. Department of Treasury or the Internal Revenue Service (IRS), the Department considers Developments awarded an MFDL (e.g., HOME) to be HUD-Regulated buildings.

(3) Other Buildings. For all other rent-restricted Units, Development Owners must use one of the methods described in subparagraphs (A) - (E) of this paragraph:

(A) Public Housing Authority (PHA). The Utility Allowance established by the applicable PHA for the Housing Choice Voucher Program. The Department will utilize the Texas Local Government Code, Chapter 392 to determine which PHA is the most applicable to the Development.

(i) If the PHA publishes different schedules based on Building Type, the Owner is responsible for implementing the correct schedule based on the Development's Building Type(s). Example 614(1): The applicable PHA publishes a separate Utility Allowance schedule for Apartments (5+ units), one for Duplex/Townhomes and another for Single Family Homes. The Development consists of 20 buildings,

10 of which are Apartments (5+ units) and the other 10 buildings are Duplexes. The Owner must use the correct schedule for each Building Type.

(ii) In the event the PHA publishes a Utility Allowance schedule specifically for energy efficient units, and the Owner desires to use such a schedule, the Owner must demonstrate that the building(s) meet the housing authority's specifications for energy efficiency once every five years.

(iii) If the applicable PHA allowance lists flat fees for any utility, those flat fees must be included in the calculation of the Utility Allowance if the resident is responsible for that utility.

(iv) If the individual components of a Utility Allowance are not in whole number format, the correct way to calculate the total allowance is to add each amount and then round the total up to the next whole dollar. Example 614(2): Electric cooking is \$8.63, Electric Heating is \$5.27, Other Electric is \$24.39, Water and Sewer is \$15. The Utility Allowance in this example is \$54.00. If the PHA schedule reflects a rounded amount, then the PHA method of rounding should be used.

(v) If an Owner chooses to implement a methodology as described in subparagraph (B), (C), (D), or (E) of this paragraph, for Units occupied by Section 8 voucher holders, the Utility Allowance remains the applicable PHA Utility Allowance established by the PHA from which the household's voucher is received.

(vi) If the Development is located in an area that does not have a municipal, county, or regional housing authority that publishes a Utility Allowance schedule for the Housing Choice Voucher Program, Owners must select an alternative methodology, unless the building(s) is located in the published Housing Choice Voucher service area of:

(I) A Council of Government created under Texas Local Government Code, Chapter 303, that operates a Housing Choice Voucher Program;

(II) The Department's Housing Choice Voucher Program; or

(III) Another PHA which publishes a separate utility allowance schedule specific to the Development's location.

(B) Written Local Estimate. The estimate must come from the local Utility Provider, be signed by the Utility Provider representative, and specifically include all Component Charges for providing the utility service.

(C) HUD Utility Schedule Model. The HUD Utility Schedule Model and related resources can be found at <http://www.huduser.gov/portal/resources/utilallowance.html> (or successor URL). Each item on the schedule must be displayed out two decimal places. The total allowance must be rounded up to the next whole dollar amount. The Component Charges used can be no older than those in effect 60 days prior to the beginning of the 90 day period described in subsection (f)(3) of this section related to Effective Dates.

(i) The allowance must be calculated using the MS Excel version available at <http://www.huduser.org/portal/resources/utilmodel.html> (or successor URL), as updated from time to time, with no changes or adjustments made other than entry of the required information needed to complete the model.

(ii) In the event that the zip code for the Development is not listed in "Location" tab of the workbook, the Department will default to the PHA code from the PHA that is closest in distance to the Development using online mapping tools (e.g. Google Maps). If neither the zip code nor the PHA code is listed, a zip code that borders the Development's zip code will be used. The Department will obtain the PHA codes from https://www.hud.gov/sites/dfiles/PIH/documents/PHA_Contact_Report_TX.pdf (or successor Uniform Resource Locator (URL)).

(iii) Green Discount. If the Owner elects any of the Green Discount options for a Development, documentation to evidence that the units and the buildings meet the Green Discount standard as prescribed in the model is required for the initial approval and every subsequent annual review. [Energy Star certifications will require the certificates for each Unit at the time of the initial Utility Allowance review and a letter from a properly licensed engineer annually thereafter. The engineer letter will be accepted for a period of five \(5\) years and must be updated thereafter.](#)

(I) In the event the allowance is being calculated for an application of Department funding (e.g., 9% Housing Tax Credits), upon request, the Department will provide both the Green Discount and the non-Green Discount results for application purposes.

(II) At lease up, the owner may use the utility allowance taking into consideration the green discount if they obtain written documentation from a qualified professional (e.g., a qualified energy efficiency consultant) indicating that the Units and buildings will meet the qualifications for the Green Discount within six months of the placed in service date or for MFDL within six months of the construction completion date.

(iv) Do not take into consideration any costs (e.g., penalty) or credits that a consumer would incur because of their actual usage. Example 614(3): The Electric Fact Label for ABC Electric Utility Provider provides a Credit Line of \$40 per billing cycle that is applied to the bill when the usage is greater than 999 kWh and less than 2000 kWh. Example 614(4): A monthly minimum usage fee of \$9.95 is applied when the usage is less than 1000 kWh in the billing cycle. When calculating the allowance, disregard these types of costs or credits.

(D) Energy Consumption Model. The model must be calculated by a properly licensed mechanical engineer. The license of the engineer must be submitted along with the model. The individual must not be related to the Owner within the meaning of §267(b) or §707(b) of the Code. The utility consumption estimate must, at minimum, take into consideration specific factors that include, but are not limited to, Unit size, building type and orientation, design and materials, mechanical systems, appliances, characteristics of building location, and available historical data. Component Charges used must be no older than those in effect 60 days prior to the beginning of the 90 day period described in subsection (f)(3) of this section related to Effective Dates; and

(E) An allowance based upon an average of the actual use of similarly constructed and sized Units in the building using actual utility usage data and Component Charges, provided that the Development Owner has the written permission of the Department. This methodology is referred to as the "Actual Use Method." For a Development Owner to use the Actual Use Method they must:

(i) Provide a minimum sample size of usage data for at least five Continuously Occupied Units of each Unit Type or 20% of each Unit Type, whichever is greater. If there are less than five Units of any Unit Type, data for 100% of the Unit Type must be provided; and

(ii) Upload the information in subclauses (I) - (IV) of this clause to the Development's CMTS account

no later than the beginning of the 90 day period after which the Owner intends to implement the allowance, reflecting data no older than 60 days prior to the 90 day implementation period described in described in subsection (f)(3) of this section related to Effective Dates.

(I) An Excel spreadsheet listing each Unit for which data was obtained to meet the minimum sample size requirement of a Unit Type, the number of bedrooms, bathrooms and square footage for each Unit, the household's move-in date, the utility usage (e.g., actual kilowatt usage for electricity) for each month of the 12 month period for each Unit for which data was obtained, and the Component Charges in place at the time of the submission;

(II) All documentation obtained from the Utility Provider (or billing entity for the utility provider) and/or copies of actual utility bills gathered from the residents, including all usage data not needed to meet the minimum sample size requirement and any written correspondence from the utility provider;

(III) The rent roll showing occupancy as of the end of the month for the month in which the data was requested from the utility provider; and

(IV) Documentation of the current Utility Allowance used by the Development.

(iii) Upon receipt of the required information, the Department will determine if the Development Owner has provided the minimum information necessary to calculate an allowance using the Actual Use Method. If so, the Department shall calculate the Utility Allowance for each bedroom size using the guidelines described in subclauses (I) - (V) of this clause;

(I) If data is obtained for more than the sample requirement for the Unit Type, all data will be used to calculate the allowance;

(II) If more than 12 months of data is provided for any Unit, only the data for the most current 12 will be averaged;

(III) The allowance will be calculated by multiplying the average units of measure for the applicable utility (i.e., kilowatts over the last 12 months by the current rate) for all Unit Types within that bedroom size. For example, if sufficient data is supplied for 18 two bedroom/one bath Units, and 12 two bedroom/two bath Units, the data for all 30 Units will be averaged to calculate the allowance for all two bedroom Units;

(IV) The allowance will be rounded up to the next whole dollar amount. If allowances are calculated for different utilities, each utility's allowance will be rounded up to the next whole dollar amount and then added together for the total allowance; and

(V) If the data submitted indicates zero usage for any month, the data for that Unit will not be used to calculate the Utility Allowance.

(iv) The Department will complete its evaluation and calculation within 45 days of receipt of all the information requested in clause (ii) of this subparagraph;

(d) In accordance with 24 CFR §§92.252 and 93.302, for an MFDL in which the Department is the funding source, the Utility Allowance will be established in the following manner:

[\(1\) For Developments with fixed MFDL Units, only one utility allowance may be used in buildings](#)

with MFDL units. For Developments with floating MFDL Units, only one utility allowance may be used for the entire Development.

(21) For Developments that, as a result of funding, must calculate the Utility Allowance under HUD Multifamily Notice H-2015-4, as revised from time to time, the applicable Utility Allowance for all rent restricted Units in the building is the applicable Utility Allowance calculated under that Notice. No other utility method described in this section can be used.

(32) Other Buildings. The Utility Allowance may be initiated by the Owner using the methodologies described in subsection (c)(3)(B), (C), (D), or (E) of this section related to Methods.

~~(A)~~ Buildings for which the only source of MFDL funding is HOME-ARP and which contain no HOME-Match Units may calculate the Utility Allowance using the methodology described in subsection (c)(3)(A). The methodology must be annually reviewed and approved by the Department.

~~(B) The methodology must be annually reviewed and approved by the Department.~~

(43) If a request is not received by October 1st, the Department will calculate the Utility Allowance using the HUD Utility Schedule Model. For property specific data, the Department will use:

(A) The information submitted in the Annual Owner's Compliance Report;

(B) ~~Entrance Interview~~ Monitor Review Questionnaires submitted with prior monitoring reviews; or

(C) The owner may be contacted and required to complete the Utility Allowance Questionnaire. In such case, a five day period will be provided to return the completed questionnaire.

(D) Utilities will be evaluated in the following manner:

(i) For regulated utilities, the Department will contact the Utility Provider directly and apply the Component Charges in effect no later than 60 days before the allowance will be effective.

(ii) For deregulated utilities:

(I) The Department will use the Power to Choose website and search available Utility Providers by ZIP code;

(II) The plan chosen will be the median cost per kWh based on average price per kWh for the average monthly use of 1000 kWh of all available plans; and

(III) The actual Component Charges from the plan chosen in effect no later than 60 days before the allowance will be effective will be entered into the Model.

(E) The Department will notify the Owner contact in CMTS of the new allowance and, if requested, provide the backup for how the allowance was calculated. The owner will be provided a five day period to review the Department's calculation and note any errors. Only errors related to the physical characteristics of the building(s) and utilities paid by the residents will be reconsidered; the utility plan and Utility Provider selected by the Department and Component Charges used in calculating the

allowance will not be changed. During this five day period, the owner also has the opportunity to submit documentation and request use of any of the available Green Discounts.

(F) The allowance must be implemented for rent due in all program Units thirty days after the Department notifies the Owner of the allowance.

(4) ~~HTC~~ Buildings in which there are Units under an MFDL program are considered HUD-Regulated buildings and the applicable Utility Allowance for all rent restricted Units in the building is the Utility Allowance calculated under the MFDL program. If the Department is the awarding entity, no other utility method described in this section can be used. If the Department is not the awarding jurisdiction, Owners are required to obtain, annually, the Utility Allowance established by the awarding jurisdiction, and to document all efforts to obtain such allowance to evidence due diligence in the event that the jurisdiction is nonresponsive. In such an event, provided that sufficient evidence of due diligence is demonstrated, the Department, in its sole discretion, may allow for the use of the methods described in subsection (c)(3)(B), (C), (D) or (E) of this section related to Methods to calculate and establish its utility allowance.

(e) Acceptable Documentation. For the Methods where utility specific information is required to calculate the allowance (e.g., base charges, cost per unit of measure, taxes) Owners should obtain documentation directly from the Utility Provider and/or Regulating State Agency. Any Component Charges related to the utility that are published by the Utility Provider and/or Regulating State Agency must be included. In the case where a utility is billed to the Owner of the building(s) and the Owner is billing residents through a third party billing company, the Component Charges published by the Utility Provider and not the third party billing company will be used.

(f) Changes in the Utility Allowance. An Owner may not change Utility Allowance methods, start or stop charging residents for a utility without prior written approval from the Department. Example 614(5): A Housing Tax Credit Development has been paying for water and sewer since the beginning of the Compliance Period. In year eight, the Owner decides to require residents to pay for water and sewer. Prior written approval from the Department is required. Any such request must include the Utility Allowance Questionnaire found on the Department's website and supporting documentation. Developments may not start or stop charging residents for a utility during a lease term.

(1) The Department will review all requests, with the exception of the methodology prescribed in subsection (c)(3)(E) of this section related to Methods, within 90 days of the receipt of the request.

(2) If the Owner fails to post the notice to the residents and simultaneously submit the request to the Department by the beginning of the 90 day period, the Department's approval or denial will be delayed for up to 90 days after Department notification. Example 614(6): The Owner has chosen to calculate the electric portion of the Utility Allowance using the written local estimate. The annual letter is dated July 5, 2022, and the notice to the residents was posted in the leasing office on July 5, 2022. However, the Owner failed to submit the request to the Department for review until September 15, 2022. Although the Notice to the Residents was dated the date of the letter from the utility provider, the Department was not provided the full 90 days for review. As a result, the allowance cannot be implemented by the owner until approved by the Department.

(3) Effective dates. If the Owner uses the methodology as described in subsection (c)(3)(A) of this section related to Methods, no posting is required, and any changes to the allowance can be implemented immediately, but must be implemented for rent due at least 90 days after the change. For methodologies as described in subsection (c)(3)(B), (C), (D) and (E) of this section related to Methods,

the allowance cannot be implemented until the estimate is submitted to the Department and is made available to the residents by posting in a common area of the leasing office at the Development. This action must be taken by the beginning of the 90 day period in which the Owner intends to implement the Utility Allowance. Nothing in this section prohibits an Owner from reducing a resident's rent prior to the end of the 90 day period when the proposed allowance would result in a gross rent issue.

201900178-1.pdf

(g) Requirements for Annual Review.

(1) RHS and HUD-Regulated Buildings. Owners must demonstrate that the utility allowance has been reviewed annually and in accordance with the RHS or HUD regulations.

(2) Buildings using the PHA Allowance. Owners are responsible for periodically determining if the applicable PHA released an updated schedule to ensure timely implementation. When the allowance changes or a new allowance is made available by the PHA, it can be implemented immediately, but must be implemented for rent due 90 days after the PHA published effective date.

(3) Written Local Estimate, HUD Utility Model Schedule and Energy Consumption Model. Owners must update the allowance once a calendar year. The update and all back up documentation required by the method must be submitted to the Department no later than October 1st of each year. However, Owners are encouraged to submit prior to the deadline to ensure the Department has time to review. At the same time the request is submitted to the Department, the Owner must post, at the Development, the Utility Allowance estimate in a common area of the leasing office where such notice is unobstructed and visible in plain sight. The Department will review the request for compliance with all applicable requirements and reasonableness. If, in comparison to other approved Utility Allowances for properties of similar size, construction and population in the same geographic area, the allowance does not appear reasonable or appears understated, the Department may require additional support and/or deny the request. With the exception of MFDL developments, if an Owner fails to submit for annual review during the calendar year, the Development's Utility Allowance will default to the applicable PHA allowance. If the Development is located in an area that does not have a PHA, the Development fails to have a properly calculated Utility Allowance. The Utility Allowance for MFDL Developments that fail to submit for annual review will be calculated pursuant to subsection (d) of this section.

(4) Actual Use Method. Owners must update the allowance once a calendar year. The update and all back up documentation required by the method must be submitted to the Department no later than August 1st of each year. However, Owners are encouraged to submit prior to the deadline to ensure the Department has time to review. With the exception of MFDL developments, if an Owner fails to submit for annual review during the calendar year, the Development's Utility Allowance will default to the applicable PHA allowance. If the Development is located in an area that does not have a PHA, the Development fails to have a properly calculated Utility Allowance. The Utility Allowance for MFDL Developments that fail to submit for annual review will be calculated using the HUD Utility Model Schedule.

(h) For Owners participating in the Department's Section 811 Project Rental Assistance (PRA) Program, the Department's [811 division staff](#) will ~~establish~~ [approve](#) the Utility Allowance for all 811 Units. On an annual basis, the [Owner is responsible for submitting a Utility Allowance to the Department's 811 division for review.](#) ~~will calculate a Utility Allowance and~~ [Once approved, the 811 division will](#) provide the Owner with a property-specific rent schedule containing the approved Utility Allowance. The allowance listed on the rent schedule only applies to 811 PRA Units, not the entire

building, and is the only allowance approved for use on 811 PRA Units. [Failure to obtain an updated rent schedule for changes in utility allowances and gross rents will result in noncompliance and will require the Department to monitor tenant rents using the current approved rent schedule.](#)

(i) Combining Methods. In general, Owners may combine any methodology described in this section for each utility service type paid directly by the resident and not by or through the Owner of the building (e.g., electric, gas). For example, if residents are responsible for electricity and gas, an Owner may use the appropriate PHA allowance to determine the gas portion of the allowance and use the Actual Use Method to determine the electric portion of the allowance. RHS and certain HUD-Regulated buildings (e.g., buildings with MFDL funds) are not allowed to combine methodologies.

(j) The Owner shall maintain and make available for inspection by the resident all documentation, including, but not limited to, the data, underlying assumptions and methodology that was used to calculate the allowance. Records shall be made available at the resident manager's office during reasonable business hours or, if there is no resident manager, at the dwelling Unit of the resident at the convenience of both the Owner and resident.

(k) Utility Allowances for Applications.

(1) If the application includes RHS assisted buildings or tenants, the utility allowance is prescribed by the RHS program. No other method is allowed.

(2) If the application includes HUD-Regulated buildings for HUD programs other than an MFDL program the applicable Utility Allowance for all rent restricted Units in the building is the applicable HUD Utility Allowance. No other utility method is allowed.

(3) If the application includes MFDL funds from the Department, Applicants may calculate the utility allowance in accordance with subsection (c)(3)(B), (C), (D) or (E) of this section related to Methods. Applicants must submit their utility allowance to the Compliance Division prior to full application submission. In the event that the application has an MFDL from the Department, and receives federal funds from a unit of local government, the Department will require the use of the allowance approved by the Department. HOME-ARP may use subsection (c)(3)(A) of this section.

(4) If the application includes federal funds from a unit of local government but no MFDL from the Department, Applicants are required to request in writing the Utility Allowance from the awarding jurisdiction. If the awarding jurisdiction does not respond or requests the Department calculate the allowance, the Department will establish the initial Utility Allowance in accordance with subsection (d)(3) of this section.

(5) For all other applications, Applicants may calculate the utility allowance in accordance with subsection (c)(3)(A), (B), (C), (D), or (E) of this section related to Methods. If using the method described in subsection (c)(3)(B), (C), (D), or (E), applicants must submit their utility allowance to the Compliance Division prior to full application submission.

(A) Upon request, the Compliance Division will calculate or review an allowance for application. The request must be submitted to the Compliance Division no later than 21 days, but no earlier than 90 days, from when the application is due.

(B) Example [614\(7\)](#): An application for a 9% HTC is due March 1, 2022. The applicant would like Department approval to use an alternative method by February 15, 2022. The request must be submitted

to the Compliance Division no later than January 25, 2022, three weeks before February 15, 2022.

(C) Example [614\(8\)](#): An Applicant intends to submit an application for a 4% HTC with Tax Exempt Bonds on August 11, 2022, and would like to use an alternative method. Because approval is needed prior to application submission, the request can be submitted no earlier than May 13, 2022, (90 days prior to August 11, 2022) and no later than July 21, 2022, (21 days prior to August 11, 2022).

(D) Any requests for new resources (either additional funds or tax credits) on a Development with an existing Department LURA must use the method that is in effect on the existing Development. If the Owner wishes to change or if for an MFDL application is required to change the methods for the purposes of the application, a request for the existing Development must first be submitted to the Compliance Division for approval.

(6) All Utility Allowance requests related to applications of funding must:

(A) Be submitted directly to UA-Application@tdhca.texas.govstate.tx.us. Requests not submitted to this email address will not be recognized.

(B) Include the "Utility Allowance Questionnaire for Applications" along with all required back up based on the method. If back-up is not submitted the Utility Allowance will be calculated using the HUD Utility Schedule Model as described in subsection (d)(3) of this section.

(I) If Owners want to change to a utility allowance other than what was used for underwriting the Owner must submit Utility Allowance documentation for Department approval, at minimum, 90 days prior to the commencement of leasing activities. The Owner is not required to review the utility allowances, or implement new utility allowances, until the building has achieved 90% occupancy for a period of 90 consecutive days or the end of the first year of the Credit Period (if applicable), whichever is earlier. Once a request to change the utility allowance is approved or implemented, the utility allowance used at underwriting is no longer valid.

(m) Department review and approval of Renewable Sources (e.g. solar)

(1) Methods outlined in (c)(3)(A), (B), (C), (D) and (E) of this section are allowable if the Utility Provider or PHA publishes a rate plan or schedule specific to Renewable Sources. The method outlined in (c)(3)(E) is allowable only after occupancy is established as outlined in (c)(3)(E).

(2) Only buildings benefitting from Renewable Sources can use a Renewable Source utility allowance.

(3) Tenants (not Owners) must benefit from the Renewable Source in a manner that is not a discount or credit. To evidence the benefit, 20% of current tenant bills must be submitted with the request.

(4) Owners must submit both the Renewable Source allowance and the non-Renewable Source allowance for approval regardless of methodology or current occupancy. If the Renewable Source is damaged or inoperable for more than 30 days, the non-Renewable Source allowance must be implemented. At the time of the first review or the first annual utility allowance review, whichever is first, the Owner must be able to demonstrate with tenant bills that the tenants are benefitting from the Renewable Source; otherwise the non-Renewable allowance must be used.

~~(n)~~ The Department reserves the right to outsource to a third party the review and approval of all or any Utility Allowance requests to use the Energy Consumption Model or when review requires the use

of expertise outside the resources of the Department. In accordance with Treasury Regulation §1.42-10(c) any costs associated with the review and approval shall be paid by the Owner.

(~~on~~) All requests described in this subsection must be complete and uploaded directly to the Development's CMTS account using the "Utility Allowance Documents" in the type field and "Utility Allowance" as the TDHCA Contact. The Department will not be able to approve requests that are incomplete and/or are not submitted correctly.

§10.615 Elections under IRC §42(g) and Additional Income and Rent Restrictions for HTC, Exchange, and TCAP Developments

(a) Under the Code, HTC Development Owners may elect 20% of the Units restricted at the 50% income and rent limits (20/50), 40% of the Units restricted at the 60% income and rent limits (40/60) or the average income minimum set aside. Many Developments have additional income and rent requirements (e.g., 30%, 40% and 50%) that are lower than or in addition to the election requirement. This requirement is referred to as "additional occupancy restrictions" and is reflected in the Development's LURA.

(b) A Development with additional rent and occupancy restrictions must maintain a waiting list for their lower rent restricted Units. The Development's waitlist policy must inform applicants and current residents of the availability of lower rent Units and the process for renting a lower rent Unit. Unless otherwise approved at Application, underwriting, and cost certification, all Unit sizes must be available at the lower rent limits. The waitlist policy for Developments with lower rent restricted Units must address how the waiting list for their lower rent restricted Units will be managed. The policy must not give a preference to prospective applicants over existing households. However, a Development may, but is not required to, prioritize existing households over prospective applicants.

(c) The Department will examine the actual gross rent (tenant portion of rent plus utility allowance plus any mandatory fees) and income levels of all households to determine if the additional income and rent requirements of the LURA are met. ~~Until and unless the Internal Revenue Service or Treasury Department issue conflicting guidance,~~ The Department will examine the actual gross rent and income of all households to determine if Developments that elected the average income minimum set aside have met the federal requirements and any lower additional occupancy restriction reflected in the Development's LURA.

(d) ~~Until and unless the Internal Revenue Service or the Treasury Department issue conflicting or additional guidance,~~ The Department will monitor the Available Unit Rule in the following manner for Developments that elected the average income minimum set aside:

(1) If the income of the household who, at the last certification, had an income and rent less than the 60% limits exceeds 140% of the 60% limit, the household must be redesignated as over income.

(2) If the income of a household with an income or rent above the 60% level and less than or equal to the 70% limits exceeds 140% of the 70% limit, the household must be designated as over income.

(3) If the income of a household with an income or rent above the 70% level and less than or equal to the 80% limits exceeds 140% of the 80% limit, the household must be designated as over income.

(4) Owners are not required to terminate the tenancy of over income households. When the Unit occupied by an over income household is vacated, it must be reoccupied by a household with an income

and rent level equal to or less than the rent level of the household that went over income. In addition, the Unit must be reoccupied by a household that restores the low income average of the project to 60% or less.

(e) Units at 80% area median income and rent on HTC Developments. In certain years, the Department's Qualified Allocation Plan provided incentives to lease 10% of the Development's Market Rate Units to households at 80% income and rents. This section provides guidance for implementation. If the LURA requires 10% of the Market Rate Units be leased to households at 80% income and rent limits, the Owner must certify the 80% households at the time of move in only. Recertifications will not be required. Student rules do not apply to Units occupied by 80% households. Noncompliance with the requirement to lease to 80% households is not reportable to the IRS on IRS Form 8823 but will be cited as noncompliance under the event "Development failed to meet additional state required rent and occupancy restrictions."

(f) The Department does not require Developments to lease more Units under the additional occupancy restrictions than established in their LURA. However, if a Development inadvertently designates more households than required under the additional rent and occupancy restrictions, they may only decrease to the minimum number through attrition and new move ins, not by removing designations.

(g) Developments where 100% of the households pay rent equal to 30% of their adjusted income are not required to comply with §10.615(b) regarding wait lists for lower designated Units. In addition, Developments where 100% of the households pay rent equal to 30% of their adjusted income will not be required to change designations if the tenant portion of rent increases because of an increase in household income. Compliance will be evaluated without regard for how the owner designated the households on the Income Certification or the Unit Status Report. Instead, for Developments where 100% of the households pay rent equal to 30% of their adjusted income, compliance with additional rent and occupancy restrictions will be determined by a review of the actual incomes and rents charged.

§10.616 Household Unit Transfer Requirements for All Programs

(a) The requirements and restrictions regarding household transfers for HTC, Exchange, and TCAP Developments are based on whether the tax credit project is 100% low-income or mixed income and if the Owner elected to treat buildings in the project as part of a multiple building project. To determine if a Development is a multiple building project, refer to the election on IRS Form(s) 8609 line 8(b) and accompanying statements (if any). If IRS Form(s) 8609 have not yet been issued by the Department and filed by the Owner, each building is its own project. The Department may allow Owners to indicate their intended 8(b) elections and will monitor accordingly. Failure to file the same elections with the IRS may result in noncompliance, additional monitoring, an additional monitoring fee and findings of noncompliance.

(1) 100% low-income multiple building projects: Households may transfer to any Unit in a 100% low-income multiple building project and retain their program designation. The household does not need to be and should not be certified at the time of transfer. The move in date remains the date the household was first designated under the program.

(2) Each building is its own project (100% low-income and mixed income projects). Developments that made the 20/50 or 40/60 election: at the time of transfer, the household must be certified and have a current annual income less than the income limit established by the minimum set aside the Owner selected. Developments that elected the average income test under IRC §42(g): the household must be certified and their current designation averaged together with the designations of the other households

in the project must be equal to or less than the percentage represented at the time of Application.

(3) Mixed income multiple building projects: Low-income households retain their program designation when they transfer to any Unit in a multiple building project if at the last annual certification their income was less than 140% of area median income level set by the minimum set aside.

(b) Household transfers for Bond, THTF, NHTF, HOME, TCAP RF, ~~HOME Match~~, NSP, and HOME-ARP with floating Units. Households may transfer to any Unit within the Development. A certification is not required at the time of transfer. If the household transfers to a different Unit Type, the Development must maintain the Unit Type dispersion as reflected in its LURA, by re-leasing the vacated Unit to a program eligible household. If the Development is required to perform annual income recertifications, the recertification is due on the anniversary date the household originally moved into the Development. If the Development is layered with Housing Tax Credits, use the transfer guidelines described in subsection (a) of this section (relating to Household Unit Transfer Requirements).

(c) Household transfers for NHTF, HOME, TCAP RF, ~~HOME Match~~, NSP, and HOME-ARP with fixed Units. Households may transfer to any Unit and do not need to be certified at the time of the transfer. If the household transfers to a Unit that is not fixed, the Development must re-lease the vacated Unit to a program eligible household. If the Development is required to perform annual income recertifications, the recertification is due on the anniversary date the household originally moved into the Development. If the Development is layered with Housing Tax Credits, use the transfer guidelines described in subsection (a) of this section (relating to Household Unit Transfer Requirements).

(d) Household Transfers in the Same Building for the HTC Programs. A Household may transfer to a new Unit within the same building (for the HTC program within the meaning of IRS Notice 88-91). The Unit designations will swap status.

§10.617 Affirmative Marketing Requirements

Affirmative Marketing Requirements are a requirement of the Department on monitored Developments as provided for in more specificity at §10.801 of this chapter (relating to Affirmative Marketing Requirements).

§10.618 Monitoring and Inspections

(a) The Department may perform an onsite monitoring review, a mail in desk review and physical inspection of any Development, and review and photocopy all documents and records supporting compliance with Departmental programs through the end of the Compliance Period or the end of the period covered by the LURA, whichever is later. The Development Owner shall permit the Department access to the Development premises and records.

(b) The Department will perform monitoring reviews and physical inspections of each low-income Development. The Department will conduct:

(1) The first review or inspection of HTC, TCAP, and Exchange Developments by the end of the second calendar year following the year the last building in the Development is placed in service;

(2) The first review or inspection of all Developments, other than those described in paragraph (1) of this subsection, as leasing commences;

(3) During the Federal Compliance Period subsequent reviews and inspections will be conducted at least once every three years;

(4) After the Federal Compliance Period, Developments will be monitored and inspected in accordance with §10.623 of this subchapter (relating to Monitoring Procedures for Housing Tax Credit, TCAP, and Exchange Properties After the Compliance Period);

(5) A physical inspection of the Development including the exterior of the Development, Development amenities, and an interior inspection of a sample of Units;

(6) A Developments that scores a 70 or below or that is deemed to be in poor physical condition will be subject to an accelerated inspection schedule;

(7) Limited reviews of physical conditions, including follow-up inspections to verify completion of reported corrective action, may be conducted without prior notice (unless access to tenant units is required, in which case at least 48 hours notice will be provided); and

(8) Reviews, meetings, and other appropriate activity in response to complaints or investigations.

(c) The Department will perform onsite file reviews or a mail in desk review and monitor:

(1) Low-income resident files in each Development, and review the Income Certifications;

(2) The documentation the Development Owner has received to support the certifications;

(3) The rent records; and

(4) Any additional aspects of the Development or its operation that the Department deems necessary or appropriate.

(d) The LURA for most HOME, NSP, TCAP RF, NHTF, and HOME-ARP Developments specifies a required Unit Mix and income level. During the monitoring review it will be determined if the minimum number of affordable Units and exact square footage has been provided. Failure to provide the exact square footage listed in the LURA will be cited as "Failure to provide correct square footage". Failure to provide the required number of Units required by the LURA will be cited as "Household income above income limit upon initial occupancy".

(1) Example 618(1)2. A TCAP RF LURA requires eight low-income units at 60% AMI with the following Unit mix:

(A) Three one bedroom, one bath units with a Net Rentable Area (NRA) of 770 sq ft;

(B) One two bedroom one bath units with a NRA of 900 sq ft; and

(C) Four three bedroom two bath units with a NRA of 1000 sq ft.

(2) If during the monitoring review the Development has eight units designated as TCAP RF, but is not exactly the Units and square footage mix shown in subparagraphs (A) - (C) of this paragraph in Example 6182(2) (even if the actual square footage provided is greater) the noncompliance "Failure to provide correct square footage" will be cited.

(e) At times other than monitoring reviews, the Department may request for review, in a format designated by the Department, information on tenant income and rent for each Low-Income Unit and may require a Development Owner to submit copies of the tenant files, including copies of the Income Certification, the documentation the Development Owner has received to support that certification, and the rent record for any low-income tenant.

(f) The Department will select the Low-Income Units and tenant records that are to be inspected and reviewed. Original records are required for review. The Department will not give Development Owners advance notice that a particular Unit, tenant record, or a particular year will be inspected or reviewed. However, the Department will give reasonable notice, as defined in Treasury Regulation 1.42-5, to the Development Owner that an onsite inspection or a tenant record review will occur so the Development Owner may notify tenants of the inspection or assemble original tenant records for review. If a credible complaint of fraud or other egregious alleged or suspected noncompliance is received, the Department reserves the right to conduct unannounced onsite monitoring visits and/or physical inspections.

(g) In order to prepare for monitoring reviews and physical inspections and to reduce the amount of time spent onsite, Department staff must review certain requested documentation described in the notification. Owners are required to submit documentation by the required deadline indicated in the notification. Failure to submit required documentation will result in a finding of noncompliance.

§10.619 Monitoring for Social Services

(a) If a Development's LURA [or application](#) requires the provision of social services, the Department will confirm this requirement is being met in accordance with the LURA [or application](#). Owners are required to maintain sufficient documentation to evidence that services are actually being provided. Documentation will be reviewed during monitoring reviews beginning with the first monitoring review. Planned services with specific dates may suffice as evidence of compliance during the first monitoring review. Evidence of services must be submitted to the Department upon request. The first monitoring review Example 619(1): The Owner's LURA requires provision of onsite daycare services. The Owner maintains daily sign in sheets to demonstrate attendance and keeps a roster of the households that are regularly participating in the program. The Owner also keeps copies of all newsletters and fliers mailed out to the Development tenants that reference daycare services. Example 619(2): The Owner's LURA requires a monetary amount to be expended on a monthly basis for supportive services. The Owner maintains a copy of an agreement with a Supportive Service provider and documents the amount expended as evidence that this requirement is being met.

(b) A substantive modification of the scope of tenant services requires Board approval. Such requests must comply with procedures in §10.405 of this chapter (relating to Amendments and Extensions). It is not necessary to obtain prior written approval to change the provider of services unless the scope of services is being changed. Failure to comply with the requirements of this section shall result in a finding of noncompliance.

(c) If the Development's LURA [or application](#) requires a monthly expenditure for the provision of services, the Department will monitor to confirm compliance. Includable costs to support the expenditure include those costs directly related to providing the service(s). Such costs can include, but are not limited to, the cost of contracting the services with a qualified provider, cost of notification of such services (for example, a monthly newsletter), and other costs that can be documented and would only be incurred as a result of the service. An Owner cannot include any costs related to the normal expense of maintaining or operating a Development, utility bills of any kind, in-kind contributions or services, cleaning or contracted janitorial services, office supplies, cost of copier or fax, costs incurred

for maintenance of machinery, or volunteer hours. This list is not inclusive, but any other costs identified by the Owner shall be reviewed for consistency with this subsection.

[\(d\) If the Development's LURA or application requires an after school learning center for the Mitigation for Schools requirements, the Department will confirm this requirement is being met.](#)

§10.620 Monitoring for Non-Profit Participation, HUB, or CHDO Participation

(a) If a Development's LURA [or application](#) requires the material participation of a non-profit or Historically Underutilized Business (HUB), the Department will confirm whether this requirement is being met. Owners are required to maintain sufficient documentation to evidence that a non-profit or HUB so participating is in good standing with the Texas Comptroller of Public Accounts, Texas Secretary of State and/or IRS as applicable and that it is actually materially participating in a manner that meets the requirements of the IRS. Documentation may be reviewed during onsite visits or must be submitted to the Department upon request.

(b) If the HOME funds were awarded from the Community Housing and Development Organization (CHDO) set aside on or after August 23, 2013, the Department will monitor that the Development remains controlled by a CHDO throughout the federal affordability period.

(c) If an Owner wishes to change the participating non-profit, HUB, or CHDO, prior written approval from the Department is necessary. In addition, the IRS will be notified if the non-profit is not materially participating on an HTC Development during the Compliance Period.

(d) The Department does not enforce partnership agreements or other agreements between third parties or determine fund distributions of partnerships. These disputes are matters for a court of competent jurisdiction or other agreed resolution among the parties.

§10.621 Property Condition Standards

(a) All Developments funded by the Department must be decent, safe, sanitary, in good repair, and suitable for occupancy throughout the Affordability Period. The Department will use HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE) to determine compliance with property condition standards. In addition, Developments must comply with all local health, safety, and building codes. Timelines for correcting deficiencies under the NSPIRE standards are as follows:

(1) Life-Threatening and Severe deficiencies must be corrected within 24 hours.

(2) Moderate deficiencies must be corrected within 30 days.

(3) Low deficiencies must be corrected within 60 days.

(b) HTC Development Owners are required by Treasury Regulation §1.42-5 to report (through the Annual Owner's Compliance Report) any local health, safety, or building code violations. HTC Developments that fail to comply with local codes shall be reported to the IRS.

(c) The Department is required to report any HTC Development that fails to comply with any requirements of the NSPIRE or local codes at any time during the compliance period to the IRS on IRS Form 8823. Accordingly, the Department will submit IRS Form 8823 for any NSPIRE violation.

(d) Acceptable evidence of correction of deficiencies is a certification from an appropriate licensed professional that the item now complies with the inspection standard or other documentation that will allow the Department to reasonably determine when the repair was made and whether the repair sufficiently corrected the violation(s) of NSPIRE standards. Acceptable documentation includes: copies of work orders (listing the deficiency, action taken or repairs made to correct the deficiency, date of corrective action, and signature of the person responsible for the correction), invoices (from vendors, etc.), or other proof of correction. Photographs are not required but may be submitted if labeled and only in support of a work order or invoice. The Department will determine if submitted materials satisfactorily document correction of noncompliance.

(e) Selection of Units for Inspection.

(1) Vacant Units will not be inspected (alternate Units will be selected) if a Unit has been vacant for fewer than 30 days.

(2) Units vacant for more than 30 days are assumed to be ready for occupancy and may be inspected. No deficiencies will be cited for inspectable items that require utility service, if utilities are turned off and the inspectable item is present and appears to be in working order.

(f) The Department will consider a request for review of a NSPIRE score using a process similar to the process established by the U. S. Department of Housing and Urban Development Real Estate Assessment Center. The request must be submitted in writing within 45 calendar days of receiving the initial NSPIRE inspection report and score. The request must be accompanied by evidence that supports the claim, which if corrected will result in a significant improvement in the overall score of the property. Upon receipt of this request from the Owner the Department will review the inspection and evidence. If the Department's review determines that an objectively verifiable and material error (or errors) or adverse condition(s) beyond the Owner's control has been documented and that it is likely to result in a significant improvement in the Development's overall score, the Department will take one or a combination of the following actions:

(1) Undertake a new inspection;

(2) Correct the original inspection; or

(3) Issue a new physical condition score.

(g) The responsibility rests with the Owner to demonstrate that an objectively verifiable and material error (or errors) or adverse conditions occurred in Department's inspection through submission of materials, which if corrected will result in a significant improvement in the Development's overall score. To support its request for a technical review of the physical inspection results, the Owner may submit photographic evidence, written material from an objective source with subject matter expertise that pertains to the item being reviewed such as a local fire marshal, building code official, registered architect, or professional engineer, or other similar third party-documentation.

(h) Examples of items that can be adjusted include, but are not limited to:

(1) Building Data Errors--The inspection includes the wrong building or a building that is not owned by the Development.

(2) Unit Count Errors--The total number of units considered in scoring is incorrect as reported at the

time of the inspection.

(3) Non-Existent Deficiency Errors--The inspection cites a deficiency that did not exist at the time of the inspection.

(4) Local Conditions and Exceptions--Circumstances include inconsistencies between local code requirements and the NSPIRE inspection protocol, such as conditions permitted by local variance or license (e.g., child guards allowed on sleeping room windows by local building codes) or preexisting physical features that do not conform to or are inconsistent with the Department's physical condition protocol.

(5) Ownership Issues--Items that were captured and scored during the inspection that are not owned and not the responsibility of the Development. Examples include sidewalks, roads, fences, retaining walls, and mailboxes owned and maintained by adjoining properties or the city/county/state and resident-owned appliances that are not maintained by the Owner. However, if the Owner has an agreement with the city/county/state for the responsibility of maintenance on accessible routes including sidewalks, then the Owner will be responsible for any repairs.

(6) Modernization Work In Progress--Developments undergoing extensive modernization work in progress, underway at the time of the physical inspection, may qualify for an adjustment. All elements of the Unit that are not undergoing modernization at the time of the inspection (even if modernization is planned) will be subject to the Department's physical inspection protocol without adjustment. Any request for a technical review process for modernization work in progress must include proof the work was contracted before any notice of inspection was issued by the Department.

(i) Examples of items that cannot be adjusted include, but are not limited to:

(1) Deficiencies that were repaired or corrected during or after the inspection; or

(2) Deficiencies recorded with no associated point loss (for example, inoperable smoke detectors) or deficiencies for survey purposes only (for example, fair housing accessibility).

(j) All Life-Threatening and Severe deficiencies must be corrected within 24 hours. Project Owner's Certification That All Life Threatening and Severe Deficiencies Have Been Corrected must be completed and uploaded to CMTS within 72 hours (three Department business days).

§10.622 Special Rules Regarding Rents and Rent Limit Violations

(a) Rent or Utility Allowance Violations of the maximum allowable limit for the [HTC, TCAP, and Exchange](#) programs. Under the [HTC, TCAP, and Exchange](#) programs, the amount of rent paid by the household plus an allowance for utilities, plus any mandatory fees, cannot exceed the maximum applicable limit (as determined by the minimum set-aside elected by the Owner) published by the Department. If it is determined that an HTC Development, during the Compliance Period, collected rent in excess of the rent limit established by the minimum set-aside, the Owner must correct the violation by reducing the rent charged. The Department will report the violation as corrected on January 1st of the year following the violation. The refunding of overcharged rent does not avoid the disallowance of the credit by the IRS.

(b) Rent or Utility Allowance Violations of additional rent restrictions under the [HTC, TCAP, and Exchange](#) programs. If Owners agreed to additional rent and occupancy restrictions, the Department

will monitor to confirm compliance. If noncompliance is discovered, the Department will require the Owner to refund or credit ~~store~~ the affected residents the amount of rent that was overcharged. The Owner must obtain in writing, from the household, the election to receive a full refund check or to have the entire overpaid amount credited to their household's account. In the absence of a household's election, a full refund check must be presented to the household within thirty days. ~~compliance by refunding (not a credit to amounts owed the Development) any excess rents to a sufficient number of households to meet the set aside.~~

(c) Rent Violations of the maximum allowable limit due to application fees. Under the HTC, TCAP, and Exchange programs, Owners may not charge tenants any overhead costs as part of the application fee. Owners must only charge the actual cost for application fees as supported by invoices from the screening company the Owner uses.

(1) The amount of time Development staff spends checking an applicant's income, credit history, and landlord references may be included in the Development's application fee. Development Owners may add up to \$5.50 per Unit for their other out-of-pocket costs for processing an application without providing documentation. Example 622(12): A Development's out-of-pocket cost for processing an application is \$17.00 per adult. The property may charge \$22.50 for the first adult and \$17.00 for each additional adult.

(2) Documentation of Development costs for application processing or screening fees must be made available during monitoring reviews or upon request. The Department will review application fee documentation during monitoring reviews. If the Development pays a flat monthly fee to a third party for credit or criminal background checks, Owners must calculate the appropriate fee to be charged applicants by using the total number of applications processed, not just approved applications. Developments that pay a flat monthly fee must determine the appropriate application fee at least annually based on the prior year's activity. If the Department determines from a review of the documentation that the Owner has overcharged residents an application fee or collected impermissible deposits, the noncompliance will be reported to the IRS on Form 8823 under the category "gross rent(s) exceeds tax credit limits." The noncompliance will be corrected on January 1st of the next year.

(3) Owners are not required to refund the overcharged fee amount. To correct the issue, Owners must reduce the application fee for prospective applicants. Once the fee is reduced for prospective applicants, the Department will report the affected Units back in compliance on January 1st of the year after they were overcharged the application fee or an impermissible deposit.

(4) Throughout the Affordability Period, Owners may not charge a deposit or any type of fee (other than an application fee) for a household to be placed on a waiting list.

(d) Rent or Utility Allowance Violations on MFDL programs; The amount of rent paid by the household plus an allowance for utilities, plus any mandatory fees and any rental assistance (unless otherwise described in the LURA) cannot exceed the designated applicable limit published by the Department. If it is determined that the Development collected rent in excess of the allowable limit, the Department will require the Owner to refund or credit the affected residents the amount of rent that was overcharged. The Owner must obtain in writing, from the household, the election to receive a full refund check or to have the entire overpaid amount credited to their household's account. In the absence of a household's election, a full refund check must be presented to the household within thirty days.

(e) Rent or Utility Allowance Violations on HTC, TCAP, and Exchange Developments after the Compliance Period, HTC, TCAP, and Exchange ~~properties~~ Developments for three years after the

LURA is released as a result of a foreclosure or deed in lieu of foreclosure (as applicable), BOND [Developments](#), and THTF [Developments](#). The amount of rent paid by the household plus an allowance for utilities, plus any mandatory fees cannot exceed the designated applicable limit published by the Department. If it is determined that the Development collected rent in excess of the allowable limit, the Department will require the Owner to refund or credit the affected residents the amount of rent that was overcharged. The Owner must obtain in writing, from the household, the election to receive a full refund check or to have the entire overpaid amount credited to their household account. In the absence of a tenant election, a full refund check must be presented to the household within thirty days.

(f) Trust Account to be established. If the Owner is required to refund rent under subsection (b), ~~or~~ (d) [or \(e\)](#) of this section and cannot locate the resident, the excess monies must be deposited into a trust account for the household. If the violation affects multiple households, the Owner may set up a single account with all of the unclaimed funds. The account must remain open for the shorter of a four year period, until all funds are claimed, or the expiration of the Extended Use Agreement. If funds are not claimed after the required period, the unclaimed funds must be remitted to the Texas Comptroller of Public Accounts Unclaimed Property Holder Reporting Section to be disbursed as required by Texas unclaimed property statutes. All unclaimed property remissions to the Comptroller must be broken out by individuals and particular amounts.

(g) Rent Adjustments for HOME, TCAP RF, and HOME-ARP Developments:

(1) 100% HOME/TCAP-RF/HOME-ARP assisted Developments. If a household's income exceeds 80% at recertification, the Owner must charge [a gross](#) rent equal to 30% of the household's adjusted income;

(2) HOME/TCAP-RF/HOME-ARP Developments with any Market Rate Units. If a household's income exceeds 80% at recertification, the Owner must charge [a gross](#) rent equal to the lesser of 30% of the household's adjusted income or the comparable Market rent; and

(3) HOME/TCAP-RF/HOME-ARP Developments layered with other Department affordable housing programs. If a household's income exceeds 80% at recertification, the owner must charge [a gross](#) rent equal to the lesser of 30% of the household's adjusted income or the rent allowable under the other Program.

(h) Rent Adjustments for HOME-ARP Qualified Populations:

(1) Units restricted for occupancy by Qualifying Populations with incomes equal to or less than 50% will have [gross](#) rents [equal to the lesser](#) of 30% of the adjusted income of the household, [or the Low HOME rent limit](#) with adjustments for number of bedrooms in the unit.

(2) Units restricted for occupancy by Qualifying Populations with incomes greater than 50% of median income but at or below 80% of the median income must pay rent not greater than the rent specified in 24 CFR §92.252(a), high HOME rent.

(3) Units restricted for occupancy by Qualifying Populations with incomes greater than 80% of median income will follow the rent adjustments of subsection (g) of this section.

(i) Employee Occupied Units (HTC, [TCAP](#), [Exchange](#), and THTF Developments). IRS Revenue Rulings 92-61, 2004-82 and Chief Counsel Advice Memorandum POSTN-111812-14 provide guidance on employee occupied units. In general, employee occupied units are considered facilities reasonably required for the project(s) and not residential rental units. Since the building's applicable fraction is

calculated using the residential rental units/space in a building, employee occupied units are taken out of both the numerator and the denominator.

(j) Owners of HOME, NSP, TCAP-RF, NHTF, and HOME-ARP must comply with §10.403 of this chapter (relating to Review of Annual HOME, NSP, TCAP-RF, and National Housing Trust Fund Rents) which requires annual rent review and approval by the Department's Asset Management Division or Department-procured vendor. Failure to do so will result in an Event of Noncompliance.

(k) Owners are not permitted to increase the household portion of rent more than once during a 12 month period, even if there are increases in rent limits or decreases in utility allowances, unless the Unit or household is governed by a federal housing program that requires such changes or the household transfers to a Unit with additional Bedrooms. If it is determined that the Development increases rent more than once in a 12-month period, the Department will require the Owner to refund or credit the affected household. The Owner must obtain in writing, from the household, the election to receive a full refund check or to have the entire overpaid amount credited to their household account. In the absence of a tenant election, a full refund check must be presented to the household.

(l) If an Owner is increasing a household's rent \$75 or more per month, the Owner is required to provide the household a 75-day written notice of such increase, unless the Unit or household is governed by a federal housing program that allows for~~requires~~ such a change. If an Owner increases the household's rent ~~more than~~ \$75 or more without providing a 75-day notice, any amounts in excess of \$75 per month must be refunded or credited to the affected household(s). The Owner must obtain in writing, from the household, the election to receive a full refund check or to have the entire overpaid amount credited to their household account. In absence of a tenant election, a full refund check must be presented to the household.

(m) Owners must provide an option to pay rent in a manner that does not involve additional out of pocket costs to the household.

§10.623 Monitoring Procedures for Housing Tax Credit, TCAP, and Exchange Properties After the Compliance Period

(a) HTC properties allocated credit in 1990 and after are required under §42(h)(6) of the Code to record a LURA restricting the Development for at least 30 years. Various sections of the Code specify monitoring rules State Housing Finance Agencies must implement during the Compliance Period.

(b) After the Compliance Period, the Department will continue to monitor HTC, TCAP, and Exchange Developments using the criteria detailed in paragraphs (1) - (14) of this subsection:

(1) The frequency and depth of monitoring household income, rents, social services and other requirements of the LURA will be determined based on risk. Factors will include changes in ownership or management, compliance history, timeliness of reports and timeliness of responses to Department requests;

(2) At least once every three years the property will be physically inspected including the exterior of the Development, all building systems and 10% of Low-Income Units. No less than five but no more than 35 of the Development's ~~HTC~~ Low-Income Units will be physically inspected to determine compliance with HUD's National Standards for the Physical Inspection of Real Estate;

(3) Each Development shall submit an annual report in the format prescribed by the Department;

(4) Reports to the Department must be submitted electronically as required in §10.607 of this subchapter (relating to Reporting Requirements);

(5) Compliance monitoring fees will continue to be submitted to the Department annually in the amount stated in the LURA;

(6) All ~~HTC~~ households must be income qualified upon initial occupancy of any Low Income Unit. Proper verifications of income are required, and the Department's Income Certification form must be completed unless the Development participates in the Rural Rental Housing Program or a project-based HUD program, in which case the other program's certification form will be accepted;

(7) Rents will remain restricted for all ~~HTC~~ Low-Income Units. After the Compliance Period, utilities paid to the Owner are accounted for in the utility allowance. ~~TCAP, Exchange, Bond,~~ and THTF Developments layered with Housing Tax Credits, TCAP and Exchange no longer within the Compliance Period also include utilities paid to the Owner as part of the utility allowance. The tenant paid portion of the rent plus the applicable utility allowance must not exceed the applicable limit. Any excess rent collected must be refunded or credited to amounts owed. The Owner must obtain in writing, from the household, the election to receive a full refund check or to have the entire overpaid amount credited to their household's account. In the absence of a household's election, a full refund check must be presented to the household within thirty days;

(8) All additional income and rent restrictions defined in the LURA remain in effect;

(9) For Additional Use Restrictions, defined in the LURA (such as supportive services, nonprofit participation, elderly, etc.), refer to the Development's LURA to determine if compliance is required after the completion of the Compliance Period or if the Compliance Period was specifically extended beyond 15 years;

(10) The Owner shall not terminate the lease or evict low-income residents for other than good cause;

(11) The total number of required ~~HTC~~ Low-Income Units can be maintained Development wide;

(12) Owners may not charge fees for amenities that were included in the Development's Eligible Basis;

(13) Once a calendar year, Owners must continue to collect and maintain current data on each household that includes the number of household members, age, ethnicity, race, disability status student status and rental assistance (if any). This information can be collected on the Department's Annual Eligibility Certification form or the Income Certification form or HUD Income Certification form or USDA Income Certification form; and

(14) Employee occupied units will be treated in the manner prescribed in §10.622(h) of this chapter (relating to Special Rules Regarding Rents and Rent Limit Violations).

(c) After the first 15 years of the Extended Use Period, certain requirements will not be monitored as detailed in paragraphs (1) - (4) of this subsection.

(1) The student restrictions found in §42(i)(3)(D) of the Code. An income qualified household consisting entirely of full time students may occupy a Low-Income Unit. If a Development markets to students or leases more than 15% of the total number of units to student households, the property will be found in noncompliance unless the LURA is amended through the Material Amendments procedures

found in §10.405 of this chapter (relating to Amendments);

(2) All households, regardless of income level or 8609 elections, will be allowed to transfer between buildings within the Development;

(3) The Department will not monitor the Development's application fee after the Compliance Period is over; and

(4) Mixed income Developments are not required to conduct annual income recertifications. However, Owners must continue to collect and report data in accordance with subsection (b)(13) of this section.

(d) While the requirements of the LURA may provide additional requirements, right and remedies to the Department or the tenants, the Department will monitor post year 15 in accordance with this section as amended.

(e) Unless specifically noted in this section, all requirements of this chapter, the LURA and §42 of the Code remain in effect for the Extended Use Period. These Post-Year 15 Monitoring Rules apply only to the HTC, [TCAP](#), and [Exchange](#) Developments administered by the Department. Participation in other programs administered by the Department may require additional monitoring to ensure compliance with the requirements of those programs.

§10.624 Compliance Requirements for Developments with 811 PRA Units

[\(a\) 811 PRA will be monitored for compliance with the HUD 4350.3 Handbook and HUD Notice 2013-24, as amended from time to time.](#)

[\(ba\) Compliance with 811 PRA requirements ~~may will~~ be monitored ~~at least once every three years~~ annually throughout the term of the Participation Agreement, either through an onsite review or a desk review. ~~During the review, Department staff will monitor for compliance with program eligibility which includes the following:~~](#)

[\(1\) ~~The household must include at least one person with a disability and who is 18 years of age or older and less than 62 years of age at the time of admission into the Development; and the person with a disability must be part of one or more of the target populations for the 811 program.~~](#)

[\(2\) ~~The household's income is less than the extremely low income limit at move in.~~](#)

[\(3\) ~~The Owner must check the following criminal history related to drug use of the household. Households in the 811 PRA program must not include:~~](#)

[\(A\) ~~Any member\(s\) who was evicted in the last three years from federally assisted housing for drug-related criminal activity;~~](#)

[\(B\) ~~Any member that is currently engaged in illegal use of drugs or for which the Owner has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents; and~~](#)

[\(C\) ~~Any member who is subject to a State sex offender lifetime registration requirement.~~](#)

[\(4\) ~~Student Status. If the household includes a student, the student must meet all of the criteria~~](#)

described in HUD handbook 4350.3 par. 3-13B, as modified by the September 21, 2016, Federal Register Notice 5969 N-01.

(b) Noncompliance will be cited if the Development:

~~(1) Leased a Unit to a household that is not qualified for the 811 PRA program in accordance with the requirements of subsection (a)(1)–(4) of this section;~~

~~(2) Fails to Use the Enterprise Income Verification system:~~

~~(A) EIV summary report;~~

~~(B) EIV income report;~~

~~(C) EIV income discrepancy report;~~

~~(D) EIV No income reported;~~

~~(E) EIV no income report by health and human services or social security administration;~~

~~(F) EIV new hires report;~~

~~(G) Existing tenant search;~~

~~(H) Multiple Subsidy report;~~

~~(I) Failed EIV pre-screening report;~~

~~(J) Failed verification report;~~

~~(K) Deceased tenants report;~~

~~(L) Owner approval letter authorizing access to EIV for the EIV coordinators;~~

~~(M) EIV Coordinator Access Authorization form (CAAF);~~

~~(N) The rules of behavior for staff that use EIV reports/data to perform their job functions; and~~

~~(O) Cyber awareness challenge certificates of completion for anyone that uses EIV or has access to EIV data (annually);~~

~~(3) Fails to properly document and calculate deductions in order to determine adjusted income (dependent, child care, disability assistance, elderly/disabled family, unreimbursed medical expenses);~~

~~(4) Fails to use the required HUD forms listed in §10.612(d) of this subchapter;~~

~~(5) Accepts funding that limits the ability for the Department to place the agreed upon number of 811 Units at the Development;~~

~~(6) Violates §1.15 of this title (relating to Integrated Housing);~~

- ~~(7) Fails to properly calculate the tenant portion of rent;~~
- ~~(8) Fails to properly calculate the tenant security deposit;~~
- ~~(9) Fails to use the HUD model lease;~~
- ~~(10) Egregiously fails to disperse 811 PRA Units throughout the Development;~~
- ~~(11) Fails to conduct required interim certifications;~~
- ~~(12) Fails to conduct annual income recertification;~~
- ~~(13) Fails to prominently display 11 x 14 sized, as required by 24 CFR Part 110, Fair Housing Poster HUD-928.1 (English), HUD-928.1A (Spanish), and in other languages as required by Limited English Proficiency Requirements;~~
- ~~(14) Improperly charges an application or late fee;~~
- ~~(15) Fails to issue HUD notices as required; or~~
- ~~(16) Failure to issue utility allowance reimbursement in accordance with §8.4 of this title (relating to Qualification Requirements for Existing Developments) and specification outlined in §10.625 of this title (relating to Events of Noncompliance).~~

(c) Program and property requirements:

(1) Development Owners that have agreed to participate in the Section 811 PRA program are required to notify the Department about the availability of Units, notices of termination, and outcomes of referred applications as described in accordance with §8.6 of this title.

(2) Adjusted income shall be determined consistent with the Section 8 Program administered by HUD, using the definitions of adjusted income described in 24 CFR §5.611 as further described in the HUD Handbook 4350.3, as amended from time to time. During the following certifications, Owners must certify and document annual income, adjusted income, and tenant rents: Move-In, Interim, Annual, and Initial. A Unit designated for the 811 PRA program may not be designated at the 30% AMI for any other Department program.

(3) Files for households assisted under the 811 PRA program must document the household's eligibility for the program, the deductions for which the household qualifies and the following HUD forms (or any subsequent HUD form number):

- (A) Development application,
- (B) Documentation screening for eligible deductions,
- (C) Verification(s) of income, assets, and eligible deductions,
- (D) Verification(s) for students,
- (E) Section 811 Project Rental Assistance Application,
- (F) Self-certification of disposed of assets,
- (G) Verification of Information Provided by Applicants and Tenants of Assisted Housing: HUD-9887-A
- (H) Notice and Consent for the Release of Information: HUD-9887,
- (I) Verification of disability: HUD-90102,

- (J) Tenant acknowledgment of the “How your rent is determined” fact sheet,
- (K) Tenant acknowledgment of the “Resident Rights and Responsibilities” brochure,
- (L) Tenant acknowledgment of the “EIV and You” brochure,
- (M) Tenant selection plan or acknowledgment page for the 811 PRA program,
- (N) Verification(s) of age(s),
- (O) Verification(s) of Social Security number(s),
- (P) Screening for drug abuse, lifetime sex offender, and other criminal activity,
- (Q) Supplement to Application for Federally Assisted Housing: HUD-92006,
- (R) Annual Recertification Initial Notice,
- (S) Annual Recertification First Reminder Notice,
- (T) Annual Recertification Second Reminder Notice (when applicable),
- (U) Annual Recertification Third Reminder Notice (when applicable),
- (V) Notices of increases or decreases in tenant rents or utility reimbursements,
- (W) Notices of change on house or pet rules,
- (X) Race and Ethnic Data Reporting form: HUD-27061-H,
- (Y) Annual unit inspection,
- (Z) HUD model lease HUD-92236-PRA with required addenda,
- (AA) Document evidencing compliance with occupancy requirements for households occupying bedroom sizes larger or smaller than normally appropriate,
- (BB) Tenant ledger, including all transactions, and documentation supporting the actual out-of-pocket costs for permissible fees,
- (CC) Documentation supporting HUD-50059 and HUD-50059-A certifications,
- (DD) EIV Existing Tenant Search and documentation to resolve discrepancies,
- (EE) Documentation to resolve any discrepancy from EIV master reports,
- (FF) EIV Summary Report and documentation to resolve discrepancies,
- (GG) EIV Income Report and Income Discrepancy Report and any documentation to resolve discrepancies,
- (HH) Move-out paperwork:
 - (i) Notice of move-out inspection,
 - (ii) Move-out inspection,
 - (iii) Evidence of security and pet deposit refunding (when applicable),
 - (iv) Itemized list of any charges (unpaid rent, damages to the unit, etc.),
 - (v) Tenant rent ledger (including all debts, credits, and balances),
 - (vi) Correspondences between former tenant disputing charges,
 - (vii) Tenant notices related to moving out (notices to vacate, lease violations, etc.).

(4) The tenant file must contain an executed HUD model lease HUD-92236-PRA. No other lease contract or addenda is permitted, except those listed here. Attached to the HUD-92236-PRA, must be the following addenda:

- (A) Owner’s Certification of Compliance with HUD’s Tenant Eligibility and Rent Procedures: HUD-50059 (original and corrected versions),
- (B) Owner’s Certification of Compliance with HUD’s Tenant Eligibility and Rent Procedures: HUD-50059-A (original and corrected versions for unit transfers, move-outs, gross rent changes, etc.),
- (C) Move-in inspection report and waiver of right to be present during move-in inspection when applicable,
- (D) House rules,
- (E) Lead-based paint disclosure form as further outlined in §-10.613(f) of this Title (as if applicable),
- (F) Pet rules (if applicable),
- (G) Live-in Aide, (if applicable),

(H) Bedbug addendum (if elected),

(I) 811 PRA Units are prohibited from using the expired 2005 VAWA lease addendum. After OMB approval of a VAWA lease addendum, all 811 PRA households must have a valid and executed VAWA lease addendum, and

(J) As a requirement of the 10 TAC §10.613 of this subchapter, there are no liens or lockouts for unpaid sums. As the HUD Model lease does not include these requirements, the Department-approved addendum must be included with the HUD Model Lease to incorporate these provisions in accordance with Texas Government Code 2306.6738.

(5) Household unit transfer requirements. For the 811 PRA program, tenants may transfer to any Unit within the Development with prior Department approval. At the time of a transfer, Owners must complete a HUD-50059-A, which may adjust rents. Although a certification of annual income may be required for other layered programs, a HUD-50059 and income certification should not be conducted at the time of transfer for the 811 PRA program. Annual recertifications are due on the anniversary date the household originally moved into the Development. Households that are under-housed or over-housed may be required to transfer to comply with occupancy requirements.

(6) Special rules regarding rents and fees. Tenants are required only to pay the Tenant Rent portion of rent and may not be held responsible for Assistance Payments. Owners may not charge application fees, must cap the security and pet deposits, and may not charge impermissible fees. An employee may not occupy an 811 PRA unit. Owners must adjust rent as required under the program.

(7) Monitoring for eligibility

(A) The household must include at least one person with a disability and who is 18 years of age or older and less than 62 years of age at the time of admission into the Development; and the person with a disability must be part of one or more of the target populations for the 811 PRA program.

(B) The household's income is less than the extremely low income limit at move in.

(C) The Owner must check the following criminal history of the household. Households in the 811 PRA program must not include:

(i) Any member(s) who was evicted in the last three years from federally assisted housing for drug-related criminal activity;

(ii) Any member that is currently engaged in illegal use of drugs or for which the Owner has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents; and

(iii) Any member who is subject to a State sex offender lifetime registration requirement.

(D) Student Status. If the household includes a student, the student must meet all of the criteria described in HUD Handbook 4350.3 par. 3-13B, as modified by the September 21, 2016, Federal Register Notice 5969-N-01.

(8) Developments must prominently display 11 x 14 inch sized, as required by 24 CFR Part 110, Fair Housing Poster HUD-928.1 (English), HUD 928.1A (Spanish), and in other languages as required by Limited English Proficiency Requirements.

(9) Number, Unit Mix, and Segregation of Assisted Units. The Department will monitor that the Owners of Participating Developments have set aside and made available on a continuous basis for Eligible Applicants the required number of Assisted Units and unit mix of bedroom sizes as required under the Rental Assistance Contract, as amended. Owners may not segregate Eligible Tenants to one area of a building or in certain sections within the Development. If an Owner is not able to meet these requirements, documentation must be maintained and available upon request to demonstrate good faith efforts to meet their obligations.

(d) Eligibility for assistance and occupancy.

(1) Income limits. At Move-In and Initial Certification, the household must be at or below the current extremely-low limit (30 percent AMI) as published and updated annually by HUD. Income limits do not apply at Annual Recertification or Interim Recertification. An adult child is not eligible to move into a unit after initial occupancy unless they are performing the functions of a live-in aide and are eligible to be certified as a live-in aide for eligibility purposes; documentation under these circumstances must be kept in the file.

(2) Occupancy standards. Tenant files must maintain evidence that a tenant meets an exception when assigning a smaller or larger unit than required under normal circumstances or that a request for a transfer under these circumstances is denied.

(3) Verification of Family Type and Individual Status. To verify disability status, the tenant file must include a copy of the HUD-90102 (Verification of Disability) provided to the Owner at the time of referral from the 811 Administration Division at the Department.

(4) Verification of Income Eligibility. The tenant file must include a copy of the Section 811 Project Rental Assistance Program Application provided to the Owner at the time of referral from the 811 Administration Division at the Department. This document is not sufficient to screen for eligibility requirements under the program. An application that sufficiently screens for eligibility, income, assets, deductions and which complies with §10.612(a)(2) of this subchapter is required.

(5) A household may not be disqualified for participation in the program solely based on their citizenship status.

(e) Determining income and calculating rent.

(1) Total Tenant Payment (TTP) is the amount a tenant is expected to contribute for rent and utilities. TTP is based on the family's income. Calculation of the TTP is the greater of 30 percent of the monthly adjusted income or 10 percent of the monthly gross income. Welfare rent and a \$25 minimum rent do not apply. By the effective date found in the Rent Schedule provided by the Department, the utility allowance must be applied when calculating Tenant Rent. Please refer to §10.614 of this subchapter for details.

(2) A tenant is not required to reimburse the Owner for undercharges caused solely by the Owner's failure to follow HUD's procedures for computing rent or assistance payments, including calculations of Annual Income, Adjusted Income, Tenant Rent, Utility Reimbursements, security deposits, or when the Owner fails to address timely discrepancies in income as indicated in an Enterprise Income Verification (EIV) System report.

(f) Lease requirements and leasing activities

(1) Lease term. The term of the initial lease must not be for less than twelve months. The lease will automatically be renewed for successive one-month terms if a new lease is not signed.

(2) Fees and deposits.

(A) Security deposits.

(i) At the time of move-in, the Owner may collect a security deposit from each family in an amount equal to one month's Total Tenant Payment or \$50, whichever is greater.

(ii) The Owner must place the security deposit in a segregated, interest-bearing account. The balance of this account must at all times be equal to the total amount collected from the household, plus any accrued interest. The Owner must comply with any applicable State and local laws concerning interest payments on security deposits and return the security deposit to the family as required.

(B) Pet deposits. Pet rules for a development may require tenants to pay a refundable pet deposit, but apply only to those tenants who own or keep cats or dogs in their units. The pet deposit must not exceed \$300 for all pets. The deposit may be paid in full or in installments. If paid in installments, the initial deposit cannot exceed \$50 at the time the pet is brought onto the premises. The pet rules must allow for gradual accumulation of the remaining required deposits, not to exceed \$10 per month until the deposit is reached, but not prevent a tenant to pay more than \$10 per month if the household chooses to do so.

(C) Owners may not charge any deposits other than security and pet deposits as outlined in the subparagraph above.

(D) Fees prior to occupancy. Owners may not charge application fees for any cost associated with accepting and processing applications, screening applicants, or verifying income and eligibility.

(E) Fees during occupancy.

(i) Owners cannot charge fees for late payment of rent.

(ii) Owners may not charge any impermissible fee, such as unpaid utility bills fees (reimbursement of utility bills is permitted), pet fees, etc.

(g) Notices to tenants.

(1) Initial and reminder notices for an annual recertification.

(A) Notices must not indicate a tenant will have their tenancy terminated for failing to recertify.

(B) Notices must indicate a tenant will have their assistance terminated for failing to recertify.

(C) The Third Reminder notice must indicate that if a tenant fails to recertify, their assistance will be terminated. The notice must also inform the tenant of the new rent they will pay without the assistance.

(2) Any change in Tenant Rent or Utility Reimbursements requires a notice to the tenant, with increases requiring the notice to be at least 30 days in advance of the increase. Owners may not begin to charge or retroactively charge Tenant Rent when failing to properly notify the tenant of an increase in Tenant Rent.

(h) Terminations

(1) Termination of assistance. Tenants whose assistance is terminated may remain in the unit. Rent will be capped at the rent limit for the other Department-monitored programs under which the unit is restricted.

(2) Termination of tenancy. Refusal by a tenant to participate in or accept 811-specific services is not a basis for lease termination.

(i) Enterprise Income Verification (EIV)

(1) Owner must address discrepancies timely, which is within approximately thirty (30) days from the date of the EIV report.

(2) Owners must document attempts to address and resolve discrepancies between certification paperwork and data from the EIV system; however, Owners may not suspend, terminate, reduce, make a final denial of rental assistance, or take any other adverse action against an individual based solely on the data in EIV.

(3) Upon request by the Department, Owners must provide a list of staff with access to EIV systems or EIV reports. The list must provide the level of access and official title with the company for each staff member. EIV data may not be viewed or used by staff without a signed EIV Rules of Behavior, a certificate of completion dated within the last twelve (12) months for the Cyber-Awareness Challenge training (or the training required by HUD to replace this training), or without having an official and appropriate purpose for accessing the data.

(4) Upon request by the Department, Owners must provide for EIV Coordinators a Coordinator Authorization Access Form (CAAF) for initial access and annual recertification of access to EIV systems and for EIV Users a User Authorization Access Form (UAAF) for initial access and annual recertification of access to EIV systems. If a CAAF or UAAF printed from the EIV system is not available, a CAAF or UAAF executed by both the EIV user and HUD official may be accepted.

(5) Owners may not transmit to the Department EIV data or reports through the Department's Compliance Monitoring and Tracking System (CMTS).

(6) In a physical or electronic binder, Owners must maintain the following EIV Master Binder reports and summary of the resolution of any discrepancies identified:

(A) New Hires Report

(B) Multiple Subsidy Report

(C) Failed EIV Pre-screening Report

(D) Failed Verification Report (Failed SSA Identity Test)

(E) Deceased Tenant Report

(F) No Income Reported on 50059 (as outlined in Owner's policies and procedures)

[\(G\) No Income Reported by HHS or SSA \(as outlined in Owner's policies and procedures\)](#)

§10.625 Events of Noncompliance

Figure: 10 TAC §10.625 lists events for which a multifamily rental Development may be found to be in noncompliance for compliance monitoring purposes. This list is not an exclusive list of events and issues for which an Owner may be subject to an administrative penalty, debarment or other enforcement action. The first column of the chart identifies the noncompliance event. The second column indicates to which program(s) the noncompliance event applies. The last column indicates whether the issue is reportable on IRS Form 8823 for HTC Developments.

§10.626 Liability

Full compliance with all applicable program requirements, including compliance with §42 of the Code, is the responsibility of the Development Owner. If the Development Owner engages a third party to address any such requirements, they are jointly and severally liable with the Development Owner. By monitoring for compliance, the Department in no way assumes any liability whatsoever for any action or failure to act by the Development Owner, including the Development Owner's noncompliance with §42 of the Code, the Fair Housing Act, §504 of the Rehabilitation Act of 1973, HOME, HOME-ARP, NHTF, TCAP RF, and NSP program regulations, Bond, and ERA program requirements, and any other laws, regulations, requirements, or other programs monitored by the Department.

§10.627 Temporary Suspensions of Sections of this Subchapter

(a) Subject to the limitations stated in this section, temporary suspensions of sections of this subchapter may be granted by the Executive Director if there are extenuating circumstances which make it not possible or an undue administrative burden to comply with a requirement of this subchapter as long as substantial compliance is still in effect. For example, the Executive Director could suspend the requirement to report online or use Department approved forms, or alter the sample size for calculating a utility allowance using the actual use method.

(b) Under no circumstances can the Executive Director, the Enforcement Committee or the Board suspend for any period of time compliance with the HOME Final Rule, NHTF Interim Rule, or regulations issued by HUD or any other federal agency when required by federal law.

(c) Under no circumstances can the Executive Director, the Enforcement Committee or the Board suspend for any period of time Treasury Regulations, IRS publications controlling the submission of IRS Form 8823, or any sections of 26 U.S.C. §42.

Figure: 10 TAC §10.625

Noncompliance Event	Program(s)	If HTC, on Form 8823?
Violations of the National Standards for the Physical Inspection of Real Estate or Local Codes	All Programs	Yes
Noncompliance related to Affirmative Marketing requirements	All Programs	No
Development is not available to the general public because of leasing issues	HTC, TCAP, and Exchange	Yes
TDHCA has received notice of possible Fair Housing Act Violation from HUD or DOJ and reported general public use violation in accordance with IRS 8823 Audit Guide Chapter 13	HTC	Yes
TDHCA has referred unresolved Fair Housing Design and Construction issue or other Fair Housing noncompliance to the Texas Workforce Commission	All programs	No
Development has gone through a deed in lieu of foreclosure or foreclosure	All programs	Yes
Development is never expected to comply due to failure to report or allow monitoring	All programs	Yes
Owner did not allow on-site monitoring or physical inspection and/or failed to notify residents resulting in inspection cancelation	All programs	Yes
LURA not in effect	All programs	Yes
Project failed to meet minimum set aside	HTC, TCAP, Exchange and Bonds	Yes
No evidence of, or failure to certify to material participation of a non-profit or HUB, if required by LURA	HTC, TCAP and Exchange	Yes, if non- profit issue, No, if HUB issue
Development failed to meet additional state required rent and occupancy restrictions	All programs	No
Noncompliance with social service requirements	HTC and Bond All programs	No

Development failed to provide housing to the elderly as promised at application	All programs	No
---	--------------	----

Failure to provide special needs housing as required by LURA	All programs	No
Changes in Eligible Basis or Applicable percentage	HTC, TCAP, and Exchange	Yes
Failure to submit all or parts of the Annual Owner's Compliance Report	All programs	Yes for part A, No for other parts
Failure to submit quarterly reports as required by §10.607 of this subchapter	All programs	No
Noncompliance with utility allowance requirements described in §10.614 of this subchapter and/or Treasury Regulation §1.42-10	All programs	Yes if rent exceeds limit, no if related to noncompliance with other requirements, such as posting, updating etc.
Noncompliance with lease requirements described in §10.613 and/or §10.624 of this subchapter	All programs	No
Asset Management Division has reported that Development has failed to establish and maintain a reserve account in accordance with §10.404 of this chapter	All programs	No
Failure to provide a notary public as promised at application	HTC, TCAP, and Exchange	No
Violation of the Unit Vacancy Rule	HTC, TCAP, and Exchange	Yes
Casualty Loss	All programs	Yes
Failure to provide monitoring and/or physical inspection documentation	All programs	No
Failure to provide amenity as required by LURA	All programs	No

Failure to pay asset management, compliance monitoring or other required fee	HTC, TCAP, ERA, Bond, NHTF, TCAP-RF, Exchange, HOME-ARP, HOME Match, and HOME and /NSP Developments committed funds after August 23, 2013	No
Change in ownership without Department approval (other than removal of a general partner in accordance with §10.406 of this chapter)	All programs	No
Noncompliance with written policy and procedure requirements	All programs	No, unless finding is because Owner refused to lease to Section 8 households
Program Unit not leased to Low-Income household/ Household income above income limit upon initial occupancy	All programs	Yes
Program unit occupied by nonqualified students	HTC, <u>TCAP, and Exchange</u> during the Compliance Period, Bond, HOME/ NSP developments committed funds after August 23, 2013 , 811 <u>PRA</u> , and HOME-ARP Developments	Yes
Low Income Units used on a transient basis	HTC, <u>TCAP, Exchange</u> and Bond	Yes
Violation of the Available Unit Rule	All programs, but only during the Compliance Period for HTC, TCAP, and Exchange	Yes

Gross rent exceeds the highest rent allowed under the LURA or other deed restriction	All programs	Yes
Failure to provide Tenant Income Certification and documentation	All programs	Yes
Unit not available for rent	All programs	Yes
Failure to collect data required by §10.612	All programs	No
Development evicted or terminated the tenancy of a low-income tenant for other than good cause	HTC, TCAP , Exchange , HOME, HOME- ARP, ERA, HOME Match, TCAP- RF, NHTF, and NSP	Yes
Household income increased above 80 percent at recertification and Owner failed to properly determine rent	HOME, TCAP-RF, HOME Match, ERA, and HOME ARP	No
Violation of the Integrated Housing Rule	All programs	No
Failure to resolve final construction deficiencies within the corrective action period	All programs	No
Noncompliance with the required accessibility requirements such as §504 of the Rehabilitation Act of 1973, the 2010 ADA standards as modified in the Department rules, or other accessibility related requirements of a Department rule	HOME, HOME-ARP, HOME Match, NSP, TCAP- RF, ERA NHTF, THTF, and for those HTC properties that were awarded after 2001 <u>All programs</u>	No
Noncompliance with the notice to the Department requirements described in §10.609 of this subchapter	All programs	No
Failure to reserve Units for Section 811 participants	811 PRA-developments	No
Failure to notify the Department of the availability of units, notices of termination, and outcomes of referred applications as described in accordance with §8.6 of this title.	811 PRA-developments	No
Owner failed to check required criminal history	811 PRA-developments	No

Failure to <u>properly use or document</u> Enterprise Income Verification System <u>as required for 811 PRA</u>	811 <u>PRA-developments</u>	No
Failure to properly document and calculate adjusted	811 developments	No
Failure to <u>provide or document</u> use required HUD forms <u>required for Section 811 PRA</u>	811 <u>PRA-developments</u>	No

Accepted funding that limits Section 811 participation	811 PRA developments	No
Failure to properly calculate tenant portion of rent Failure to document, calculate, or collect income and/or rent as required	811 PRA, HOME ARP developments	No
Failure to use HUD model lease	811 PRA developments	No
Failure to meet, maintain, or disperse Section 811 units	811 PRA developments	No
Failure to conduct interim certifications	811 PRA developments	No
Failure to conduct annual income recertification	811 PRA developments	No
Asset Management Division has reported that Owner has failed to submit rents on an annual basis in accordance with §10.403 of this chapter	HOME, NSP, TCAP RF, HOME Match, HOME-ARP, and NHTF	No
Unit Leased to a household that is not qualified for the 811 PRA program Failure to document or comply with eligibility requirements for 811 PRA	811 PRA developments	No
Noncompliance with CHDO Requirements	HOME	No
Failure to disperse unit designations across all unit types – Average Income only	HTC, TCAP and Exchange	No
Household income designations was improperly changed or removed	All programs	No
Failure to maintain the specific unit mix required in the Land Use Restriction Agreement (LURA)	HOME, HOME-ARP, ERA, HOME Match, TCAP-RF, and NHTF	No
Increased a household's rent more than one time during a 12-month period	All programs	No
Failure to issue a notice of rent increase in accordance with §10.622	All programs	No
Failure to market to veterans and/or Public Housing Authority (PHA) waitlist as required in the LURA or application	All programs HTC	No
Failure to include veteran statement in the application	All programs	No

<u>Failure to properly calculate and/or collect security deposit Section 811 only</u> <u>Failure to calculate, charge, collect, or refund a security or pet deposit as required for 811 PRA</u>	Section 811 <u>PRA</u>	No
Development inaccurately charged an application or late fee Section 811 only <u>A fee or deposit was charged that is impermissible for 811 PRA</u>	Section 811 <u>PRA</u>	No
Failure to issue utility allowance reimbursement in accordance with Section 811 only	Section 811 <u>PRA</u>	No
Failure to issue HUD Notices Section 811 <u>Failure to provide or document initial or reminder notices for recertification as required for 811 PRA</u>	Section 811 <u>PRA</u>	No
<u>Failure to document or comply with unit inspection file requirements for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Failure to conduct move-in or initial certification for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Failure to provide or document notice of change in tenant rent or utility reimbursement for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Failure to document or comply with move-out requirements for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Failure to conduct a transfer, gross rent change, move-out, change in household or Non-interim certification as required for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Failure to terminate assistance or tenancy as required for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>

Failure to submit completed IRS Form(s) 8609 with Part II completed by the first year of the credit period <u>second monitoring review</u>	HTC, Exchange, and TCAP	No
Failure to provide notice to applicants and households prior to the LURA term ending	All programs	No
<u>Failure to maintain and/or provide evidence of insurance, including but not limited to, builder's risk during construction, property insurance, general liability, fidelity bonds, and flood insurance, as applicable.</u>	<u>All programs</u>	<u>No</u>
<u>Failure to timely pay all property taxes, or maintain applicable exemptions to limit property taxes, resulting in a property tax lien and/or property tax suit.</u>	<u>HOME, HOME-ARP, ERA, TCAP, TCAP-RE, NHTF, and NSP</u>	<u>No</u>
<u>Failure to display Fair Housing poster as required for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Failure to respond to a reasonable accommodation request per 10 TAC §1.204(d)</u>	<u>All programs</u>	<u>No</u>
<u>Failure to document or comply with occupancy requirements for 811 PRA</u>	<u>811 PRA</u>	<u>No</u>
<u>Noncompliance with the Mitigation for Schools requirement of the LURA or application</u>	<u>All programs.</u>	<u>No</u>
