Finding: Household above the income limit				
Unit #	Non-Compliance Date	Reason	Corrective Action	Correction Date
1-157	11/22/2025	Annualizing the average of the most recent paystubs for the household resulted in the household's annual gross income of \$112,598.72 , which exceeds the applicable 80% AMI income limit of \$88,240.	To correct, designate unit 1-157 to an non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit 1-157 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.	8/22/2025
