Audit Report
Amalfi at Hermann Park

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed fourteen (14) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- In accordance with Section 3(d) of the Development's Regulatory Agreement, the Development must maintain complete and accurate records pertaining to the Low-Income Units. Tenant sample revealed one (1) household file did not contain an executed lease. Please ensure all records pertaining to Low-Income units are complete and accurate.
