Finding: Household above the income limit				
Unit #	Non-Compliance Date	Reason	Corrective Action	Correction Date
1323	10/2/2024	Annualizing the average of the most recent paystubs for the household resulted in the household's annual gross income of \$57,739.50, which exceeds the applicable 80% AMI income limit of \$52,960.	To correct, designate unit 1323 to a non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit 1323 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.	

Finding: Household above the income limit				
Unit #	Non-Compliance Date	Reason	Corrective Action	Correction Date
1207	9/24/2024	In accordance with Section 3(c) of the Regulatory Agreement, the following items are acceptable to determine income eligibility: (1) pay stubs for the most recent four-week period; (2) income tax returns for the most recent two tax years; (3) an income verification from the applicant's current employer; (4) an income verification from the Social Security Administration; or (5) if applicant is unemployed, does not have tax returns or is otherwise unable to provide other forms of verification as required, another form of independent verification as would be satisfactory. The household file included employment verification; however, recurring deposits in the bank statements were not verified or explained. Auditor reports total household income cannot be determined.	The owner may complete a retroactive income certification that completely and clearly documents the sources of income and assets for all household members that were in place at the time of the initial occupancy and apply income limits in effect on the move-in date. Submit for Department review a copy of the application(s), income and asset verifications and a new Income Certification form the time of move-in. Or the owner has the option to complete a new current certification using current income and assets sources and current income limits. Submit for Department review a copy of the application(s), income and asset verifications and a new Income Certification form. If the household has moved out or is not income eligible, occupy the unit or another comparable unit on the property with a new qualified household. Submit copies of the application(s), income and asset verifications, an executed Income Certification, lease contract and applicable lease addendums to the Department for review.
