Audit Report
Madison at Bear Creek

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed thirteen (13) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Development is required to obtain, complete and maintain on file Income Certifications from each Low-Income Household, including (i) the Income Certification provided as Exhibit D, attached hereto and incorporated herein, dated prior to the initial occupancy of such Low-Income Household in the Project that occupied the unit. The file sample revealed six (6) household files where the income certification was dated after the occupancy date. Ensure initial Income Certifications are completed prior to initial occupancy in accordance with Section 3(c) of the Regulatory Agreement to maintain compliance.
