The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed twenty-one (21) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Development is required to obtain, complete and maintain on file Income Certifications from each Low-Income Household, including (i) the Income Certification provided as Exhibit D, attached hereto and incorporated herein, dated prior to the initial occupancy of such Low-Income Household in the Project that occupied the unit. The file sample revealed three (3) household files where the income certification was dated after the occupancy date. Ensure initial Income Certifications are completed prior to initial occupancy in accordance with Section 3(c) of the Regulatory Agreement to maintain compliance.

PROPERTY FINDINGS

Finding: Household above the income limit				
Unit #	Non-Compliance Date	Reason	Corrective Action	Correction Date
1017	9/20/2024	Annualizing the average of the most recent paystubs for the household resulted in the household's annual gross income of \$54,469.34, which exceeds the applicable 80% AMI income limit of \$52,960.	To correct, designate unit 1017 to a non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit 1017 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.

Or the owner has the option to complete a new current certification using current income and assets sources and current income limits. Submit for Department review a copy of the application(s), income and asset verifications and a new Income Certification form.
