This review was performed as required by Section 303.042 (c) of Chapter 303, the Texas Administrative Code Chapter 10, Subchapter I, and the Regulatory Agreement/Deed Restriction for Parc at Champion Forest.

Events of noncompliance have been identified and corrective action is required. The attached Findings Report details the event(s) of noncompliance and the required corrective action. This notice begins the corrective action period. Please supply all requested documentation no later than **September 14, 2025**, the last day of the corrective action period.

**Audit Report**  
Parc at Champion Forest

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed sixteen (16) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Development is required to obtain, complete and maintain on file Income Certifications from each Low-Income Household, including (i) the Income Certification provided as Exhibit D, attached hereto and incorporated herein, dated prior to the initial occupancy of such Low-Income Household in the Project that occupied the unit. The file sample revealed five (5) household files where the income certification was dated after the occupancy date. Ensure initial Income Certifications are completed prior to initial occupancy in accordance with Section 3(c) of the Regulatory Agreement to maintain compliance.
