RE: Sandstone

Dear Post Sandstone, LLC:

The Texas Department of Housing and Community Affairs (Department) has reviewed the Public Facility Corporation (PFC) Audit Report submitted by Stephanie Naquin on May 30, 2025. This review was performed as required by Section 303.042 (c) of Chapter 303, the Texas Administrative Code Chapter 10, Subchapter I, and the Regulatory Agreement/Deed Restriction for Sandstone Apartments.

Events of noncompliance have been identified and corrective action is required. The attached Findings Report details the event(s) of noncompliance and the required corrective action. This notice begins the corrective action period. Please supply all requested documentation no later than **August 26, 2025**, the last day of the corrective action period.

If clarification is necessary to complete the corrective action, contact us as soon as possible. If it is not possible to provide the requested documentation by the corrective action period, correct as much as you can and submit a corrective action plan detailing how and when the remaining issue(s) of noncompliance will be corrected.

The Department recommends submitting a cover letter explaining the documentation submitted to address each event of noncompliance. Submit corrective action to [pfc.monitoring@tdhca.texas.gov](mailto:pfc.monitoring@tdhca.texas.gov).

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed fifteen (15) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Development is required to obtain, complete and maintain on file Income Certifications from each Low-Income Household, including (i) the Income Certification provided as Exhibit D, attached hereto and incorporated herein, dated prior to the initial occupancy of such Low-Income Household in the Project that occupied the unit. The file sample revealed nine (9) household files where the income certification was dated after the occupancy date. Ensure initial Income Certifications are completed prior to initial occupancy in accordance with Section 3(c) of the Regulatory Agreement to maintain compliance.
- In accordance with Section 3(c) of the Regulatory Agreement, the following items are acceptable to determine income eligibility: (1) pay stubs for the two most recent pay periods; (2) income tax returns for the most recent tax year; (3) a consumer credit search; (4) an income verification from the applicant's current employer; (5) an income verification from the Social Security Administration; or (6) if the applicant is unemployed, does not have income tax returns or is otherwise unable to provide other forms of verification as required above, obtain another form of independent verification as would, in Operator's reasonable commercial judgment. . The file sample revealed that multiple files did not contain income verification documentation as required by the Regulatory Agreement. To achieve and maintain compliance, ensure the required income documentation is collected as required in accordance with Section 3(c) of the Regulatory Agreement.
