## **Audit Report**

# The Broadway

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed twelve (12) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here https://www.tdhca.texas.gov/compliance-forms or a comparable form.
- The Development's Regulatory Agreement requires at least five (5) of the 60% units be reserved for rental to Housing Choice Voucher (HCV) holders. The Development currently only has four (4) HCV holders. Please ensure the HCV set-aside is achieved as soon as possible to achieve and maintain compliance with Section 3(a)(ii) of the Development's Regulatory Agreement.
- Development is required to obtain, complete and maintain on file Income Certifications from
  each Low-Income Household, including (i) the Income Certification provided as Exhibit D,
  attached hereto and incorporated herein, dated prior to the initial occupancy of such LowIncome Household in the Project that occupied the unit. The file sample revealed three (3)
  household files where the income certification was dated after the occupancy date. Ensure
  initial Income Certifications are completed prior to initial occupancy in accordance with Section
  3(c) of the Regulatory Agreement to maintain compliance.
- Annual Income Certifications as described in Section 3(c) of the Development's Regulatory
  Agreement, must be obtained on the anniversary of such Low-Income Household's occupancy
  of the unit, and in no event less than once in every 12-month period following each LowIncome Household's occupancy of a unit. The file sample revealed one (1) household file where
  the annual income certification was not conducted. Ensure all recertifications are completed in
  accordance with the Regulatory Agreement to maintain compliance.
