RE: The Dawson

Dear Karla Hill:

The Texas Department of Housing and Community Affairs (Department) has reviewed the Public Facility Corporation (PFC) Audit Report submitted by Darren Smith on June 2, 2025. This review was performed as required by Section 303.042 (c) of Chapter 303, the Texas Administrative Code Chapter 10, Subchapter I, and the Regulatory Agreement/Deed Restriction for The Dawson Apartments.

Events of noncompliance have been identified and corrective action is required. The attached Findings Report details the event(s) of noncompliance and the required corrective action. This notice begins the corrective action period. Please supply all requested documentation no later than **September 9, 2025**, the last day of the corrective action period.

If clarification is necessary to complete the corrective action, contact us as soon as possible. If it is not possible to provide the requested documentation by the corrective action period, correct as much as you can and submit a corrective action plan detailing how and when the remaining issue(s) of noncompliance will be corrected.

The Department recommends submitting a cover letter explaining the documentation submitted to address each event of noncompliance. Submit corrective action to pfc.monitoring@tdhca.texas.gov.

If you have any questions about this monitoring report, please contact Christina Thompson toll free in Texas at (800) 643-8204, directly at (512) 475-3907, or email: christina.thompson@tdhca.texas.gov.

Audit Report

The Dawson Apartments

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed thirty-six (36) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here https://www.tdhca.texas.gov/compliance-forms or a comparable form.
- Development is required to obtain, complete and maintain on file Income Certifications from
 each Low-Income Household, including (i) the Income Certification provided as Exhibit D,
 attached hereto and incorporated herein, dated prior to the initial occupancy of such LowIncome Household in the Project that occupied the unit. The file sample revealed three (3)
 household files where the income certification was dated after the occupancy date. Ensure
 initial Income Certifications are completed prior to initial occupancy in accordance with Section
 3(c) of the Regulatory Agreement to maintain compliance.
