**Audit Report**  
Broadstone Briar Forest

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed sixteen (16) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Development is required to obtain, complete and maintain on file Income Certifications from each Low-Income Household, including (i) the Income Certification provided as Exhibit D, attached hereto and incorporated herein, dated prior to the initial occupancy of such Low-Income Household in the Project that occupied the unit. The file sample revealed four (4) household files where the income certification was dated after the occupancy date. Ensure initial Income Certifications are completed prior to initial occupancy in accordance with Section 3(c) of the Regulatory Agreement to maintain compliance.
- Annual Income Certifications as described in Section 3(c) of the Development's Regulatory Agreement, must be obtained on the anniversary of such Low-Income Household's occupancy of the unit, and in no event less than once in every 12-month period following each Low-Income Household's occupancy of a unit. The file sample revealed one (1) household files where the income certification was conducted after the anniversary date. Ensure all recertifications are completed in accordance with the Regulatory Agreement to maintain compliance.

B1503	12/31/2024	<p>Annualizing the average of the most recent paystubs for the household resulted in the household's annual gross income of \$67,999.88, which exceeds the applicable 80% AMI income limit of \$52,960.</p>	<p>To correct, designate unit B1503 to a non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit B1503 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.</p>
