The Texas Department of Housing and Community Affairs (Department) has reviewed the Public Facility Corporation (PFC) Audit Report submitted by Stephanie Naquin on June 2, 2025. This review was performed as required by Section 303.042 (c) of Chapter 303, the Texas Administrative Code Chapter 10, Subchapter I, and the Regulatory Agreement/Deed Restriction for Circuit Apartments.

Events of noncompliance have been identified and corrective action is required. The attached Findings Report details the event(s) of noncompliance and the required corrective action. This notice begins the corrective action period. Please supply all requested documentation no later than **September 7, 2025**, the last day of the corrective action period.

If clarification is necessary to complete the corrective action, contact us as soon as possible. If it is not possible to provide the requested documentation by the corrective action period, correct as much as you can and submit a corrective action plan detailing how and when the remaining issue(s) of noncompliance will be corrected.

The Department recommends submitting a cover letter explaining the documentation submitted to address each event of noncompliance. Submit corrective action to pfc.monitoring@tdhca.texas.gov.

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed twelve (12) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Annual Income Certifications as described in Section 3(c) of the Development's Regulatory Agreement, must be obtained on the anniversary of such Low-Income Household's occupancy of the unit, and in no event less than once in every 12-month period following each Low-Income Household's occupancy of a unit. The file sample revealed four (4) household files where the income certification was not conducted by the anniversary date. Ensure all recertifications are completed in accordance with the Regulatory Agreement to maintain compliance.
- The Development's Regulatory Agreement requires not less than 50.2% of the total number of units in the combined project be reserved/occupied by Low-Income Households, whose adjusted income is less than 80% AMI. To achieve and maintain compliance with Section 3(a) of the Development's Regulatory Agreement, ensure at least 50.2% of the total number of units in the combined project is reserved for/occupied by Low-Income Households.
