This notice begins the corrective action period. Please supply all requested documentation no later than **September 1, 2025**, the last day of the corrective action period.

If clarification is necessary to complete the corrective action, contact us as soon as possible. If it is not possible to provide the requested documentation by the corrective action period, correct as much as you can and submit a corrective action plan detailing how and when the remaining issue(s) of noncompliance will be corrected.

The Department recommends submitting a cover letter explaining the documentation submitted to address each event of noncompliance. Submit corrective action to pfc.monitoring@tdhca.texas.gov.

Audit Report
Smart Living Heights

The Texas Department of Housing and Community Affairs provides the following Technical Assistance:

- Annual income also includes all income derived from assets as identified and calculated in accordance with 24 CFR § 5.609(a). All income and asset sources must be properly verified and documented to ensure full compliance. The file sample revealed seven (7) household files where income from asset was not verified. Moving forward, failure to verify and document assets will result in a finding of noncompliance. Households with assets valued at \$51,600 or less may utilize the Asset Certification of Net Family Assets form found on the Department's website here <https://www.tdhca.texas.gov/compliance-forms> or a comparable form.
- Annual Income Certifications as described in Section 3(c) of the Development's Regulatory Agreement, must be obtained on the anniversary of such Low-Income Household's occupancy of the unit, and in no event less than once in every 12-month period following each Low-Income Household's occupancy of a unit. The file sample revealed three (3) household files where the income certification was not conducted. Ensure all recertifications are completed in accordance with the Regulatory Agreement to maintain compliance. Household files are cited under another cover on the Detail Findings Report.
- In accordance with Section 3(c) of the Regulatory Agreement, the following items are acceptable to determine income eligibility: (1) pay stubs for the most recent four-week period; (2) income tax returns for the most recent two tax years; (3) an income verification from the applicant's current employer; (4) an income verification from the Social Security Administration; or (5) if applicant is unemployed, does not have tax returns or is otherwise unable to provide other forms of verification as required, another form of independent verification as would be satisfactory. Ensure the required income verification documents are collected in accordance with the Development's Regulatory Agreement.
