PROPERTY FINDINGS

Finding:	Failure to comply with §10.1103(1)			
Unit #	Non-Compliance Date	Reason	Corrective Action	Correction Date
Property Wide	6/1/2026	An Audit Report from an Auditor must be submitted to the Department annually. This submission will satisfy the requirements by demonstrating eligibility to continue under the former law, but must fully address the requirements of identifying the difference in rent charged for income-restricted residential units and the estimated maximum market rents that could be charged for those units without the rent and income restrictions. The Audit Report submitted to the Department did not contain the comparison of the restricted rent to the estimated market rent on Tab 7 of the Audit Report.	Submit the comparison of the restricted rent to the estimated market rent for each unit identified in Tab 7. Include the Restricted Rent and the Estimated Maximum Market Rent. Market rent is defined as the highest rent charged for the same Unit Type at the Development. If no market-rate units exist, include an Estimated Maximum Market Rent and a written methodology with the Audit Report.
