RE: Legends Lakeline

Dear PFC Operator:

The Texas Department of Housing and Community Affairs (Department) received documentation on May 2, 2025, addressing the noncompliance identified during the review of the Audit Report submitted by Premier Compliance Consulting on January 22, 2025. Corrective action was due on May 6, 2025.

The documentation submitted was sufficient to correct the noncompliance related to **Failure to comply with §10.1103(1)**, which requires comparison of the restricted rent to the estimated market rent, and **Households above the income limit** affecting units 1-204, 1-312, 2-2305, 3-3115, 3-3211, 3-212, 3-215, 3-3331, 3-3332, 4-4104, 4-4307, and 5-5203. In addition, the documentation corrected noncompliance with **Failure to comply with Public Facility Corporation Regulatory Agreement** affecting units 4-4304 and 3-3335, lease provisions, and the requirement to reserve one hundred eleven (111) units at or below 80% AMI. Please see the attached Finding Report for details.

PROPERTY FINDINGS

Finding Failure to comply with §10.1103(1)  
Noncompliance Date 1/22/2025 Correction Date: 5/2/2025  
Reason An Audit Report from an Auditor must be submitted to the Department annually. This submission will satisfy the requirements by demonstrating eligibility to continue under the former law, but must fully address the requirements of identifying the difference in rent charged for income-restricted residential units and the estimated maximum market rents that could be charged for those units without the rent and income restrictions. The Audit Report submitted to the Department did not contain the comparison of the restricted rent to the estimated market rent on Tab 7 of the Audit Report.  
Corrective Action Submit the comparison of the restricted rent to the estimated market rent for each unit identified in Tab 7.

Unit # 1-312  
Finding Household above the income limit upon initial occupancy  
Noncompliance Date 12/15/2024 Correction Date: 5/2/2025  
Reason Annualizing the average of the most recent paystubs for the household resulted in the household's annual gross income of \$38,711.92 , which exceeds the applicable 30% AMI income limit of \$37,800.  
Corrective Action To correct, designate unit 1-312 to an 60% AMI unit since their income exceeds the 30% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 30% AMI limit. Or if the household's circumstances have changed, the owner may certified them under current circumstances using current income limits. In either scenario, submit a copy of the household file application, verification of income and assets, executed Income Certification and lease agreement.

Finding Failure to comply with the Public Facility Corporation Regulatory Agreement  
Noncompliance Date 12/31/2024 Correction Date: 5/2/2025  
Reason The Development's Regulatory Agreement requires one hundred eleven (111) units be reserved by households earning at or below 80% AMI, to include 23 units be reserved for occupancy by households earning at or below 60% AMI. The Development currently only has one hundred eight (108) units reserved at 80% AMI, which includes twenty-one (21) 60% AMI units.

Corrective Action As units become available, lease units to households' with 60% AMI or less and 80% AMI until the occupancy requirements of the Regulatory Agreement have been met. The owner may also survey existing market rate households and certify them if their income is at or below 80% AMI and/or 60% AMI. In either scenario, submit a copy of the household file application, verification of income and assets, executed Income Certification and lease agreement.

Finding Failure to comply with the Public Facility Corporation Regulatory Agreement  
Noncompliance Date 12/31/2024 Correction Date: 5/2/2025

Reason Section 3(f) of the Development's Regulatory Agreement states, each lease or rental agreement pertaining to a Low-Income Unit shall contain a provision to the effect that the Development has relied on the Income Certification and supporting information supplied by the Low Income Household in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) may be cause for immediate termination of such lease or rental agreement. Each lease or rental agreement shall also disclose that the tenant's income is subject to annual certification.

Corrective Action Submit to the Department for review an owner's statement of compliance with the Regulatory Agreement moving forward, along with a blank template of the Lease or Lease Addenda that includes the required language.

Corrective Action To correct, complete annual Income Certification with verifications and submit to the Department for review. Submit the following documentation for review: application, verification of income/assets, executed Income Certification form and lease contract.
