The Texas Department of Housing and Community Affairs (Department) has reviewed the Public Facility Corporation (PFC) Audit Report submitted by Novogradac & Company LLP on February 7, 2025. PROPERTY FINDINGS

Finding	Failure to comply with §10.1103(1)	
Noncompliance Date	1/31/2025	Correction Date:
Reason	An Audit Report from an Auditor must be submitted to the Department annually. This submission will satisfy the requirements by demonstrating eligibility to continue under the former law, but must fully address the requirements of identifying the difference in rent charged for income-restricted residential units and the estimated maximum market rents that could be charged for those units without the rent and income restrictions.	
	The Audit Report submitted to the Department did not contain the comparison of the restricted rent to the estimated market rent on Tab 7 of the Audit Report.	
Corrective Action	Submit the comparison of the restricted rent to the estimated market rent for each unit identified in Tab 7.	
Finding	Failure to comply with the Public Facility Corporation Regulatory Agreement	
Noncompliance Date	12/31/2023	Correction Date:
Reason	The Development's Regulatory Agreement requires at least fifteen (15) efficiency units be reserved for or rented to and occupied by Low Income Tenants at 80% AMI . The Development currently only has six (6).	
Corrective Action	As units become available, lease units to households' with 80% AMI or less until the occupancy requirements of the Regulatory Agreement have been met. The owner may also survey existing market rate households and certify them if their income is at or below 80% AMI. Submit copies of nine (9) new move-ins etc. that have been certified at 80% AMI and a current rent roll showing at least fifteen (15) units are restricted. Provide the Department copies of the following for the new certified households: application(s), verifications of income/assets, executed Income Certification and the lease contract.	

Finding Failure to comply with the Public Facility Corporation Regulatory Agreement
Noncompliance Date 12/31/2023 Correction Date:
Reason Section 3(f) of the Development's Regulatory Agreement states, each lease or rental agreement pertaining to a Low-Income Unit shall contain a provision to the effect that the Development has relied on the Income Certification and supporting information supplied by the Low Income Household in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) may be cause for immediate termination of such lease or rental agreement. Each lease or rental agreement shall also disclose that the tenant's income is subject to annual certification.

Corrective Action Submit to the Department for review an owner's statement of compliance with the Regulatory Agreement moving forward, along with a blank template of the Lease or Lease Addenda that includes the required language.

Unit # 0411

Finding Household above the income limit
Noncompliance Date 12/8/2023 Correction Date:
Reason Tenant file contained an employer verification that revealed household's annual gross income of \$57,406.12, which exceeds the applicable 80% AMI income limit of \$52,160.

Corrective Action To correct, designate unit 0411 to an non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit 0411 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.

Unit # 0632

Finding Household above the income limit
Noncompliance Date 12/15/2023 Correction Date:
Reason Tenant file contained an employer verification that revealed household's annual gross income of \$50,000, which exceeds the applicable 60% AMI income limit of \$39,120.

Corrective Action To correct, designate unit 0632 to an 80% AMI unit since their income exceeds the 60% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 86% AMI limit. Owner may survey existing vacant non-program units to replace unit 0632 and reserve as a program-unit to be occupied with a household that income qualifies at 60% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.
