RE: Westchase Forest

Dear Post Westchase, LLC:

The Texas Department of Housing and Community Affairs (Department) has reviewed the Public Facility Corporation (PFC) Audit Report submitted by Novogradac & Company LLP on January 29, 2025. This review was performed as required by Section 303.042 (c) of Chapter 303, the Texas Administrative Code Chapter 10, Subchapter I, and the Regulatory Agreement/Deed Restriction for Westchase Forest Apartments.

Two separate audit reports were submitted for this property, the first one on January 29, 2025 and another updated version was also provided on January 30, 2025 with the correct audit attachment. The Department reviewed the first audit report, which was incorrect and issued a notice of noncompliance. The Department received clarification from the Auditor that an updated version was submitted with the correct attachment. The Department is reissuing the Monitoring Report based on the corrected submission. Please disregard the original letter submitted on March 14, 2025, it is null and void.

Events of noncompliance have been identified and corrective action is required. The attached Findings Report details the event(s) of noncompliance and the required corrective action. Please supply all requested documentation no later than June 9, 2025, the last day of the corrective action period.

If clarification is necessary to complete the corrective action, contact us as soon as possible. If it is not possible to provide the requested documentation by the corrective action period, correct as much as you can and submit a corrective action plan detailing how and when the remaining issue(s) of noncompliance will be corrected.

The Department recommends submitting a cover letter explaining the documentation submitted to address each event of noncompliance. Submit corrective action to pfc.monitoring@tdhca.texas.gov.

If you have any questions about this monitoring report, please contact Christina Thompson toll free in Texas at (800) 643-8204, directly at (512) 475-3907, or email: christina.thompson@tdhca.texas.gov.

Sincerely,

PROPERTY FINDINGS

Finding	Failure to comply with the Public Facility Corporation Regulatory Agreement	Correction Date:
Noncompliance Date	12/31/2023	
Reason	Section 3(f) of the Development's Regulatory Agreement states, each lease or rental agreement pertaining to a Low-Income Unit shall contain a provision to the effect that the Development has relied on the Income Certification and supporting information supplied by the Low Income Household in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) may be cause for immediate termination of such lease or rental agreement. Each lease or rental agreement shall also disclose that the tenant's income is subject to annual certification.	
Corrective Action	Submit to the Department for review an owner's statement of compliance with the Regulatory Agreement moving forward, along with a blank template of the Lease or Lease Addenda that includes the required language.	
Unit #		
Finding	Failure to comply with §10.1103(1)	Correction Date:
Noncompliance Date	1/29/2025	
Reason	An Audit Report from an Auditor must be submitted to the Department annually. This submission will satisfy the requirements by demonstrating eligibility to continue under the former law, but must fully address the requirements of identifying the difference in rent charged for income-restricted residential units and the estimated maximum market rents that could be charged for those units without the rent and income restrictions.	
	The Audit Report submitted to the Department did not contain the comparison of the restricted rent to the estimated market rent on Tab 7 of the Audit Report.	
Corrective Action	Submit the comparison of the restricted rent to the estimated market rent for each unit identified in Tab 7.

Finding

Household above the income limit

Noncompliance Date

9/3/2023

Correction Date:

Reason

In accordance with Section 3(c) of the Regulatory Agreement, the following items are acceptable to determine income eligibility: (1) pay stubs for the most recent four-week period; (2) income tax returns for the most recent two tax years; (3) an income verification from the applicant's current employer; (4) an income verification from the Social Security Administration; or (5) if applicant is unemployed, does not have tax returns or is otherwise unable to provide other forms of verification as required, another form of independent verification as would be satisfactory.

Tenant file contains one (1) tax return for income verification, but the Regulatory Agreement requires tax returns for the most recent two (2) tax years for this type of income verification. The Auditor reported the income could not be determined or verified.

Corrective Action

The owner may complete a retroactive income certification that completely and clearly documents the sources of income/assets for all household members that were in place at the time of the initial certification and apply income limits that were in effect on the initial move-in date. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all sources of income/assets at the time of move-in. Or the owner has the option to complete a new current certification using current income/assets sources and current income limits. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all current sources of income/assets. If the household has moved out or is not income eligible, occupy the unit or another comparable unit on the property with a new income eligible household. Submit copies of the application(s), income/asset verifications, an Income Certification, lease contract and applicable lease addendums to the Department for review

Unit # 12-12-1220

Finding

Household above the income limit

Noncompliance Date

11/20/2023

Correction Date:

Reason

The Employment Verification for the head of household's indicates their annual gross income is \$72,000, which exceeds the applicable 80% income limit of \$60,560 at move-in.

Corrective Action

To correct, designate unit 12-12-1220 to a non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit 12-12-1220 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.

Unit # 7-7-723

Finding

Gross rent exceeds the highest rent allowed under the Regulatory Agreement

Corrective Action

To correct, reduce the household's rent to \$1,135 per month. Calculate the rent overage from the time of move-in, and either refund or credit the household the overpaid rent. Submit the follow documentation for review: the rent overage calculation, an amended lease contract reflecting the new rent amount, the household's rent ledger of the new rent amount reflected and the rent credit (if applicable) or a copy of the cancelled check (if a refund is issued).
