

811 Property Options

Select properties here to be added to their waiting lists. Always use most recent version of 811 Property Options form as posted to Section 811 PRA website, as property options may change: <https://www.tdhca.texas.gov/service-providers>

Whether an applicant qualifies to be added to a property's waitlist is subject to program eligibility, whether the waiting list is open at the time application is received, and whether the applicant has met the requirements under the Outside Service Area Referral Policy. Under that policy, Referral Agents are only authorized to submit applications that include Property Options Forms for properties within their agency's service delivery area, unless a completed Outside Service Area Referral Form is also submitted to TDHCA.
